**Item 2.04. Triggering Events That Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.**

The Company announced on September 19, 2005 that Cede & Co., acting at the request of holders ( Noteholders ) of \$51 million in principal amount of the Company s \$150 million 6.375% Senior Notes due 2013 (the Notes ) delivered a notice on September 16, 2005, which purports to be a notice of acceleration. As previously disclosed, holders of 25% or more of the outstanding principal balance of the Notes have the right to accelerate the Notes and demand immediate payment of them as a result of the Company s failure to file its Annual Report on Form 10-K for the year ended December 31, 2003 within the periods permitted under the indenture, as amended. The Company believes that the notice is defective in certain respects. If and when the Company receives a valid notice of acceleration and demand for payment, the Company will pay the outstanding principal and accrued interest on the Notes. As a result of the failure to file the 2003 Form 10-K report, the holders of the Company s 8.375% Senior Notes due 2008 also have the right to accelerate the notes and demand repayment in full. To date, the Company has not received any notice of acceleration with respect to these notes. A copy of the Company s press release is attached to this Form 8-K as an exhibit and is hereby incorporated by reference.
