Indenture

On January 17, 2012, PHH Corporation (the Company, we or our) issued \$250 million in aggregate principal amount of 6.00% Convertible Senior Notes due 2017 (the Notes) under an indenture, dated as of January 17, 2012, (the Base Indenture), as supplemented by the First Supplemental Indenture, dated as of January 17, 2012 (the First Supplemental Indenture and, together with the Base Indenture, the Indenture), between the Company and The Bank of New York Mellon Trust Company, N.A., as trustee (the Trustee). The Notes will bear interest at a rate of 6.00% per year, payable semiannually in arrears in cash on June 15th and December 15th of each year, beginning on June 15, 2012. The Notes are our senior unsecured obligations and will rank equally with all of our existing and future senior unsecured debt and senior to all of our existing and future subordinated debt.

Holder may convert their Notes at their option on any day prior to the close of business on the scheduled trading day immediately preceding December 15, 2016 only under the following circumstances: (1) during the five business-day period after any five consecutive trading day period (the measurement period) in which the trading price per Note for each day of that measurement period was less than 98% of the product of the last reported sale price of our common stock and the conversion rate on each such day; (2) during any calendar quarter after the calendar quarter ending March 31, 2012, and only during such calendar quarter, if the last reported sale price of our common stock for 20 or more trading days in a period of 30 consecutive trading days ending on the last trading day of the immediately preceding calendar quarter exceeds 130% of the applicable conversion price in effect on each such trading day; or (3) upon the occurrence of specified corporate events. The Notes will be convertible, regardless of the foregoing circumstances, at any time from, and including, December 15, 2016 through the third scheduled trading day immediately preceding the maturity date.

Upon conversion we will pay cash and, if applicable, deliver shares of our common stock based on a daily conversion value calculated on a proportionate basis for each VWAP trading day of the relevant 60 VWAP trading day observation period. The initial conversion rate for the Notes will be 78.2014 shares of common stock per \$1,000 in principal amount of Notes, equivalent to an initial conversion price of approximately \$12.79 per share of common stock. The conversion rate will be subject to adjustment in some events but will not be adjusted for accrued interest.

Subject to certain exceptions, holders may require the Company to repurchase, for cash, all or part of their Notes upon a fundamental change (as defined in the Indenture) at a price equal to 100% of the principal amount of the Notes being repurchased plus any accrued and unpaid interest up to, but excluding, the fundamental change repurchase date. In addition, upon a make-whole fundamental change (as defined in the Indenture) prior to the maturity date of the Notes, we will, in some cases, increase the conversion rate for a holder that elects to convert its Notes in connection with such make-whole fundamental change. The Company may not redeem the Notes prior to maturity.

The Indenture contains certain events of default after which the Notes may be declared due and payable or, in certain circumstances, may be due and payable immediately. Such events of default include, without limitation, the following: failure to pay interest on any Note when due and such failure continues for 30 days; failure to pay any principal of, or extension fee (if any) on, any Note when due and payable at maturity, upon required repurchase, upon acceleration or otherwise; failure to comply with our obligation to convert the Notes into cash and, if applicable, shares of our common stock, upon exercise of a holder's conversion right and such failure continues for 5 days; failure in performance or breach of any other covenant or agreement by us under the Indenture and such failure or breach continues for 60 days after written notice has been given to us; failure by us to provide timely notice of a fundamental change; failure to pay any indebtedness borrowed by us or one of our majority owned subsidiaries in an outstanding principal amount in excess of \$25 million if such default is not rescinded or annulled within 30 days after written notice or, if applicable, the maturity date or date of required repurchase of such indebtedness; failure by us or one of our majority-owned subsidiaries to pay, bond or otherwise discharge any judgments or orders in excess of \$25 million within 60 days of notice; and

certain events in bankruptcy, insolvency or reorganization of the Company.

A copy of each of the Base Indenture and the First Supplemental Indenture is attached hereto as Exhibits 4.1, 4.2, respectively, and each is incorporated herein by reference. The descriptions of each of the Base Indenture and the First Supplemental Indenture herein is qualified in its entirety by reference to such Base Indenture and the First Supplemental Indenture.
