NiSource expects the directors listed in the table above to resign from their positions as directors of NiSource immediately prior to the Separation, and NiSource expects the officers listed in the table above to resign from their positions as executive officers of NiSource at or prior to the Separation. None of the individuals listed above is resigning from his or her position at NiSource at this time.

The planned appointments of CPG directors are contingent upon the re-election of members of the NiSource board of directors at the 2015 annual meeting of NiSource stockholders.

Forward-Looking Statements

This Current Report on Form 8-K contains forward-looking statements within the meaning of federal securities laws. These forward-looking statements are subject to various risks and uncertainties. Examples of forward-looking statements in this report include statements and expectations regarding the Separation and the leadership of each of NiSource and CPG following the Separation. Factors that could cause actual results to differ materially from those contemplated by the forward-looking statements in this report include, among other things, the timing to consummate the Separation; the risk that a condition to consummation is not satisfied; disruption to operations as a result of the proposed Separation or the proposed initial public offering of Columbia Pipeline Partners LP; the inability of one or more of the businesses to operate independently following the completion of the proposed Separation; weather; fluctuations in supply and demand for energy commodities; growth opportunities for NiSource's businesses; increased competition in deregulated energy markets; the success of regulatory and commercial initiatives; dealings with third parties over whom NiSource has no control; actual operating experience of NiSource's assets; the regulatory process; regulatory and legislative changes; changes in general economic, capital and commodity market conditions; and counter-party credit risk, and the matters set forth in the "Risk Factors" section in NiSource's 2013 Form 10-K and subsequent NiSource filings of Form 10-Q, many of which are beyond the control of NiSource. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date of this report. NiSource expressly disclaims a duty to update any of the forward-looking statements contained in this report.

The Separation is subject to the satisfaction of a number of conditions, including the final approval of NiSource's board of directors. There is no assurance that the Separation will in fact occur.
