**NOTICE OF ANNUAL MEETING OF STOCKHOLDERS
JUNE 7, 2016**

The 2016 annual meeting of stockholders of FTD Companies, Inc. ("FTD" or the "Company") will be held on June 7, 2016, at 9:00 a.m. Central Time, at our corporate offices at 3113 Woodcreek Drive, Downers Grove, Illinois 60515, for the following purposes:

to elect four directors to serve on our Board of Directors for a term of office to expire at the third annual meeting of stockholders following their election, with each director to hold office until his or her successor is duly elected and qualified or until his or her earlier resignation or removal;

to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016;

to approve, by advisory vote, the compensation of the Company's named executive officers;

to recommend, by advisory vote, the frequency of future advisory votes to approve the compensation of the Company's named executive officers; and

to transact such other business as may properly come before the annual meeting or any adjournment or postponement thereof.

We are taking advantage of Securities and Exchange Commission rules that allow us to furnish proxy materials via the Internet. We believe that this approach provides a convenient way for stockholders to access their proxy materials and vote their shares, while lowering our printing and delivery costs and reducing the environmental impact associated with our annual meeting.

Only stockholders of record at the close of business on April 12, 2016, the record date, are entitled to notice of and to vote at the annual meeting.

Your vote is very important. Whether or not you plan to attend the annual meeting, we hope you will vote as soon as possible. Please vote before the annual meeting using the Internet, telephone or, if you received printed proxy materials, by signing, dating and mailing the proxy card in the pre-paid envelope, to ensure that your vote will be counted. Please review the instructions on each of your voting options described in the accompanying proxy statement or, if applicable, in the Notice of Internet Availability of Proxy Materials, or Notice, you received in the mail. Your proxy may be revoked before the vote at the annual meeting by following the procedures outlined in the accompanying proxy statement or, if applicable, the Notice you received in the mail.

Sincerely,

Robert S. Apatoff
President, Chief Executive Officer and Director

**PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 7, 2016**

General

This proxy statement is furnished to our stockholders in connection with the solicitation of proxies by our Board of Directors for use at our annual meeting of stockholders to be held on June 7, 2016, at 9:00 a.m. Central Time, at our corporate offices at 3113 Woodcreek Drive, Downers Grove, IL 60515, for the purposes of:

electing four directors to serve on our Board of Directors for a term of office to expire at the third annual meeting of stockholders following their election, with each director to hold office until his or her successor is duly elected and qualified or until his or her earlier resignation or removal;

ratifying the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016;

approving, by advisory vote, the compensation of the Company's named executive officers;

recommending, by advisory vote, the frequency of future advisory votes to approve the compensation of the Company's named executive officers; and

transacting such other business as may properly come before the annual meeting or any adjournment or postponement thereof.

Separation from United Online, Inc.

On November 1, 2013, we became an independent, publicly-traded company on the NASDAQ Global Select Market ("NASDAQ") under the symbol "FTD." Prior to November 1, 2013, FTD Companies, Inc. was a wholly-owned subsidiary of United Online, Inc. ("United Online"). On November 1, 2013, United Online separated into two independent, publicly-traded companies: FTD Companies, Inc. and United Online, Inc. (the "Separation"). The Separation was consummated through a tax-free dividend involving the distribution of all shares of FTD common stock to United Online's stockholders. In connection with the Separation, holders of United Online common stock received one share of our common stock for every five shares of United Online common stock held on the record date (prior to giving effect to a reverse stock split of United Online shares). For additional information and risks associated with our separation from United Online, see "Risk Factors," which appears in Item 1A of our Annual Report on Form 10-K filed with the Securities and Exchange Commission ("SEC") on March 11, 2016.

Acquisition of Provide Commerce

On December 31, 2014, we acquired from a wholly owned subsidiary of Liberty Interactive Corporation ("Liberty") all of the issued and outstanding shares of common stock of Provide Commerce, Inc. ("Provide Commerce"), for a purchase price consisting of (i) cash consideration of \$106.6 million, excluding acquired cash on hand of \$38.1 million and a post-closing working capital adjustment of \$9.9 million, and (ii) 10.2 million shares of FTD common stock (the "Acquisition"). Upon the closing of the Acquisition, Provide Commerce became an indirect wholly-owned subsidiary of FTD. Concurrent with the closing of the Acquisition, FTD and Liberty entered into an investor rights agreement (the "Investor Rights Agreement"), which governs certain rights of, and imposes restrictions on, Liberty in connection with the shares of FTD common stock that Liberty owns as a result of the Acquisition. In addition, in connection with the close of the Acquisition, our Board of Directors was increased from seven to eleven directors, with Liberty selecting four new directors for appointment to our Board. See "Related-Party Transactions" below.

As described below in the section "Ownership of Securities," as of April 12, 2016, Liberty beneficially owned 10,203,010 shares of our common stock.

Internet Availability of Proxy Materials

Under SEC rules, we are providing our stockholders with access to our proxy materials, including this proxy statement and our Annual Report on Form 10-K for the fiscal year ended December 31, 2015, on the Internet in lieu of mailing printed copies. We believe that these rules allow us to provide our stockholders with the information they need, while lowering the costs of delivery and reducing the environmental impact of our annual meeting.

As a result, most of our stockholders will receive in the mail a "Notice Regarding the Availability of Proxy Materials" (the "Notice"). The Notice is different than the Notice of Annual Meeting of Stockholders that accompanies this proxy statement. We will begin mailing the Notice to stockholders on or about April 27, 2016, and the proxy materials will be first made available on the Internet on or about April 27, 2016.

The Notice will contain instructions on how to access and review our proxy materials and vote online. The Notice also will contain instructions on how you can request a printed copy of our proxy materials, including a proxy card if you are a record holder or a voting instruction form if you are a beneficial owner. By following the instructions in the Notice, you may request to receive, at no cost, a printed or electronic copy of our proxy materials for the annual meeting and indicate such delivery preference for future proxy solicitations. If you request a printed or electronic copy of the proxy materials by Internet or telephone, you will be able to select whether you want this delivery method for future proxy solicitations. If you make such request by email and would like this delivery method for future proxy solicitations, you must specifically state in your email that such delivery preference should remain in effect for future proxy solicitations. Your request to receive future materials in paper or via email will remain in effect for future proxy solicitations until you terminate it. A copy of our proxy materials is available, free of charge, on our corporate website (www.ftdcompanies.com) under "Investor Relations." By referring to our website, we do not incorporate the website or any portion of the website by reference into this proxy statement.

We also follow a procedure called "householding," which the SEC has approved. Under this procedure, we may deliver a single copy of the Notice or proxy materials to stockholders who share the same address unless we have received contrary instructions from one or more of the stockholders. This procedure reduces our printing costs, mailing costs and fees. All stockholders have the ability to access the proxy materials on the website referred to in the Notice. If you would like to receive a separate copy of the Notice or future notices regarding the availability of proxy materials (or, if you requested a printed copy of the proxy materials, an additional printed copy of the proxy materials), please submit

Edgar Filing: FTD Companies, Inc. - Form DEF 14A

your request to: FTD Companies, Inc., c/o Investor Relations, 3113 Woodcreek Drive, Downers Grove, Illinois 60515, telephone: (630) 724-6984, email: ir@ftdi.com. Similarly, if you share an address with another stockholder and received multiple copies of the Notice or the proxy materials, you may write or call us at the above address and telephone number to make arrangements to receive a single copy of the Notice or the proxy materials at the shared address in the future.

If your shares are registered differently or are held in more than one account at a brokerage firm, bank, broker-dealer or other similar organization, you may receive more than one Notice or more than one paper copy of the proxy materials. Please follow the instructions printed on each Notice that you receive and vote the shares represented by each Notice to ensure that all of your shares are voted. If you requested to receive a printed copy of the proxy materials, please follow the voting instructions on the proxy cards or voting instruction forms, as applicable, and vote all proxy cards or voting instruction forms, as applicable, to ensure that all of your shares are voted. We encourage you to have all accounts registered in the same name and address whenever possible. If you are a registered holder, you can accomplish this by contacting our transfer agent, Computershare, at (800) 962-4284 or in writing at Computershare, 250 Royall Street, Canton, Massachusetts 02021. If your shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, you can accomplish this by contacting the brokerage firm, bank, broker-dealer or other similar organization.

Voting; Quorum

Our outstanding common stock constitutes the only class of securities entitled to vote at the annual meeting. Common stockholders of record at the close of business on April 12, 2016, the record date for the annual meeting, are entitled to notice of and to vote at the annual meeting. On the record date, 27,714,097 shares of our common stock were issued and outstanding. Each share of common stock is entitled to one vote. The presence at the annual meeting, in person or by proxy, of the holders of a majority of the shares of common stock issued and outstanding on April 12, 2016 will constitute a quorum.

All votes will be tabulated by the Inspector of Elections appointed for the annual meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes. Broker non-votes occur when a nominee, such as a brokerage firm or financial institution, that holds shares on behalf of a beneficial owner does not receive voting instructions from such owner regarding a matter for which such nominee does not have discretion to vote on the proposal without such instructions. The rules applicable to brokerage firms and financial institutions permit nominees to vote in their discretion on routine matters in the absence of voting instructions from the beneficial holder. The ratification of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016 is a routine matter. On non-routine matters, nominees cannot vote unless they receive instructions from the beneficial owner. Non-routine matters are the election of the four directors to serve on our Board of Directors, the approval, by advisory vote, of the compensation of the Company's named executive officers and the recommendation, by advisory vote, of the frequency of future advisory votes to approve the compensation of the Company's named executive officers. Abstentions and broker non-votes are counted as present for purposes of determining whether there is a quorum for the transaction of business. Broker non-votes will not be counted for purposes of determining whether a proposal has been approved. See "Voting Procedure - Beneficial Owners of Shares Held in Street Name" below.

The election of directors will be by plurality vote of our outstanding shares of common stock represented in person or by proxy at the annual meeting and entitled to vote, and the four nominees receiving the highest number of affirmative votes will be elected. Votes marked "withhold" and broker non-votes will not affect the outcome of the election, although they will be counted as present for purposes of determining whether there is a quorum.

Edgar Filing: FTD Companies, Inc. - Form DEF 14A

Ratification of the appointment of Deloitte & Touche LLP requires the affirmative vote of holders of a majority of the shares of our common stock represented in person or by proxy at the annual meeting and entitled to vote on the matter. Abstentions with respect to this proposal will count as votes against this proposal.

Approval, by advisory vote, of the compensation of the Company's named executive officers and the recommendation, by advisory vote, of the frequency of future advisory votes on the compensation of the Company's named executive officers, requires the affirmative vote of holders of a majority of the shares of our common stock represented in person or by proxy at the annual meeting and entitled to vote on the matter. Abstentions will count as votes against these proposals, and broker non-votes will not be taken into account.

Voting Procedure

Stockholders of Record. If your shares are registered directly in your name with our transfer agent, Computershare, you are a stockholder of record and you received the Notice by mail with instructions regarding how to view our proxy materials on the Internet, how to receive a paper or email copy of the proxy materials and how to vote by proxy. You can vote in person at the annual meeting or by proxy. The Notice is not a ballot. You cannot use it to vote your shares. If you mark your vote on the Notice and send it back to us, your vote will not count. There are three ways stockholders of record can vote by proxy: (1) by telephone (by requesting a printed copy of the proxy materials and following the instructions on the proxy card, or by following the instructions on the Internet); (2) by Internet (by following the instructions provided in the Notice); or (3) by requesting (via telephone, Internet or email) a printed copy of the proxy materials, and then completing and returning the proxy card enclosed in such materials prior to the annual meeting or submitting a signed proxy card at the annual meeting. Unless there are different instructions on the proxy card, all shares represented by valid proxies (and not revoked before they are voted) will be voted as follows at the annual meeting:

FOR the election of each of the director nominees listed in Proposal One (unless the authority to vote for the election of any such director nominee is withheld);

FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm as described in Proposal Two;

FOR the approval, by advisory vote, of the compensation of the Company's named executive officers as described in Proposal Three; and

3 YEARS on the recommendation, by advisory vote, of the frequency of future advisory votes on the compensation of the Company's named executive officers as described in Proposal Four.

Beneficial Owners of Shares Held in Street Name. If your shares are held in an account at a brokerage firm, bank, broker-dealer or other similar organization, then you are the beneficial owner of shares held in "street name," and such organization forwarded to you the Notice by mail with instructions regarding how to view our proxy materials on the Internet, how to receive a paper or email copy of the proxy materials and how to vote by proxy. The Notice is not a ballot. You cannot use it to vote your shares. If you mark your vote on the Notice and send it back to such organization, your vote will not count. There are two ways beneficial owners of shares held in street name can vote by proxy: (1) by requesting a printed copy of the proxy materials and following the instructions on the voting instruction form; or (2) by Internet by following the instructions provided in the Notice. The organization holding your account is considered the stockholder of record for purposes of voting at the annual meeting. If you do not provide such organization with specific voting instructions, under the rules of the various national and regional securities exchanges, the organization that holds your shares may generally vote on routine matters but cannot vote on non-routine matters. If such organization does not receive instructions from you on how to vote your shares on a non-routine matter, the

Edgar Filing: FTD Companies, Inc. - Form DEF 14A

organization will inform our Inspector of Elections that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a "broker non-vote." A broker non-vote will have the effects described above under "Voting; Quorum."

Although we do not know of any business to be considered at the annual meeting other than the proposals described in this proxy statement, if any other business is presented at the annual meeting, your signed proxy or your authenticated Internet or telephone proxy, will give authority to each of Scott D. Levin and Becky A. Sheehan to vote on such matters at his or her discretion.

YOUR VOTE IS IMPORTANT. PLEASE VOTE WHETHER OR NOT YOU PLAN TO ATTEND THE ANNUAL MEETING IN PERSON.

You may revoke your proxy at any time before it is actually voted at the annual meeting by:

delivering written notice of revocation to our Corporate Secretary at 3113 Woodcreek Drive, Downers Grove, Illinois 60515;

submitting a later dated proxy; or

attending the annual meeting and voting in person.

Your attendance at the annual meeting will not, by itself, constitute a revocation of your proxy. You may also be represented by another person present at the annual meeting by executing a form of proxy designating that person to act on your behalf.

Shares may only be voted by or on behalf of the record holder of shares as indicated in our stock transfer records. If you are a beneficial owner of our shares, but those shares are held of record by another person such as a brokerage firm or bank, then you must provide voting instructions to the appropriate record holder so that such person can vote the shares. In the absence of such voting instructions from you, the record holder may not be entitled to vote those shares.

Solicitation

This solicitation is made on behalf of our Board of Directors, and we will pay the costs of solicitation. Copies of solicitation materials will be furnished to banks, brokerage firms and other custodians, nominees and fiduciaries holding shares in their names that are beneficially owned by others so that they may forward the solicitation material to such beneficial owners upon request. We will reimburse banks, brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to our stockholders. In addition to the solicitation of proxies by mail, our directors, officers and employees may solicit proxies by telephone, facsimile or personal interview. No additional compensation will be paid to these individuals for any such services.

Stockholder Proposals for 2017 Annual Meeting

Stockholder proposals that are intended to be presented at our 2017 annual meeting of stockholders and included in our proxy statement relating to the 2017 annual meeting must be received by us no later than December 28, 2016, which is 120 calendar days before the anniversary of the date on which this proxy statement was first distributed to our stockholders. If the date of the 2017 annual meeting is moved more than 30 days prior to, or more than 30 days after, June 7, 2017, the deadline for inclusion of proposals in our proxy statement for the 2017 annual meeting instead will be a reasonable time before we begin to print and mail our proxy materials. All stockholder proposals must be in compliance with applicable laws and regulations in order to be considered for possible inclusion in the proxy statement and form of proxy for the 2017 annual meeting.

Edgar Filing: FTD Companies, Inc. - Form DEF 14A

If a stockholder wishes to present a proposal at our 2017 annual meeting of stockholders and the proposal is not intended to be included in our proxy statement relating to the 2017 annual meeting, the stockholder must give advance notice to us prior to the deadline (the "Bylaw Deadline") for the annual meeting determined in accordance with our second amended and restated bylaws ("bylaws"). Under our bylaws, in order to be deemed properly presented, the notice of a proposal must be delivered to our Corporate Secretary no later than March 9, 2017, and no earlier than February 7, 2017, which dates are 90 days and 120 days, respectively, prior to the anniversary of the date of this year's annual meeting.

However, if we determine to change the date of the 2017 annual meeting so that it occurs more than 30 days prior to, or more than 30 days after, June 7, 2017, stockholder proposals intended for presentation at the 2017 annual meeting but not intended to be included in our proxy statement relating to the 2017 annual meeting must be delivered to or mailed and received by our Corporate Secretary at 3113 Woodcreek Drive, Downers Grove, Illinois 60515 no later than the close of business on the tenth day following the day on which such notice of the date of the 2017 annual meeting is mailed or public disclosure of the date of the annual meeting is made, whichever first occurs (the "Alternate Date"). If a stockholder gives notice of such proposal after the Bylaw Deadline (or the Alternate Date, if applicable), the stockholder will not be permitted to present the proposal to the stockholders for a vote at the 2017 annual meeting. All stockholder proposals submitted pursuant to our bylaws must meet all requirements specified in by our bylaws.

If a stockholder complies with such procedures and submits the proposal before the Bylaw Deadline (or the Alternate Date, if applicable), then the holders of proxies solicited by our Board of Directors for the annual meeting of stockholders at which that proposal is submitted will not have discretionary voting power with respect to that proposal and cannot vote those proxies in the absence of specific voting instructions from the persons who gave those proxies. For information and procedures regarding a stockholder's ability to nominate directors at an annual meeting or recommend to the Nominating and Corporate Governance Committee candidates for nomination as a director at an annual meeting, see "Director Nominees Stockholder Nominations of Directors" and " Stockholder Recommendations for Nominations to the Board of Directors," which appear elsewhere in this proxy statement.

We have not been notified by any stockholder of his or her intent to present a stockholder proposal from the floor at this year's annual meeting. The enclosed proxy grants the proxy holders discretionary authority to vote on any matter properly brought before the annual meeting or any adjournment or postponement thereof.

MATTERS TO BE CONSIDERED AT ANNUAL MEETING

PROPOSAL ONE: ELECTION OF DIRECTORS

Our Board of Directors is divided into three classes with staggered terms, which will usually be approximately three years in length. Our bylaws provide that each director, once elected, holds office for a term to expire at the third annual meeting of stockholders following his or her election until his or her successor is duly elected and qualified or until his or her earlier resignation or removal.

The class whose term expires at this annual meeting has four directors, Robert S. Apatoff, Robert Berglass, Sue Ann R. Hamilton and Christopher W. Shean, who are all nominated for re-election. Each of the directors elected at this annual meeting will hold office for a term to expire at the third annual meeting of stockholders following his or her election until his or her successor is duly elected and qualified or until such person's earlier resignation or removal. If all four nominees are elected, our Board of Directors will consist of eleven individuals.

The nominees named below have agreed to serve if elected, and we have no reason to believe that they will be unavailable to serve. If, however, the nominees named below are unable to serve or decline to serve at the time of the annual meeting, the proxies will be voted for any nominee who may be designated by our Board of Directors. Unless a stockholder specifies otherwise, a returned, signed proxy will be voted **FOR** the election of each of the nominees listed below.

The following table sets forth information with respect to the persons nominated for re-election at the annual meeting:

Corporate Governance Principles

We are committed to having sound corporate governance principles. Having such principles is essential to maintaining our integrity in the marketplace. Our Corporate Governance Guidelines, Code of Ethics and the charters for each of the Audit, Compensation and Nominating and Corporate Governance Committees are available on our corporate website (www.ftdcompanies.com) under "Investor Relations." Please note, however, that information contained on the website is not incorporated by reference in this proxy statement or considered to be a part of this document. A copy of our Corporate Governance Guidelines, Code of Ethics and the Committee charters may also be obtained upon request to our Investor Relations department.

Code of Ethics

Our Code of Ethics applies to all of our outside directors, officers and employees, including, but not limited to, our Chief Executive Officer and Chief Financial Officer. The Code of Ethics constitutes our "code of ethics" within the meaning of Section 406 of the Sarbanes-Oxley Act and is our "code of conduct" within the meaning of the NASDAQ listing standards.

Stockholder Communications with Directors

The Board of Directors has established a process to receive communications from stockholders. Stockholders may contact any member (or all members) of the Board by mail. To communicate with the Board of Directors, any individual director or any group or committee of directors, correspondence should be addressed to the Board of Directors or any such individual directors or group or committee of directors by either name or title. All such correspondence should be sent "c/o Corporate Secretary" at 3113 Woodcreek Drive, Downers Grove, Illinois 60515.

Edgar Filing: FTD Companies, Inc. - Form DEF 14A

All communications received as set forth in the preceding paragraph will be opened by the office of our General Counsel for the purpose of determining whether the contents represent an appropriate message to our directors. Contents that are not in the nature of advertising, promotions of a product or service or patently offensive material, and are not otherwise improper for submission to the addressee, will be forwarded promptly to the addressee. In the case of communications to the Board or any individual, group or committee of directors, the General Counsel's office will make sufficient copies of the contents to send to the director or to each director who is a member of the group or committee to which the envelope is addressed.

Board Independence

Eleven individuals sit on our Board of Directors, all of whom are "independent directors" as that term is defined in Rule 5605(a)(2) of the NASDAQ Marketplace Rules, except for Mr. Apatoff, our President and Chief Executive Officer. Our Board of Directors held eight meetings during 2015. Our Board of Directors currently has an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee.

Board Leadership Structure and Role in Risk Oversight

The Board of Directors understands that board structures vary greatly among U.S. public corporations, and the Board does not believe that any one leadership structure is more effective at creating long-term stockholder value. The Board believes that an effective leadership structure could be achieved either by combining or separating the Chairman and Chief Executive Officer positions, so long as the structure encourages the free and open dialogue of competing views and provides for strong checks and balances. Specifically, the Board believes that to be effective, the governance structure must balance the powers of the Chief Executive Officer and the independent directors and ensure that the independent directors are fully informed, able to discuss and debate the issues that they deem important and able to provide effective oversight of management.

Currently, Robert S. Apatoff serves as our President and Chief Executive Officer and Robert Berglass serves as our non-executive Chairman of the Board of Directors. The Board of Directors believes that this leadership structure, which separates the Chairman and Chief Executive Officer roles, is appropriate for us at this time because it allows Mr. Apatoff to focus on operating and managing us and executing our strategy and business plans. At the same time, Mr. Berglass can focus on leadership of the Board of Directors, including calling and presiding over Board meetings and executive sessions of the independent directors, preparing meeting agendas in collaboration with the Chief Executive Officer, serving as a liaison and supplemental channel of communication between independent directors and the Chief Executive Officer and serving as a sounding board and advisor to the Chief Executive Officer. Nevertheless, the Board believes that "one-size" does not fit all, and the decision of whether to combine or separate the positions of Chairman and Chief Executive Officer will vary from company to company and depend upon a company's particular circumstances at a given point in time. Accordingly, the Board will continue to consider from time to time whether the Chairman and Chief Executive Officer positions should be combined based on what the Board believes is best for FTD and its stockholders.

The Board of Directors is primarily responsible for assessing risks associated with our business. However, the Board delegates certain of such responsibilities to other groups. The Audit Committee is responsible for reviewing with management our policies and procedures with respect to risk assessment and risk management, including reviewing certain risks associated with our financial and accounting systems, accounting policies, investment strategies, regulatory compliance, insurance programs and other matters. In addition, under the direction of the Board and certain of its committees, our legal department assists in the oversight of corporate compliance activities. The Compensation Committee also reviews certain risks associated with our overall compensation program for employees to help

ensure that the program does not encourage employees to take excessive risks. On a regular basis and from time to time as necessary or appropriate, updates are provided by these groups to the Board of Directors regarding their risk assessment and risk management activities and other risk-related matters.

Board Committees and Meetings

The Board of Directors has three standing committees: the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee. In addition, the Board of Directors may establish special committees to consider various matters. The Board of Directors sets fees for members of the special committees as the Board of Directors deems appropriate in the light of the amount of additional responsibility special committee membership may entail.

During 2015, each director attended or participated in 75% or more of the aggregate of (i) the total number of meetings of the Board of Directors and (ii) the total number of meetings held by all committees of the Board of Directors on which such director served during the period he or she served as a director. Members of the Board of Directors and its committees also consulted informally with management from time to time. Additionally, non-management Board members met in executive sessions without the presence of management periodically during 2015. We do not have a policy regarding director attendance at our annual meetings. All Board members attended our 2015 annual meeting of stockholders.

Audit Committee. The Audit Committee consists of Messrs. Armstrong, Berglass and Harch and Ms. Duncan. The Audit Committee oversees our accounting and financial reporting processes and the audit of our consolidated financial statements. The Audit Committee is responsible for the appointment, compensation, retention, oversight and termination of our independent registered public accounting firm, including evaluating its independence and reviewing its performance. In addition, the Audit Committee is responsible for reviewing and discussing the annual audit plan with our independent registered public accounting firm, and reviewing our annual and interim consolidated financial statements and our internal control over financial reporting. The Audit Committee also oversees our internal audit function and reviews and approves the annual internal audit plan. Furthermore, the Audit Committee reviews with management and our independent registered public accounting firm, among other things, all critical accounting policies and practices to be used, reviews with management our risk assessment and risk management policies and procedures, reviews and approves or disapproves any proposed transactions required to be disclosed by Item 404 of Regulation S-K and reviews legal and regulatory matters. The Audit Committee also reviews the results of the year-end audit with the independent registered public accounting firm and recommends to the Board whether the financial statements should be included in the Annual Report on Form 10-K. Additionally, it prepares the Audit Committee Report to be included in the annual proxy statement. The Audit Committee also performs other functions or duties, within the scope of its responsibilities, as deemed appropriate by the Audit Committee or our Board of Directors.

The Audit Committee held six meetings during 2015. The Audit Committee operates under a written charter adopted by our Board of Directors, which is reviewed annually by the Audit Committee and revised as appropriate. Our Board of Directors has determined that all members of the Audit Committee are independent directors as defined in Rule 5605(a)(2) of the NASDAQ Marketplace Rules and also satisfy the additional criteria for independence for Audit Committee members set forth in Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Each of Mr. Harch, who serves as Chairman of the Audit Committee, Mr. Armstrong and Ms. Duncan qualifies as a "financial expert" as that term is defined under applicable SEC rules. The Audit Committee has established procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters. The Audit Committee meets privately with members and representatives of our independent registered public

accounting firm, and members and representatives of our independent registered public accounting firm have unrestricted access and report directly to the Audit Committee. The Audit Committee has selected Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016 and is recommending that our stockholders ratify this appointment at the annual meeting. The Audit Committee Report may be found on pages 52-53 of this proxy statement.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee consists of four directors, Messrs. Armstrong, Holt and Silverstein and Ms. Hamilton, each of whom is an independent director as defined in Rule 5605(a)(2) of the NASDAQ Marketplace Rules.

The Nominating and Corporate Governance Committee is responsible for assisting with respect to director candidates and nominees, including by identifying, recruiting and, if appropriate, interviewing candidates to fill positions on the Board; establishing procedures to be followed by stockholders in submitting recommendations for director candidates; reviewing backgrounds and qualifications of individuals being considered as director candidates; recommending to the Board the director nominees; and reviewing the suitability for continued service as a director of each Board member when his or her term expires and when he or she has a change in status. The Nominating and Corporate Governance Committee is also responsible for assisting the Board with regard to the composition, structure and procedures of the Board and its Committees, including by reviewing and making recommendations to the Board regarding the size and structure of the Board; the frequency and nature of Board meetings; any other aspect of the procedures of the Board; the size and composition of each Committee of the Board; individuals qualified to fill vacancies on the Committees; the functioning of the Committees; Committee assignments and any policies regarding rotation of Committee memberships and/or chairpersonships; and the establishment of special committees. This Committee also oversees the evaluation of the Board and its Committees, evaluates and makes recommendations regarding Board membership and assists with the selection of a new Chairman or Chief Executive Officer in the event such becomes necessary. In addition, the Nominating and Corporate Governance Committee is responsible for reviewing periodically and recommending to the Board, the Corporate Governance Guidelines and the Code of Ethics and any changes thereto, as well as considering and making any other recommendations related to corporate governance issues. In furtherance of that responsibility, in 2015, the Nominating and Corporate Governance Committee recommended to the Board, and the Board approved, a director succession plan to guide the board in identifying and selecting new directors in the event of an anticipated or an unanticipated vacancy.

The Nominating and Corporate Governance Committee operates under a written charter adopted by our Board of Directors, which is reviewed annually by the Nominating and Corporate Governance Committee and revised as appropriate. In 2015, the Nominating and Corporate Governance Committee held two meetings.

Director Nominees

Criteria for Director Nominees. The Board of Directors believes that the Board should be composed of individuals with varied, complementary backgrounds who have exhibited proven leadership capabilities within their chosen fields. Directors should have the ability to quickly grasp complex principles of business and finance, particularly those related to the industries in which we operate. Directors should possess the highest personal and professional ethics, integrity and values and should be committed to representing the long-term interests of our stockholders. When considering a candidate for director, the Nominating and Corporate Governance Committee will act in a manner consistent with our director succession plan. The Nominating and Corporate Governance Committee will take into account a number of factors, including, without limitation, the following: independence from management; depth of understanding of e-commerce, sales and marketing, finance and/or other elements directly relevant to our

business; education and professional background; judgment, skill, integrity and reputation; existing commitments to other businesses as a director, executive or owner; personal conflicts of interest, if any; diversity; and the size and composition of the existing Board. When seeking candidates for director, the Nominating and Corporate Governance Committee may solicit suggestions from incumbent directors, management, stockholders and others. Additionally, the Nominating and Corporate Governance Committee may use the services of third-party search firms to assist in the identification of appropriate candidates.

After conducting an initial evaluation of a prospective candidate, the Nominating and Corporate Governance Committee will interview that candidate if it believes the candidate might be suitable to be a director. The Nominating and Corporate Governance Committee may also ask the candidate to meet with management. If the Nominating and Corporate Governance Committee believes a candidate would be a valuable addition to the Board of Directors, it may recommend to the Board that candidate's appointment or election. Prior to nominating an incumbent director for re-election at an annual meeting of stockholders, the Nominating and Corporate Governance Committee will consider the director's past attendance at, and participation in, meetings of the Board of Directors and its committees and the director's formal and informal contributions to the various activities conducted by the Board and the Board committees of which such individual is or was a member. Although the Board of Directors does not have a policy with respect to consideration of diversity in identifying director nominees, among the many other factors considered by the Nominating and Corporate Governance Committee are the benefits of diversity in board composition, including with respect to age, gender, race and specialized background. The directors nominated for re-election at this annual meeting were unanimously approved for nomination by the Board of Directors. In connection with such nominations, the Nominating and Corporate Governance Committee and the Board of Directors considered, among other things, the information discussed in each such director's biographical information as set forth above on pages 7-11 of this proxy statement.

Stockholder Recommendations for Nominations to the Board of Directors. The Nominating and Corporate Governance Committee will consider candidates for nomination as a director recommended by any stockholder. The Nominating and Corporate Governance Committee will evaluate such recommendations by applying its regular nominee criteria and considering the additional information set forth below. Stockholders wishing to recommend a candidate for nomination as a director are to send the recommendation in writing to the Chair of the Nominating and Corporate Governance Committee, FTD Companies, Inc., 3113 Woodcreek Drive, Downers Grove, Illinois 60515, with a copy to the General Counsel at the same address. Prior to making such a recommendation, stockholders are encouraged to contact the Chair of the Nominating and Corporate Governance Committee to obtain a list of backgrounds that the Nominating and Corporate Governance Committee would consider for potential director nominees given the then-current composition of the Board of Directors.

Stockholder Nominations of Directors. A stockholder that instead desires to nominate a person directly for election to the Board of Directors must comply with the advance notice procedures of our bylaws. Our bylaws provide that nominations of persons for election to the Board of Directors may be made at any annual meeting of stockholders by any stockholder of FTD who is a stockholder of record on the date of the giving of the notice described below and on the record date for the determination of stockholders entitled to vote at such annual meeting and who complies with the notice procedures set forth in our bylaws. Such stockholder must timely deliver or mail to our Corporate Secretary at 3113 Woodcreek Drive, Downers Grove, Illinois 60515, a notice complying with the requirements of our bylaws and containing the following information: (a) as to each candidate whom the stockholder proposes to nominate for election as a director (i) the name, age, business address and residence address of the candidate;

(ii) the principal occupation or employment of the candidate; and (iii) the class or series and number of shares of our common stock which are owned beneficially or of record by the candidate; and (b) as to the stockholder giving the notice (i) the name and record address of such stockholder; (ii) the class or series and number of shares of our common stock which are owned beneficially or of record by such stockholder; (iii) a description of all arrangements or understandings between such stockholder and each candidate and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such stockholder; (iv) a representation that the stockholder intends to appear in person or by proxy at the annual meeting of stockholders to nominate the candidate(s) named in such notice; and (v) any other information that would be required under SEC rules in a proxy statement soliciting proxies for the election of such person as a director.

In addition, the notice must be accompanied by a written consent of the candidate to being named as a nominee and to serve as a director if elected. In order to be deemed properly presented, the notice must be delivered to our Corporate Secretary no later than March 9, 2017 and no earlier than February 7, 2017, which dates are 90 days and 120 days, respectively, prior to June 7, 2017, the anniversary of the date for this year's annual meeting; provided, that if the annual meeting is called for a date that is not within 30 days before or after such anniversary date, notice by the stockholder in order to be timely must be so received not later than the close of business on the tenth day following the day on which such notice of the date of the annual meeting was mailed or public disclosure of the date of the annual meeting was made, whichever first occurs. No director nominations were submitted by any stockholder in connection with the election of directors at the 2016 annual meeting.

Compensation Committee. The Compensation Committee consists of four directors, Messrs. Berglass, Harch, Holt and Shean, each of whom is an independent director as defined in Rule 5605(a)(2) of the NASDAQ Marketplace Rules. The Compensation Committee administers our executive compensation programs and is responsible for reviewing the compensation of our executive officers and determining the nature and amount of the various components of such compensation, including adjustments to annual base salary and the establishment of the applicable performance goals under our annual management incentive bonus plan and the specific bonus amount for each potential level of goal attainment. The Compensation Committee also administers our equity incentive plan and has the exclusive authority to make awards under such plan to our executive officers. The Compensation Committee also approves all employment agreements, severance or termination arrangements, and other compensatory contracts or arrangements made with our executive officers. The Compensation Committee will also perform other functions or duties as may be assigned to it under the terms of any executive compensation or equity-based benefit plan or as otherwise deemed appropriate by our Board of Directors. The Compensation Committee held eight meetings during 2015. The Compensation Committee operates under a written charter adopted by our Board of Directors, which is reviewed annually and revised as appropriate.

The Compensation Committee makes all decisions regarding the cash and equity compensation of our Chief Executive Officer, although the Compensation Committee may, in its discretion, request the concurrence or approval of such decisions by a majority of the independent members of our Board of Directors. With respect to all other executive officers, the Compensation Committee determines their compensation, taking into account the recommendations of our Chief Executive Officer who annually reviews the performance of the other executive officers and then presents to the Compensation Committee the conclusions reached and his recommendations for their compensation based on those reviews. The Compensation Committee can, and often does, exercise its discretion in determining whether to approve or modify any recommended compensation adjustments or equity awards. Decisions regarding any other forms of compensation provided to our executive officers that are not provided to all senior level employees (for example, any executive level health and welfare benefits, deferral plans

and perquisites) are made by the Compensation Committee after taking into consideration the recommendations made by our Chief Executive Officer.

The Compensation Committee has the authority to retain the services of independent counsel, consultants or other advisors, including an independent compensation consulting firm, in connection with its responsibilities in setting compensation for our executive officers. Additional information regarding the Compensation Committee's use of outside advisors may be found under "Compensation Discussion & Analysis Compensation Setting Practice" below.

Vote Required

The vote of a plurality of our outstanding shares of common stock represented in person or by proxy at the annual meeting and entitled to vote is required to elect the four director nominees to serve on our Board of Directors for a term of office to expire at the third annual meeting of stockholders following their election, with each director to hold office until his or her successor is duly elected and qualified or until his or her earlier resignation or removal. The nominees receiving the highest number of affirmative votes will be elected.

Recommendation of the Board of Directors

Our Board of Directors recommends that the stockholders vote **FOR** the election of the director nominees listed above.

PROPOSAL TWO: RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has appointed the firm of Deloitte & Touche LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2016, and is asking the stockholders to ratify this appointment. A representative of Deloitte & Touche LLP is expected to be present at the annual meeting, will have the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

In the event the stockholders fail to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm, the Audit Committee may reconsider its selection.

Change of Independent Public Accountants

As previously reported in our Current Report on Form 8-K filed with the SEC on January 7, 2014, in November 2013, the Audit Committee approved a resolution to request proposals for the fiscal year 2014 consolidated audit of FTD and its subsidiaries. On January 2, 2014, our then-current auditor, Pricewaterhouse Coopers LLP ("PwC"), informed us and the Audit Committee of its decision to not respond to the request for proposal, and therefore, declined to stand for re-election after completion of the audit of FTD's consolidated financial statements for the year ended December 31, 2013.

Edgar Filing: FTD Companies, Inc. - Form DEF 14A

The report of PwC on FTD's consolidated financial statements as of and for the year ended December 31, 2013 did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles.

During the year ended December 31, 2013, and during the subsequent interim period through January 2, 2014 (the date PwC notified FTD that it was declining to stand for re-election), there were no disagreements between FTD and PwC on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of PwC, would have caused PwC to make reference thereto in PwC's reports on FTD's financial statements for such periods; and there were no reportable events, as listed in Item 304(a)(1)(v) of Regulation S-K.

In connection with filing our Current Report on Form 8-K, we provided PwC with a copy of the disclosures in such Current Report and requested from PwC a letter addressed to the SEC indicating whether it agreed with such disclosures. A copy of PwC's letter dated January 7, 2014 is attached as Exhibit 16.1 to our Current Report on Form 8-K filed on January 7, 2014.

On March 18, 2014, the Audit Committee approved the appointment of Deloitte & Touche LLP as our independent registered public accounting firm to perform independent audit services beginning with the fiscal year ending December 31, 2014. During the years ended December 31, 2013 and December 31, 2012, and during the subsequent interim period through March 18, 2014, neither us, nor anyone on our behalf, consulted Deloitte & Touche LLP regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered with respect to our financial statements, and neither a written report nor oral advice was provided to us by Deloitte & Touche LLP that Deloitte & Touche LLP concluded was an important factor considered by us in reaching a decision as to any accounting, auditing or financial reporting issue; or (ii) any matter that was the subject of a disagreement (as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions) or a "reportable event" (as that term is defined in Item 304(a)(1)(v) of Regulation S-K and the related instructions).

Determination of Independence

The Audit Committee of the Board of Directors has determined that the provision by Deloitte & Touche LLP of the services covered under the heading "All Other Fees" above was compatible with maintaining Deloitte & Touche's independence for the fiscal year ended December 31, 2015.

Policy on Audit Committee Pre-Approval of Audit and Permissible Non Audit Services

Under its charter, the Audit Committee must pre-approve all engagements of our independent registered public accounting firm, unless an exception to such pre-approval exists under the Exchange Act or the rules of the SEC. The Audit Committee maintains a policy requiring the pre-approval of all services to be provided by our independent registered public accounting firm. The Audit Committee has delegated to its Chair the authority to evaluate and approve service engagements on behalf of the full Audit Committee in the event a need arises for specific pre approval between Audit Committee meetings. All of the audit, audit-related, tax services and all other services provided by our independent registered public accounting firm for the 2015 fiscal year were approved by the Audit Committee in accordance with the foregoing procedures.

Vote Required

The affirmative vote of holders of a majority of the shares of our common stock represented in person or by proxy at the annual meeting and entitled to vote on the matter is required to ratify the appointment of Deloitte & Touche LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

Recommendation of the Board of Directors

Our Board of Directors recommends that the stockholders vote **FOR** the ratification of the appointment of Deloitte & Touche LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2016.

PROPOSAL THREE

ADVISORY VOTE ON EXECUTIVE COMPENSATION

As of December 31, 2015, the Company no longer qualified as an "emerging growth company," as defined under the Jumpstart Our Business Startups Act of 2012. As a result, we are no longer exempt from the requirement that we provide stockholders with the opportunity to vote, on a non-binding advisory basis, to approve the compensation of our named executive officers. Accordingly, as required by Section 14A of the Exchange Act, the Company is presenting a proposal that gives our stockholders the opportunity to express their views on the compensation of our named executive officers by voting on the resolution below. This is commonly referred to as a "say on pay" vote. The non-binding advisory vote on the compensation of our named executive officers, as disclosed in this proxy statement, will be determined by the affirmative vote of a majority of the shares of common stock present in person or represented by proxy and entitled to vote on the item.

Stockholders are urged to read the "Compensation Discussion and Analysis" and "Executive Compensation and Other Information" sections of this proxy statement, which discuss how our executive compensation policies and procedures implement our compensation philosophy and contain tabular information and narrative discussion about the compensation of our named executive officers. Our Compensation Committee and Board of Directors believe that these policies and procedures are effective in implementing our compensation philosophy and achieving our compensation objectives.

As described in detail in the "Compensation Discussion and Analysis" section of this proxy statement, the principal components of our executive compensation program are equity awards and performance-based cash compensation that link our named executive officers' compensation to the success of our business. We believe our compensation program is reasonable in light of the executive compensation programs of companies with whom we compete for talent and responsible in that it encourages our executive officers to work for meaningful stockholder returns without encouraging our executives to assume excessive risks. We encourage you to read the Compensation Discussion and Analysis, compensation tables and related narrative disclosure included in this Proxy Statement for additional details about our executive compensation program.

We are asking stockholders to approve the following advisory resolution at the annual meeting:

"RESOLVED, that the Company's stockholders approve, on a non-binding advisory basis, the compensation of the Company's named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC, including in the Compensation Discussion and Analysis, compensation tables, and related narrative discussion."

The results of the advisory vote on this proposal are not binding. However, our Board of Directors and Compensation Committee, which is responsible for designing and administering our executive compensation program, value the opinions expressed by stockholders in their vote on this proposal, and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

You may vote "for" or "against" the foregoing resolution, or you may "abstain." This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies, and procedures described in this proxy statement.

Recommendation of the Board of Directors

Our Board of Directors recommends that the stockholders vote **FOR** the approval, on a non-binding advisory basis, of the resolution relating to the compensation of our named executive officers as disclosed in this proxy statement.

PROPOSAL FOUR

**ADVISORY VOTE ON THE FREQUENCY OF
FUTURE ADVISORY VOTES ON EXECUTIVE COMPENSATION**

In addition to providing stockholders with a non-binding advisory vote on the compensation of our named executive officers, Section 14A of the Exchange Act also requires that we provide our stockholders the opportunity to vote, on a non-binding advisory basis, for their preference as to how frequently we should seek future stockholder advisory votes on the compensation of our named executive officers. This non-binding advisory vote is commonly referred to as a "say on frequency" vote. Under this proposal, our stockholders may cast a non-binding advisory vote on whether they would prefer to have an advisory vote on the compensation of our named executive officers every 1, 2 or 3 years. Alternatively, our stockholders may abstain from casting a vote.

Our Board of Directors has determined that holding a non-binding advisory vote on the compensation of our named executive officers every three years is the most appropriate policy at this time and aligns with our use of longer-term compensation components. We believe that holding a non-binding advisory vote on the compensation of our named executive officers every three years will provide the Compensation Committee with valued stockholder feedback on compensation decisions while also providing us with the time to thoughtfully consider the results of the non-binding advisory votes, respond to stockholder concerns, meaningfully evaluate the long-term effectiveness of our compensation decisions and implement potential adjustments to our compensation philosophy.

The non-binding advisory vote on the frequency of future stockholder advisory votes on the compensation of our named executive officers, as disclosed in this proxy statement, will be determined by a plurality of the votes cast in person or represented by proxy and entitled to vote on the item. This means that the option receiving the highest number of affirmative votes of the shares of common stock present in person or represented by proxy and entitled to vote on the item will be determined to be the stockholders' preferred frequency.

The results of the advisory vote on this proposal are not binding. However, our Board of Directors and Compensation Committee, which is responsible for designing and administering our executive compensation program, value the opinions expressed by stockholders in their vote on this proposal, and will consider the option that receives the most votes in determining the frequency of future advisory votes on the compensation of our named executive officers.

Recommendation of the Board of Directors

Our Board of Directors recommends that the stockholders vote "**3 YEARS**" as the preferred frequency for future nonbinding advisory votes to approve the compensation of our named executive officers.

OTHER MATTERS

We do not know of any matters to be presented at the 2016 annual meeting of stockholders other than those mentioned in this proxy statement. If any other matters properly come before the annual meeting, it is the intention of the persons named in the enclosed form of proxy to vote the shares they represent as our Board of Directors recommends.

COMPENSATION DISCUSSION AND ANALYSIS

Overview

This section discusses the principles underlying our policies and decisions with respect to the compensation of our executive officers and the most important factors relevant to an analysis of these policies and decisions. This section also describes the material elements of compensation awarded to, earned by or paid to each of our named executive officers for 2015. Our "named executive officers" for 2015 are Robert S. Apatoff, our President and Chief Executive Officer, Becky A. Sheehan, our Executive Vice President and Chief Financial Officer, and our three other most highly compensated executive officers, Anne G. Saunders, former President of our Consumer Division, Tom D. Moeller, Executive Vice President of Florists' Transworld Delivery, Inc., and Scott D. Levin, Executive Vice President, General Counsel and Secretary. In addition, this section provides qualitative information regarding the manner and context in which compensation is awarded to and earned by our executive officers and is intended to place in perspective the data presented in the tables and narrative that follow.

Compensation Philosophy and Objectives

The primary objectives of the Compensation Committee with respect to executive compensation are to:

attract, retain and motivate experienced and talented executives;

ensure executive compensation is aligned with our corporate strategies, programs and business goals;

recognize the individual contributions of executives, but foster a shared commitment among executives by aligning their individual goals with our corporate goals;

promote the achievement of key strategic and operational performance measures by linking compensation to the achievement of measurable corporate and departmental performance goals; and

align the interests of our executives with our stockholders by rewarding performance that leads to the creation of stockholder value.

To achieve these objectives, the Compensation Committee evaluates our executive compensation program with the goal of setting compensation at levels that are justifiable based on each executive's level of experience, performance and responsibility and that the Compensation Committee believes are competitive with those of other internet and catalog retail and specialty retail companies that compete with us for executive talent. In addition, our executive compensation program ties a portion of each executive's overall compensation to the achievement of key corporate and individual goals. We provide a portion of our executive compensation in the form of restricted stock units and/or stock options that vest over time, which we believe helps to retain our executives and aligns their interests with those of our stockholders by allowing them to participate in our longer term success as reflected in the appreciation of our stock price.

We review peer group data from time to time and do not benchmark our executive compensation to target total direct compensation at a specific level relative to our comparative group of peer companies. In August 2015, we provided our named executive officers with a special, one-time, "outperformance" stock option award that was outside of the regular compensation program and is not expected to be repeated in 2016. The purpose of the one-time award was to align executives with shareholders and to provide key executives with material upside opportunity for price growth over the next five years.

Including the effect of the August 2015 one-time stock option grant, the chief executive officer's target and actual total direct compensation, which includes his base salary, cash bonus incentive, and the grant date fair value of equity awards made in 2015, was generally consistent with the median of our compensation peer group, with a below-median salary and bonus opportunity and above-median long-term equity award as a result of the special one-time out-performance option award. The total direct compensation of the other named executive officers was temporarily above the median in 2015 as a result of their participation in the special one-time outperformance option award program in August 2015. All named executive officers would have had below-median total direct compensation compared to our peer group if the special option awards had not been granted. Due to the non-recurring nature of the 2015 out-performance awards, we expect that compensation for our named executive officers who received such awards will decrease in 2016.

Compensation Setting Practice

The Compensation Committee consists of four directors, Messrs. Berglass, Harch, Holt and Shean, each of whom is an independent director as defined in Rule 5605(a)(2) of the NASDAQ Marketplace Rules. The Compensation Committee administers our executive compensation programs and is responsible for reviewing the compensation of our executive officers and determining the nature and amount of the various components of such compensation, including adjustments to annual base salary and the establishment of the applicable performance goals under our annual management incentive bonus plan and the specific bonus amount for each potential level of goal attainment. The Compensation Committee also administers our equity incentive plan and has the exclusive authority to make awards under such plan to our executive officers. The Compensation Committee also approves all employment agreements, severance or termination arrangements, and other compensatory contracts or arrangements made with our executive officers. The Compensation Committee will also perform other functions or duties as may be assigned to it under the terms of any executive compensation or equity-based benefit plan or as otherwise deemed appropriate by our Board of Directors. The Compensation Committee held eight meetings during 2015. The Compensation Committee operates under a written charter adopted by our Board of Directors, which is reviewed annually and revised as appropriate.

The Compensation Committee makes all decisions regarding the cash and equity compensation of our Chief Executive Officer, although the Compensation Committee may, in its discretion, request the concurrence or approval of such decisions by a majority of the independent members of our Board of Directors. With respect to all other executive officers, the Compensation Committee determines their compensation, taking into account the recommendations of our Chief Executive Officer who annually reviews the performance of the other executive officers and then presents to the Compensation Committee the conclusions reached and his recommendations for their compensation based on those reviews. The Compensation Committee can, and often does, exercise its discretion in determining whether to approve or modify any recommended compensation adjustments or equity awards. Decisions regarding any other forms of compensation provided to our executive officers that are not provided to all senior level employees (for example, any executive level health and welfare benefits, deferral plans and perquisites) are made by the Compensation Committee after taking into consideration the recommendations made by our Chief Executive Officer. The Compensation Committee reviews peer data from time to time, but does not target any specific percentile. In 2015, the target total direct compensation of our chief executive officer was generally consistent with the median of our peer group, and it is anticipated that it will be below the median of the peer group data in 2016 because 2015 included a one-time special outperformance option award provided in August 2015.

The Compensation Committee has the authority to retain the services of an independent compensation consulting firm in connection with its responsibilities in setting the compensation for our executive officers. Pursuant to that authority, the Compensation Committee has engaged Frederic W. Cook & Co., Inc., or FW Cook, a nationally recognized, independent compensation consulting firm, to

review the executive compensation programs and individual compensation arrangements for our executive officers. All executive compensation services provided by the independent consultant are conducted under the direction or authority of the Compensation Committee. During 2015, FW Cook served solely as a consultant to the Compensation Committee and did not provide any services to management. Based on the six factors for assessing independence and identifying potential conflicts of interest that are set forth in Rule 10C-1(b)(4) of the Exchange Act, and such other factors as were deemed relevant under the circumstances, the Compensation Committee determined that its relationship with FW Cook, and the work of FW Cook on behalf of the Compensation Committee, did not raise any conflict of interest.

FW Cook provides the Compensation Committee with relevant market data and alternatives to consider when making compensation decisions regarding our executive officers and considering the recommendations of our Chief Executive Officer regarding the compensation of other executive officers. In designing our executive compensation program, our Compensation Committee periodically considers publicly available compensation data for a group of peer companies to help guide its executive compensation decisions at the time of hiring and for subsequent adjustments in compensation. Although the Compensation Committee considers FW Cook's advice and recommendations about our executive compensation program, the Compensation Committee ultimately makes its own decisions about executive compensation matters.

In December 2014, FW Cook provided our Compensation Committee with comparative peer group data showing where our total compensation and each element of our compensation ranked among a group of 19 publicly-traded U.S.-based internet and catalog retail and specialty retail companies. The peer group companies included were 1-800-FLOWERS.COM, Inc., American Eagle Outfitters, Inc., ANN INC., Caleres, Inc., Cabela's Incorporated, Conversant, Inc., Groupon, Inc., HSN, Inc., Libbey Inc., Monster Worldwide, Inc., Orbitz Worldwide, Inc., Overstock.com, Inc., Pier 1 Imports Inc., Restoration Hardware Holdings Inc., Shutterfly, Inc., Tiffany & Co., Vitamin Shoppe Inc., WebMD Health Corp. and Williams-Sonoma, Inc. This peer group is subject to change, and we expect that our Compensation Committee will continue to periodically review and update the list.

The peer group was chosen to reflect a cross-section of similar retail and internet retail companies with revenue size between about 4x and 0.25x our size. This reflects the Company's executive labor market, and companies that might attract similar investors.

Compensation Elements

The primary elements of our executive compensation program are:

base salary;

annual management incentive bonuses;

equity incentive awards, both shorter term and longer term;

benefits and other compensation; and

severance and change in control benefits.

We do not have a formal or informal policy for allocating between long-term and short-term compensation, between cash and non-cash compensation or among different forms of non-cash compensation. Instead, our Compensation Committee, after reviewing information provided by our compensation consultant and other relevant data, determines subjectively what it believes to be the appropriate level and mix of the various compensation components. We generally strive to provide our named executive officers with a balance of short-term and long-term incentives to encourage consistently strong performance. Ultimately, the objective in allocating between long-term and currently paid compensation is to ensure adequate base compensation to attract and retain personnel, while

providing incentives to maximize long-term value for FTD and our stockholders. Therefore, we provide cash compensation in the form of base salary to meet competitive salary norms and reward good performance on an annual basis and in the form of bonus compensation to incent and reward superior performance based on specific annual and longer-term goals. To further focus our executives on longer-term performance and the creation of stockholder value, we make equity-based awards that vest over a meaningful period of time. In addition, we provide our executives with benefits that are generally available to our salaried employees and severance benefits to incentivize them to continue to strive to achieve stockholder value in connection with change in control situations.

Base Salary

We use base salaries to recognize the experience, skills, knowledge and responsibilities of our employees, including our executive officers. Base salaries for our named executive officers typically are established through arm's length negotiation at the time the executive is hired, taking into account the position for which the executive is being considered and the executive's qualifications, prior experience and prior salary. None of our executive officers is currently party to an employment agreement that provides for automatic or scheduled increases in base salary. However, on an annual basis, our Compensation Committee reviews and evaluates, with input from our President and Chief Executive Officer, the need for adjustment of the base salaries of our executives based on changes and expected changes in the scope of an executive's responsibilities, including promotions, the individual contributions made by and performance of the executive during the prior fiscal year, the executive's performance over a period of years, overall labor market conditions, the relative ease or difficulty of replacing the executive with a well-qualified person, our overall growth and development as a company and general salary trends in our industry and among our peer group and where the executive's salary falls in the salary range presented by that data. In making decisions regarding salary increases, we may also draw upon the experience of members of our board of directors with other companies. No formulaic base salary increases are provided to our named executive officers, and we do not target the base salaries of our named executive officers at a specified compensation level within our peer group or other market benchmark. Please refer to "Executive Compensation and Other Information Summary Compensation Table" for a listing of the base salaries of each of our named executive officers for 2015.

Base salaries for 2015 were generally at or below the median of the peer group data reviewed by the Compensation Committee for all named executive officers. The fixed cash salary for our chief executive officer was below the median of the peer group data.

Annual Management Incentive Cash Bonuses

We have designed our 2015 Management Bonus Plan to emphasize pay-for-performance and to reward our named executive officers for the achievement of specified corporate objectives. For each participant, bonus awards are tied to various corporate performance goals. Those goals may be based on company-wide or divisional financial metrics, including revenue and adjusted EBITDA. For certain participants, the performance objectives may include specified departmental goals for the applicable fiscal year. For additional information about the annual performance based cash bonus program for 2015, see "2015 Compensation Decisions 2015 Management Bonus Plan" below.

Long-Term Incentive Compensation

Grants of stock-based awards may result in limited rewards if the price of our common stock does not appreciate significantly, but may provide substantial rewards to executives as our stockholders in general benefit from stock price appreciation. Grants of stock-based awards are also intended to align compensation with the price performance of our common stock. Stock-based awards are also a useful vehicle for attracting and retaining executive talent in a competitive market. Our stock-based awards may consist of time-based or performance-based stock options, RSUs, restricted stock awards, or a

combination thereof. Since our spinoff from United Online, we have generally used RSUs for long-term incentive compensation for our executive officers.

Our Compensation Committee develops its stock-based award determinations based on its judgment as to whether the total compensation packages provided to our executive officers, including prior stock-based awards and the level of vested and unvested stock-based awards then held by each participating officer, are sufficient to retain, motivate, and adequately reward the executive officers. In addition, our compensation committee considers the potential dilution associated with the stock-based awards and the cost of awards relative to budget and to market capitalization.

Stock Options

We believe that stock options, when granted with exercise prices equal to the fair market value of our common stock on the date of grant, provide an appropriate long-term incentive for our executive officers because they are rewarded only to the extent that, following the grant date of the options, our stock price grows and our stockholders see the value of their investment also grow. While our equity compensation generally consists of RSUs, we did make option awards to certain of our named executive officers in 2014. In addition, in August 2015 we made one-time awards of stock options to our named executive officers, which were provided as a special incentive to motivate and reward growth.

Restricted Stock Awards and RSUs

Restricted stock awards and RSUs reflect both increases and decreases in stock prices from the grant-date market prices and thus tie compensation more closely to changes in stockholder value at all levels compared to stock options, whose intrinsic value changes only when the market price of shares is above the exercise price. Restricted stock awards and RSUs also have retention value even during periods in which our trading price does not appreciate, which supports continuity in the senior management team. In addition, restricted stock awards and RSUs allow our compensation committee to deliver equivalent value with use of fewer authorized shares.

In August 2015, we provided our named executive officers with a special, one-time, stock option award that was outside of the regular compensation program and is not expected to be repeated in 2016. The purpose of the one-time award was to align executives with shareholders and to provide key executives with material upside opportunity for price growth over the next five years.

Including the effect of the August 2015 one-time stock option grant, our Chief Executive Officer's target and actual total direct compensation, which includes his base salary, cash bonus incentive, and the grant date fair value of equity awards made in 2015, was generally consistent with the median of our compensation peer group. The total direct compensation of the other named executive officers was above the median as a result of the special one-time option awards. All named executive officers would have had below-median total direct compensation compared to our peer group if the special awards had not been granted.

Equity Award Mix

Our compensation committee may in the future adjust the mix of equity award types or approve different awards as part of the overall long-term incentive award. Awards made in connection with a new, extended, or expanded employment relationship may involve a different mix of time-based and performance-based stock options, RSUs, restricted stock awards, or other stock-based awards depending on our compensation committee's assessment of the total compensation package being offered.

Benefits and other compensation

We believe that establishing competitive benefit packages for our employees is an important factor in attracting and retaining highly qualified personnel. We maintain broad-based benefits that are provided to all employees, including medical insurance, dental insurance, vision insurance, group life insurance, accidental death and dismemberment insurance, long and short term disability insurance, medical and dependent care flexible spending accounts and matching contributions in our 401(k) plan. All of our executive officers are eligible to participate in all of our employee benefit plans, in each case on the same basis as other employees. Under our 401(k) plan, we are permitted to make discretionary contributions and matching contributions, subject to established limits and a vesting schedule. Our named executive officers may also participate in the FTD Companies, Inc. 2015 Employee Stock Purchase Plan ("ESPP"), which provides a means for our employees, and the employees of certain of our subsidiaries, to purchase shares of the Company's common stock. Consistent with our compensation philosophy, we intend to continue to maintain our current benefits for our named executive officers. The Compensation Committee in its discretion may revise, amend or add to the named executive officer's benefits and perquisites if it deems it advisable.

Severance and change in control benefits

Pursuant to employment agreements we have entered into with our executive officers, certain of our executive officers are entitled to specified double trigger benefits in the event of the termination of their employment under specified circumstances, including termination following a change in control of FTD. Please refer to "Executive Compensation and Other Information Employment Agreements and Potential Payments Upon Termination or Change in Control" for a more detailed discussion of these benefits. We have provided estimates of the value of the severance payments and other benefits that would have been made or provided to executive officers under various termination circumstances under the caption "Executive Compensation and Other Information Employment Agreements and Potential Payments Upon Termination or Change in Control" below.

2015 Compensation Decisions

2015 Management Bonus Plan

On March 26, 2015, our Compensation Committee adopted our 2015 Management Bonus Plan. The 2015 Management Bonus Plan provides for awards tied to corporate and departmental performance goals. These short-term cash incentives are designed to reward achievement against specific, pre-set financial goals and performance objectives measured over the fiscal year for which the award is paid. The performance goals upon which the awards are based may relate to the Company's consolidated revenue and Plan Adjusted EBITDA (as defined below), divisional revenue and Plan Adjusted EBITDA, or a combination thereof, provided that in each case, the relevant consolidated or divisional goals are weighted equally between revenue and Plan Adjusted EBITDA.

For the purposes of the 2015 Management Bonus Plan, we define Plan Adjusted EBITDA as net income before net interest expense, provision (benefit) for income tax expense, depreciation, amortization, stock-based compensation, litigation or dispute settlement charges or gains (including, without limitation, fees, expenses, damages and settlement costs related to litigation, arbitration, investigations, disputes or similar matters), transaction related costs (including, without limitation, expenses resulting from actual or potential transactions such as business combinations, mergers, acquisitions, and financing transactions, and including compensation expense and expense for advisors and representatives such as investment bankers, consultants, attorneys and accounting firms), restructuring and other exit costs (including, without limitation, severance expenses, facility closure expenses, relocation costs and other restructuring charges) and impairment of goodwill, intangible assets and long-lived assets. Plan Adjusted EBITDA is also calculated before, and expenses for the

purposes of calculating Plan Adjusted EBITDA exclude, (1) any bonus amounts which accrue under the 2015 Management Bonus Plan; (2) any adjustments to Plan Adjusted EBITDA attributable to a change in accounting principles that occurred after January 1, 2015 (such that the actual Plan Adjusted EBITDA is calculated consistently with Plan Adjusted EBITDA target as it relates to accounting principles); (3) all items of gain, loss or expense determined to be extraordinary, unusual or non-recurring (except that Item 10(e) of Regulation S-K under the Securities Act does not constitute a limitation on any such determination); (4) losses, charges or expenses with respect to litigation, investigations or other legal matters; and (5) all items of gain, loss or expense related to the sale or divestiture of a business; provided, however, that in determining the actual level at which the Plan Adjusted EBITDA has been attained, the associated amount under clause (1), clause (3) or clause (4) shall be excluded from the calculation of Plan Adjusted EBITDA only to the extent the actual aggregate amount under clause (1), clause (3) or clause (4) exceeds the aggregate budgeted amount therefor that was included in the Plan Adjusted EBITDA Targets set forth in the applicable performance goals.

For 2015, eleven potential levels of goal attainment from threshold to maximum were established for each financial performance goal. Level six of eleven represents the "target" level for financial goals. The amount of the bonus award was based on the actual levels at which the applicable goals were in fact attained. Absent at least threshold attainment of each applicable goal, no bonus award would be earned with respect to that particular performance metric. In addition, if consolidated Plan Adjusted EBITDA for the 2015 fiscal year had been more than 7.5% below target, no payouts would have been made under the 2015 Management Bonus Plan regardless of performance as to any other performance metric. Similarly, for those participants who were allocated a divisional goal, if the applicable divisional Plan Adjusted EBITDA for the 2015 fiscal year had been more than 5% below target, no payouts would have been made under the 2015 Management Bonus Plan to such participants regardless of performance as to any other performance metric. Notwithstanding the foregoing, the Compensation Committee could adjust the actual amount of a participant's bonus award if it determined that would be in the best interests of the Company to do so. As to each departmental goal, the level of attainment of each such goal (calculated as a percentage) was determined from threshold to maximum. In order to receive their bonuses, participants generally were required to continue in the Company's employ through December 31, 2015. The 2015 Management Bonus Plan imposed a limit of \$2.0 million on the maximum bonus amount payable to any participant for the 2015 fiscal year. The Compensation Committee did not exercise its discretion to adjust the actual amount of any participant's bonus award under the 2015 Management Bonus Plan.

For purposes of the 2015 Management Bonus Plan, the Company achieved consolidated corporate revenue and Plan Adjusted EBITDA for 2015, as determined in accordance of the terms and provisions of the plan, of \$1,216.0 million and \$118.8 million, respectively. The results achieved for the revenue portion of the plan were 2.8% below the target established at the start of the year while the results achieved for the Plan Adjusted EBITDA portion of the plan were 4.6% higher than the corresponding target. These targets for revenue and Plan Adjusted EBITDA are referred to in this proxy statement as the "2015 Corporate Goals." After comparing the achieved results to the 2015 Corporate Goals, bonus funding for the revenue portion of the 2015 Management Bonus Plan exceeded level three (of eleven) and bonus funding for the Plan Adjusted EBITDA portion of the plan exceeded level eight (of eleven). Revenue and Plan Adjusted EBITDA were given equal weight under the plan.

For Robert Apatoff, 100% of his 2015 bonus potential was based on the 2015 Corporate Goals, scaling up to a maximum payout of 150% of salary in accordance with the table below, depending on the Company's consolidated revenue and Plan Adjusted EBITDA results relative to the 2015 Corporate

Outperformance Option Awards

On August 10, 2015, the Compensation Committee approved special one-time option grants to be made to certain of our executives, including each of our named executive officers. The awards were not viewed as part of the regular annual compensation program and are not expected to be part of named executive officer compensation in 2016. The Compensation Committee used stock options with a life of approximately 5.4 years, reflecting a critical period of time in which current business initiatives may result in an increasing stock price, because the named executive officers profit from these awards only to the extent they remain employed with us following the award vesting dates and only if our share price exceeds the stock options' exercise price of \$29.97. These stock options generally vest in four equal annual installments beginning on January 1, 2016.

We believe that these awards provide meaningful incentives to our named executive officers to achieve increases in the value of our stock over a critical time period. We believe these awards also provide meaningful incentives for our named executive officers to find and implement post-Acquisition integration, growth and cost containment. These awards directly align the interests of the award recipients and our stockholders and help to ensure that the participants are incentivized to maintain a long-term approach in our management. The options will expire on January 1, 2021. Outperformance options were a one-time growth incentive program and we do not expect to grant similar awards again in 2016. The Compensation Committee does, however, retain the discretion to re-evaluate our compensation programs as needed.

RSU Awards

On March 9, 2015, the Company made annual grants of RSUs to our named executive officers in the following amounts:

Name	RSUs Awarded
Robert S. Apatoff	20,000
Becky A. Sheehan	12,500
Scott D. Levin	10,000
Tom D. Moeller	7,000
Anne G. Saunders	10,000

36

Edgar Filing: FTD Companies, Inc. - Form DEF 14A

The RSUs granted will generally vest in four equal annual installments beginning on February 15, 2016. The grant date fair value of the RSUs was \$34.44, the market value of the underlying stock on the grant date.

The RSU grants reflect the regular annual ongoing compensation program before the special, one-time, outperformance option program was added in the middle of the year.

Tax and Accounting Implications

Management and the Compensation Committee reviewed and considered the deductibility of payments under our executive compensation program under Code Section 162(m) and the regulations promulgated thereunder, which generally limit deductibility of compensation to \$1 million for certain employees. However the \$1 million limit does not apply to performance-based compensation that is paid pursuant to shareholder-approved plans and is approved by directors who qualify as "outside directors" within the meaning of Code Section 162(m).

The Compensation Committee generally structures and administers executive compensation plans and arrangements so that they will not be subject to the 162(m) deduction limit. However, to maintain flexibility in structuring appropriate compensation programs in the interest of shareholders, the Compensation Committee may from time to time approve payments that cannot be deducted. For example, restricted stock unit awards made to certain employees may not be deductible for federal income tax purposes, depending on the amount and type of other compensation these employees receive. In addition, since we retain discretion over compensation paid under our 2015 Management Bonus Plan, those awards also will not qualify for the exemption for performance based compensation.

Advisory Vote on Executive Compensation

In 2014 and 2015, we filed the proxy statements for our annual meetings as an "emerging growth company" under the federal securities laws and therefore were not required to conduct a stockholder vote seeking nonbinding advisory approval of the compensation of our named executive officers. The 2016 annual meeting will be the first meeting at which we will conduct votes seeking approval, on a nonbinding advisory basis, of the compensation paid to our named executive officers and the frequency with which such votes will be conducted.

Compensation Committee Report

The Compensation Committee of the board of directors of FTD Companies, Inc. has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with the Company's management. Based on such review and discussions, the Compensation Committee recommended to the board of directors that the Compensation Discussion and Analysis be included in this proxy statement and incorporated by reference into the Company's Annual Report on Form 10-K for the year ended December 31, 2015.

We provide medical and dental coverage to our U.S. employee base. In 2013, for Mr. Apatoff, we paid the portion of the insurance premiums for such coverage that otherwise would have been payable by him as required employee contributions (the "basic insurance coverage premiums"). In addition, we also provided supplemental medical and dental coverage to Mr. Apatoff under the Exec-U-Care plan. The annual per participant membership fee we paid under the Exec-U-Care plan was \$250 and included the premium for an accidental death and dismemberment insurance policy with up to \$100,000 in coverage. These incremental benefits terminated prior to the Separation. See Note 15 below for the aggregate dollar amount of the basic insurance coverage premiums, the medical and dental benefits provided through the Exec-U-Care plan, together with the \$250 annual membership fee for such plan that is included in the "All Other Compensation" column of the Summary Compensation Table.

Employment Agreements

Robert S. Apatoff. Mr. Apatoff is party to an employment agreement with FTD, with a term expiring on December 31, 2019, which provides for a minimum base salary of \$830,000 and a bonus tied to his annual base salary. If his employment is terminated without cause, or he resigns for good reason, other than in connection with, or other than within 24 months (36 months with regard to the completion of the Acquisition) following, a change in control, then he will receive an additional 12 months of vesting credit under his outstanding equity awards, applied as if such awards vested in equal monthly increments over the vesting period. The employment agreement also provides that if his employment is terminated without cause, or he resigns for good reason, in connection with, or within 24 months following, a change in control of FTD as defined in his employment agreement, then his outstanding equity awards will vest in full, provided that such period shall run for 36 months following the Acquisition. If Mr. Apatoff's employment is terminated without cause, or he resigns for good reason, whether or not in connection with a change in control, then he will be entitled to a severance payment, payable in 12 equal monthly installments (or in a lump sum in the case of a change in control separation), in an aggregate amount equal to the sum of (i) two times his then-current annual rate of base salary and (ii) two times his target bonus for the year in which his employment is so terminated. He will also be entitled to any earned but unpaid bonus for the fiscal year preceding his termination and a prorated bonus for the year of termination based on the actual level of performance goal attainment or, in the case of an involuntary termination during the same year as the change in control event, based on his target bonus for such year. As consideration for such severance benefits, Mr. Apatoff agreed to a 12 month non-competition agreement and to provide us with a standard release of claims. If Mr. Apatoff's employment is terminated due to his death or disability, then he will receive an additional 12 months of vesting credit under his outstanding equity awards, applied as if such awards vested in equal monthly increments over the vesting period.

Becky A. Sheehan. Ms. Sheehan is party to an employment agreement with FTD, with a term expiring on December 31, 2019, which provides for a minimum base salary of \$488,000 and a bonus tied to her annual base salary. If her employment is terminated without cause, or she resigns for good reason, other than in connection with, or within 24 months (36 months with regard to the completion of the Acquisition) following, a change in control, then she will receive an additional 12 months of vesting credit under her outstanding equity awards, applied as if such awards vested in equal monthly increments over the vesting period. The employment agreement also provides that if her employment is terminated without cause, or she resigns for good reason, in connection with, or within 24 months following, a change in control of FTD as defined in her employment agreement, then her outstanding equity awards will vest in full, provided that such period shall run for 36 months following the Acquisition. If Ms. Sheehan's employment is terminated without cause, or she resigns for good reason, whether or not in connection with a change in control, then she will be entitled to a severance payment, payable in 12 equal monthly installments (or in a lump sum in the case of a change in control separation), in an aggregate amount equal to the sum of (i) two times her then-current annual rate of base salary and (ii) two times her target bonus for the year in which her employment is so terminated. She will also be entitled to any earned but unpaid bonus for the fiscal year preceding her termination and a prorated bonus for the year of termination based on the actual level of performance goal attainment or, in the case of an involuntary termination during the same year as the change in control event, based on her target bonus for such year. As consideration for such severance benefits, Ms. Sheehan agreed to a 12 month non-competition agreement and to provide us with a standard release of claims. If Ms. Sheehan's employment is terminated due to her death or disability, then she will receive an additional 12 months of vesting credit under her outstanding equity awards, applied as if such awards vested in equal monthly increments over the vesting period.

Anne G. Saunders. Prior to her departure from the Company on April 1, 2016, Ms. Saunders was party to an employment agreement with FTD. Following an initial term expiring in November 2016, Ms. Saunders' employment agreement continued for one year terms that would renew automatically each November absent 90 days notice of non-renewal by FTD. Ms. Saunders' employment agreement provided for a minimum base salary of \$425,000 and a target bonus of up to 75% of annual base salary. The employment agreement also provided that if her employment were terminated without cause, or she resigned with good reason, as defined in her employment agreement, then she would receive an additional 12 months of vesting credit under her outstanding equity awards, applied as if such awards vested on a monthly basis. The employment agreement also provided that if her employment were terminated without cause, or she resigned with good reason, in connection with, or within 12 months after, a change in control of FTD, then she would receive either an additional 12 months of vesting credit under her outstanding equity awards or, if greater, vesting credit equal to the number of full months passed between the effective date of the employment agreement and the date of termination, in either case calculated as if such awards vested on a monthly basis. If Ms. Saunders' employment had been terminated without cause, or had she resigned for good reason, whether or not in connection with a change in control, then she would have been entitled to (i) a severance payment equal to her then current annual rate of base salary, (ii) if terminated after the 90th day of a fiscal year, a prorated bonus for the year of termination based on the actual level of performance goal attainment, to be paid at the same time such bonus would have been payable had she remained employed by the Company through the date of payment, and (iii) if the termination occurred after the end of a fiscal year and prior to the date on which she would have been entitled to be paid a bonus for such fiscal year, the bonus to which should would otherwise have been entitled had she remained employed by the Company through the date of payment, to be paid at such time. As consideration for such severance benefits, Ms. Saunders agreed to a 12 month non-competition agreement and to provide us with a standard release of claims. If Ms. Saunders' employment had been terminated due to her death or disability, then she would have received an additional 12 months of vesting credit under her outstanding equity awards, applied as if such awards vested in equal monthly increments over the vesting period. Ms. Saunders is not entitled to any severance payments in connection with her departure from the Company on April 1, 2016.

Tom D. Moeller. Mr. Moeller is party to an employment agreement with Florists' Transworld Delivery, Inc., a wholly owned subsidiary of FTD. Following an initial two year term, Mr. Moeller's employment agreement continues for one year terms that renew automatically each April absent 90 days notice of non-renewal by Florists' Transworld Delivery, Inc. Mr. Moeller's employment agreement provides for a minimum base salary of \$350,000 and a target bonus of up to 100% of annual base salary. The employment agreement also provides that if his employment is terminated without cause, or he resigns with good reason, as defined in his employment agreement, then he will receive an additional 12 months of vesting credit under his outstanding equity awards, applied as if such awards vested on a monthly basis. The employment agreement also provides that if his employment is terminated without cause, or he resigns with good reason, in connection with, or within 12 months after, a change in control of FTD, then he will receive either an additional 12 months of vesting credit under his outstanding equity awards or, if greater, an additional period of service equal in duration to the actual period served between the date of the commencement of vesting for the applicable award and the date of termination, in either case calculated as if such awards vested on a monthly basis. If Mr. Moeller's employment is terminated without cause, or he resigns for good reason, whether or not in connection with a change in control, then he will be entitled to (i) a severance payment equal to his then current annual rate of base salary, and (ii) a prorated bonus equal to the lesser of his annual rate of base salary and the bonus paid to him for the last completed fiscal year. As consideration for such severance benefits, Mr. Moeller agreed to a 12 month non-competition agreement and to provide us with a standard release of claims. If Mr. Moeller's employment is terminated due to his death or

disability, then he will receive an additional 12 months of vesting credit under his outstanding equity awards, applied as if such awards vested in equal monthly increments over the vesting period.

Scott D. Levin. Mr. Levin is party to an employment agreement with FTD, with a term expiring on December 31, 2019, which provides for a base salary of \$356,000 and a bonus tied to his annual base salary. If his employment is terminated without cause, or he resigns for good reason, other than in connection with, or other than within 24 months (36 months with regard to the completion of the Acquisition) following, a change in control, then he will receive an additional 12 months of vesting credit under his outstanding equity awards, applied as if such awards vested in equal monthly increments over the vesting period. The employment agreement also provides that if his employment is terminated without cause, or he resigns for good reason, in connection with, or within 24 months following, a change in control of FTD as defined in his employment agreement, then his outstanding equity awards will vest in full, provided that such period shall run for 36 months following the Acquisition. If Mr. Levin's employment is terminated without cause, or he resigns for good reason, whether or not in connection with a change in control, then he will be entitled to a severance payment, payable in 12 equal monthly installments (or in a lump sum in the case of a change in control separation), in an aggregate amount equal to the sum of (i) two times his then-current annual rate of base salary and (ii) two times his target bonus for the year in which his employment is so terminated. He will also be entitled to any earned but unpaid bonus for the fiscal year preceding his termination and a prorated bonus for the year of termination based on the actual level of performance goal attainment or, in the case of an involuntary termination during the same year as the change in control event, based on his target bonus for such year. As consideration for such severance benefits, Mr. Levin agreed to a 12 month non-competition agreement and to provide us with a standard release of claims. If Mr. Levin's employment is terminated due to his death or disability, then he will receive an additional 12 months of vesting credit under his outstanding equity awards, applied as if such awards vested in equal monthly increments over the vesting period.

Equity Acceleration

Prior to June 2015, we made equity awards to our named executive officers under the FTD Companies, Inc. Amended and Restated 2013 Incentive Compensation Plan (the "Prior Incentive Plan"). In June 2015, stockholders approved an amendment and restatement of the Prior Incentive Plan (as so amended, the "Current Incentive Plan"). Under the Current Incentive Plan, the provisions with respect to the acceleration of awards in the event of a change in control of us have been simplified to provide for "double trigger" equity acceleration so that, in general, an award under the Current Incentive Plan may provide for accelerated vesting in the event of a change in control only where either (1) within a specified period following the change in control the holder of the award is involuntarily terminated for reasons other than for "cause" (as defined in the Current Incentive Plan or the applicable award agreement) or terminates his or her employment for "good reason" (as defined in the applicable award agreement), or (2) the award is not assumed, continued or converted into replacement awards in a manner described in the award agreement, in each case as further described in the Current Incentive Plan. Under the Prior Incentive Plan, all outstanding options and restricted stock units will immediately vest upon a change in control, to the extent they are not assumed or otherwise continued in effect by the successor entity or replaced with an incentive compensation program that preserves the intrinsic value of the award at that time and provides for the subsequent vesting and concurrent payout of that value in accordance with the pre-existing vesting schedules for those awards. Awards made pursuant to the Current Incentive Plan, however, are treated differently than awards made pursuant to the Prior Incentive Plan.

Estimated Payments

The tables below reflect the amount of compensation which is vested and also which would be paid to each of our named executive officers assuming the various termination events occurred on December 31, 2015. The amounts included in the tables are estimates of the present value of the amounts that would be payable to the executive officer upon various types of termination of employment. The actual amounts to be paid upon a termination cannot be determined until the event occurs. The acceleration of all equity awards is calculated based on the closing price of our common stock on December 31, 2015, which was \$26.17 per share.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than 10% of a registered class of our equity securities, file reports of ownership and changes in ownership (Forms 3, 4 and 5) with the SEC. Executive officers, directors and greater than 10% beneficial owners are required to furnish us with copies of all of the forms that they file.

Based solely on our review of these reports or written representations from certain reporting persons, we believe that during the fiscal year ended December 31, 2015, our officers, directors, greater than 10% beneficial owners and other persons subject to Section 16(a) of the Exchange Act filed on a timely basis all reports required of them under Section 16(a) so that there were no late filings of any Form 3 or Form 5 reports or late Form 4 filings with respect to transactions relating to our common stock.

RELATED-PARTY TRANSACTIONS

Related-Party Transactions Policies and Procedures

Pursuant to our Code of Ethics, without full disclosure and prior written approval, our executive officers and directors are not permitted to make any investment, accept any position or benefits, participate in any transaction or business arrangement or otherwise act in a manner that creates or appears to create a conflict of interest. Our executive officers and directors are required to make such disclosure to, and receive the prior written approval of, our General Counsel and the Chair of the Audit Committee, or such other individual or committee of the Board of Directors as may be designated by the Board of Directors with respect to any related-party transactions. A current copy of the Code of Ethics is available on our corporate website (www.ftdcompanies.com) under "Investor Relations." In addition, each year, our directors and executive officers are required to complete Director and Officer Questionnaires that, among other things, identify any potential related-party transactions. Our Board of Directors determines, on an annual basis, which members of our Board meet the definition of an independent director as defined in the NASDAQ Marketplace Rules.

Pursuant to our Audit Committee's written charter, our Audit Committee is charged with monitoring and reviewing issues involving potential conflicts of interest, and reviewing and approving any potential related-party transactions which could be required to be disclosed under Item 404 of Regulation S-K, unless such transactions have been approved by a comparable committee of the Board of Directors or the Board of Directors as a whole. A copy of the Audit Committee's written charter is available on our corporate website (www.ftdcompanies.com) under "Investor Relations." Under Item 404 of Regulation S-K, a related-party transaction is defined as any transaction or proposed transaction in which the company was or is to be a participant, the amount involved exceeds \$120,000, and in which any of the following had or will have a direct or indirect material interest: the company's directors, director nominees, executive officers, greater than five percent beneficial owners or any immediate family member of any of the foregoing. In the course of the Audit Committee's review to approve or disapprove related-party transactions, the Audit Committee considers all of the relevant facts available, including (if applicable) but not limited to: the related party's relationship to us; the nature of the party's interest in the transaction; the benefits to us; the availability of other sources of comparable products or services; the terms of the transaction; and the terms available to unrelated third parties or to employees generally. The Audit Committee will approve only those related-party transactions that are in, or are not inconsistent with, the best interests of our company and our stockholders.

The Audit Committee has established written procedures to address situations when approvals need to be sought between meetings. Whenever possible, proposed related-party transactions will be included as an agenda item at the next scheduled Audit Committee meeting for review and approval. However, if it would be impractical or undesirable to wait until the next scheduled Audit Committee meeting, approval will be sought from the Chair of the Audit Committee between meetings, provided the Chair or his/her immediate family member is not the related party. If a related-party transaction is approved in this manner, the action will be reported at the next Audit Committee meeting.

Agreements and Transactions with Liberty

Investor Rights Agreement

As a part of the Acquisition, we entered into an Investor Rights Agreement with Liberty. Under the terms of the Investor Rights Agreement, Liberty and its controlled affiliates are restricted from acquiring additional shares of our common stock if, (1) until December 31, 2016, following such acquisition, Liberty would own in excess of 37.5% of the total number of the outstanding shares of our common stock and (2) after December 31, 2016, following such acquisition, Liberty would own in excess of 40% of the total number of outstanding shares of our common stock, in each case, subject to

certain exceptions. Notwithstanding these restrictions, Liberty would be permitted, subject to certain conditions, to make a non-negotiated permitted tender offer (the "Permitted Offer") to acquire additional shares of our common stock if, (a) after December 31, 2016, Liberty has negotiated in good faith with our Board of Directors for a period of at least thirty days and is unable to reach an agreement on a transaction or (b) at any time, a third party makes an unsolicited tender offer for shares of our common stock and we fail to take customary defensive actions, provided, (i) in either case, that the Permitted Offer must be an offer for all outstanding shares of our common stock and (ii) the Permitted Offer cannot close until a majority of the outstanding shares of our common stock not owned by Liberty have been tendered (the "Minimum Condition"), provided that the requirement in this clause (ii) does not apply in the event a third party makes an unsolicited tender offer for shares of our common stock.

The Investor Rights Agreement further provides that until June 30, 2016 (the "Restricted Period"), Liberty will be bound by customary standstill provisions, including covenants not to solicit competing proxies or call special meetings of our stockholders, subject to the earlier expiration of the standstill provisions or certain waivers thereto upon the occurrence of certain events. In addition, during the Restricted Period, Liberty may not transfer any shares of our common stock that it owns, subject to certain exceptions. After the expiration of the Restricted Period, Liberty may sell shares of our common stock, subject to our right of first refusal with respect to certain market sales, provided that in no event may Liberty sell our common stock to any person if such person would beneficially own in excess of 15% of the total outstanding shares of our common stock, subject to certain exceptions. Beginning December 31, 2017, Liberty will be permitted to transfer its shares of our common stock in a block sale to a single party, subject to certain limitations with respect to the transferee and our right of first offer. The Investor Rights Agreement also includes limitations on pledging, stock lending transactions and hedging by Liberty of shares of our common stock.

Pursuant to the terms of the Investor Rights Agreement, Liberty is entitled to customary demand and piggyback registration rights and, subject to certain limitations, a participation right pursuant to which Liberty may maintain its ownership percentage of our common stock.

The Investor Rights Agreement provides that, for so long as Liberty owns at least 15% of the outstanding shares of our common stock, we are required to provide advance notice to Liberty before entering into an agreement regarding a merger, consolidation, change of control or other business combination transaction. In addition, if we enter into an agreement with a third party that would result in a change of control of us, we may issue to such third party, outside of Liberty's participation right described above, a number of shares of our common stock equal to 19.9% of the total number of shares then outstanding. However, such issuance will not dilute Liberty's right to representation on our Board of Directors and will be excluded from the calculation of the Minimum Condition in a Permitted Offer.

Liberty was entitled to select four new directors for appointment to our Board of Directors as of the closing of the Acquisition. Effective December 31, 2014, Candace H. Duncan, Sue Ann R. Hamilton, Robin S. Pringle and Christopher W. Shean were appointed to our Board of Directors. Pursuant to the Investor Rights Agreement, (a) Liberty is entitled to proportional representation on our Board of Directors based upon its ownership percentage, rounded up to the next whole number of directors, (b) we are required to use our reasonable best efforts to cause the election of each Liberty nominee at subsequent meetings of our stockholders, (c) at least half of Liberty's nominees must be independent under applicable stock exchange listing standards, subject to Liberty's rights to have at least two Liberty officers serving as directors, and (d) we must appoint one of Liberty's nominees to each committee of our Board of Directors, subject to applicable stock exchange listing standards and provided that no such director may serve as chairman of the Board of Directors or chairman of a committee. In addition, for a period of five years (or six years, in the event our Board of Directors ceases to be classified or we implement majority voting for directors), and so long as

(x) a

Edgar Filing: FTD Companies, Inc. - Form DEF 14A

Liberty-nominated director remains on the Board and (y) Liberty owns less than 50% of the outstanding shares of our common stock, Liberty will be required to vote its shares of our common stock in favor of our director nomination slate at each meeting of our stockholders at which directors are to be elected. So long as Liberty owns at least 5% of the outstanding shares of our common stock, Liberty has agreed to attend, in person or by proxy, all meetings of our stockholders so that such shares may be counted for purposes of determining a quorum at such meetings.

The foregoing description of the Investor Rights Agreement does not purport to be complete and is qualified in its entirety by reference to the Investor Rights Agreement, which is filed as Exhibit 10.1 to our Current Report on Form 8-K filed with the SEC on December 31, 2014.

Acquisition Working Capital Adjustment

The Acquisition purchase price was subject to adjustment based upon the final closing working capital, which adjustment was determined to be \$9.9 million. In April 2015, FTD made a payment to Liberty in full satisfaction of this adjustment.

RedEnvelope

As part of the Acquisition, Liberty and Provide Commerce entered into a services agreement under which Provide Commerce provided, on a transitional basis, Liberty with certain support services and other assistance after the Acquisition in respect of the online e-commerce business operated under the trade name of RedEnvelope business, which was not acquired by us as part of the Acquisition.

On April 30, 2015, we, through a wholly-owned subsidiary, entered into a Purchase and Sale Agreement with an indirect wholly-owned subsidiary of Liberty, pursuant to which we acquired certain residual assets previously used by Liberty in the RedEnvelope business for a cash purchase price of \$0.3 million. The purchase price was allocated to the assets acquired based on their relative fair values, resulting in allocated values of \$0.1 million to fixed assets, \$0.1 million to inventory, and \$0.1 million to the trademark and trade name.

The I.S. Group Limited

Interflora holds an equity investment of 20.4% in The I.S. Group Limited ("I.S. Group"). The investment was \$1.6 million at December 31, 2015. I.S. Group supplies floral-related products to Interflora's floral network members in both the U.K. and the Republic of Ireland as well as to other customers. Interflora derives revenues from I.S. Group from (i) the sale of products (sourced from third party suppliers) to I.S. Group for which revenue is recognized on a gross basis, (ii) commissions on products sold by I.S. Group (sourced from third-party suppliers) to floral network members, and (iii) commissions for acting as a collection agent on behalf of I.S. Group. In the year ended December 31, 2015, revenues related to products sold to and commissions earned from I.S. Group were \$2.8 million. In addition, Interflora purchases products from I.S. Group for sale to consumers. The cost of revenues related to products purchased from I.S. Group was \$0.4 million in the year ended December 31, 2015. Amounts due from I.S. Group were \$0.3 million at December 31, 2015, and amounts payable to I.S. Group were \$1.4 million at December 31, 2015.

AUDIT COMMITTEE REPORT

The following is the report of the Audit Committee with respect to our audited consolidated financial statements for the year ended December 31, 2015, included in our Annual Report on Form 10-K for that period.

Composition and Charter. The Audit Committee of our Board of Directors currently consists of four independent directors, as that term is defined in Rule 5605(a)(2) of the NASDAQ Marketplace Rules: Mr. Harch, who serves as Chairman of the Audit Committee, Messrs. Armstrong and Berglass and Ms. Duncan. The Audit Committee operates under a written charter adopted by our Board of Directors and is available on our corporate website (www.ftdcompanies.com) under "Investor Relations." The Board of Directors and the Audit Committee review and assess the adequacy of the charter of the Audit Committee on an annual basis.

Responsibilities. The Audit Committee assists our Board of Directors in fulfilling its oversight responsibilities by reviewing the financial information that will be provided to our stockholders and others; reviewing our systems of internal control over financial reporting, disclosure controls and procedures and our financial reporting process that management has established and the Board oversees; and endeavoring to maintain free and open lines of communication among the Audit Committee, our independent registered public accounting firm, internal auditors and management. The Audit Committee is also responsible for the review of all critical accounting policies and practices to be used by us; the review and approval or disapproval of all proposed transactions or courses of dealings that are required to be disclosed by Item 404 of Regulation S-K that are not otherwise approved by a comparable committee or the entire Board; and establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters. The Audit Committee also has the authority to secure independent expert advice to the extent the Audit Committee determines it to be appropriate, including retaining independent counsel, accountants, consultants or others, to assist the Audit Committee in fulfilling its duties and responsibilities.

It is not the duty of the Audit Committee to plan or conduct audits or to prepare our consolidated financial statements. Management is responsible for preparing our consolidated financial statements, and has the primary responsibility for assuring their accuracy and completeness, and the independent registered public accounting firm is responsible for auditing those consolidated financial statements and expressing its opinion as to their presenting fairly in accordance with GAAP our financial condition, results of operations and cash flows. However, the Audit Committee does consult with management and our independent registered public accounting firm prior to the presentation of consolidated financial statements to stockholders and, as appropriate, initiates inquiries into various aspects of our financial affairs. In addition, the Audit Committee is responsible for the oversight of the independent registered public accounting firm; considering and approving the appointment of and approving all engagements of, and fee arrangements with, our independent registered public accounting firm; and the evaluation of the independence of our independent registered public accounting firm.

In the absence of their possession of information that would give them a reason to believe that such reliance is unwarranted, the members of the Audit Committee rely without independent verification on the information provided to them by, and on the representations made by, our management and our independent registered public accounting firm. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal control over financial reporting and disclosure controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Audit Committee's authority and oversight responsibilities do not independently assure that the audits of our consolidated financial

Edgar Filing: FTD Companies, Inc. - Form DEF 14A

statements are conducted in accordance with auditing standards generally accepted in the United States of America, or that our consolidated financial statements are presented in accordance with GAAP.

Review with Management and Independent Registered Public Accounting Firm. The Audit Committee has reviewed and discussed the quality, not just the acceptability, of our accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements with our management and our independent registered public accounting firm, Deloitte. In addition, the Audit Committee has consulted with management and Deloitte prior to the presentation of our consolidated financial statements to stockholders. The Audit Committee has discussed with Deloitte the matters required to be discussed by PCAOB Auditing Standard No. 16, Communications with Audit Committees. The Audit Committee has received the written disclosures and the letter from Deloitte required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence, and has discussed with Deloitte its independence from us, including whether its provision of non-audit services has compromised such independence. The Audit Committee also reviewed and discussed, together with management and the independent auditor, the Company's audited consolidated financial statements for the year ended December 31, 2015, and the results of management's assessment of the effectiveness of the Company's internal control over financial reporting and the independent auditor's audit of internal control over financial reporting.

Conclusion and Appointment of Independent Registered Public Accounting Firm. Based on the reviews and discussions referred to above in this report, the Audit Committee recommended to our Board of Directors that the audited consolidated financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2015 for filing with the SEC. In addition, in March 2016, the Audit Committee appointed Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016.
