Item 4.01 Changes in Registrant's Certifying Accountant.

Effective June 18, 2013, Ernst & Young LLP (**E&Y**) was dismissed as the independent registered public accounting firm that audits the financial statements of Cyclacel Pharmaceuticals, Inc. (the **Company**).

At the recommendation of the Audit Committee of the board of directors, effective June 18, 2013, the Company's board of directors engaged McGladrey LLP (**McGladrey**) as the independent registered public accounting firm to audit the Company's financial statements for the year ended December 31, 2013.

E&Y's audit reports on the Company's financial statements for the years ended December 31, 2011 and 2012 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the Company's two most recent fiscal years and any subsequent interim period prior to the date of this Current Report on Form 8-K, there were no disagreements with E&Y on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of E&Y, would have caused it to make reference to the subject matter thereof in connection with its report.

During the Company's two most recent fiscal years and any subsequent interim period prior to the date of this Report, neither the Company nor anyone acting on its behalf consulted McGladrey regarding the application of accounting principles to a specified transaction, either completed or proposed or the type of audit opinion that might be rendered on the Company's financial statements.

The Company has provided E&Y with a copy of this Report prior to the filing hereof and has requested that E&Y furnish to the Company a letter addressed to the Securities and Exchange Commission stating whether E&Y agrees with the statements made by the Company in this Report. E&Y has furnished such letter, which letter is filed as Exhibit 99.1 hereto, as required by Item 304(a)(3) of Regulation S-K.
