Edgar Filing: HEROES INC - Form 8-K

Current conditions facing the national economy, and in particular the financial markets, have created an environment in which the Registrant has been unsuccessful in securing the financing necessary to meet on-going business expenses. Faced with the ongoing issues of non-payment by the Metropolitan Regional Educational Services Agency and the Schools and Libraries Division of the Universal Service Administrative Company, which rendered questionable the Registrant's ability to collect on more than \$8 million, management had no choice but to seek voluntary protection under chapter 11. Management elected to enter into a chapter 11 reorganization to facilitate obtaining new financing and to develop a plan for reorganization to be submitted to the court.
