PROXY STATEMENT

This proxy statement has been prepared in connection with the solicitation of proxies by the Board of Directors of Guaranty Federal Bancshares, Inc. (the "Company") for use at the annual meeting of stockholders to be held on May 23, 2007 (the "Annual Meeting"), and at any adjournment(s) thereof. The Annual Meeting will be held at 6:00 p.m., local time, at the Clarion Hotel, 3333 South Glenstone Avenue, Springfield, Missouri. It is anticipated that this proxy statement will be mailed to stockholders on or about April 20, 2007.

RECORD DATE--VOTING--VOTE REQUIRED FOR APPROVAL

All persons who were stockholders of the Company at the close of business on April 3, 2007, ("Record Date") will be entitled to cast votes at the Annual Meeting. Voting may be by proxy or in person. As of the Record Date, the Company had 2,904,495 shares of common stock, par value \$0.10 per share ("Common Stock"), issued and outstanding.

Holders of a majority of the outstanding shares of Common Stock entitled to vote, represented in person or by proxy, will constitute a quorum for purposes of transacting business at the Annual Meeting.

Stockholders are urged to indicate their vote in the appropriate spaces on the proxy card. Each proxy solicited hereby, if properly executed, duly returned to the Board of Directors of the Company and not revoked prior to the Annual Meeting, will be voted at the Annual Meeting in accordance with the stockholder's instructions indicated thereon. Where no instructions are indicated, proxies will be voted by those named in the proxies FOR the approval of the specific proposals presented in this proxy statement and on the proxy card and in their best judgment upon any other business that may properly come before the Annual Meeting or any adjournment thereof. Each stockholder shall have one vote for each share of stock owned.

A stockholder giving a proxy has the power to revoke the proxy at any time before it is exercised by filing with the Secretary of the Company written instructions revoking it. A duly executed proxy bearing a later date will be sufficient to revoke an earlier proxy. The proxy executed by a stockholder who attends the Annual Meeting will be revoked only if that stockholder files the proper written instrument with the Secretary prior to the end of the voting at the Annual Meeting.

To the extent necessary to assure sufficient representation at the Annual Meeting, proxies may be solicited by officers, directors and regular employees of the Company personally, by telephone, by internet or by further correspondence. Officers, directors and regular employees of the Company will not be compensated for their solicitation efforts. The cost of soliciting proxies from stockholders will be borne by the Company. The Company will also reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of Common Stock.

Regardless of the number of shares of the Company's Common Stock owned, it is important that stockholders be represented by proxy or be present in person at the Annual Meeting. In order for any proposals considered at the Annual Meeting to be approved by the Company's stockholders, a quorum must be present. Stockholders are requested to vote by completing the enclosed proxy card and returning it signed and dated in the enclosed

postage-paid envelope.

Proxies marked as abstentions will not be counted as votes cast. In addition, shares held in street name which have been designated by brokers on proxy cards as not voted by the beneficial owner will not be counted as votes cast (“broker non-votes”). Proxies marked as abstentions or broker non-votes, however, will be treated as shares present for purposes of determining whether a quorum is present. Approval of the ratification of the independent auditor proposal requires the affirmative vote of a majority of the votes cast on such matter. Directors are elected by a plurality of votes of the shares present in person or by proxy at the Annual Meeting. Accordingly, abstentions and broker non-votes will have no effect on the election of directors or the proposal to ratify the Company’s independent registered public accounting firm.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

Persons and groups owning in excess of 5% of the Common Stock are required to file certain reports regarding such ownership pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Certificate of Incorporation of the Company restricts the voting by persons who beneficially own in excess of 10% of the outstanding shares of Common Stock. This restriction does not apply to employee benefit plans of the Company. The following table sets forth, as of the Record Date, persons or groups who are known by the Company to beneficially own more than 5% of the Common Stock.

Name and Address Of Beneficial Owner	Amount and Nature of Beneficial Ownership	Percent of Class
Guaranty Bank Employee Stock Ownership Plan ("ESOP") 1341 West Battlefield Springfield, MO 65807-4181	291,896(1)	9.80%

(1) Reflects shared investment and voting power with respect to all shares listed. The ESOP purchased these shares for the exclusive benefit of plan participants with funds borrowed from the Company. These shares are held in a suspense account and are allocated among ESOP participants annually on the basis of compensation as the ESOP debt is repaid. The ESOP Committee, consisting of certain non-employee directors of the Company's Board of Directors, instructs the ESOP Trustee regarding investment of ESOP plan assets. The ESOP Trustee must vote all shares allocated to participant accounts under the ESOP as directed by participants. Unallocated shares and shares for which no timely voting direction is received are voted by the ESOP Trustee as directed by the ESOP Committee.

The following table sets forth certain information as of the Record Date, with respect to the shares of the Company's Common Stock beneficially owned by each of the directors, nominees and Named Executive Officers (see section titled "Summary Compensation Table") of the Company, and the total shares beneficially owned by directors and executive officers as a group. The Company's policy is for each director to own a minimum of 2,500 shares, exclusive of stock grants and non-exercised stock options. Directors with less than 5 years experience on the Board shall own a minimum of 500 shares for each full year of service on the Board, up to the 2,500 shares. Except as otherwise noted, each person has sole voting and investment power over his shares. Less than 1% stock ownership is shown below with an asterisk (*).

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires the Company's officers and directors, and persons who own more than ten percent of the Common Stock, to file reports detailing their ownership and changes of ownership in the Common Stock with the SEC and to furnish the Company with copies of all such ownership reports. Based solely on the Company's review of the copies of the ownership reports furnished to the Company, and written representations relative to the filing of certain forms, the Company believes that all Section 16(a) filing requirements applicable to its officers and directors, and persons who own more than ten percent of the Common Stock, were complied with during the 2006 fiscal year.

FIRST PROPOSAL: ELECTION OF DIRECTORS

The number of directors constituting the Board of Directors of the Company (the "Board") is currently nine. The Board is divided into three classes of three directors. The term of office of one class of directors expires each year in rotation so that the class up for election at each annual meeting of stockholders has served for a three-year term. These three directors have been nominated, upon the recommendation of the Nominating Committee of the Board, by the Board and, upon election at the Annual Meeting, will hold office for a three-year term expiring in 2010 or until their successors are elected and qualified. Each nominee has indicated that they are willing and able to serve as a director if elected and have consented to being named as nominees in this proxy statement.

Unless otherwise specified on the proxies received by the Company, it is intended that proxies received in response to this solicitation will be voted in favor of the election of each person named in the following table to be a director of the Company for the term as indicated, or until his successor is elected and qualified. There are no arrangements or understandings between the nominees or directors and any other person pursuant to which any such person was or is selected as a director or nominee.

Director Independence

The Board of Directors of the Company has determined that all of the directors, except for Director Burke who is an executive officer of the Company and Director Gibson who served as an executive officer of the Company until February 2005, are "independent directors" as that term is defined in Rule 4200(a)(15) of the Marketplace Rules of The Nasdaq Stock Market ("Nasdaq"). These directors constitute a majority of the Board. In addition, the Board of Directors had determined that Mr. Gary Lipscomb, who served as a director of the Company until his term expired on May 24, 2006 following the election of his successor at the annual meeting of stockholders of the Company, was an independent director pursuant to such rules.

Meetings and Committees of the Board of Directors

The business of the Company is conducted at regular and special meetings of the full Board of Directors of the Company (the "Board") and its standing committees. The standing committees consist of the Executive, Audit, Compensation, Nominating, ESOP (Employee Stock Ownership Plan), and Option Committees. During the twelve months ended December 31, 2006, the Board held twelve regular meetings and no special meetings. Except for Directors Wayne V. Barnes and Gregory V. Ostergren, no director attended less than 75% of those meetings and the meetings held by all committees of the Board of Directors on which he served. Director Barnes attended 67 % of such meetings and Director Ostergren attended 51% of such meetings.

Although the Company does not have a formal policy regarding director attendance at the Company's annual stockholders meeting, all directors are expected to attend these annual meetings absent extenuating circumstances. All current directors, except Wayne V. Barnes and Gregory V. Ostergren, attended the Company's annual meeting of stockholders held on May 24, 2006.

Stockholder Communications with Directors

Stockholders and other interested persons who wish to communicate with the board of directors of the Company, or any individual director, should send their written correspondence by mail to: Don M. Gibson, Chairman of the Board, Guaranty Federal Bancshares, Inc., 1341 West Battlefield, Springfield, Missouri 65807.

Audit Committee

The Audit Committee of the Board is composed of the independent, non-employee directors of the Company and currently consists of seven directors: Messrs. Batten, Barnes, Rosenbury, Sivils, Barham, Ostergren and Hellweg. This standing committee, among other things, (i) regularly meets with the internal auditor to review audit programs and the results of audits of specific areas as well as other regulatory compliance issues, (ii) meets at least annually in executive session with the Company's independent auditors to review the results of the annual audit and other related matters, and (iii) meets quarterly with management and the independent auditors to review the Company's financial statements and significant findings based on the independent auditor's review. The Audit Committee is responsible for hiring, retaining, compensating and terminating the Company's independent auditors. For a further description of the Audit Committee's purposes and responsibilities, refer to the copy of the Audit Committee Charter included as Appendix B to the proxy statement prepared in connection with the annual meeting of stockholders held on May 19, 2004 (the "2004 Proxy Statement").

During the twelve months ended December 31, 2006, the Audit Committee met eleven times (See "Report of the Audit Committee").

Nominating Committee

The Nominating Committee of the Board is composed of three or more directors as appointed by the Board, each of whom are required to be an "independent director" as defined under the NASD listing standards. Currently, the Nominating Committee consists of seven directors, Messrs. Rosenbury, Sivils, Barham, Barnes, Batten, Hellweg, and Ostergren, each of whom is an "independent director." During the twelve months ended December 31, 2006, the Nominating Committee met two times. The Nominating Committee operates under a formal written charter adopted by the Board. A copy of the Nominating Committee's charter was included as Appendix C to the 2004 Proxy Statement.

The Nominating Committee is responsible for identifying individuals qualified to serve as members of the Board and recommending to the Board the director nominees for election and appointment to the Board, as well as director nominees for each of the committees of the Board. In accordance with its charter, the Nominating Committee recommends candidates (including incumbent nominees) based on the following criteria: business experience, education, integrity and reputation, independence, conflicts of interest, diversity, age, number of other directorships and commitments (including charitable obligations), tenure on the Board, attendance at Board and committee meetings, stock ownership, specialized knowledge (such as an understanding of banking, accounting, marketing, finance, regulation and public policy) and a commitment to the Company's communities and shared values, as well as overall experience in the context of the needs of the Board as a whole. The Committee monitors the mix of skills and experience of its directors and committee members in order to assess whether the Board has the appropriate tools to perform its oversight function effectively.

With respect to nominating existing directors, the Nominating Committee reviews relevant information available to it and assesses their continued ability and willingness to serve as a director. The Nominating Committee will also assess such person's contribution in light of the mix of skills and experience the Nominating Committee has deemed

appropriate for the Board as a whole. With respect to nominations of new directors, the Nominating Committee will conduct a thorough search to identify candidates based upon criteria the Nominating Committee deems appropriate and considering the mix of skills and experience necessary to complement existing members of the Board. The Nominating Committee will then review selected candidates and make its recommendation to the Board. See the copy of the Nominating Committee Charter in Appendix C to the 2004 Proxy Statement for a further description of the nomination process utilized by the Nominating Committee.

Nominations by a stockholder will be considered by the Nominating Committee if such nomination is written and delivered or mailed by first class United States mail, postage prepaid, to the Secretary of the Company between 30 and 60 days prior to the meeting at which such nominee may be considered. However, if less than 31 days' notice of the meeting is given to stockholders, written notice of the stockholder nomination must be given to the Secretary of the Company as provided above no later than the tenth day after notice of the meeting was mailed to stockholders. A nomination must set forth, with respect to the nominee, (i) name, age, and addresses, (ii) principal occupation or employment, (iii) Common Stock beneficially owned, and (iv) other information that would be required in a proxy statement. The stockholder giving notice must list his or her name and address, as they appear on the Company's books, and the amount of Common Stock beneficially owned by him or her. In addition, the stockholder making such nomination must promptly provide to the Company any other information reasonably requested by the Company. Nominations from stockholders will be considered and evaluated using the same criteria as all other nominations.

Compensation Committee

The Board of Directors of the Company and the Board of Directors of the Bank are comprised of the same persons. The Compensation Committee of the Bank's Board of Directors, which consists solely of the non-employee directors of the Bank, is comprised of Messrs. Ostergren, Hellweg, Barham, Batten, Barnes, Rosenbury and Sivils. As indicated above, each of these committee members is an "independent director" as defined under the NASD listing standards. The Company has no full time employees and relies on employees of the Bank for the limited services received by the Company. All compensation paid to executive officers of the Company is paid by the Bank.

The Compensation Committee, together with the full Board, is responsible for designing and determining the compensation and benefit plans for all employees, executive officers and directors of the Company and the Bank, including the Chief Executive Officer, based on its review, among other things, of performance, industry salary surveys and the recommendations of management concerning compensation (See "Report on Executive Compensation"). The Compensation Committee, without the participation of the full Board, is responsible for determining the compensation of the Chief Executive Officer and the other executive officers of the Company, and all such compensation decisions were made solely by the Compensation Committee. Currently, the Compensation Committee does not utilize the services of a compensation consultant in determining or recommending the amount or form of executive officer or director compensation.

During the twelve months ended December 31, 2006, the Compensation Committee met four times. The Compensation Committee has not adopted a formal, written charter.

REPORT OF THE COMPENSATION COMMITTEE

Since August 2002, the Compensation Committee of the Board has consisted of all non-employee directors of the Bank. During the fiscal year ended December 31, 2006, Mr. Jack L. Barham served on the Compensation Committee, and for many years until his retirement in 1995, he had been an officer of the Bank. Mr. Barham is the only member of the Compensation Committee during 2006 who was formerly an officer of the Company or the Bank. Prior to March 2005, Mr. Don M. Gibson served as the President and Chief Executive Officer of the Company and the Bank, but during 2006 he was not a member of the Compensation Committee. In addition, Mr. Shaun Burke, the current President and Chief Executive Officer of the Company and the Bank, did not serve as a member of the Compensation Committee during 2006. No executive officer of the Company served on the compensation committee or board of directors of any company that employed any member of the Company's Compensation Committee or Board of

Directors.

COMPENSATION DISCUSSION AND ANALYSIS

Overall Compensation Philosophy and Objectives

The Compensation Committee, together with the full Board, has designed the compensation and benefit plans for all employees, executive officers and directors in order to attract and retain individuals who have the skills, experience and work ethic to provide a coordinated work force that will effectively and efficiently carry out the policies adopted by the Board and to manage the Company and the Bank to meet the Company's mission, goals and objectives.

To determine the compensation of executive officers and directors, the Compensation Committee reviews industry compensation statistics based on our asset size, makes cost of living adjustments, and establishes salary ranges for each executive officer, and fees for the Board. The Compensation Committee then reviews (i) the financial performance of the Bank over the most recently completed fiscal year (including ROA, ROE, G & A expense, CAMELS rating, quality of assets, risk exposure and compliance rating) compared to results at comparable companies within the industry, and (ii) the responsibilities and performance of each executive officer and the salary compensation levels of each executive officer compared to like positions at comparable companies within the industry. The Compensation Committee evaluates all factors subjectively in the sense that they do not attempt to tie any factors to a specific level of compensation.

The Compensation Committee offers long-term incentives for executive officers and other management personnel in the form of stock option awards. We believe that our stock option award programs are an important component of compensation to attract and retain talented executives, provide an incentive for long-term corporate performance, and to align the long-term interests of executives and shareholders.

Currently, the Compensation Committee does not utilize the services of a compensation consultant in determining or recommending the amount or form of executive officer or director compensation.

All executive officers may participate on an equal, non-discriminatory basis in the Bank's medical insurance plan, long-term disability plan and group life insurance plan. The Bank also provides all executive officers with the opportunity to participate in the Employee Stock Ownership Plan ("ESOP"), and a contributory 401 (k) tax-deferred savings plan. The Compensation Committee of the Bank recommends all compensation and benefit plans to the full Board for approval annually.

Executive Compensation Philosophy and Objectives

The Compensation Committee is guided by the following four key principles in determining the compensation of the Company's executive officers:

- **Competition.** The Committee believes that compensation should reflect the competitive marketplace, so the Company can attract, retain and motivate talented personnel.
- **Accountability for Business Performance.** Compensation should be tied in part to Company's financial performance, so that executives are held accountable through their compensation for the performance of the Company.
- **Accountability for Individual Performance.** Compensation should be tied in part to the individual's performance to reflect individual contributions to the Company's performance.
- **Alignment with Stockholder Interests.** Compensation should be tied in part to the Company's stock performance through long-term incentives such as stock options and the ESOP, to align executive's interests with those of the Company's stockholders.

Report of Executive Compensation

The compensation of the Chief Executive Officer (the “CEO”) and other Named Executive Officers (or “NEOs”) is solely determined by the Compensation Committee. The CEO is not a member of the Compensation Committee and does not attend any Compensation Committee meeting unless specifically requested to do so by the Chairman of the Compensation Committee. The CEO may act as a key discussion partner with the Compensation Committee members to provide information regarding business context, the market environment and our strategic direction. The CEO also provides recommendations to the Compensation Committee on individual performance evaluations and compensation for the NEOs, other than himself. The compensation packages reflect a range based on like-sized, like-position comparables within the industry and the geographical region, augmented by the performance of the individual executive officer and the Company. Stock awards and option grants under the stock option and restricted stock award plans described below provide long-term incentive to stay with the Company, but should not replace, or override, maintenance of the compensation range established from the comparables.

The Compensation Committee has reviewed all components of the CEO’s and other NEO’s compensation, including salary, bonus, accumulated and realized and unrealized stock options and compensation under the Company’s ESOP. Based on this review, the committee finds the CEO’s and other NEO’s total compensation in the aggregate to be reasonable and not excessive. It should be noted that when the Compensation Committee considers any component of the CEO’s and NEO’s total compensation, the aggregate amounts and mix of all the components, including accumulated and realized and unrealized stock options and compensation under the Company’s ESOP, are taken into consideration in the committee’s decisions.

Pursuant to the employment agreement with Mr. Shaun Burke, the Company’s Chief Executive Officer and President, Mr. Burke receives an annual base salary of \$225,000, which the Bank’s Board may increase from time to time on an annual basis. During calendar year 2006, Mr. Burke’s annual base salary remained at \$225,000. Pursuant to the terms of the employment agreement, Mr. Burke also received a bonus of \$75,000 (the maximum amount of such bonus) during 2006 as a result of achieving certain earnings per share benchmarks for fiscal year 2006 as compared to fiscal year 2005. See the section titled “Employment Agreements” of this Proxy Statement for more detail of the employment agreement with Mr. Burke.

There were no option awards granted to the NEOs during 2006. In conjunction with the provisions of SFAS 123R, the Company amortizes compensation expense for the grant date fair value of options awards evenly over the vesting period under the straight-line method. The fair value of these awards have been determined using the Black-Scholes pricing model based on the assumptions set forth in Note 12 (Employee Benefit Plans) of the Company’s Notes to Consolidated Financial Statements contained in the Company’s Annual Report on Form 10-K for fiscal year ended December 31, 2006.

Employment Agreements, Potential Payments Upon Termination or Change-in-Control

With respect to the NEOs in the Summary Compensation Table above, the Bank has entered into a written employment agreement with Mr. Shaun Burke dated as of March 9, 2004. Pursuant to this agreement, Mr. Burke will serve as the Bank’s President and CEO, and other duties assigned to him by the Bank’s Board of Directors (the “Bank’s Board”), for a term of three (3) years and additional one year extensions as provided in such agreement. During the term of this agreement, Mr. Burke shall receive a base salary of \$225,000, which will be reviewed annually, and may be increased, by the Bank’s Board at its discretion. Mr. Burke also will receive a bonus during each year of the agreement of \$25,000 (up to a maximum of \$75,000 per year) for achieving each of the following percentage increases in earnings per share over the prior year: 10%, 15% and 20%. For example, if the Company’s earnings per

share during a fiscal year increased by 15% over the prior year's earnings per share, Mr. Burke would receive a bonus equal to \$50,000 for that fiscal year.

During the term of this employment agreement, if Mr. Burke's employment is terminated by the Bank without cause or by Mr. Burke for "Good Reason" (as defined below), Mr. Burke will receive (i) the base salary for the remaining term of this agreement when such amounts become due, and (ii) such other benefits (bonus, vacation, and participation in any health, disability, and group term life insurance plans, any retirement or profit sharing plans, any executive bonus plan and in any other perquisites and benefits generally extended to employees of the Bank from time to time) and other amounts due Mr. Burke under this agreement for the remaining term of this agreement when such amounts become due. Under this agreement, Mr. Burke shall have "Good Reason" to terminate this agreement if the Bank (i) breaches its obligations to pay any salary, benefit, or bonus due thereunder, (ii) requires Mr. Burke to relocate more than 25 miles from the Bank's principal place of business, or (iii) substantially diminishes his functional responsibilities or a reduction due to performance-based reasons, and, with respect to (i) and (ii), the Bank fails to provide a reasonable cure within thirty days of its receipt of notice of such event.

In addition, during the term of this agreement, if a “Change in Control” (as defined below) occurs and Mr. Burke’s employment is terminated for any reason (other than his death or the expiration of the term of this agreement) at any time within the greater of twelve months or the then remaining term of this agreement after the Change of Control is consummated, Mr. Burke will receive from the Bank a lump sum payment equal to 2.99 times his base salary and bonus. If any amount of such payment would not be deductible for federal income tax purposes by reason of application of section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), then payment of that portion due Mr. Burke will be deferred until the earliest date upon which payment can be made without being nondeductible under section 162(m) of the Code. As used in this agreement, “Change in Control” means (i) the sale of all, or a material portion, of the assets of the Bank or the Company, unless Mr. Burke executes a new employment agreement with the purchaser, (ii) the merger or recapitalization of the Bank or the Company whereby the Bank or the Company is not the surviving entity, unless Mr. Burke executes a new employment agreement with the surviving entity, or (iii) subject to certain limited exceptions, the acquisition, directly or indirectly, of the beneficial ownership of 50% or more of the outstanding voting securities of the Bank or the Company by any person or entity.

If Mr. Burke voluntarily terminates his employment in connection with, or within twelve months after, a Change of Control and such Change of Control was at any time opposed by the Bank’s Board, then Mr. Burke will be entitled to receive the compensation described in the previous sentence and the first sentence of the prior paragraph.

No other Named Executive Officer is a party to any contract, agreement, plan or arrangement providing for payment upon a termination or change-in-control of the Company or the Bank or such executive officer’s responsibilities.

Grants of Plan Based Awards

During fiscal year 2006, there were no option or stock awards granted to the Named Executive Officers.

(2) Mr. Lipscomb was a director until May 24, 2006, which is when his term ended and his successor was elected at the annual meeting of the stockholders of the Company on such date.

Indebtedness of Management and Directors and Transactions with Certain Related Persons

Loans made to a director or executive officer in excess of the greater of \$25,000 or 5% of the Company's capital and surplus (up to a maximum of \$500,000) must be approved in advance by a majority of the disinterested members of the Board of Directors. The Bank, like other financial institutions, provides loans to its officers, directors, and employees to purchase or refinance personal residences as well as consumer loans. At the May 20, 2004 Board meeting, the Board approved a new employee mortgage loan program (the "New Loan Program") as an additional benefit to eligible Bank directors and employees. The New Loan Program provides mortgage loans at favorable interest rates, namely a one-year adjustable rate mortgage priced at one percent over the bank's cost of funds. The purpose of the loan must be to purchase or refinance a primary residence (i.e., no investment properties). All full-time employees that have completed the 90-day probation period are eligible to participate in this loan program. Underwriting includes standard application and financial disclosures, which must qualify to standard secondary market requirements. Borrower is responsible for all third party closing costs. Payments must be automatically deducted from an account maintained at the Bank and tax and insurance escrows are required. The index rate is the Bank's all-in cost of funds plus a margin of 1%. The index will be the last month-end calculation within 45 days prior to closing. The maximum adjustment per year is 2% with a 6% lifetime maximum. Each loan has up to a 30-year note/amortization. If borrower's employment is terminated for any reason, the rate and term converts immediately to the Bank's current secondary market one-year ARM product. Other than the interest rate with respect to the New Loan Program, all loans provided under the New Loan Program and any other loans provided to directors and executive officers have been made in the ordinary course of business, on substantially the same terms and collateral as those of comparable transactions prevailing at the time, and, in the opinion of management of the Company, do not involve more than the normal risk of collectibility or present other unfavorable features.

No directors, executive officers or their affiliates had aggregate indebtedness to the Company or the Bank on below market rate loans exceeding \$120,000 at any time since January 1, 2006 except as noted in the following table.

Name	Position	Date of Loan	Largest Amount Outstanding Since 01/01/06	Balance as of 12/31/06	Interest Rate at 12/31/06	Type

Description of Stock Plans Not Approved by Stockholders

2000 Stock Compensation Plan. During the year ended June 30, 2000, the directors of the Company established the 2000 Stock Compensation Plan (the "2000 SCP") with both a stock award component and a stock option component. A committee of the Bank's Board of Directors comprised solely of independent directors (the "Committee"), administers this plan and the 2001 SCP (discussed below). Stock options awarded under the plan are considered non-qualified for federal income tax purposes. Officers, directors and employees of the Company and its subsidiaries are eligible under the plan. Stock awards and stock options vest at the rate of 20% per year over a five-year period, become fully vested in the event of a "change in control" as defined in the plan, and expire no later than ten years from the date of grant. In addition, the price of the stock options may not be less than the market value of the Company's Common Stock on the date of grant. Under the stock award component of this plan, the Committee awarded 7,125 restricted shares of the Company's Common Stock. As of December 31, 2006, all restricted shares in this plan are vested. There have been 17,875 options granted under this plan at an exercise price of \$10.50 per share. The maximum number of shares of the Company's Common Stock permitted to be awarded under this plan (25,000) have been awarded. Previously issued awards or options which expire, become unexercisable, or are forfeited prior to their exercise may be granted as new awards or options under the plan for the number of shares which were subject to such expired or forfeited awards or options.

2001 Stock Compensation Plan. During the year ended June 30, 2001, the directors of the Company established the 2001 Stock Compensation Plan (the "2001 SCP") with both a stock award component and a stock option component. Stock options awarded under the plan are considered non-qualified for federal income tax purposes. Officers, directors and employees of the Company and its subsidiaries are eligible under the plan. Stock awards and stock options vest at the rate of 20% per year over a five year period, become fully vested in the event of a "change in control" as defined in the plan, and expire no later than ten years from the date of grant. In addition, the price of the stock options may not be less than the market value of the Company's Common Stock on the date of grant, and the stock options expire no later than ten years from the date of grant. Under the stock award component of this

plan, the Committee awarded 10,239 restricted shares of the Company's Common Stock. As of December 31, 2006, all restricted shares in this plan are vested. There have been 13,263 options granted under this plan at an exercise price of \$23.61 per share. The maximum number of shares of the Company's Common Stock permitted to be awarded under this plan is 25,000 shares. Previously issued awards or options which expire, become exercisable, or are forfeited prior to their exercise may be granted as new awards or options under the plan for the number of shares which were subject to such expired or forfeited awards or options.

2003 Stock Option Agreement. During the period ended December 31, 2003, the independent directors of the Company authorized the issuance of 5,000 stock options as an employment inducement to a new officer of the Bank pursuant to a stock option agreement. Stock options awarded under this agreement are considered non-qualified for federal income tax purposes, vest at the rate of 20% per year over a five year period, become fully vested in the event of a “change in control” as defined in the agreement and expire no later than ten years from the date of grant. In addition, pursuant to the term of the stock option agreement which requires that the price of the stock options granted thereunder may not be less than the market value of the Company’s common stock on the date of grant, all of these options were granted at an exercise price of \$17.20 per share.

2004 Stock Option Agreement. Pursuant to the authorization of the independent directors of the Company, 25,000 stock options were issued by the Company on March 9, 2004 as an employment inducement to a new officer (Shaun Burke) of the Bank and the Company under an individual stock option agreement. Stock options awarded under this agreement are considered non qualified for federal income tax purposes, vest at the rate of 20% per year over a five year period, become fully vested in the event of a “change in control” as defined in the agreement and expire no later than ten years from the date of grant. In addition, pursuant to the term of the stock option agreement which requires that the price of the stock options granted thereunder may not be less than the market value of the Company’s Common Stock on the date of grant, all of these options were granted at an exercise price of \$19.62 per share.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board is composed of seven directors. The Board has determined that each of these directors is independent under the Marketplace Rules of Nasdaq. In particular, each of these directors is independent as defined under Rule 4200(a)(15) and Rule 4350(d)(2)(A)(ii). The Board has also determined that Mr. Batten qualifies as an Audit Committee Financial Expert as defined by the rules and regulations of the Securities and Exchange Commission (the “SEC”). Only this paragraph of the Report of the Audit Committee shall be incorporated by reference into the Company’s Annual Report on form 10-K filed with the SEC under the Exchange Act, notwithstanding the incorporation by reference of this Report of the Audit Committee into such filing.

The primary duties and responsibilities of the Audit Committee are to (i) monitor the Company’s financial reporting process and systems of internal control, (ii) monitor the independence and performance of the Company’s independent registered public accounting firm and outsourced internal auditors, and (iii) assure that management, the board of directors, the outsourced internal auditors and the independent auditors have the opportunity to communicate with one another.

The Committee has reviewed and discussed the audited consolidated financial statements with management and has discussed with the independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Audit Committee has also received the written disclosures and the letter from BKD, LLP, the Company’s independent registered public accounting firm, required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee has discussed with the independent registered public accounting firm that firm’s independence. The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the independence of the independent registered public accounting firm. The Audit Committee has concluded that the independent registered public accounting firm is independent from the Company.

Based upon the Audit Committee’s discussions and review described above, the Audit Committee recommended that the Board of Directors include the audited consolidated financial statements in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2006 for filing with the SEC.

SECOND PROPOSAL: RATIFICATION OF BKD, LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The independent registered public accounting firm for the period ended December 31, 2006 for the Company and its subsidiary, the Bank, were BKD, LLP. In accordance with its charter, the Audit Committee has selected and appointed BKD, LLP to continue as the independent registered public accounting firm of the Company for the fiscal year ending December 31, 2007. As part of good corporate practice, the Audit Committee and the Company's Board of Directors are requesting that its stockholders ratify such appointment. The Audit Committee is not required to take any action as a result of the outcome of the vote on this proposal. If the stockholders do not ratify the appointment, however, the Audit Committee may investigate the reasons for stockholder rejection and may consider whether to retain BKD, LLP or to appoint another independent registered public accounting firm.

A representative of BKD, LLP will be present at the Annual Meeting. The representative will have an opportunity to make a statement, if so desired, and will be available to respond to appropriate questions.

The Board of Directors of the Company unanimously recommends that the stockholders vote FOR the ratification of the appointment of BKD, LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2007.

MISCELLANEOUS

The Board of Directors is not aware of any business to come before the Annual Meeting other than those matters described above in this proxy statement. However, if any other matters should properly come before the meeting, it is intended that proxies in the accompanying form will be voted in respect thereof in accordance with the judgment of the persons named in the accompanying proxy. If the Company did not have notice of a matter on or before April 23, 2007, it is expected that the persons named in the accompanying proxy will exercise discretionary authority when voting on that matter.

It is anticipated that the Company's annual report to stockholders for the period ended December 31, 2006, including financial statements, will be mailed on April 20, 2007, together with this proxy statement, to all stockholders of record as of the Record Date. Any stockholder who has not received a copy of the annual report may obtain a copy by writing to the Secretary of the Company at the Company's address as provided at the end of the next section of this proxy statement.

STOCKHOLDER PROPOSALS

In order to be eligible for inclusion in the Company's proxy materials for next year's annual meeting of stockholders, any stockholder proposal to take action at such meeting must be received at the Company's executive offices at 1341 W. Battlefield, Springfield, Missouri 65807-4181, no later than December 22, 2007.

In the event the Company receives notice of a stockholder proposal to take action at next year's annual meeting of stockholders that is not submitted for inclusion in the Company's proxy material, or is submitted for inclusion but is properly excluded from the proxy material, the persons named in the proxy sent by the Company to its stockholders intend to exercise their discretion to vote on the stockholder proposal in accordance with their best judgment if notice of such proposal is received at the Company's main office between 60 days and 30 days prior to the meeting. If next year's annual meeting is held on May 23, 2008, then stockholder proposals would have to be delivered to the Company between March 23, 2008 and April 23, 2008. The Company's Certificate of Incorporation provides that if notice of a stockholder proposal to take action at next year's annual meeting is not received at the Company's main office between 60 days and 30 days prior to the meeting, the proposal will not be eligible for presentation at that meeting. However, if less than 31 days' notice of the annual meeting is provided, a stockholder's proposal would have to be received no later than 10 days after notice was mailed to the stockholders by the Company for that meeting.
