Item 1.01 Entry into a Material Definitive Agreement.

Merger Agreement

On July 11, 2014, AECOM Technology Corporation (AECOM) entered into an Agreement and Plan of Merger (the Merger Agreement) with ACM Mountain I, LLC, a direct wholly-owned subsidiary of AECOM (Merger Sub), ACM Mountain II, LLC, a direct wholly-owned subsidiary of AECOM (Merger Sub I) and URS Corporation (URS). The Merger Agreement provides for the merger of Merger Sub with and into URS (the Merger) with URS surviving the Merger as a direct wholly-owned subsidiary of AECOM. Immediately following the Merger and as part of a single integrated transaction, URS will merge with and into Merger Sub I (the Second Merger) with Merger Sub I surviving such merger as a direct wholly-owned subsidiary of AECOM. The Merger and the Second Merger (collectively, the Mergers), taken together, are intended to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the Code).

Subject to the terms and conditions of the Merger Agreement, holders of URS common stock will receive per share consideration valued at \$56.31 per share (based on the closing price of AECOM common stock, par value \$0.01 per share, on July 11, 2014), or approximately \$4.0 billion. Each outstanding share of URS common stock, par value \$0.01 per share, will be exchanged in the Merger for per-share consideration consisting of 0.734 shares of AECOM common stock and \$33.00 in cash. URS stockholders may elect to receive cash or stock consideration, subject to proration in the event of oversubscription. The stock consideration is expected to be tax free to URS stockholders. The actual value of the merger consideration to be paid at the closing of the Merger will depend on the average closing price of AECOM common stock in the five business days prior to closing, as more fully described in the Merger Agreement.

Pursuant to the Merger Agreement, the outstanding equity awards of URS will be converted into a comparable award for shares of AECOM stock or cancelled and converted into the right to receive cash or shares of AECOM stock as follows:

- time-based restricted stock units and time-based restricted stock awards that do not vest as a result of the Merger will be converted at closing into time-based restricted stock units and time-based restricted stock (as applicable) with respect to AECOM shares (with post-closing vesting to continue in accordance with the existing vesting schedules);
- time-based restricted stock units that vest as a result of the Merger will be vested immediately prior to closing and eligible to make a cash/stock election like other URS stockholders (subject to proration in the event of oversubscription), with payment based on such election generally made within 30 days following closing subject to certain limited exceptions;
- time-based restricted stock awards that vest as a result of the Merger will be vested immediately prior to closing and eligible to make a cash/stock election like other URS stockholders (subject to proration in the event of oversubscription), with payment based on such election generally made within 30 days following closing subject to certain limited exceptions;
- deferred stock awards will be eligible to make the cash/stock election like other URS stockholders (subject to proration in the event of oversubscription), with payment based on such election made on the first business day that follows the 6 month anniversary of the applicable holder's separation from service with URS and AECOM subject to certain limited exceptions; and

- performance shares (both restricted stock units and restricted stock), other than a grant of restricted stock units made in March 2013, will accelerate and vest at target immediately prior to closing and be cancelled at closing in exchange for the right to make a cash/stock election like other URS stockholders (subject to proration in the event of oversubscription), with payment based on such election generally made within 45 days following closing subject to certain limited exceptions. The March 2013 grant of performance shares will only vest if the URS Board of Directors or Compensation Committee determines that the performance metrics applicable to such shares were achieved as of the month-end prior to closing.

The respective Boards of Directors of AECOM and URS have unanimously approved the Merger Agreement, and the Board of URS has agreed to recommend that the stockholders of URS adopt the Merger Agreement. In addition, the AECOM Board has agreed to recommend that AECOM's stockholders approve the issuance of AECOM common stock in connection with the Merger.

Upon consummation of the Merger, the AECOM Board will consist of all 11 members from the existing AECOM Board and two additional members from the URS Board.

The Merger Agreement contains customary representations, warranties and covenants made by each of AECOM, Merger Sub, Merger Sub I and URS. Each of AECOM and URS is required, among other things, to not solicit alternative acquisition proposals for their respective companies, subject to certain exceptions, and not engage in discussions or negotiations regarding an alternative acquisition proposal for their respective companies. Each of AECOM and URS is required to convene a special meeting of its stockholders to vote on the transactions contemplated by the Merger Agreement.

Completion of the Merger is subject to certain customary conditions, including, approval of the Merger by the URS stockholders, approval of the issuance of AECOM shares in the Merger by AECOM's stockholders, listing of the shares of AECOM common stock to be issued in the Merger on the New York Stock Exchange, receipt of required regulatory approvals, effectiveness of AECOM's registration statement on Form S-4, and receipt of customary opinions relating to certain tax matters from the parties' respective counsels.

Both AECOM and URS may terminate the Merger Agreement under certain specified circumstances, including if the Merger is not consummated on or before April 11, 2015 (or, if such date is extended pursuant to the terms of the Merger Agreement, if the Merger is not consummated on or before July 11, 2015), if the approval of the AECOM or URS stockholders is not obtained, if there is a financing failure, if the other party's Board makes an adverse recommendation change with respect to the proposed transaction, or to enter into a superior acquisition proposal. In certain circumstances in connection with the termination of the Merger Agreement, including if AECOM's board of directors changes or withdraws its recommendation of the stock issuance or terminates the Merger Agreement to enter into an agreement with respect to a superior proposal, AECOM must pay to URS a termination fee equal to \$140 million, or \$240 million if the Merger Agreement is terminated under circumstances where all closing conditions have been satisfied but AECOM's debt financing is not available to complete the Merger and AECOM fails to close the Merger. In certain circumstances in connection with the termination of the Merger Agreement, including if URS's board of directors changes or withdraws its recommendation of the Merger or terminates the Merger Agreement to enter into an agreement with respect to a superior proposal, URS must pay to AECOM a termination fee equal to \$140 million. If the Merger Agreement is terminated by a party as a result of certain breaches by the other party, then the non-terminating party will be required to reimburse the terminating party for its reasonable out-of-pocket fees and expenses up to \$40 million.

The Merger is currently expected to close in October 2014.

The foregoing summary of the Merger Agreement and the transactions contemplated thereby, does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, which is filed as Exhibit 2.1 to this Form 8-K and incorporated herein by reference.

Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of AECOM, Merger Sub, Merger Sub I, URS or any of their respective subsidiaries, affiliates, businesses, or stockholders. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by AECOM or URS. Accordingly, investors should read the representations and warranties in the Merger Agreement not in isolation but only in conjunction with the other information about AECOM or URS and their respective subsidiaries that the respective companies include in reports, statements and other filings they make with the SEC.

The *Debt Commitment Financing* is anticipated to consist of (1) a term loan A facility in an aggregate principal amount of \$712.5 million and a revolving credit facility in an aggregate principal amount of \$1,050 million, either pursuant to amendments to AECOM's existing credit facilities if required lender consent is obtained (the *Amended Facilities*), or as new facilities (the *Backstop Facilities*) and (2) incremental term loans under either the *Amended Facilities* or the *Backstop Facilities*, as applicable, in the aggregate principal amount of \$4,000 million, consisting of a \$575 million term loan A and a \$3,425 million term loan B, and an incremental performance letter of credit facility in an aggregate amount of \$500 million available solely for the issuance of performance letters of credit (the *Additional Facilities*). The *Additional Facilities* will be subject to a delayed draw in an amount equal to the principal amount of senior notes of URS which remain outstanding at closing of the Merger and subject to a right of redemption or repurchase in connection with the Merger, and reduced in an amount equal to the principal amount of senior notes of URS which remain outstanding at closing of the Merger and are not subject to any such right.
