Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement

On September 12, 2006, we entered into an agreement with Joseph H. Shaulson, President of our Reinforcements Global Business Unit, in which we agreed to pay Mr. Shaulson a sales incentive bonus in connection with the sale of our ballistics, electronics and general industrial businesses conducted at our Anderson, South Carolina and Statesville, North Carolina facilities, and our architectural business (the "businesses"). The agreement:

- provides that the amount of the bonus will be determined by a formula based on the total consideration received by Hexcel for the businesses, but will be no less than \$100,000 and no greater than \$1,000,000
- generally provides for the accelerated vesting of stock incentive awards upon termination of Mr. Shaulson's employment, but only for those stock incentive awards that would have vested within 180 days of termination
- upon termination of Mr. Shaulson's employment, generally provides for an extension of up to nine months of the exercise period of stock options vested as of the termination date (after giving effect to the accelerated vesting noted above)

The above description is only a summary of the agreement between Hexcel and Mr. Shaulson. The agreement is filed as an exhibit to this Form 8-K, and is incorporated by reference herein in its entirety.
