Item 8.01 Other Events.

Dorman Products, Inc., (the “Company”) issued a press release on May 15, 2008, announcing that the Company has sold the assets of its catalytic converter business to Eastern Manufacturing, Inc. (“Eastern Catalytic”) and entered into a joint venture agreement with Eastern Catalytic to mutually develop, manufacture and distribute an integrated exhaust manifold and converter product line. Total proceeds from the sale are expected to be equal to approximately the book value of the assets on the Company’s financial statements. The Company expects to record severance and shutdown expenses of approximately \$0.3 million as a result of the sale.

Under the terms of the joint venture agreement, the Company and Eastern Catalytic will co-develop and market a line of integrated exhaust manifolds and catalytic converters for the traditional, retail and export automotive channels. In addition, the arrangement will enable the Company to offer Eastern Catalytic’s full line of direct fit catalytic converters to the automotive aftermarket. The Company will continue to maintain its Canadian distribution facility for its Dorman-branded line of automotive aftermarket products.
