PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
OF
CENTRAL VALLEY COMMUNITY BANCORP
To Be Held on May 17, 2006
600 Pollasky Avenue, Clovis, California 93612

GENERAL INFORMATION FOR SHAREHOLDERS

The following information is furnished in connection with the solicitation of the accompanying proxy by and on behalf of the Board of Directors of Central Valley Community Bancorp (the "Company" or "Central Valley") for use at the Annual Meeting of Shareholders to be held at the Company's headquarters office located at 600 Pollasky Avenue, Clovis, California on Wednesday, May 17, 2006, at 7:00 p.m. Only shareholders of record at the close of business on March 22, 2006, (the "Record Date") will be entitled to notice of and to vote at the Annual Meeting. On the Record Date, the Company had outstanding 5,923,540 shares of its common stock, all of which will be entitled to vote at the Annual Meeting and any adjournments thereof. This proxy statement will be first mailed to shareholders on or about April 4, 2006.

Vote By Proxy

As many of the Company's shareholders are not expected to attend the Annual Meeting in person, the Company solicits proxies so that each shareholder is given an opportunity to vote. Shares represented by a duly executed proxy in the accompanying form, received by the Board of Directors prior to the Annual Meeting, will be voted at the Annual Meeting. A shareholder executing and delivering the enclosed proxy may revoke the proxy at any time prior to exercise of the authority granted by the proxy by (i) filing with the secretary of the Company an instrument revoking it or a duly executed proxy bearing a later date; or (ii) attending the meeting and voting in person. A proxy is also revoked when written notice of the death or incapacity of the maker of the proxy is received by the Company before the vote is counted. If a shareholder specifies a choice with respect to any matter on the accompanying form of proxy, the shares will be voted accordingly. If no specification is made, the shares represented by the proxy will be voted in favor of the specified proposal.

Method of Counting Votes

Holders of common stock of the Company ("Common Stock") are entitled to one vote for each share held except that for the election of directors each shareholder has cumulative voting rights and is entitled to as many votes as shall equal the number of shares held by such shareholder multiplied by the number of directors to be elected and such shareholder may cast all his or her votes for a single candidate or distribute such votes among any or all of the candidates as he or she chooses. However, no shareholder shall be entitled to cumulate votes (in other words, cast for any candidate a number of votes greater than the number of shares of stock held by such shareholder) unless such candidates' names have been placed in nomination prior to the voting and the shareholder has given notice at the Meeting prior to the voting of the shareholder's intention to cumulate votes. If any shareholder has given such notice, all shareholders may cumulate their votes for candidates in nomination. An opportunity will be given at the Meeting prior to the voting for any shareholder who desires to do so, to announce his or her intention to cumulate his or her votes. The proxy holders are given, under the terms of the Proxy, discretionary authority to cumulate votes represented by shares for which they are named in the Proxy.

Edgar Filing: CENTRAL VALLEY COMMUNITY BANCORP - Form DEF 14A

The proxy holders, Daniel J. Doyle and Wanda L. Rogers, both of whom are directors of the Company, will vote all shares of Common Stock represented by the proxies unless authority to vote such shares is withheld or the proxy is revoked. However, the proxy holders cannot vote the shares of the shareholder unless the shareholder signs and returns a proxy card. Proxy cards also confer upon the proxy holders discretionary authority to vote the shares represented thereby on any matter that was not known at the time this Proxy Statement was mailed, which may properly be presented for action at the Annual Meeting, including a motion to adjourn, and with respect to procedural matters pertaining to the conduct of the Annual Meeting. The total expense of soliciting the proxies in the accompanying form will be borne by the Company. While proxies are normally solicited by mail, proxies may also be solicited directly by officers, directors and employees of the Company or its subsidiary, Central Valley Community Bank (the Bank). Such officers, directors and employees will not be compensated for this service beyond normal compensation to them.

Abstentions and broker non-votes are each included in the determination of the number of shares present and voting for the purpose of determining whether a quorum is present, and each is tabulated separately. In determining whether a proposal has been approved, abstentions are counted in tabulations of the votes cast on proposals presented to shareholders and broker non-votes are not counted as votes for or against a proposal or as votes present and voting on the proposal.

Unless contrary instructions are indicated on the Proxy, all shares represented by valid Proxies received pursuant to this solicitation (and not revoked before they are voted) will be voted as follows:

FOR the election of all nominees for director named herein; and

FOR ratification of the selection of Perry-Smith LLP as the Company's independent public accountants.

In the event a shareholder specifies a different choice on the Proxy, his or her shares will be voted in accordance with the specification so made. In addition, such shares will, at the proxy holders' discretion, be voted on such other matters, if any, which may come before the Meeting (including any proposal to adjourn the Meeting). Boxes and a designated blank space are provided on the proxy card for shareholders to mark if they wish either to abstain on one or more of the proposals or to withhold authority to vote for one or more nominees for director.

A copy of the Company's Annual Report to Shareholders for the fiscal year ended December 31, 2005 is enclosed with this Proxy Statement.

Vote Required

The nine (9) nominees receiving the highest number of votes of the shares of the Company's Common Stock represented and entitled to vote at the Meeting will be elected directors of the Company.

The affirmative vote of the holders of a majority of the shares of the Company's Common Stock represented and entitled to vote at the Meeting is necessary for the ratification of the selection of auditors.

Shareholders Entitled to Vote

Only shareholders of record at the close of business on March 22, 2006, are entitled to notice of, and to vote at, the Annual Meeting. At the close of business on that date, the Company had outstanding 5,923,540 shares of its no par value Common Stock.

Executive/Directors Resources Committee 2005 Report

Edgar Filing: CENTRAL VALLEY COMMUNITY BANCORP - Form DEF 14A

This report on executive compensation is furnished by the Board of Directors of Central Valley Community Bancorp's Executive/Directors Resources Committee (the Committee). The Company's compensation programs and policies are covered under this committee and are applicable to its Chief Executive Officer (CEO) and other executive officers and are administered by the Committee.

The purpose of the Committee includes reviewing policies, reviewing human resources issues, granting stock options and approving other personnel matters which are in excess of management's authority. The Committee establishes the compensation plans and specific compensation levels of the Company's CEO and other executive officers. The Committee reviews its approach to executive compensation annually. As part of its due diligence, the Committee conducts periodic outside reviews of California peers as well as national peers.

The Committee's Philosophy and Policies

The Company's compensation programs and policies are designed to enhance shareholder value by aligning the financial interest of the executive officers of the Company with those of the Company's shareholders. The compensation program has two goals: To help the Company compete with other financial entities to attract and retain highly qualified individuals as executive officers; and to pay executive officers based upon their contribution to the Company's performance.

The company's philosophy for granting stock based awards is based on the principles of encouraging key employees to remain with the Company and to encourage ownership; thereby, providing them with a long term interest in the Company's overall

performance. The Company's philosophy is demonstrated by the adoption of the 2005 Omnibus Incentive Plan. The Company intends to retain the flexibility necessary to provide total cash compensation in line with competitors' practices, the Company's compensation philosophy and the Company's best interest, including compensation that may not be tax deductible.

Components of Executive Officer Compensation

There are five primary components of executive compensation: (i) base salary and other benefits as detailed in the Summary of Compensation, (ii) incentive, (iii) 401(k) and profit sharing, (iv) stock awards granted under the 2005 Omnibus Incentive Plan and the 2000 Stock Option Plan, and (v) benefits from a salary continuation plan.

Base Salaries:

The Committee reviews competitive compensation data, including salary, bonus, and long term incentives from a comparison group of financial services companies for the purpose of establishing overall compensation for executive officers. The Committee approves, and submits to the Board of Directors for ratification, the annual base salary for the CEO and the all senior management officers. The Committee determines the amount of annual incentive compensation payable to the executive officers, if performance goals are met, subject to a maximum limit on the incentive compensation. The Committee also conducts the annual performance evaluation of the CEO. The Chair of the Committee presides at the presentation of this evaluation to the Board of Directors meeting in an executive session.

The base salary for the CEO for 2005 was determined by (i) examining the Company's performance against its preset goals, (ii) comparing the Company's performance against its peer group competitors, (iii) evaluating the effectiveness and performance of the CEO and (iv) comparing the base salary of the CEO to that of other chief executive officers in the Company's peer group. The total compensation received by the Company's CEO is detailed the Summary Compensation Table.

Incentive Compensation:

The Company adopted a Senior Management Incentive Plan (SMIP) to provide annual incentive compensation to attract, retain, and motivate key executives of the Company. The CEO does not participate in the SMIP. The SMIP is tied to financial achievements for the Bank and Company which are set annually. The senior management executive must be employed on the last day of the fiscal year to receive payment under the Plan. The Committee has discretion to determine which executives are eligible to participate in the SMIT, to determine the bases for and the amount of any incentive awards (based generally on Board established targets), and to consider any additional or extraordinary performance factors for a particular participant. The Committee recommends to the Board of Directors the allocation of contributions to the SMIP for the fiscal year and , accordingly, payments are made by March 1st each year to senior management executives who are participants to the SMIP, who attain the performance goals, and are employed on the last day of the fiscal year. Payments for 2005 are detailed in the Summary Compensation Table.

401(k)/Profit Sharing Plan:

Edgar Filing: CENTRAL VALLEY COMMUNITY BANCORP - Form DEF 14A

The Company's adopted a 401(k) plan for benefit of all employees. The CEO and other senior management executives participate in the Plan to the same extent as all other employees. The Company contributes a percentage matching contribution to the same degree as all other employees. The Profit Sharing Plan (the Profit Sharing Plan) is a cash-based incentive profit sharing program. The Company may, but is not required to make annual contribution based on the recommendation of the Committee. The cash incentive is paid by March 1st of each year. The percentage of contribution is recalculated each year based upon the recommendation of the Committee.

Stock Awards:

Under the Company's compensation philosophy, ownership of the Company's Common Stock is a key element of executive compensation. The granting of stock awards is intended to retain and motivate key executives and to provide a direct link with the interest of the shareholders of the Company. In general, stock award grants are determined based on (i) impact the executive may have had on the Bank's and Company's earnings and stock price, (ii) provided enhancement opportunities for the success of the Bank and Company (iii) extraordinary deeds performed that warrant extraordinary rewards, (iv) prior award levels for the executive, (v) total awards received to date by the individual executives, (vi) the total stock award to be made and the executive's percentage participation in that award, (vii) the executive's direct ownership of Company Common Stock, (viii) the number of awards vested and non-vested, and (ix) the options outstanding as a percentage of total shares outstanding.

During 2005, the Committee recommended to the Board of Directors, and the Board approved, the acceleration of the vesting of all the currently outstanding options held by the members of the Board of Directors and certain members of senior management, because (a) the acceleration of the options would have a positive impact on Company earnings, which the Board deemed was in the best interest of the shareholders, and (b) the Board deemed that acceleration of options was not likely to reduce the incentive for the officers and directors to continue engagement with the Company. All other option terms remained unchanged.

In 2005 the Company adopted the 2005 Omnibus Incentive Plan which provides for awards in the form of incentive stock options, non-statutory stock options, stock appreciation rights, and restricted stock. The plan also allows for performance awards that may be in the form of cash or shares of the Company, including restricted stock. All awards are issued at market value and generally have vesting period of five years or more. These awards are granted at the sole discretion of the Committee.

Respectively submitted by the members of the Executive/Directors Resources and Nominating Committee,

Daniel N. Cunningham

Chairman of the Executive/Directors Resources and Nominating Committee,

Edwin S. Darden Jr.

Louis McMurray

William S. Smittcamp

Nominating Committee

The Nominating Committee is composed of Mr. Cunningham as Chairman, and Messrs. Darden, McMurry, and Smittcamp. All the members of the Committee are independent directors as defined under the rules of the NASDAQ Stock Market, Inc. as currently in effect.

The Committee held four (4) meetings during 2005. The Committee makes recommendations for the nomination of directors to the full Board.

The Committee considers suggestions from many sources, including shareholders, regarding possible candidates for director. In order for shareholder suggestions regarding possible candidates for director to be considered by the Committee, such information should be provided to the Committee in writing at least 60 days prior to the date of the next scheduled annual meeting. Shareholders should include in such communications the name and biographical data of the individual who is the subject of the communication and the individual's relationship to the shareholder. The Committee does not set specific criteria for directors but believes the Company is well served when its directors bring to the Board a variety of experience and backgrounds, evidence leadership in their particular fields, demonstrate the ability to exercise sound business judgment and have substantial experience in business and outside the business community in, for example, the academic or public communities. The Committee considers shareholder nominees for director in the same manner as nominees for director from other sources. As set forth in the Notice of Annual Meeting that accompanies this Proxy Statement, the Company's Bylaws requires that notice of intention to make any nomination must be delivered to the

President of the Corporation on a timely basis and must contain certain information. Please refer to the Notice of Annual Meeting. Any such notices will be forwarded to the Committee

Strategic Planning Committee

The Committee develops, along with the Board and management, the Company's Strategic Plan and is to provide overall strategic planning direction for the Company. Its responsibilities include overseeing the Bank's planning process and implementation of the strategic plan, reviewing potential locations for offices of the Bank, overseeing premises-related matters, and reviewing feasibility of potential mergers/acquisitions. Members of the Strategic Planning Committee are Mr. McMurray, Chairman, and Messrs. Cunningham, Darden, Doyle, McDonald, and Smittcamp. The Committee met six (6) times in 2005.

Audit/Compliance Committee

The Audit/Compliance Committee of the Company's Board of Directors is composed of Mr. McDonald as Chairman, Ms. Rogers and Messrs. Cunningham, Cox and Weirick. All of the members of the Audit/Compliance Committee are independent directors as defined under the rules of The NASDAQ Stock Market, Inc. as currently in effect. The Board of Directors has

determined that Mr. Cunningham is an "audit committee financial expert" as defined under applicable Securities and Exchange Commission rules.

The Company's Audit/Compliance Committee held twelve (12) meetings during 2005. The functions of the Audit/Compliance Committee are to recommend the appointment of and to oversee a firm of independent public accountants who audit the books and records of the Company for the fiscal year for which they are appointed, to approve each professional service rendered by such accountants and to evaluate the possible effect of each such service on the independence of the Company's accountants. The Audit/Compliance Committee also reviews internal controls and reporting procedures of the Bank's branch offices and periodically consults with the independent auditors with regard to the adequacy of internal controls.

Report of Audit Committee

NOTWITHSTANDING ANYTHING TO THE CONTRARY SET FORTH IN ANY OF THE COMPANY'S FILINGS UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934, THE FOLLOWING REPORT OF THE AUDIT COMMITTEE SHALL NOT BE INCORPORATED BY REFERENCE INTO ANY SUCH FILINGS AND SHALL NOT OTHERWISE BE DEEMED FILED UNDER SUCH ACTS.

The Audit/Compliance Committee of the Central Valley Community Bancorp Board of Directors (the Audit Committee) is composed of five independent directors and operates pursuant to a Charter that was adopted by the Board on January 18, 2004. The members of the Audit Committee are Steven D. McDonald (Chair), Daniel N. Cunningham, Wanda L. Rogers, Sidney B. Cox, and Joseph B. Weirick. The Audit Committee recommends to the Board of Directors, subject to shareholder ratification, the selection of the Company's independent accountants.

The function of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process. As set forth in the Charter, management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, and maintaining appropriate accounting and financial reporting principles and internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out appropriate audits and reviews, auditing the Company's financial statements and expressing an opinion as to their conformity with accounting principles generally accepted in the United States of America.

In the performance of its oversight function, the Committee has considered and discussed the audited financial statements with the independent auditors, with, and without, management present. The Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. The Committee has also discussed with management and the independent auditors the quality and adequacy of the internal controls of the Company. Finally, the Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, and written confirmations from management with respect to information technology consulting services relating to financial information systems design and implementation, and internal audit services provided by the auditors, has considered whether the provision of information technology consulting services relating to financial information systems design and implementation and internal audit and other non-audit services by the independent auditors to the Company is compatible with maintaining the auditor's independence and has discussed with the auditors the auditors' independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not experts in the fields of accounting or auditing, including in respect to auditor independence. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not assure that the audit of the Company's financial statements has been carried out in accordance with auditing standards generally accepted in the United States of America, that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America or that the Company's auditors are in fact independent.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Committee referred to above and in the Charter, the Committee recommended to the Board that the audited

consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2005 to be filed with the Securities and Exchange Commission.

Employment Contracts

The Bank has entered into compensation arrangements with its Named Executive Officers, including salary continuation agreements (together with associated life insurance benefit agreements), a senior management incentive plan, and (in the case of the President and CEO) an employment agreement.

President and CEO's Employment Agreement

The Bank has entered into an employment agreement with Mr. Doyle, pursuant to which Mr. Doyle is employed as President and Chief Executive Officer of the Bank. The agreement is renewable for successive one-year terms, unless terminated by either party not later than sixty days prior to expiration. Under the agreement, the Board of Directors sets Mr. Doyle's salary for each year.

Under the agreement, Mr. Doyle is entitled to receive a bonus, based on the achievement by year-end of certain performance goals. The goals and the target amount of the bonus are established at the beginning of each year by the Board, and the evaluation of the achievement of the goals and the amount of bonus payable with respect to each year are determined by the Board following the conclusion of the year.

For 2005, the Board of Directors set the target bonus for 2005 at 45% of Mr. Doyle's salary, subject to adjustment depending on actual performance.

The employment agreement with Mr. Doyle also provided for: (a) a Bank-paid membership in a local country club; (b) an automobile allowance of \$1,000 per month; (c) participation in medical, dental and similar plans offered by the Bank for Mr. Doyle and his dependents, as well as Bank-paid term life insurance coverage of at least \$100,000; and (d) four weeks of vacation annually. In the event Mr. Doyle is subject to excise tax under Section 4999 of the Internal Revenue Code, the Bank will pay such costs.

Salary Continuation Agreements

President and CEO's Salary Continuation Agreement

Mr. Doyle has entered into a salary continuation agreement with the Bank, together with an associated life insurance agreement. Under these agreements, Mr. Doyle will be paid \$150,000 annually for 15 years, in the event of his retirement on or after December 31, 2010 (or at a reduced rate in the event of his early retirement after age 60 or upon his disability before December 31, 2010). Benefits are payable in a lump sum following an involuntary termination (other than for cause) or a change of control before December 31, 2010. Upon normal retirement, early retirement, and disability, salary continuation benefits are increased each year by 3% from the previous year's benefit amount.

Mr. Doyle's benefits under the salary continuation agreement were vested 50% as of December 31, 2005, and will continue to vest at a rate of 10% per year thereafter.

Benefits under the salary continuation agreement are general obligations of the Bank. The Bank is not required to fund those obligations, but has entered into life insurance agreements under which the Bank pays the premium for, and owns, a policy insuring Mr. Doyle's life.

In the event of Mr. Doyle's death before the age of 79 or before salary continuation payments have begun, Mr. Doyle's beneficiaries will receive a lump sum death benefit under the insurance agreements in place of any salary continuation payments. The maximum death benefit under the life insurance agreement is approximately \$1.6 million at age 65, but is dependent upon Mr. Doyle's age at death.

Other Officers Salary Continuation Agreements

Each of the Named Executive Officers other than Mr. Doyle is a party to a salary continuation agreement that will provide for an annual payment for a period of time following retirement from service as an executive of the Bank. The salary continuation agreements terminate upon the executive's death prior to retirement, voluntary termination of service prior to retirement, or involuntary termination of service for cause. The salary continuation agreements provide for payment of a lump sum in the event of a change of control of the Bancorp, defined as the cumulative transfer of more than fifty percent (50%) of the voting stock of the Bancorp. On February 1, 2005, the Bank agreed to amend these salary continuation agreements to provide additional retirement benefits for each of the participants.

Each person's annual benefit is determined at the time of retirement, on the basis of (i) the individual's age upon retirement, (ii) the percentage of benefit vested upon retirement, and (iii) the maximum annual benefit assigned in the individual's Salary Continuation Agreements. The table below details each participant's benefit information under the agreements.

Name	Retirement Age	Accrued liability balance 12/31/2005	Initial Annual Benefit	Benefit Payment Duration	Total Benefits (9)
Gary Quisenberry (1) (3)	65	\$ 83,303	\$ 40,000	15	\$ 465,793

Shirley Wilburn (2) (8)	70	\$ 7,708	\$ 10,000	15	\$ 97,190

(1) Per initial terms of salary continuation agreement.

(2) As amended February 1, 2005.

(3) Messrs. Quisenberry and Sommer's benefits under their Agreements are subject to an annual vesting percentage of 10% for each full year of service from the second anniversary of the effective date of the agreement.

(4) Messrs. Quisenberry's and Sommer's benefits under the February 1, 2005, amendment are subject to annual vesting of 20% for the first full year of service from the anniversary of the amendment, an additional 20% on each of the second and third anniversaries of the amendment, and 10% per year thereafter until fully vested.

(5) Ms. Graham's benefits under her agreement are subject to an annual vesting percentage of 10% for each full year of service from the first anniversary of the effective date of the agreement.

(6) Ms. Graham's benefits under the February 1, 2005, amendment are subject to annual vesting of 20% for the first full year of service from the anniversary of the amendment, an additional 20% on each of the second and third anniversaries of the amendment, and 10% per year thereafter until fully vested.

(7) Mrs. Wilburn's benefits under her agreement vest 40% on the third anniversary of employment with the Bank, an additional 10% on each of the fourth and fifth anniversaries of employment, and additional 20% on the sixth anniversary and an additional 10% on each of the seventh and eighth anniversaries of employment.

(8) Mrs. Wilburn's benefits under the February 1, 2005, amendment are subject to an annual vesting of 10% for each full year of service until fully vested.

(9) The agreements and amendments provide that for each year that the executive receives the annual benefit, the annual benefit amount shall be increased by three percent (3%) from the previous year's benefit amount.

Benefits under the salary continuation agreement are general obligations of the Bank. The Bank is not required to fund those obligations, but has entered into life insurance agreements under which the Bank pays the premium for, and owns, a policy insuring each executive's life. Each executive's beneficiaries are entitled to a share of the proceeds of the insurance in place of the salary continuation benefit, should the executive die before attaining the maximum benefit age, or die after involuntary termination from the Bank.

Senior Management Incentive Plan

The Bank has adopted a Senior Management Incentive Plan (SMIP) to provide annual incentive compensation to attract, retain and motivate key executives of the Bank. Mr. Doyle does not participate in the SMIP. The Board of Directors allocated contributions to the SMIP for the fiscal year ended December 31, 2005 and, accordingly, payments were made to executives who are participants in the SMIP totaling \$199,285, which are included under Bonus in the Summary Compensation Table.

401(k) and Profit Sharing Plan

The Bank has adopted a 401(k) and profit sharing plan for the benefit of all employees. The Bank may, but is not required to, make annual profit-sharing or match contributions to the 401(k) plan. For fiscal year 2005, the Bank made a \$275,000 profit sharing contribution and a 100% matching contribution on all deferred amounts up to 3% and a 50% match on the next 2% of eligible compensation, which totaled \$210,000. The combined total of both profit sharing and matching contribution allocated to executive officers was \$86,400.

Compensation of Directors

The Board of Directors of the Company has not approved payment of fees in connection with attendance at Company Board or Board Committee meetings.

The Chairman of the Board of the Bank receives \$1,680 and all other directors of the Bank receive \$1,200 per month for Board meeting attendance.

Aggregate Bank directors' fees in the sum of \$135,360 were paid (including amounts deferred under Deferred Compensation Agreements between the Bank and certain of its directors) during the fiscal year ended December 31, 2005.

Deferred Compensation Agreements

Six of the Bank's non-employee directors have entered into deferred compensation agreements with the Bank, electing to defer some or all of their fees in exchange for the Bank's promise to pay a deferred benefit in the future. A deferred compensation agreement allows a non-employee director to reduce current taxable income in exchange for larger payments at retirement, when the recipient could be in a lower tax bracket. Deferred director fees are expensed by the Bank and are set aside in a separate liability account. Credited on the account balance at a rate determined annually by the Board of Directors, interest on deferred fees continues to accrue until the director's service terminates and payment of benefits commences. Payment of accrued benefits, represented by the account balance, can be made in a lump sum or in installments, at each participating director's election. After retirement, benefit payments are taxable income to the participating director and are deductible expenses to the Bank as they are paid. The deferred compensation arrangement with non-employee directors is an unfunded plan, which means that a participating director has no rights beyond those of a general creditor of the Bank, and no specific Bank assets are set aside for payment of account balances. A director whose service terminates for cause forfeits all accrued interest and is entitled solely to the fees previously deferred.

The Bank has a universal life insurance policy insuring the life of each participating director. The Bank is the owner of each policy. Each non-employee director who has entered into a deferred compensation agreement has also entered into a related Split Dollar Agreement and Endorsement. Under the latter Split Dollar Agreement and Endorsement, the Bank and each participating director agree to a division of death benefits under the life insurance policies. A Split Dollar Agreement and Endorsement provides that a director's designated beneficiary(ies) is entitled at the director's death to receive life insurance proceeds:

(a) In an amount intended to approximate the projected deferred compensation agreement account balance at the director's retirement, if the director dies before terminating service with the Bank.

(b) In an amount intended to approximate the deferred compensation agreement account balance remaining unpaid, if the director dies after terminating service with the Bank.

In either case, the Bank's obligations under a deferred compensation agreement are extinguished by the director's death. The Bank is entitled to any insurance policy death benefits remaining after payment to the director's beneficiary(ies). The Bank expects to recover in full from its portion of the policies' death benefits all life insurance premiums previously paid by the Bank. The policies serve informally as a source of financing for the Bank's deferred compensation obligations arising out of a director's death before retirement, as well as an investment to finance post-retirement payment obligations. Although the Bank expects the policies to serve as a source of funds for death benefits payable under the deferred compensation agreements, as noted above the directors' contractual entitlements are not funded. These contractual entitlements remain contractual liabilities of the Bank, payable after the directors' termination of service.

During 2005, each non-employee director of the Company was granted 10,000 options to purchase the Company's common stock at a price of \$13.50 per share. The options vest at 20% per year over five years, and expire in 2015.

Certain Relationships and Related Transactions

There have been no material transactions, except as disclosed below, since January 1, 2005, nor are there any currently proposed transactions, to which the Company or any of its subsidiaries was or is to be a party, in which the amount involved exceeds \$60,000 and in which any director, executive officer, five-percent shareholder or any member of the immediate family of any of the foregoing persons had, or will have, a direct or indirect material interest.

During the normal course of business, the Bank enters into loans with related parties, including executive officers and directors. These loans are made with substantially the same terms, including rates and collateral, as loans to unrelated parties, and do not involve more than the normal risk of collectibility or represent other unfavorable features.

Reimbursement and Tax Sharing Agreement

The Company has entered into an agreement with the Bank pursuant to which the Bank has agreed to reimburse the Company for certain expenses incurred by the Company in rendering management services on terms and conditions consistent with the requirements of Section 23A of the Federal Reserve Act and Federal Reserve Regulation W. In addition, the Company has entered into a tax sharing agreement with the Bank providing for the allocation of tax obligations among the Company and the Bank in compliance with regulatory requirements.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission (the SEC). Officers, directors and greater than ten-percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file. To the best knowledge of the Company, the only greater than ten-percent holder of the Company's Common Stock is Mr. Louis McMurray and his related interests. See Principal Shareholders.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Forms 4 and 5 were required for those persons, the Company believes that for the 2005 fiscal year, the officers and directors of the Company complied with all applicable filing requirements.

PROPOSAL NO. 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

The firm of Perry-Smith LLP, which served the Company as independent public accountants for 2005, has been selected by the Audit Committee of the Board of Directors of the Company to be the Company's independent public accountants for 2006. All Proxies will be voted "FOR" ratification of such selection unless authority to vote for the ratification of such selection is withheld or an abstention is noted. If the nominee should unexpectedly for any reason decline or be unable to act as independent public accountants, the Proxies will be voted for a substitute nominee to be designated by the Audit Committee.

Representatives from the accounting firm of Perry-Smith LLP will be present at the meeting, will be afforded the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

The following presents fees billed for the years ended December 31, 2005 and 2004 for professional services rendered by the Company's independent public accountants in connection with the audit of the Company's consolidated financial statements and fees billed by the Company's independent public accountants for other services rendered to the Company.

Audit Fees (1)	\$ 118,800	\$ 106,700
Audit-Related Fees (2)	\$ 1,900	\$ 27,600
Tax Fees (3)	\$ 20,500	\$ 26,700
All Other Fees (4)	\$ 17,300	\$ 25,000

(1) Audit fees consist of fees for professional services rendered for the audit of the Company's consolidated financial statements and review of financial statements included in the Company's quarterly reports. The audit fees also consist of services normally provided in connection with statutory and regulatory filings or engagements.

(2) Audit-related fees represent fees for professional services such as merger-related services and technical accounting, consulting and research.

(3) Tax service fees consist of compliance fees for the preparation of original and amended tax returns, claims for refunds and tax payment-planning services. Tax service fees also include fees relating to other tax advice, tax consulting and planning other than for tax compliance and preparation.

The Audit/Compliance Committee has determined that the provision of services, in addition to audit services, rendered by Perry-Smith LLP and the fees paid therefor in fiscal years 2005 and 2004 were compatible with maintaining Perry-Smith LLP's independence.

The Audit Committee pre-approves all auditing services and permitted non-audit services (including the fees and terms thereof) to be performed for the Company by its independent auditor, subject to the de minimus exceptions for non-audit services described in Section 10A(i)(1)(B) of the Exchange Act which are approved by the Audit Committee prior to the completion of the audit.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" RATIFICATION OF THE SELECTION OF PERRY-SMITH LLP AS THE COMPANY'S INDEPENDENT AUDITORS. APPROVAL OF THE PROPOSAL REQUIRES THE AFFIRMATIVE VOTE OF A MAJORITY OF THE SHARES REPRESENTED AND VOTING AT THE MEETING.
