

Edgar Filing: TWIN DISC INC - Form 8-K

At its meeting on July 29, 2010, the Compensation Committee of the Board of Directors of Twin Disc, Incorporated (the "Company") approved the targets for fiscal 2011 bonuses for the Company's principal executive officer, principal financial officer, and certain of the Company's "named executive officers" (as used in Instruction 4 to Item 5.02 of Form 8-K), as follows:

Name and Position	Base Salary	Target Bonus as % of Base Salary
Michael E. Batten Chairman and Chief Executive Officer	\$546,000	70%
John H. Batten President and Chief Operating Officer	\$300,000	50%
Christopher J. Eperjesy Vice President – Finance, Chief Financial Officer and Treasurer	\$286,000	50%
James E. Feiertag Executive Vice President	\$286,000	50%
H. Claude Fabry Vice President	\$229,256(1)	40%

- (1) A portion of Mr. Fabry's base salary is denominated in Euro, which has been translated at the exchange rate of 1€/1.21\$.

In each case, the target incentive bonus is based on the FY 2011 Corporate Incentive Plan, which the Committee adopted and approved on July 29, 2010. The Corporate Incentive Plan establishes the target bonuses for the named executive officers based on the following factors and relative weights for each factor: corporate economic profit (70%), inventory as a percentage of sales (15%) and sales growth (15%).

On July 29, 2010, the Compensation Committee also issued performance stock awards to named executive officers of the Company under the Company's 2004 Long Term Incentive Compensation Plan as amended in 2006 (the "Plan"). A target number of 49,077 performance shares were awarded to the named executive officers, subject to adjustment as described below. The performance shares will be paid out if the Company achieves certain economic profit objectives (measured as the difference between the cumulative net operating profit after taxes and the cumulative capital charge) for the cumulative three fiscal year period ending June 30, 2013. If the Company achieves the maximum 3-year cumulative economic profit goal, a recipient will earn a maximum number of performance shares. If the Company achieves the target 3-year cumulative economic profit goal, a recipient will earn the target number of performance shares. If the Company achieves the threshold 3-year cumulative economic profit goal, a recipient will earn a threshold number of performance shares. No performance shares will be earned for performance below the 3-year cumulative economic profit threshold and no additional performance shares will be earned for performance exceeding the 3-year cumulative economic profit maximum. In the event that the Company's economic profit is between the achievement levels set forth, the percentage of performance shares awarded shall be determined by interpolation. The maximum number of performance shares that can be earned by the named executive officers pursuant to this award is 58,893. A copy of the form of the Performance Stock Award Grant Agreement is attached

hereto as Exhibit 10.1 and is incorporated herein by reference.

At its July 29, 2010 meeting, the Compensation Committee also issued performance stock units to named executive officers of the Company under the Plan. A target number of 85,159 performance stock units were awarded to the named executive officers, subject to adjustment as described below. The performance stock units will be paid out if the Company achieves certain economic profit objectives (measured as the difference between the cumulative net operating profit after taxes and the cumulative capital charge) for the cumulative three fiscal year period ending June 30, 2013. If the Company achieves the maximum 3-year cumulative economic profit goal, a recipient will earn a maximum number of performance stock units. If the Company achieves the target 3-year cumulative economic profit goal, a recipient will earn the target number of performance stock units. If the Company achieves the threshold 3-year cumulative economic profit goal, a recipient will earn a threshold number of performance stock units. No performance stock units will be earned for performance below the 3-year cumulative economic profit threshold and no additional performance stock units will be earned for performance exceeding the 3-year cumulative economic profit maximum. In the event that the Company's economic profit is between the achievement levels set forth, the percentage of performance stock units awarded shall be determined by interpolation. The maximum number of performance stock units that can be earned by the named executive officers pursuant to this award is 102,191. A copy of the form of the Performance Stock Unit Award Grant Agreement is attached hereto as Exhibit 10.2 and incorporated herein by reference.

At its July 29, 2010 meeting, the Compensation Committee also issued restricted stock grants to named executive officers of the Company under the Plan. A total of 65,426 shares of restricted stock were granted to the named executive officers. The shares will vest in three years, provided the named executive officer remains employed as of such vesting date. The restricted stock will fully vest if the named executive officer terminates employment due to death or disability, or following a change in control of the Company. A copy of the form of the Restricted Stock Grant Agreement is attached hereto as Exhibit 10.3 and is incorporated herein by reference.

The following table shows the awards granted to the named executive officers under the Plan:

Name	Performance Shares (3-yr. Target)	Performance Stock Units (3-yr. Target)	Shares of Restricted Stock
M. Batten	0	57,554	22,316
J. Batten	18,478	10,394	16,090
C. Eperjesy	12,745	7,169	12,339
J. Feiertag	12,745	7,169	11,339
H.C. Fabry	5,109	2,873	3,342

Also on July 29, 2010, the Compensation Committee amended and restated the Twin Disc, Incorporated, Supplemental Executive Retirement Plan (the "SERP"). Historically, the SERP has provided benefits in excess of what the SERP participants would have received under the Company's defined benefit pension plan, but for certain limits under the Internal Revenue Code. However, on August 1, 2009, the Company froze its defined benefit plan, and adopted a new defined contribution plan that covers its named executive officers. The purpose of the restatement of the SERP was to refer to both the frozen defined benefit plan and the new defined contribution plan. In addition, because the new defined contribution plan is an individual account plan, the SERP benefits of all of the named executive officers except Mr. M. Batten were restated as individual accounts, based on the present value of their SERP benefits as of August 1, 2009. Mr. M. Batten is the only named executive officer whose benefit under the Company's frozen defined benefit plan includes amounts accrued under that plan's traditional pension formula, and his SERP benefit continues to be expressed as a more traditional pension formula. The amended SERP also revises the formula

to provide Mr. M. Batten a SERP benefit that is at least equal to the present value of his SERP benefit as of July 1, 2010, adjusted for certain interest credits through his retirement. A copy of the amended SERP is attached hereto as Exhibit 10.4 and is incorporated herein by reference.

The Compensation Committee also decided at its July 29, 2010 meeting to approve a Pension Promise Agreement between Twin Disc International S.A. (“TWINSA”) and Mr. Fabry. The purpose of this agreement is to grant Mr. Fabry a complementary pension benefit as a reward for the services he has and will perform for TWINSA as a member of its Management Committee and as a Director of TWINSA. A copy of the Pension Promise Agreement is attached hereto as Exhibit 10.5 and is incorporated herein by reference.
