time that the lenders under the Credit Agreement and/or other financial institutions that would become lenders thereunder provide additional revolving credit commitments thereunder, provided that the aggregate principal amount of all such additional commitments does not exceed \$50 million. No existing lender under the Credit Agreement is obligated to provide any such additional commitment.

We must comply with various customary financial and non-financial covenants under the Credit Agreement. The primary financial covenants under the Credit Agreement consist of a maximum consolidated total leverage ratio and a minimum consolidated interest coverage ratio. The primary non-financial covenants under the Credit Agreement limit, subject to various exceptions, our ability to incur future indebtedness, to place liens on assets, to pay dividends or other distributions on our capital stock, to repurchase our capital stock, to conduct acquisitions, to make investments and loans, to alter our capital structure and to dispose of assets.

The lenders under the Credit Agreement are entitled to accelerate repayment of the loans under the Credit Agreement upon the occurrence of any of various customary events of default, which include, among other events, failure to pay when due any principal, interest, fees or other amounts in respect of the loans (subject to a grace period for non-principal amounts), breach of any of our covenants (subject, in some cases, to certain grace periods) or representations under the loan documents, default under any of our or our material subsidiaries' indebtedness agreements above a threshold principal amount, a bankruptcy or insolvency event with respect to us or our material subsidiaries, an unsatisfied judgment against us or any of our material subsidiaries above a threshold amount, or our undergoing a change of control (as defined in the Credit Agreement).

Borrowings under the Credit Agreement are secured by the equity interests of our direct wholly-owned United States subsidiaries and portions of the equity interests of certain of our foreign subsidiaries, as provided in the Securities Pledge Agreement.

Copies of the Credit Agreement and the Securities Pledge Agreement have been filed as Exhibits 10.1 and 10.2, respectively, to this Current Report on Form 8-K and are incorporated herein by reference.
