DYNABAZAAR, INC. NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

1. NATURE OF BUSINESS AND RECENT EVENTS

Through September 3, 2003, Dynabazaar, Inc. ("we," "us," "Dynabazaar" or the "Company") was an online auction and promotions technology service provider that enabled marketers to create results-oriented rewards programs and helped commerce companies automate the process of selling their excess inventory online to wholesale and consumer buyers.

On September 4, 2003, we sold substantially all of our operating assets to eBay, Inc. ("eBay") for consideration of \$4.5 million in cash under the terms and conditions of an asset purchase agreement we entered into with eBay on June 20, 2003. Following the closing of the asset sale, we changed our name from "Fairmarket, Inc." to "Dynabazaar, Inc."

We are currently reviewing alternatives for the use and disposition of our remaining assets, which may include pursuing a plan of complete liquidation and dissolution, possibly including the sale of our remaining assets. Alternatively, we may decided to pursue selling our remaining assets outside of a liquidation and dissolution, to make additional distributions of cash to our stockholders and/or to explore other business opportunities unrelated to our historical business, including the possible acquisition of other businesses. At this time, our board of directors has not made any decision to purse any one of these options and has not identified any such opportunities. We cannot assure you that we will be able to identify or successfully capitalize on any appropriate business opportunities.

On June 15, 2004, we received a letter from the Nasdaq Stock Market notifying us that, because the closing price of our common stock has closed below \$1.00 per share for 30 consecutive trading days and we do not presently conduct an operating business, the Company's common stock would be delisted on June 24, 2004. Our common stock currently trades over the counter on the Nasdaq OTC bulletin board.

In connection with the Company's cessation of its online auction business, effective as of January 1, 2004, the Company relocated its principal executive offices to 888 Seventh Avenue, 17th Floor, New York, 10019, an office maintained by Barington Capital Group, LP ("Barington"), a limited partnership whose

Edgar Filing: DYNABAZAAR INC - Form 10-Q

general partner is a corporation of which James Mitarotonda is Chairman, President and Chief Executive Officer. James Mitarotonda is the Company's President and Chief Executive Officer. We pay Barington a monthly fee of \$8,000 for administrative services as well as reimburse Barington's out-of-pocket expenses incurred in connection with providing such services. The Company has also agreed that in the event that Barington identifies for us, and provides us financial consulting services in connection with, a business transaction such as a merger, acquisition or joint venture, we will pay Barington a fee of two percent of the amount of the consideration paid in the transaction. In connection with the agreement, we granted to James Mitarotonda an option to purchase up to 320,000 shares of our common stock. The option is fully exercisable and was granted with an exercise price per share equal to \$0.33, the fair market value of our common stock on the grant date.

On January 20, 2004, the Company and Acquaport Unicorn, Inc., the landlord of the Company's Woburn, Massachusetts headquarters, executed a settlement agreement providing for the termination of the Company's lease in consideration of a cash payment of \$1.2 million. In March 2004, the cash payment was made and on April 9th, 2004, our last employee was terminated and the premises were vacated.

As of June 30, 2004, we hold an available-for-sale security in the form of a United States Government Bond. We do not believe that as a result of holding such security we have become an investment company under the Investment Company Act of 1940. There can be no assurance, however, that this is the case and, as a result of holding such security, we may inadvertently have become, or may become in the future, an investment company as a result of our lack of an operating business, our significant cash balance as a percentage of our total assets and our recent trading activities. Registration as an investment company would be very expensive, further depleting our cash reserves and would also subject us to restrictions that may be inconsistent with any future business strategy we may decide upon.

2. SUMMARY OF SIGNIFICANT POLICIES

GOING CONCERN

The accompanying condensed consolidated financial statements as of June 30, 2004 and for the six-month period then ended have been prepared assuming the Company will continue as a going concern, which contemplates the realization of assets and the settlement of liabilities and commitments in the normal course of business. The Company has incurred losses and negative cash flows from operations for every year since inception. For the period ended June 30, 2004, the Company incurred a net loss of approximately \$1.2 million and negative cash flows from operations of approximately \$2.2 million. Subsequent to the sale of substantially all of our operating assets to eBay in September 2003, the Company has not yet settled on an operating plan. These factors, among others, indicate that the Company may be unable to continue operations as a going concern. No adjustment has been made in the accompanying financial statements to the amounts and classifications of assets and liabilities which could result should the Company be unable to continue as a going concern. The Company continues to consider future alternatives, including the possible acquisition of other businesses. However, the Company has not consummated any significant transactions to date and the Company's business prospects remain uncertain. To the extent that management of the Company moves forward on any alternative strategy, such strategy may have an impact on the Company's liquidity. It remains management's prime focus to acquire an operating business.

NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (UNAUDITED)

BASIS OF PRESENTATION

The accompanying condensed consolidated financial statements of Dynabazaar are unaudited and have been prepared on a basis substantially consistent with our audited consolidated financial statements for the year ended December 31, 2003. The consolidated financial statements have been prepared in accordance with generally accepted accounting principles for interim financial information. Consequently, these statements do not include all disclosures normally required by generally accepted accounting principles for annual financial statements. These consolidated interim financial statements should be read in conjunction with our audited consolidated financial statements for the year ended December 31, 2003, which are contained in our Annual Report on Form 10-K, filed with the Securities and Exchange Commission. The condensed consolidated interim financial statements, in the opinion of management, reflect all adjustments (including all normal recurring accruals) necessary for a fair presentation of the results of operations and cash flows for the interim periods ended June 30, 2004 and 2003.

The results of operations for the interim periods are not necessarily indicative of the results of operations to be expected for the fiscal year. The consolidated interim financial statements include the accounts of Dynabazaar and its wholly owned subsidiaries. All material intercompany transactions and balances have been eliminated in consolidation.

CASH EQUIVALENTS

The Company considers all highly liquid investment instruments purchased with an original maturity of three months or less to be cash equivalents. Cash equivalents consist of cash placed in an overnight investment account, commercial paper and money market accounts.

ACCOUNTING FOR STOCK-BASED COMPENSATION

In December 2002, the FASB issued SFAS No. 148, "Accounting for Stock-Based Compensation, Transition and Disclosure." SFAS 148 provides alternative methods of transition for a voluntary change to the fair value based method of accounting for stock-based employee compensation. SFAS 148 also requires that disclosures of the pro forma effect of using the fair value method of accounting for stock-based employee compensation be displayed more prominently and in a tabular format. Additionally, SFAS 148 requires disclosure of the pro forma effect in interim financial statements. The transition and annual disclosure requirements of SFAS 148 are effective for fiscal years ending after December 15, 2002. The interim disclosure requirements are effective for interim periods ending after December 15, 2002.

The Company accounts for stock issued to non-employees in accordance with the provisions of SFAS No. 123 and Emerging Issues Task Force ("EITF") Issue No. 96-18 "Accounting for Equity Instruments That Are Issued to Other Than Employees for Acquiring, or in Conjunction with Selling, Goods or Services."

Consistent with the disclosure provisions of SFAS 123, the Company's net loss and basic and diluted net loss per share would have been adjusted to the pro forma amounts indicated below (in thousands, except per share amounts).

3. NET LOSS PER SHARE

Basic net loss per common share is computed using the weighted average number of common shares outstanding during the period. Diluted net loss per common share is computed using the weighted average number of common shares outstanding during the period plus the effect of any dilutive potential common shares. Dilutive potential common equivalent shares consist of the assumed exercise of stock options, the proceeds of which are then assumed to have been used to repurchase outstanding stock using the treasury stock method, and the assumed conversion of convertible preferred stock and warrants. Potential common shares were excluded from the calculation of net loss per common share for the periods presented since their inclusion would be anti-dilutive. For the six months ended June 30, 2004 and 2003, basic and diluted net loss per common share is computed based on the weighted average number of common shares outstanding during the period because the effect of potential common equivalent shares would be anti-dilutive.

5. COMMITMENTS AND CONTINGENCIES

We are a defendant in certain purported class action lawsuits filed by individual shareholders in the U.S. District Court for the Southern District of New York against Dynabazaar, Scott Randall (former President, Chief Executive Officer and Chairman of the Board of Dynabazaar), John Belchers (former Chief Financial Officer of Dynabazaar), U.S. Bancorp Piper Jaffray Inc., Deutsche Bank Securities Inc. and FleetBoston Robertson Stephens, Inc. The lawsuits have been filed by individual shareholders who purport to seek class action status on behalf of all other similarly situated persons who purchased the common stock of Dynabazaar between March 14, 2000 and December 6, 2000. The lawsuits allege that certain underwriters of Dynabazaar's initial public offering solicited and received excessive and undisclosed fees and commissions in connection with that offering. The lawsuits further allege that the defendants violated the federal securities laws by issuing a registration statement and prospectus in connection with Dynabazaar's initial public offering, which failed to accurately disclose the amount and nature of the commissions and fees paid to the underwriter defendants. On or about October 8, 2002, the Court entered an Order dismissing the claims asserted against certain individual defendants in the consolidated actions, including the claims against Mr. Randall and Mr. Belchers, without any payment from these individuals or the Company. On or about February 19, 2003, the Court entered an Order dismissing with prejudice the claims asserted against the Company under Section 10(b) of the Securities Exchange Act of 1934, as amended. As a result, the only claims that remain against the Company are those arising under Section 11 of the Securities Act of 1933, as amended.

INDEMNIFICATION OBLIGATIONS

In the quarter ended September 30, 2003, eBay asserted two indemnifications claims against us under one of our commercial agreements with eBay. We settled one of these claims for a cash payment to eBay of \$210,000. The remaining claim is based upon a third party alleging that certain of our former technology utilized by eBay infringes certain patents of the third party. No lawsuit has been filed. Given the early stage of the claim we cannot make a determination as to the ultimate outcome of this matter and the impact, if any, on our financial condition, liquidity or results of operations.

7

ITEM 2. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

Edgar Filing: DYNABAZAAR INC - Form 10-Q

OVERVIEW

Through September 3, 2003, Dynabazaar, Inc. ("we," "us," "Dynabazaar" or the "Company") was an online auction and promotions technology service provider that enabled marketers to create results-oriented rewards programs and helped commerce companies automate the process of selling their excess inventory online to wholesale and consumer buyers.

On September 4, 2003, we sold substantially all of our operating assets to eBay, Inc. ("eBay") for consideration of \$4.5 million in cash under the terms and conditions of an asset purchase agreement we entered into with eBay on June 20, 2003 (the "Asset Purchase Agreement"). The assets sold included all of our intellectual property and technology, all rights under certain transferred customer contracts and under certain intellectual property license agreements, and accounts receivable relating to services performed after the date of the closing of the asset sale with respect to the transferred customer contracts. Of the total consideration, \$2.5 million in cash was paid to us at closing and \$2 million was placed in escrow for a period of two years following the closing in order to secure our indemnifications, compensation and reimbursement obligations under the Asset Purchase Agreement. At the end of the two-year escrow period, all funds remaining in the escrow account at that time will be paid to us by the escrow agent, subject to any pending claims.

Following the closing of the asset sale, we changed our name from "Fairmarket, Inc." to "Dynabazaar, Inc."

In connection with the asset sale, the parties entered into a Transition Services Agreement ("TSA") pursuant to which we provided services to eBay through December 31, 2003 to fulfill customer service obligation under customer contracts assumed by eBay. Additionally, through December 31, 2003, we continued to provided services to nine retained customers, six in the United States and three in the United Kingdom, under the same terms as were provided before the closing date of the asset sale. The revenue derived from those retained customers was not significant.

Twelve of our former employees were hired by eBay in connection with the asset sale.

On October 10, 2003, we declared a cash dividend of \$1.30 per share on our common stock, representing an aggregate cash distribution of return of capital of approximately \$35 million. The dividend was paid on November 3, 2003 to stockholders of record on October 20, 2003.

In connection with the closing of the asset sale, eBay, the holder of our Series B preferred stock (the "Series B Shares"), elected to receive a liquidation preference equal to approximately \$2 million in the aggregate, or \$ 2.10 per share, plus all accrued and unpaid dividends with respect to the Series B Shares. The liquidation preference and accrued and unpaid dividends were paid to eBay on September 5, 2003 in the amount of approximately \$2,024,000. On September 29, 2003, we repurchased from eBay and retired all of the Series B shares for a purchase price of \$1,466,665 in cash. The payment represented payment in full for any and all obligations of the Company in respect of the Series B shares.

In December 2003, we received notice from the Nasdaq Stock Market that we were not in compliance with the minimum bid price requirement for continued listing on the Nasdaq National Market. To avoid delisting, Nasdaq had stated that the

Edgar Filing: DYNABAZAAR INC - Form 10-Q

bid price of our common stock must close at \$1.00 per share or more for at least ten consecutive trading days prior to June 14, 2004. On June 15, 2004, we received a letter from the Nasdaq Stock Market notifying us that, because the closing price of our common stock has closed below \$1.00 per share for 30 consecutive trading days and we do not presently conduct an operating business, the Company's common stock would be delisted on June 24, 2004. Our common stock currently trades over the counter on the Nasdaq OTC bulletin board. An investment in an OTC security is speculative and involves a significant degree of risk. Many OTC securities are relatively illiquid, or "thinly traded," which can enhance volatility in the share price and make it difficult for investors to buy or sell without dramatically affecting the quoted price or may inhibit the ability of investors to sell at a later date.

In December 2003, we entered into an Administrative Services Agreement with Barington Capital Group, L.P. James A. Mitarotonda, our Chief Executive Officer, is Chairman of Barington's general partner. In connection with the Company's cessation of its online auction business, effective as of January 1, 2004, the Company relocated its principal executive offices to 888 Seventh Avenue, 17th floor, New York, New York 10019, an office maintained by Barington Capital Group, LP ("Barington"), a limited partnership whose general partner is a corporation of which James Mitarotonda is Chairman, President and Chief Executive Officer. James Mitarotonda is the Company's President and Chief Executive Officer. We pay Barington a monthly fee of \$8,000 for administrative services as well as reimburse Barington's out-of-pocket expenses incurred in connection with providing such services. The Company has also agreed that in the event that Barington identifies for us, and provides us financial consulting services in connection with, a business transaction such as a merger, acquisition or joint venture, we will pay Barington a fee of two percent of the amount of the consideration paid in the transaction. In connection with the agreement, we granted to James Mitarotonda an option to purchase up to 320,000 shares of our common stock. The option is fully exercisable and was granted with an exercise price per share equal to \$0.33, the fair market value of our common stock on the grant date.

In January 2004, James A. Mitarotonda was appointed as our Chief Executive Officer and Mel Brunt was appointed as our Chief Financial Officer.

On February 2, 2004, we dismissed PricewaterhouseCoopers LLP as our independent accountants and engaged Rothstein, Kass & Company, P.C. as our independent auditors commencing with the audit of our financial statements for the year ended December 31, 2003.

We are currently reviewing alternatives for the use and disposition of our remaining assets, which may include pursuing a plan of complete liquidation and dissolution, possibly including the sale of our remaining assets. If we pursue a plan of complete liquidation and dissolution, we will close our stock transfer books, discontinue recording transfers of our common stock, and our common stock will no longer be assignable or transferable on our books. Accordingly, the proportionate interests of all of our stockholders will be fixed on the basis of their respective stock holdings at the close of business on the date of dissolution, and any distributions made by us after such date will be made solely to the stockholders of record at the close of business on the date of dissolution. Alternatively, we may decide to pursue selling our remaining assets outside of a liquidation and dissolution, to make additional distributions of cash to our stockholders, to explore other strategic alternatives such as a business combination with another party, and/or to continue as an independent stand-alone company focusing on business opportunities unrelated to our historical business, including the possible acquisition of other businesses. At this time, our board of directors has not made any decision to pursue any one of these options and has not identified any such opportunities. We cannot assure you that we will be able to identify or successfully capitalize on any appropriate business opportunities.

Edgar Filing: DYNABAZAAR INC - Form 10-Q

CRITICAL ACCOUNTING POLICIES

In December 2001, the SEC requested that all registrants discuss their most "critical accounting policies" in management's discussion and analysis of financial condition and results of operations. The SEC indicated that a "critical accounting policy" is one which is both important to the portrayal of the company's financial condition and results and requires management's most difficult, subjective or complex judgments, often as a result of the need to make estimates about the effect of matters that are inherently uncertain. Our significant accounting policies are more fully described in Note 2, Summary of Significant Accounting Policies, to our consolidated financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2003. These critical accounting policies relate to revenue recognition, allowance for doubtful accounts, deferred tax assets and unutilized office space. No changes to these critical policies have taken place during the quarter ended June 30, 2004.

PART II. OTHER INFORMATION

ITEM 1. LEGAL PROCEEDINGS

We are a defendant in certain purported class action lawsuits filed by individual shareholders in the U.S. District Court for the Southern District of New York against Dynabazaar, Scott Randall (former President, Chief Executive Officer and Chairman of the Board of Dynabazaar), John Belchers (former Chief Financial Officer of Dynabazaar), U.S. Bancorp Piper Jaffray Inc., Deutsche Bank Securities Inc. and FleetBoston Robertson Stephens, Inc. The lawsuits have been filed by individual shareholders who purport to seek class action status on behalf of all other similarly situated persons who purchased the common stock of Dynbazaar between March 14, 2000 and December 6, 2000. The lawsuits allege that certain underwriters of Dynbazaar's initial public offering solicited and received excessive and undisclosed fees and commissions in connection with that offering. The lawsuits further allege that the defendants violated the federal securities laws by issuing a registration statement and prospectus in connection with Dynbazaar's initial public offering, which failed to accurately disclose the amount and nature of the commissions and fees paid to the underwriter defendants. On or about October 8, 2002, the Court entered an Order dismissing the claims asserted against certain individual defendants in the consolidated actions, including the claims against Mr. Randall and Mr. Belchers, without any payment from these individuals or the Company. On or about February 19, 2003, the Court entered an Order dismissing with prejudice the claims asserted against the Company under Section 10(b) of the Securities Exchange Act of 1934, as amended. As a result, the only claims that remain against the Company are those arising under Section 11 of the Securities Act of 1933, as amended. The Company has entered into an agreement-in-principle to settle the remaining claims in the litigation. The proposed settlement will result in a dismissal with prejudice of all claims and will include a release of all claims that were brought or could have been brought against the Company and its present and former directors and officers. It is anticipated that any payment to the plaintiff class and their counsel will be funded by the Company's directors & officers liability insurance and that no direct payment will be made by the Company. The proposed settlement is subject to a number of significant conditions and contingencies, including the execution of a definitive settlement agreement, final approval of the settlement by the Company's directors & officers liability insurance carriers and by the plaintiff class, and the approval of the settlement by the Court.
