Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On February 29, 2016, the Compensation Committee (the “Compensation Committee”) of the Board of Directors of Knight Transportation, Inc. (the “Company”) granted to its named executive officers and other participants awards of performance-based restricted stock units (“RSUs”) under the Company's Amended and Restated 2015 Omnibus Incentive Plan (the “Omnibus Plan”). The awards were based on compensation targets established by the Compensation Committee, after taking into account competitive compensation factors, divided by the market value of the Company’s stock as of the grant date. The number of shares of Common Stock ultimately deliverable to participants will vary based on the Company’s performance targets for a defined performance period against the objective performance metrics established by the Compensation Committee. The performance period runs January 1, 2016, through December 31, 2018. Performance targets are based on revenue growth, return on net assets and total shareholder return compared with the total shareholder return of a group of truckload carriers and logistics companies, as provided in the Omnibus Plan. The awards vest and shares are deliverable to each participant on the second January 31st following the expiration of the performance period. The following RSU grants, expressed in shares, were authorized by the Compensation Committee to the following named executive officers:
