## Section 1 – Registrant's Business and Operations

### Item 1.01 Entry into a Material Definitive Agreement.

On August 14, 2013, Avista Corporation (Avista Corp. or the Company) entered into a term loan agreement with Union Bank, N.A., as administrative agent in the amount of \$90.0 million and bearing an annual interest rate of 0.84 percent. The term loan agreement has an expiration date of August 14, 2016. The term loan agreement is secured by \$90.0 million of non-transferable First Mortgage Bonds of the Company issued to Union Bank, N.A. Such First Mortgage Bonds would only become due and payable in the event, and then only to the extent, that the Company defaults on its obligations under the term loan agreement.

The term loan agreement contains customary covenants and default provisions, including a covenant not to permit the ratio of “consolidated total debt” to “consolidated total capitalization” of Avista Corporation to be greater than 65 percent at the end of any fiscal quarter.

In connection with the pricing of the term loan, we cash settled interest rate swap contracts and received total proceeds of \$2.9 million, which will be amortized as a component of interest expense over the life of the debt.

The total net proceeds from the \$90 million term loan agreement will be used to refinance \$50 million in First Mortgage Bonds maturing in December 2013, to repay a portion of the borrowings outstanding under the Company's \$400 million line of credit and for general corporate purposes.
