## Section 1 Registrant's Business and Operations

### Item 1.01. Entry into a Material Definitive Agreement.

On June 10, 2014, EmCare, Inc. ( "EmCare" ), a wholly-owned subsidiary of Envision Healthcare Holdings, Inc. (the "Company" ), entered into an Interest Purchase Agreement (the "Purchase Agreement" ) with Phoenix Physicians, LLC ( "Phoenix" ) and all of the equity owners of Phoenix (the "Sellers" ), pursuant to which EmCare agreed to acquire from Sellers all of the issued and outstanding equity interests of Phoenix for \$170 million in cash, subject to certain adjustments as set forth in the Purchase Agreement, and the assumption of certain liabilities of Phoenix (the "Transaction" ). Phoenix, in part through management services agreements with professional entities, is engaged in providing medical practices support and emergency department management and staffing services to hospitals, physicians and healthcare facilities (the "Business" ). Based on current law, the Company expects that goodwill and other intangible assets arising from this transaction will be deductible for federal and state income tax purposes over 15 years and, if fully utilized, this would result in an annual cash tax benefit to the Company of approximately \$3.8 million. The estimated present value of these tax benefits is approximately \$40 million. The Company's ability to utilize these deductions fully is subject to the Company having sufficient taxable income in future periods, and thus there can be no assurances as to the actual cash tax benefits or the value of any such tax benefits.

The Purchase Agreement contains customary representations, warranties and covenants by each party, including covenants with respect to the conduct of Phoenix prior to the completion of the Transaction, compliance with applicable laws and regulations, and Phoenix's eligibility for participation and reimbursement under federal and state health care programs. Additionally, the Sellers have agreed to certain non-compete restrictions for three-years after closing of the Transaction and will not solicit employees of Phoenix or affiliated entities for one-year after closing, both as more fully set forth in the Purchase Agreement. The Transaction is subject to customary closing conditions, including the expiration of the applicable waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the execution and delivery of related transaction documents.

EmCare or an affiliate will enter into or assume certain ancillary agreements in connection with the Transaction, including employment agreements with certain management employees of Phoenix and management services agreements with certain professional entities through which the Business is conducted.

The Purchase Agreement also includes certain termination provisions that allow either party to terminate the agreement (i) upon mutual consent, (ii) upon a material breach of the other party of a covenant, obligation, agreement, representation or warranty contained in the Purchase Agreement, or (iii) in the event the Transaction has not closed by August 10, 2014. Subject to certain exceptions and limitations, the parties agreed to indemnify each other for breaches of representations, warranties and covenants and other specified matters.

The Company plans to fund the purchase price for the Transaction with a combination of available cash and borrowings under its senior secured asset-based revolving credit facility.

A copy of the Purchase Agreement is attached as Exhibit 2.1 hereto and incorporated herein by reference. The foregoing summary of the Purchase Agreement and the transactions contemplated thereby does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Purchase Agreement.
