**Item 8.01 Other Events.**

In connection with the submission by Bally Technologies, Inc. (the Company) of its Section 303A Annual Written Affirmation to the New York Stock Exchange (the NYSE), at the NYSE's request, the Company is filing this Current Report on Form 8-K to set forth the various corporate governance matters required to be disclosed by Section 303A of the NYSE Listed Company Manual (the Manual).

*Director Independence*

As part of the Company's Corporate Governance Guidelines (the Guidelines), the Board of Directors has adopted Categorical Standards for Independence, which are attached as Exhibit 99.1, and are incorporated herein by reference (the Standards). As required by Section 303A.02 of the Manual, the Board of Directors has affirmatively determined that the following directors are independent under Section 303A.02 of the Manual and the Standards: Messrs. Jacques André, Robert Guido, Stephen Race, David Robbins and Kevin Verner. In addition, as further required by Section 303A.02 of the Manual, the Board has affirmatively determined that, other than in respect of their positions as directors, no material relationship exists between the Company and any independent director.

*Executive Sessions of Non-Management Directors*

As required by the Guidelines and Section 303A.03 of the Manual, the Company's non-management directors hold regularly scheduled executive sessions without management present. The Board of Directors has designated that the Chairman of the Board shall serve as Presiding Director of these executive sessions of non-management directors. Mr. Robbins, the Chairman, currently serves as the Presiding Director. Parties interested in communicating directly with the Presiding Director, or with non-management directors as a group, may do so by writing to Board of Directors, Bally Technologies, Inc., 6601 South Bermuda Road, Las Vegas, Nevada 89119, or by email to boardofdirectors@ballytech.com, in either case indicating to whose attention the communication should be directed.

*Certification Requirements*

As a result in the previously disclosed delay in the filing of the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2006 (the 10-K), the Company has not yet completed the preparation of its audited financial statements for the fiscal year ended June 30, 2006. Therefore, the Company has not yet distributed its Annual Report with the disclosure required by Section 303A.12(a) with respect to the submission of the CEO certification to the NYSE as to the Company's compliance with the NYSE corporate governance listing standards and the filing of the Company's certification exhibits required by Section 302 of the Sarbanes-Oxley Act.

The Company will be submitting its CEO Certification to the NYSE in respect of the fiscal year ended June 30, 2006 without qualification, and will file the Company's certification exhibits required by Section 302 of the Sarbanes-Oxley Act along with the Form 10-K upon the completion of the preparation of the related audited financial statements. The Company will also include this disclosure required by Section 303A.12(a) in its Annual Report.

*Availability of Corporate Governance Documents*

The Board of Directors has a standing Audit Committee, Nominating and Corporate Governance Committee and Compensation Committee. Each committee is governed by a charter adopted by the Board of Directors. The charters of the Audit, Nominating and Corporate Governance, and Compensation Committees, as well as the Guidelines and the Company's Code of Business Conduct and Ethics are available on the Company's website ([www.ballytech.com](http://www.ballytech.com)) by following the links to Investor Relations and Governance, or in print upon written request to the Company to Corporate Secretary, Bally Technologies, Inc., 6601 South Bermuda Road, Las Vegas, Nevada 89119.
