Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing

On February 20, 2007, ePlus inc. (the "Company") received a staff determination letter from the staff of the Nasdaq indicating that the Company's failure to file its Form 10-Q for the quarter ended December 31, 2006, as required by Nasdaq Marketplace Rule 4310(c)(14), could serve as an additional basis for the delisting of the Company's stock from the Nasdaq Global Market.

As previously reported, the Company's securities will continue to be listed on the Nasdaq Global Market during the review of the Nasdaq Listing and Hearings Review Council ("Listing Council"). The Listing Council issued a stay of delisting on January 11, 2007, pending review by the Listing Council of the Nasdaq Listing and Qualification Panel's decision to delist and suspend trading of the Company's securities on the Nasdaq Global Market.

Item 7.01 Regulation FD Disclosure

The Company has been diligently working to resolve issues related to accounting for stock options granted since its initial public offering in 1996, which is the sole reason underlying its delay in filing its annual and quarterly reports. In this regard, the Company has been reviewing accounting guidance regarding stock option grants recently published by the accounting staff of the SEC, and has not yet determined the amount of such charges or the resulting tax and accounting impact. The Company's determination of the amount of such stock-based compensation expense is being finalized and is being reviewed by its independent auditors. The Company plans to file its Annual Report on Form 10-K for the year ended March 31, 2006 and its Forms 10-Q for the quarters ended June 30, 2006, September 30, 2006 and December 31, 2006 as soon as practicable after the resolution of the previously disclosed matters.

A copy of the Company's press release issued on February 26, 2007, relating to the foregoing, is filed as Exhibit 99.1 and incorporated herein by reference.
