ITEM 4. CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT

We are delighted with the letter of Deloitte & Touche in response to our Form 8-K of two weeks ago, agreeing with our important statements concerning their release. We are further pleased that Deloitte agrees that the minor "disagreement" which Deloitte had with the financial statements dating from 1999 audited by our former accountants, Arthur Andersen, "was ultimately resolved" and is fully explained in our Form 10-K for the year ended December 31, 2002. This matter had no financial impact on the Company.

We are pleased that we are closing our relationship with Deloitte & Touche on this positive note.

Dear Sirs/Madams:

We have read Item 4 of Price Communications Corporation's (the Company) Form 8-K dated May 5, 2003, and have the following comments:

1. We agree with the statements made in the first sentence of the first paragraph concerning the dismissal of Deloitte & Touche LLP; and the statements made in the third paragraph and the fifth paragraph.

Edgar Filing: PRICE COMMUNICATIONS CORP - Form 8-K

2. We do not agree with the statements made in the second paragraph. The Company and Deloitte & Touche had a disagreement over the accounting for certain redeemable preferred stock issued in prior years to the Company's Chief Executive Officer. This disagreement was ultimately resolved. Reference is made to Note 10 to the consolidated financial statements included in the Company's Form 10-K for the year ended December 31, 2002 for a discussion of this matter.

3. We have no basis upon which to agree or disagree with the statements made in the first sentence of the first paragraph concerning the engagement of BDO Seidman, LLP; the statements made in the second sentence of the first paragraph; or the statements made in the fourth paragraph.

Very truly yours,

Deloitte & Touche LLP
