This press release contains certain forward-looking statements as that term is defined in the Private Securities Litigation Reform Act of 1995. Actual results and trends could differ materially from those set forth in such statements due to various factors. Such factors include the possibility that increased demand for prices for the Company's financial services and products may not occur, changing economic, interest rate and competitive conditions, technological developments, and other risks and uncertainties including those detailed in the Company's filings with the Securities and Exchange Commission.
