ITEM 1.

Description of Registrant's Securities to be Registered.

The Registrant's Common Shares, no par value (Common Shares), previously registered hereunder were the subject of a reclassification (the Reclassification) of Registrant's outstanding Class A Multiple Voting Shares without par value (Class A Shares) and Class B Subordinate Voting Shares without par value (Class B Shares), effective March 16, 2004, whereby Registrant eliminated the distinctions between the Class A Shares and Class B Shares and name and designated such shares as Common Shares. A description of the Reclassification is contained in the section entitled Approval of Capital Reorganization of Registrant's Information Circular included in Registrant's Report on Form 6-K, as filed with the Commission on January 15, 2004 (the Information Circular).

As previously reported, on February 11, 2004, the shareholders of the Registrant approved the continuance of the Registrant from being a corporation governed by the laws of British Columbia to being a corporation governed by the laws of Ontario and, in conjunction with the continuation, has substituted Articles of Continuance and Bylaw No. 1 in place of its existing Articles. The continuation and a comparison of the British Columbia Company Act with the Ontario Business Corporations Act are each described in the section entitled Continuation Under the Ontario Business Corporations Act of the Information Circular. Such description is incorporated herein by reference. The continuation became effective upon the issuance of the Certificate and Articles of Continuance by the Ontario Companies Division dated September 1, 2004.
