EXPLANATORY NOTE

This Amendment No. 1 to Form 10-K (this "Amendment") amends the Annual Report on Form 10-K for the fiscal year ended December 31, 2012 (the "Original Filing"), originally filed with the Securities and Exchange Commission (the "SEC") on March 12, 2013, of Impac Mortgage Holdings, Inc. Because we do not expect to file our definitive proxy statement within 120 days of the end of our fiscal year ended December 31, 2012, we are filing this Amendment to provide the information required by Items 10, 11, 12, 13 and 14 of Part III of the SEC's Form 10-K and not included in the Original Filing.

As required by Rule 12b-15 under the Securities Exchange Act of 1934, as amended, this Amendment includes as exhibits the certifications required of our principal executive officer and principal financial officer under Section 302 of the Sarbanes-Oxley Act of 2002. We have included Part IV, Item 15 in this Amendment solely to reflect the filing of these exhibits with this Amendment. We are not including certifications under Section 906 of the Sarbanes-Oxley Act of 2002 as no financial statements are being filed with this Amendment.

No attempt has been made with this Amendment to modify or update the other disclosures presented in the Original Filing, including the exhibits thereto, except that we have updated the number of outstanding shares of our common stock on the cover page of this Amendment. The Original Filing continues to speak as of the date of the Original Filing, and we have not updated the disclosures contained therein to reflect any events which occurred at a date subsequent to the filing of the Original Filing. Accordingly, this Amendment should be read in conjunction with the Original Filing and our other filings made with the SEC.

Unless otherwise noted or as the context otherwise requires, the term "the Company," "we," "us," or "our" refers to Impac Mortgage Holdings, Inc. and its subsidiaries.

Non-Employee Director Deferred Stock Unit Award Program

Effective December 1, 2010, the Company adopted the Non-Employee Director Deferred Stock Unit Award Program (the "DSU Program"). The DSU Program provides for the grant of deferred stock units ("DSUs") to non-employee directors pursuant to the 2010 Plan. Each DSU grant vests in substantially

equal annual installments, commencing with the first anniversary of the date of grant, subject to the director's continued service on the board of directors. Upon vesting, the DSUs continue to be held in the director's stock account until payment becomes due. In the event a director is no longer a member of the board of directors prior to vesting, all DSUs that remain unvested terminate and are forfeited. Dividends and other distributions on DSUs are credited to the director's stock account as if such DSUs were actual shares of common stock issued and outstanding. No interest is credited on stock amounts. Dividends and distributions are converted, based on fair market value of the common stock, into DSUs and credited to the director's stock account. The board may, in its sole discretion, waive vesting and forfeiture of DSUs. In the event a change in control, all outstanding DSUs are deemed fully vested. Directors receive a distribution of stock within thirty (30) days after the date the director no longer serves on the board. The distribution will consist of one share of common stock for each DSU. Any shares of common stock issued are deemed issued under the 2010 Plan.

Risk Management

The Company faces a variety of operational and market risks, including interest rate risk, credit risk, liquidity risk and prepayment risk. The Board of Directors believes an effective risk management system will (1) timely identify the material risks that the Company faces, (2) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or Audit Committee, (3) implement appropriate and responsive risk management strategies consistent with Company's risk profile, and (4) integrate risk management into Company decision-making.

The Board has designated the Audit Committee to take the lead in overseeing risk management. The Audit Committee discusses with management the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Company's risk assessment and risk management policies. The Audit Committee also reviews the significant reports to management, including assessment of the Company's risk management processes and systems of internal controls.

Equity Compensation Plan Information

Our current stock plan is the Company's 2010 Omnibus Incentive Plan (the "2010 Plan"), which was approved by our stockholders and became effective on July 20, 2010. The 2010 Plan is administered by the Compensation Committee of the Company's Board of Directors, with participation and approval of the Board of Directors. Awards under the Plan may include incentive stock options, nonqualified stock options, stock appreciation rights, restricted shares of common stock, restricted stock units, performance share or unit awards, other stock-based awards and cash-based incentive awards.

As a result of the approval of the 2010 Plan by the Company's stockholders, the Company's 2001 Stock Plan was frozen and no further grants or awards are under such plan. Further, all outstanding awards under the 2001 Stock Option, Deferred Stock and Restricted Stock Plan, as well as the Company's 1995 Stock Option, Deferred Stock and Restricted Stock Plan (together, the "Prior Plans"), were assumed by the 2010 Plan and are deemed to be awards granted and outstanding under the 2010 Plan (the "Assumed Options"). To the extent any of the Assumed Options are forfeited or canceled, shares of common stock underlying those options will not be available for new awards under the 2010 Plan.

The following table summarizes our equity compensation plan information as of December 31, 2012 with respect to outstanding awards and shares remaining available for issuance under our Plan.

ITEM 13. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS, AND DIRECTOR INDEPENDENCE

Certain Relationships and Related Transactions

There have been no transactions since the beginning of the Company's last fiscal year, nor are there any currently proposed transactions, in which the Company was or is a participant and in which any related person (as defined in the SEC's rules) had or will have a direct or indirect material interest.

Board Member Independence

We are listed on the NYSE MKT and accordingly, we have applied the listing standards of the NYSE MKT in determining the "independence" of the members of our Board of Directors. Based the listing standards of the NYSE MKT and after reviewing the relationships with members of our Board, our Board of Directors has determined, with the assistance of the Corporate Governance and Nomination Committee that James Walsh, Frank P. Filipps, Stephan R. Peers and Leigh J. Abrams as independent members of the Board of Directors. The Governance and Nomination Committee reviews with the Board

at least annually the qualifications of new and existing Board members, considering the level of independence of individual members, together with such other factors as the Board may deem appropriate, including overall skills and experience. The Governance and Nomination Committee also evaluates the composition of the Board as a whole and each of its committees to ensure the Company's on-going compliance with the independence standards of the NYSE MKT.

In reviewing the independence of its Board members, the Board of Directors reviewed relationships with Mr. Walsh. During 2010, Mr. Walsh performed due diligence services for the Company in connection with a proposed transaction for which he was paid \$15,000. The Board of Directors, however, believes that Mr. Walsh's consulting services did not jeopardize his status as an independent director. Based on the above facts and circumstances, the Board of Directors has determined that Mr. Walsh continues to qualify as an independent director applying the standards of the NYSE MKT.

None of the other non-employee directors currently have any material relationship with the Company, its parents or its subsidiaries (either directly or as a partner, stockholder or officer of an organization that has a relationship with the Company, its parents or its subsidiaries).

Pre-Approval Policies and Procedures for Audit and Non-Audit Services

The Audit Committee pre-approves all auditing services and permitted non-audit services, including the fees and terms thereof, to be performed by our independent registered public accounting firm, subject to the de minimis exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Audit Committee prior to the completion of the audit. The Audit Committee may form and delegate authority to subcommittees consisting of one or more members of the Audit Committee when appropriate, including the authority to grant pre-approvals of audit and permitted non-audit services, provided that decisions of such subcommittee to grant pre-approvals shall be presented to the full Audit Committee at its next scheduled meeting. In pre-approving the services in 2012 and 2011 under audit related fees, tax fees or all other fees, the Audit Committee did not rely on the de minimis exception to the SEC pre-approval requirements.
