DEREGISTRATION OF UNSOLD SECURITIES

On February 16, 2001, Incyte Corporation (formerly Incyte Genomics, Inc.) (the Company) filed its Registration Statement on Form S-3 (File No. 333-55826) (the Registration Statement), as amended by Amendment No. 1 to Form S-3 filed on May 18, 2001, covering 1,248,522 shares of the Company's common stock, \$0.001 par value, (the Shares) to be sold by certain selling stockholders of the Company. On May 22, 2001, the Securities and Exchange Commission (the Commission) declared the Registration Statement effective.

Pursuant to Rule 477 promulgated under the Securities Act of 1933 and the Company's undertaking in Item 17 of Part II of this Registration Statement, the Company respectfully requests that the Commission withdraw the Company's Registration Statement on Form S-3, including all amendments and exhibits thereto, with respect to the unsold portion of securities registered thereon. The Registration Statement was filed in order to register the Shares issued to the former stockholders of Proteome, Inc. (Proteome) in connection with the acquisition of Proteome by the Company.

The Company is requesting the withdrawal of the Registration Statement because, pursuant to the terms of the Registration Rights Agreement between the Company and the former stockholders of Proteome, the Company's obligations to maintain the effectiveness of the Registration Statement under the Registration Rights Agreement expired in December 2002.

Accordingly, the Company hereby de-registers the Shares registered pursuant to the Registration Statement that remain unsold thereunder.

**SIGNATURES**

Pursuant to the requirements of the Securities Act of 1933, the registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this Post-Effective Amendment No. 1 to the Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Palo Alto, State of California, on the 19th day of May 2003.
