Item 1.01 **Entry into a Material Definitive Agreement**

On December 23, 2015, Allied Motion Technologies Inc., through its wholly-owned subsidiary, Allied Motion Technologies B.V., (Allied Motion) entered into a Share Purchase Agreement (the Purchase Agreement) to purchase all of the outstanding equity interests of Heidrive GmbH, a German limited liability company (Heidrive) from palero fünf S.à r.l. (the Seller), for 20 million (approximately US\$22 million), which includes certain management performance bonuses to be paid after closing.

The Purchase Agreement contains customary representations, warranties and covenants of Allied Motion and the Seller, including, among others, covenants by Heidrive to conduct its business in the ordinary course before the closing date of the acquisition. Pursuant to the Purchase Agreement, the acquisition is subject to customary conditions to closing. The acquisition is expected to close early in the first quarter of 2016.

The Purchase Agreement provides for Allied Motion to be indemnified for losses resulting from breaches of the Seller's representations, warranties and covenants, certain tax and environmental liabilities and certain other matters for claims are made on or before 21 months after execution of the Purchase Agreement, subject to certain exceptions.

The foregoing description of the Purchase Agreement and the transactions contemplated thereby does not purport to be complete and is subject to and qualified in its entirety by reference to the Purchase Agreement, a copy of which is filed as Exhibit 2.1 to this Form 8-K and is incorporated herein by reference.

The representations, warranties and covenants of Allied Motion and the Seller contained in the Purchase Agreement have been made solely for the benefit of the parties thereto. In addition, such representations, warranties and covenants (a) have been made only for purposes of the Purchase Agreement, (b) have been qualified by confidential disclosures made in the disclosure schedules delivered in connection with the Purchase Agreement, (c) are subject to materiality qualifications contained in the Purchase Agreement, which may differ from what may be viewed as material by investors, (d) were made only as of the date of the Purchase Agreement or such other date as is specified in the Purchase Agreement and (e) have been included in the Purchase Agreement for the purpose of allocating risk between the contracting parties rather than establishing matters as fact. Accordingly, the Purchase Agreement is included with this filing only to provide investors with information regarding the terms of the Purchase Agreement, and not to provide investors with any other factual information regarding Allied Motion, Heidrive, the Seller or their respective businesses. Investors should not rely on the representations, warranties or covenants, or any descriptions thereof, as characterizations of the actual state of facts or condition of Allied Motion, Heidrive, the Seller or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in Allied Motion's public disclosures.
