Item 8.01 Other Events.

In January 2016, Republic Services, Inc. (the "Company," "we," "us" or "our") realigned our field support functions by combining our regions into two field groups, consolidating our areas and streamlining select operational support roles at our Phoenix headquarters. Following our restructuring, our senior management now evaluates, oversees and manages the financial performance of our operations through two field groups, referred to as Group 1 and Group 2. As a result of the change in our reportable segments, we revised certain notes to our audited consolidated financial statements as well as the related discussion and presentation in Management's Discussion and Analysis of Financial Condition and Results of Operations appearing in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015.

In the first quarter of 2016, we adopted Accounting Standards Update 2015-03, Interest - Imputation of Interest (Subtopic 835-30) -

Simplifying the Presentation of Debt Issuance Costs, on a retrospective basis. The standard simplifies the presentation of debt issuance costs and requires that debt issuance costs related to a recognized debt liability be presented in the balance sheet as a direct deduction from the carrying amount of that debt liability, consistent with the presentation of debt discounts. As a result of the adoption of the standard, we revised our balance sheet presentation and certain notes to our audited consolidated financial statements appearing in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015.

The Company's revised Item 7. Management's Discussion and Analysis of Financial Condition and Results of Operations and revised Item 8. Financial Statements and Supplementary Data to our Annual Report on Form 10-K for the fiscal year ended December 31, 2015, are incorporated herein by reference as Exhibit 99.1 and Exhibit 99.2, respectively.

For the noted revisions, refer to our "Recent Developments," "Reportable Segments," "Financial Condition," and "Critical Accounting Judgments and Estimates" sections of the Management's Discussion and Analysis of Financial Condition and Results of Operations in Exhibit 99.1, and Note 1, Basis of Presentation, Note 2, Summary of Significant Accounting Policies, Note 5, Goodwill and Other Intangible Assets, Net, Note 6, Other Assets, Note 9, Debt, Note 14, Segment Reporting, and Note 16, Financial Instruments in Exhibit 99.2.

Item 9.01 Financial Statements and Exhibits.
