The following discussion should be read in conjunction with the information contained in the financial information and the notes thereto appearing elsewhere in this report.

Results of Operations

Edgar Filing: ALEC BRADLEY CIGAR CORP/FL - Form 10QSB

30, 2003. This was attributable to the continuing success of cigars lines introduced during 2001 (Havana Sun Grown Cigars) and late 2000 (Occidental Cigars) and aggressive marketing by the Company during the first six months of 2004. The Company's gross profit decreased for 2004 as compared to 2003 to \$395,300 from \$427,400, a decrease of \$32,100, or 7.5%. The decrease in gross profit dollars was directly attributable to the aggressive sales effort in the second quarter. In addition, first quarter sales during 2004 were detrimentally effected by harsh weather conditions.

Selling Expenses

Selling expenses for the six-month period ended June 30, 2004 were \$146,900, an increase of \$800, or 0.5%, from \$146,100 in the six months ended June 30, 2003. Selling expenses include all compensation and related benefits for the sales personnel and advertising and promotional costs. Selling expenses represented 14.7% of revenues in the six-month period ended June 30, 2004, compared to 14.9% in six months ended June 30, 2003.

8

General and administrative expenses

General and administrative expenses for 2004 were \$212,200, an increase of \$29,500, or 16.1%, from \$182,700 in 2003. General and administrative expenses primarily include salaries, supplies, and general operating expenses. The increase in general and administrative expenses is attributable to an increase in payroll (\$4,000), rent (\$8,700) and insurance and other office expenses (\$16,800). General and administrative expenses represented 21.2% of revenues in 2004, compared to 18.7% in 2003. Rent, insurance and other office expense reflect the Company's opening and operating of its new facilities. These facilities provide the Company with approximately 2,000 square feet of additional warehouse space and 2,000 square feet of additional administrative space.

Three Months ending June 30, 2004 Compared to Three Months ending June 30, 2003

Revenues

Revenues for the three months ended June 30, 2004 were \$626,600, an increase of \$115,600, or 22.6% from \$511,000 for the three months ended June 30, 2003. This was attributable to the continuing success of cigars lines introduced during 2001 (Havana Sun Grown Cigars) and late 2000 (Occidental Cigars) and overall continued growth of the Company. The Company's gross profit increased for the three months ended June 30, 2004 as compared to the three months ended June 30, 2003 from approximately \$213,900 to approximately \$230,100, an increase of \$16,200, or 7.6%. Gross profit, as a percentage of sales were 36.7% and 41.9% respectively for the three-month periods ending June 30, 2004 and 2003. The decrease in gross profit dollars was directly attributable to the more aggressive sales promotions utilized by the company to increase in sales.

Selling Expenses

Selling expenses for the three months ended June 30, 2004 were \$93,000, an increase of \$5,200, or 5.9%, from \$87,800 for the three months ended June 30, 2003. Selling expenses represented 14.8% of revenues for the three months ended June 30, 2004, as compared to 17.2% for the three months ended June 30, 2003. The decrease was primarily attributable to management's focus on cost management during the quarter.

General and administrative expenses for the three months ended June 30, 2004 were \$110,100, an increase of \$13,400, or 13.9%, from \$96,700 for the three months ended June 30, 2003. This was primarily funded from the income from operations, the Company's credit facility, plus the effect of net of non-cash items (depreciation expense). The Company's cash balance as of June 30, 2004 decreased by \$71,181 from \$108,361 as of December 31, 2003 to \$37,180.

9

As of June 30 2004, the Company's accounts receivable was \$234,423. As of June 30, 2004, the Company's working capital was \$254,621.

The Company has negotiated with its major suppliers to obtain extended credit terms for new products being developed through these suppliers. In addition, the Company has established a line of credit with a local bank to provide for additional cash flow needs.

Management believes that the cash generated from the Company's operations and new credit terms and credit facility(s) will be adequate to support its short-term cash requirements for capital expenditures and maintenance of working capital.
