Q: Can I attend the Annual Meeting?

A: All Cesca stockholders as of the record date, March 7, 2014, or their duly appointed proxies, may attend the Annual Meeting. If you are the beneficial owner of Cesca shares held in street name, please bring proof of ownership such as a brokerage statement or letter from the broker, bank or other nominee that is the owner of record of the shares.

Q: How many votes must be present or represented to conduct business at the Annual Meeting?

A: The presence of a majority of the shares eligible to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Presence is determined by the stockholder entitled to vote the shares being present at the Annual Meeting or having properly submitted a proxy with respect to the shares. In compliance with Delaware General Corporate Law, abstentions and broker “non-votes” will be counted as present and entitled to vote at the Annual Meeting and are thereby included for purposes of determining whether a quorum is present at the Annual Meeting.

A broker “non-vote” occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker, bank or nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner.

If sufficient votes to constitute a quorum are not received by the date of the Annual Meeting, the persons named as proxies in this proxy statement may propose one or more adjournments of the meeting to permit further solicitation of proxies. Adjournment would require the affirmative vote of the holders of a majority of the outstanding shares of Cesca common stock present in person or represented by proxy at the Annual Meeting. The persons named as proxies in this proxy statement would generally exercise their authority to vote in favor of adjournment.

Q: What is the voting requirement to approve each of the proposals?

A: A plurality of the voting power of the shares present in person or represented by proxy at the Annual Meeting is required for the election of directors (Proposal 1). Thus, the nominees for director receiving the highest number of affirmative votes will be elected as members of Cesca’s Board of Directors to serve until Cesca’s next Annual Meeting of Stockholders. There is no cumulative voting in the election of directors.

The affirmative vote of a majority of the shares of common stock present in person or represented by proxy is required to approve Proposals 2 – 10.

Q: How are votes counted?

A: With respect to the election of directors, you may vote “FOR” or “WITHHOLD” on each of the five nominees.

With respect to other proposals, you may vote “FOR”, “AGAINST” or “ABSTAIN” on each proposal. Abstentions are deemed to be votes cast and thereby have the same effect as a vote against the proposal. Broker non-votes are not deemed to be votes cast and thereby do not affect the outcome of the voting on the proposal.

Q: What happens if one or more of the director nominees is unable to stand for election?

A: The Board of Directors may reduce the number of directors or select a substitute nominee. In the latter case, if you have submitted your proxy via the internet or by telephone or completed and returned your proxy card or voting instruction card, Matthew Plavan or Dan Bessey as proxy holders, will have the discretion to vote your shares for the substitute nominee.

Q: Where can I find the voting results of the Annual Meeting?

A: Elana McVay, Cesca's Assistant Corporate Secretary, will tabulate the votes and act as the inspector of election. We intend to announce preliminary voting results at the Annual Meeting. We will provide final results on a Form 8-K within four business days of the Annual Meeting.

Q: Who pays for the proxy solicitation process?

A: Cesca will bear the cost of soliciting proxies, including the cost of preparing, posting and mailing proxy materials. In addition to soliciting stockholders by mail and through its regular employees, Cesca will request brokers, banks and other nominees to solicit their customers who hold shares of Cesca common stock in street name. Cesca may reimburse such brokers, banks and nominees for their reasonable, out-of-pocket expenses. Cesca may also use the services of its officers, directors and employees to solicit proxies, personally or by telephone, mail, facsimile or email, without additional compensation other than reimbursement for reasonable, out-of-pocket expenses. Cesca has retained Georgeson, Inc. to aid in the solicitation of proxies and anticipate that the costs of such services will be less than \$12,000.

Electronic delivery of stockholder communications helps Cesca to conserve natural resources and to save money by reducing printing, postage and service provider costs.

CORPORATE GOVERNANCE AND BOARD OF DIRECTORS MATTERS

General

Our Board of Directors believes that good corporate governance is important to ensure that Cesca is managed for the long-term benefit of our stockholders. This section describes key corporate governance guidelines and practices that we have adopted. Complete copies of our corporate governance guidelines, committee charters and code of ethical conduct described below are available under the investor information section of our website at www.cescatherapeutics.com.

Board Operating and Governance Guidelines

Our Board of Directors has adopted a number of operating and governance guidelines, including the following:

- Majority of the members of the Board should be independent directors;
- Formalization of the ability of each committee to retain independent advisors;
- Performance of an annual assessment of the Board's performance by the Governance and Nominating Committee;
- Directors will have open access to the Company's management; and

Independent directors may meet in executive session prior to or after each regularly scheduled Board meeting without management present.

Board Leadership Structure

Craig Moore, an independent director, serves as our Chairman of the Board. The Board has had the same individual serve as Chief Executive Officer and Board chairman in the past, but does not believe that structure to be the most desirable structure for the Company at this time. The Board views independent oversight of management as an important component of an effective board of directors and believes that a separated Chief Executive Officer and Chairman structure provides the Board with the greatest diversity of ideas and experience. The Chairman of the Board is responsible for coordinating the Board's activities, including the scheduling of meetings of the full Board, scheduling executive sessions of the non-employee directors and setting relevant items on the agenda (in consultation with the Chief Executive Officer as necessary or appropriate). The Chief Executive Officer is responsible for setting the strategic direction for the Company and the day to day leadership and performance of the Company.

Risk Oversight

The Board has an active role, as a whole and also at the committee level, in overseeing risk management. The Board regularly reviews information regarding the Company's liquidity and operations, as well as the risks associated with each. The Company's Compensation Committee is responsible for overseeing the management of risks relating to the Company's executive compensation plans and arrangements. The Audit Committee oversees management of risks relating to financial reporting, internal controls and compliance with legal and regulatory requirements. The Governance and Nominating Committee oversees the management of risks associated with corporate governance, the independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board of Directors is regularly informed through committee reports about such risks.

Governance and Nominating Committee

The Governance and Nominating Committee was formed to address general governance and policy oversight; succession planning; to identify qualified individuals to become prospective Board members and make recommendations regarding nominations for the Board of Directors; to advise the Board with respect to appropriate composition of Board committees; to advise the Board about and develop and recommend to the Board appropriate corporate governance documents and assist the Board in implementing guidelines; to oversee the annual evaluation of the Board and the Company's Chief Executive Officer, and to perform such other functions as the Board may assign to the committee from time to time. The Governance and Nominating Committee has a Charter which is available on the Company's website at www.cescatherapeutics.com. The Governance and Nominating Committee consists of three independent directors: Mr. McEnany (Governance and Nominating Committee Chairman), Mr. Moore and Mr. Stracey.

Audit Committee

The Audit Committee of the Board of Directors makes recommendations regarding the retention of the independent registered public accounting firm, reviews the scope of the annual audit undertaken by our independent registered public accounting firm and the progress and results of their work, reviews our financial statements, and oversees the internal controls over financial reporting and corporate programs to ensure compliance with applicable laws. The Audit Committee reviews the services performed by the independent registered public accounting firm and determines whether they are compatible with maintaining the registered public accounting firm's independence. The Audit Committee has a Charter, which is reviewed annually and as may be required due to changes in industry accounting practices or the promulgation of new rules or guidance documents. The Audit Committee Charter is available on the Company's website at www.cescatherapeutics.com. The Audit Committee consists of three independent directors as determined by NASD listing standards: Mr. Moore (Audit Committee Chairman), Mr. McEnany and Mr. Stracey. Mr. Moore and Mr. McEnany are qualified as Audit Committee Financial Experts as defined in Regulation S-K Item 407(d)(5)(ii).

Compensation Committee

The Compensation Committee of the Board of Directors reviews and approves executive compensation policies and practices, reviews salaries and bonuses for our Chief Executive Officer and Chief Financial Officer, administers the Company's stock option plans and other benefit plans, and considers other matters as may, from time to time, be referred to them by the Board of Directors. The Compensation Committee has a charter which is available on the Company's website at www.cescatherapeutics.com. The Compensation Committee consists of three independent directors: Mr. Stracey (Compensation Committee Chairman), Mr. McEnany and Mr. Moore.

Compensation Committee Interlocks and Insider Participation

None of the members of our Compensation Committee were at any time an officer or employee of ours. In addition, none of our executive officers serves as a member of the compensation committee of any entity that has one or more executive officers serving as a member of our Compensation Committee.

Nominations to the Board of Directors

Our directors take a critical role in guiding our strategic direction and oversee the management of the Company. Board candidates are considered based upon various criteria, such as their broad-based business and professional skills and experiences, a global business and social perspective, concern for the long-term interests of the stockholders and personal integrity and judgment. In addition, directors must have time available to devote to Board activities and to enhance their knowledge of the regenerative medicine industry. Accordingly, we seek to attract and retain highly qualified directors who have sufficient time to attend to their substantial duties and responsibilities to the Company.

The Board of Directors has a Governance and Nominating Committee. The Board believes given the diverse skills and experience required to grow the Company that the input of all members is important for considering the qualifications of individuals to serve as directors, but does not have a formal diversity policy; however, the Board encourages diversity. Further, the Governance and Nominating Committee believes that the minimum qualifications for serving as director of the Company are that a nominee demonstrate, by significant accomplishment in his or her field, an ability to make a meaningful contribution to the Board's oversight of the business and affairs of the Company and have an impeccable record and reputation for honest and ethical conduct in both his or her professional and personal activities. The Board may retain professional consultants to aid in identifying potential candidates to ensure that any vacancies on the Board are filled on a timely basis with qualified candidates. Whenever a new seat or a vacated seat on the Board is being filled, candidates that appear to best fit the needs of the Board and the Company are identified and, unless such individuals are well known to the Board, they are interviewed and further evaluated by the

Governance and Nominating Committee. Candidates selected by the Governance and Nominating Committee are then recommended to the full Board for their appointment or nomination to stockholders. The Governance and Nominating Committee recommends a slate of directors for election at the annual meeting. In accordance with Nasdaq rules, the slate of nominees is approved by a majority of the independent directors.

11

Table of Contents

In carrying out its responsibilities, the Board will consider candidates suggested by stockholders. If a stockholder wishes to formally place a candidate's name in nomination, however, he or she must do so in accordance with the provisions of the Company's Bylaws. Suggestions for candidates to be evaluated by the Nominating Committee must be sent to Assistant Corporate Secretary, 2711 Citrus Road, Rancho Cordova, California 95742. Candidates nominated by stockholders are reviewed and vetted in a similar process to those that the Board becomes aware of from other sources.

Board and Committee Meetings and Attendance

In fiscal 2013, the Board of Directors met twenty (20) times, the Audit Committee met five (5) times and the Governance and Nominating Committee met two (2) times. Each director attended at least 75% of the meetings of the Board of Directors held while serving as a director. Each director attended all of the meetings of the committees upon which he served. All Directors nominated at the 2012 annual meeting of stockholders attended. The Board encourages, but does not require Directors to attend the Annual Meeting of Stockholders.

Stockholders may send communications to the Board by mail to the Chairman of the Board, Cesca Therapeutics Inc., 2711 Citrus Road, Rancho Cordova, California 95742.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely upon a review of Forms 3, 4 and 5 delivered to the Company as filed with the Securities and Exchange Commission, directors and officers of the Company and persons who own more than 10% of the Company's common stock timely filed all required reports pursuant to Section 16(a) of the Securities Exchange Act of 1934, except for Mr. Stracey and Mr. Moore who were three days late filing a Form 4 due to administrative oversight.

COMPENSATION DISCUSSION AND ANALYSIS

This compensation discussion and analysis describes the material elements of the Company's compensation programs as they relate to our executive officers who are listed in the compensation tables appearing elsewhere in this proxy statement. This compensation discussion and analysis focuses on the information contained in the following tables and related footnotes, but also describes other arrangements and actions taken since the end of fiscal 2013 to the extent such discussion enhances the understanding of our executive compensation for fiscal 2013. Throughout this proxy statement, the individuals who served as the Company's Chief Executive Officer and Chief Financial Officer during fiscal 2013, as well as the other individuals included in the Summary Compensation Table, are referred to as the "named executive officers" or "NEOs".

Overview of Compensation Committee Role and Responsibilities

The Compensation Committee of the Board of Directors oversees our compensation plans and policies, reviews and approves all decisions concerning the Chief Executive Officer and Chief Financial Officer's compensation, which may further be approved by the Board, and administers our stock option and equity plans, including reviewing and approving stock option grants and equity awards under the plans. The Compensation Committee's membership is determined by the Board and is composed entirely of independent directors.

Management plays a role in the compensation-setting process. The most significant aspects of management's role are to evaluate employee performance and recommend salary levels and equity compensation awards. Our Chief Executive Officer often makes recommendations to the Compensation Committee and the Board concerning compensation for other executive officers. Our Chief Executive Officer is a member of the Board, but does not participate in Board decisions regarding any aspect of his own compensation. The Compensation Committee can retain independent advisors or consultants and has done so in the past.

Compensation Committee Process

The Compensation Committee reviews executive compensation upon the signing of an employment agreement, an increase in responsibilities or other factors. With respect to equity compensation awarded to other employees, the Compensation Committee or the Board grants stock options, often after receiving a recommendation from our Chief Executive Officer. The Compensation Committee also evaluates proposals for incentive and performance equity awards, and other compensation.

Compensation Philosophy

The Compensation Committee emphasizes the important link between the Company's performance, which ultimately affects stockholder value, and the compensation of its executives. Therefore, the primary goal of the Company's executive compensation policy is to align the interests of the executive officers with the interests of the stockholders. In order to achieve this goal, the Company attempts to, (i) offer compensation opportunities that attract and retain executives whose abilities and skills are critical to the long term success of the Company and reward them for their efforts in ensuring the success of the Company, (ii) align the Company's compensation programs with the Company's long-term business strategies and objectives, and (iii) provide variable compensation opportunities that are directly linked to the Company's performance and stockholder value, including an equity stake in the Company. Our named executive officers' compensation utilizes two primary components - base salary and long-term equity compensation - to achieve these goals. There have been no bonus plan pay-outs as we have not yet achieved profitability, a prerequisite for pay-out per our historical bonus plans. Additionally, the Compensation Committee may award discretionary bonuses to certain executives based on the individual's contribution to the achievement of the Company's strategic objectives.

Setting Executive Compensation

We set executive base compensation at a level we believe enables us to hire and retain individuals in a competitive environment and to reward satisfactory individual performance and a satisfactory level of contribution to our overall business goals. We also take into account the compensation that is paid by companies that we believe to be our competitors and by other companies with which we believe we generally compete for executives.

In establishing compensation packages for executive officers, numerous factors are considered, including the particular executive's experience, expertise and performance, our Company's overall performance and compensation packages available in the marketplace for similar positions. In arriving at amounts for each component of compensation, our Compensation Committee strives to strike an appropriate balance between base compensation and incentive compensation. The Compensation Committee also endeavors to properly allocate between cash and non-cash compensation and between annual and long-term compensation. The Company has entered into employment agreements with Mr. Plavan, our Chief Executive Officer, Mr. Bessey our Chief Financial Officer, Mr. Harris, our President and Mr. Sivilotti.

Base Salary

The Company provides executive officers and other employees with base salary to compensate them for services rendered during the fiscal year. Subject to the provisions contained in employment agreements with executive officers concerning base salary amounts, base salaries of the executive officers are established based upon compensation data

of comparable companies in our market, the executive's job responsibilities, level of experience, individual performance and contribution to the business. We believe it is important for the Company to provide adequate fixed compensation to highly qualified executives in our competitive industry. In making base salary decisions, the Compensation Committee uses its discretion and judgment based upon personal knowledge of industry practice, but does not apply any specific formula to determine the base salaries for the executive officers.

401(k) Plan

The Company maintains a retirement savings plan, or 401(k) Plan, for the benefit of our executives and employees. Our 401(k) Plan is intended to qualify as a defined contribution arrangement under the Internal Revenue Code (Code). Participants may elect to defer a percentage of their eligible pretax earnings each year or contribute a fixed amount per pay period up to the maximum contribution permitted by the Code. All participants' plan accounts are 100% vested at all times. All assets of our 401(k) plan are currently invested, subject to participant-directed elections, in a variety of mutual funds chosen from time to time by the Plan Administrator. Distribution of a participant's vested interest generally occurs upon termination of employment, including by reason of retirement, death or disability. Historically, we have not made matching contributions to the 401(k) Plan.

Perquisites and Other Personal Benefits

The Company's executive officers participate in the Company's medical, dental and disability insurance benefit plans on the same terms as other employees. The Company provides the NEOs and certain key employees with life insurance benefits at two times their annual salary, up to \$500,000. Relocation benefits also are reimbursed and are individually negotiated when they occur. The Company reimburses each executive officer for all reasonable business and other expenses incurred by them in connection with the performance of their duties and obligations. The Company does not provide named executive officers with any significant perquisites or other personal benefits.

Accounting and Tax Considerations

Section 162(m) of the Code limits the Company to a deduction for federal income tax purposes of up to \$1 million of compensation paid to certain named executive officers in a taxable year. Compensation above \$1 million may be deducted if it is "performance-based compensation". To maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals and due to the Company's substantial net operating loss carry forwards, the Compensation Committee has not adopted a policy requiring all compensation to be deductible. The Compensation Committee intends to continue to evaluate the effects of the compensation limits of Section 162(m) and to grant compensation awards in the future in a manner consistent with the best interests of the Company and its stockholders.

Potential Payments upon Termination or Change in Control

Our named executive officers have certain change of control rights under employment agreements or current company policy. The Compensation Committee considers these policies to provide the named executive officers with the ability to make appropriate, informed decisions on strategy and direction of the Company that may adversely impact their particular positions, but nevertheless are appropriate for the Company and its stockholders. Our Compensation Committee believes that companies should provide reasonable severance benefits to employees, recognizing that it may be difficult for them to find comparable employment within a short period of time and that severance arrangements may be necessary to attract highly qualified officers in a competitive hiring environment.

The following table describes the potential payments upon a hypothetical termination without cause or due to a change in control of the Company on June 30, 2013 for the NEO's. The actual amounts that may be paid upon an executive's termination of employment can only be determined at the actual time of such termination.

(1) Payable in a lump-sum payment.

This table does not include an estimate for the acceleration of vesting of stock options upon a change in control as (2) this benefit is available to all employees with outstanding stock options as provided in the Equity Plans at the discretion of the Plan Administrator.

The CEO's prior Employment Agreement provided for a one-time payment equal to twelve months base salary in the event there is a Change of Control and the CEO continues to work in his current position with no significant (3) changes. However, under the employment agreement approved on October 25, 2013 the CEO will only receive a payment if terminated upon a change of control as defined below.

(4) Payable in biweekly installments for one year.

Under the Company's Executive Change of Control Policy, "change of control" means an event involving one transaction or a related series of transactions in which one of the following occurs:

- a) the Company issues securities equal to 50% or more of the Company's issued and outstanding voting securities, determined as a single class;
- b) the Company issues securities equal to 50% or more of the issued and outstanding common stock of the Company in connection with a merger, consolidation or other business combination;
- c) the Company is acquired in a merger or other business combination transaction in which the Company is not the surviving company; or
- d) all or substantially all of the Company's assets are sold or transferred.

Under Mr. Plavan's prior employment agreement "cause" is defined as:

- a) willful or habitual breach of Executive's duties;
- b) fraud, dishonesty, deliberate injury or intentional material misrepresentation by Executive to the Company or any others;

Table of Contents

- c) embezzlement, theft or conversion by Executive;
- d) unauthorized disclosure or other use of the Company's trade secrets, customer lists or confidential information;
- e) habitual misuse of alcohol or any non-prescribed drug or intoxicant;
- f) willful misconduct that causes material harm to the Company;
- g) willful violation of any other standards of conduct as set forth in Company's employee manual and policies;
- h) conviction of or plea of guilty or nolo contendere to a felony or misdemeanor involving moral turpitude; continuing failure to communicate and fully disclose material information to the Board of Directors, the failure of
- i) which would adversely impact the Company or may result in a violation of state or federal law, including securities laws; or
- j) debarment by any federal agency that would limit or prohibit Executive from serving in his capacity for the Company under this Agreement.

Under the most recent employment agreements for Mr. Plavan and Mr. Bessey approved October 25, 2013, "change of control" is defined as: an event involving one transaction or a related series of transactions in which one of the following occurs:

- (a) The Company issues securities equal to fifty percent 50% or more of the Company's issued and outstanding voting securities, determined as a single class, to any individual, firm, partnership or other entity, including a "group" within the meaning of Section 13(d)(3) of the Securities Exchange Act of 1934;
- (b) The Company issues securities equal to fifty percent 50% or more of the issued and outstanding common stock of the Company in connection with a merger, consolidation or other business combination;
- (c) The Company is acquired in a merger or other business combination transaction in which the Company is not the surviving company; or
- (d) all or substantially all of the Company's assets are sold or transferred to a third party.

Long-term Equity Compensation

The Compensation Committee provides the Company's executive officers with long-term equity compensation in the form of stock option grants or restricted stock grants under the Company's 2006 Equity Incentive Plan (the "Equity Plan"). The ability to provide equity incentives, through the granting of stock options and other equity-based compensation, gives the Compensation Committee the ability to create a combination of cash and stock-based incentive compensation programs to promote high performance and achievement of corporate goals by executives and employees. The Compensation Committee believes that stock based compensation provides the Company's executive officers with the opportunity to maintain an equity interest in the Company and to share in the appreciation of the value of the Company's common stock, thereby motivating the executive to maximize long-term stockholder value. It is the Company's practice to grant options or restricted stock from time to time to executive officers at the fair market value of the Company's common stock on the date of grant. The option grants also place what can be a significant element of compensation at risk, because stock options have value for the executive only if the market price of the Company's stock increases above the fair market value on the grant date and the executive remains in the Company's employ for the period required for the shares to vest. The Compensation Committee considers each grant subjectively, considering factors such as the individual performance of the executive officer, the anticipated contribution of the executive officer to the attainment of the Company's long-term strategic performance goals and the need to retain key employees. The number of stock options or restricted stock shares granted to other executives in prior years and the total number of shares available for issuance under the Equity Plans are also taken into consideration.

Stock options typically have been granted to executive officers when the executive first joins the Company, in connection with a significant change in responsibilities, in response to changes in industry practices and, occasionally, to achieve equity within a peer group. The Compensation Committee may, however, grant additional stock options to

executives and employees for other reasons. Awards of equity-based compensation are not routinely made, but may occur throughout the year. Stock options granted to the named executive officers have vesting schedules ranging from three to four years. Generally, we do not time the granting of our options or awards with any favorable or unfavorable news released by the Company, except that on occasion, the Compensation Committee times the grant to occur after information concerning the Company is publicly released.

Although the Company has historically only issued stock options and restricted shares, it may in the future grant stock appreciation rights, or other equity-based compensation as permitted in the Equity Plans and as determined appropriate by the Compensation Committee.

Bonuses

The bonus component of executive compensation is designed to reflect the Compensation Committee's belief that a portion of the compensation of each executive officer should be contingent upon the performance of the Company, as well as the individual contribution of each executive officer. The bonus is intended to motivate and reward executive officers by allowing the executive officers to directly benefit from the success of the Company. However, we have from time to time paid signing, retention, referral or other bonuses to particular executive officers. Our executive employment contract and policy provide generally for a discretionary bonus of up to 35% of the executive's base salary, which is to be determined by the Compensation Committee based on individual performance criteria and Company achievement of profitability during the year.

As Vice President of Commercial Operations & Marketing, Mr. Baker is eligible for a sales commission program in which approximately 35% of his base salary has been established as the commission pool, paid out based upon performance to quarterly goals. Historically, the V.P. of sales has achieved approximately 30 - 36% of his annual commission pool.

Risk Assessment

We do not believe that risks arising from our compensation policies and practices are reasonably likely to have a material adverse effect on the Company. We believe our approach to goal setting and evaluation of performance results assist in mitigating excessive risk-taking that could harm our value or reward poor judgment by our executives. We believe we have allocated our compensation among base salary and short-and long-term compensation opportunities in such a way as to not encourage risk-taking. The multi-year vesting of our equity awards are intended to properly account for the time horizon of risk. Our insider trading policy prohibits short selling of our Company's stock or the purchase or sale of puts or calls for speculative purposes.

Increase in Executive Compensation Subsequent to Year End

During the current fiscal year 2014, the Compensation Committee conducted an executive compensation analysis and assessment. The Compensation Committee engaged an independent compensation consultant, Radford, an Aon Hewitt Company, to help formulate compensation policy, strategy, and design, and to advise on overall best practices.

Subsequent to year ended June 30, 2013, on March 1, 2014, after giving consideration to a certain survey discussed below, and in recognition of the successful implementation of the Company's strategic transformation, the Compensation Committee made the following changes to executive compensation:

Named Executive Officer	Annual Salary ⁽¹⁾	Cash Bonus ⁽²⁾	Long-Term Incentive Awards ⁽³⁾	
			Options	Restricted Stock Awards
Matthew Plavan, Chief Executive Officer	\$425,000	\$100,000	100,000	210,000
Dan Bessey, Chief Financial Officer	\$280,000	\$50,000	33,585	67,500
Hal Baker, ⁽⁴⁾ V.P. Commercial Operations & Marketing			18,700	37,500
Ken Pappa, V.P. Engineering, Manufacturing & IT	\$250,000	\$10,000	18,700	37,500

- (1) Annual salary increase is effective March 1, 2014.
- (2) Represents a cash bonus payable March 1, 2014.
- (3) Long-term incentive awards consisting of stock options and restricted stock awards are subject to vesting over a three year period.
- (4) Mr. Baker's salary was deemed materially consistent with the 25th percentile.

24

Table of Contents

The long-term incentive awards consisting of options and restricted awards are being issued pursuant to the Company's 2006 Equity Incentive Plan and are subject to a three year vesting. The exercise price for each stock option was \$2.18 per share which represents the closing price of the Company's common stock as reported on the Nasdaq Capital Market on March 3, 2014.

As part of its executive compensation analysis and assessment, the Compensation Committee engaged Radford, Aon Hewitt company, to develop an appropriate peer group and provide the Compensation Committee with base pay, short-term incentive and long-term equity incentive market data from said peer group. Radford also advised the Compensation Committee on cash and equity compensation specifically for the directors and officers.

Comparative Benchmarking

The Compensation Committee relied on a combination of resources to review and benchmark executive compensation and set the compensation of the CEO and other NEOs. Radford prepared a comparative report of companies operating in our industry with reported revenues, net income and market values the Company and Radford consider to be within a reasonable range of our same metrics. Following is a list of companies included in the 2014 peer group:

- Aastrom BioSciences, Inc.
- Cytori Therapeutics
- Peregrine Pharmaceuticals
- Advanced Cell Technologies
- Dynavax Technologies
- Pluristem Therapeutics
- Anacor Pharmaceuticals
- Enzon
- Sangamo Biosciences
- Athersys
- Geron
- Stemcells
- Cleveland Biolabs
- Novavax
- Taracept
- Cytokinetics

In addition to the companies analyzed in the comparison group above, Radford also gathered and presented data from Radford's 2013 Global Life Sciences survey for bio-pharmaceutical companies with employees less than 250.

Based on the data gathered and analyzed for the comparator group and the survey group, Radford made the following observations regarding executive compensation at the Company:

- Executive base salaries are below the market 25th percentile
- CEO short term target incentive is below the market 25th percentile
- NEO's (other than the CEO) short term target incentives are below the market 50th percentile
- The Company does not have a formal annual equity incentive plan
- Total target compensation (cash plus equity) is below the market 25th percentile

In determining the total direct compensation for the NEO's for 2014 disclosed above, the Compensation Committee took the following facts and trends also into consideration:

- Executive target cash and direct compensation is below the market 25th percentile
- The CEO has not had a salary increase since June 2011

In January 2012, management began the implementation of its strategy to build greater shareholder value by further leveraging its assets and expertise to develop and commercialize cell therapies to treat patients in large disease populations, i.e. regenerative medicine. This effort began with a major restructuring of the company, and over the past two years has included the divestiture of non-core products, a streamlining of resources to focus on the base cord blood business and acquiring the necessary clinical and scientific capabilities required to develop cell biologics targeting major clinical indications. The board and management believe the recent formation of Cesca Therapeutics and the \$6.7 million capital market financing are two key milestone achievements that illustrate the strategy is working to create sustained shareholder value in regenerative medicine

A brief summary of the substantive changes and supporting statement for each of Proposals 2, 3, 4, and 5 are provided below. The summary, in each case, is qualified in its entirety by reference to the full text of the proposed amendment which is provided by specific reference to the appropriate Articles and Sections of Amended and Restated Bylaws of the Company which is attached as Annex A to this proxy statement and which shows the proposed additions and deletions when compared to our current bylaws, as filed as Exhibit 3.1(b) to Form 10-KSB/A filed November 4, 1994 amending the Form 10-KSB for the year ended June 30, 1994 (the "Current Bylaws"). PROPOSAL 2

APPROVAL OF AMENDMENT TO OUR BYLAWS FOR CLARIFYING CERTAIN ADMINISTRATIVE FUNCTIONS, INCLUDING CHANGING THE NAME TO CESCA THERAPEUTICS INC. AND PROVIDING OF NOTICE AND STOCKHOLDER RECORDS ELECTRONICALLY

The board of directors is proposing for approval by the stockholders certain administrative amendments to Article I, Section 1, and Article II, Sections 4, and 14 of the Current Bylaws.

Article I, Section 1 would change our name to Cesca Therapeutics Inc. from ThermoGenesis Corp. to reflect the acquisition of TotiPotentRX by merger and concurrent name change.

Article II Section 4 of the Current Bylaws will be amended to allow for the notice of a stockholders' meeting through electronic means. Article II Section 15 will allow a list of stockholders open to the examination of any stockholder through an electronic network.

Reason for the Amendments

On February 18, 2014, the Company completed the acquisition of TotiPotentRX by merger and, as part of the transaction, changed its name to Cesca Therapeutics Inc. The Company is amending its Current Bylaws to reflect the name change.

With regards to the other administrative amendments, in July, 2000, the Delaware General Corporation Law ("DGCL") statute was amended to permit Delaware corporations to take fuller advantage of email and other technological advances. One provision provides that notices to a stockholder under a corporation's bylaws may be given by electronic transmission. In addition, DGCL states that the stockholder list be available at the place of the meeting or another specified place in the city where the meeting is being held for ten days prior to the meeting has been deleted. A new provision requires the list to be available for the ten-day period either on a reasonably accessible electronic network or at the corporation's principal place of business

The board of directors is proposing an amendment to Article II, Section 4 of the Current Bylaws to provide for the notice of a stockholders' meeting through electronic means. Article II Section 15 will allow a list of the Company's stockholders to open by the examination of any stockholder through an electronic network.

Vote Required and Board of Directors' Recommendation

The affirmative vote of the holders of a majority of the votes which could be cast by the holders of all shares of common stock outstanding and entitled to vote on Proposal 2 is required to approve this Proposal 2. Our board of directors has unanimously recommends that the stockholders to vote "FOR" this Proposal 2.

PROPOSAL 3

APPROVAL OF AMENDMENT TO OUR BYLAWS TO ALLOW THE NUMBER OF DIRECTORS TO BE SET BY THE BOARD

The board of directors is proposing for approval by the stockholders an amendment to Article II, Section 2 of our Current Bylaws to eliminate range of the number of directors from three to seven directors to a number to be determined by the board of directors with the exact number as the board shall from time to time fix by resolution. Proposal 3 language is set forth in the Proposed Amended and Restated Bylaws set forth in Annex A.

Proposal

If Proposal 3 is adopted, the number of directors of the board will be determined by the board of directors by resolution which is permitted under DGCL.

Reasons for the Proposal

Currently, the number of directors consists of six members. In connection with the acquisition of TotiPotentRX, TotiPotentRX had the right to appoint two directors to the Company's board of directors of which one director has already been appointed. If certain TotiPotentRX assignees exercise their right to nominate another member to the Company's board of directors, the number of directors shall be seven which will be the maximum range of directors allowed under the Current Bylaws.

In order to provide the board of directors with the maximum flexibility, and as permitted under DGCL, the board of directors is proposing Proposal 3 to allow that the number of directors of the Company shall be set by the board of directors by resolution. This will allow the board of directors to add other qualified members as may arise from time to time. In addition, in the event the Company in the future engages in a merger, acquisition, reorganization of similar transaction with another company, this will provide the Company the maximum flexibility to offer board seats to the other company to promote continuity and unity of the combined company.

Adoption of Proposal 3 will prohibit stockholders the right to set the number or range of number directors for the Company which may become costly if the Company's board of directors becomes large in size. However, the Company stockholders will continue to vote on the Company's directors on an annual basis.

Although Proposal 3 to allow the board of directors to determine the size of the board is not intended an anti-takeover provision, coupled with other provisions, Proposal 3 could have an anti-takeover effect. Such other provisions include Proposal 4 to eliminate stockholder action by written consent and that the Company may issue "blank check" preferred stock with the rights, preferences and privileges as determined by the board of directors in their sole discretion. These provisions, collectively, could, under certain circumstances, discourage or make more difficult efforts to obtain control of the Company. The board of directors is not aware of any attempt, or contemplated attempt, to acquire control of the Company. This proposal is not being presented with the intent that it be used to prevent or discourage any acquisition attempt.

Vote Required and Board of Directors' Recommendation

The affirmative vote of the holders of a majority of the votes which could be cast by the holders of all shares of common stock outstanding and entitled to vote on Proposal 3 is required to approve this Proposal 3. Our board of directors has unanimously recommends that the stockholders to vote "FOR" this Proposal 3.

PROPOSAL 4

APPROVAL OF AMENDMENT TO OUR BYLAWS TO ELIMINATE
STOCKHOLDER ACTION BY WRITTEN CONSENT

The board of directors is proposing, for approval by the stockholders an amendment to Article II, Section 11 of our Current Bylaws to eliminate stockholder action by written consent without meeting of stockholders. If this Proposal 4 is adopted, stockholder action can only be taken at an annual or special meeting of stockholders.

Currently, any action required to be taken at any annual or special meeting of stockholders of the Company, or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. Proposal 4 language is set forth in the Proposed Amended and Restated Bylaws set forth in Annex A.

Proposal

If Proposal 4 to eliminated action taken by the stockholder by written consent is adopted, any action required by the stockholders could only be taken at an annual or special meeting of stockholders.

Reasons for the Proposal

Our board of directors has carefully considered the advantages and disadvantages of eliminating stockholder action by written consent and has determined that it is appropriate to amend the Current Bylaws to eliminate stockholder action by written consent in lieu of a stockholders' meeting.

Some stockholders believe that stockholders should be permitted to act by written consent because this provides a mechanism for stockholder action outside the normal meeting cycle. The board of directors' concern is that the written consent process, by its nature, is not conducive to an orderly and transparent debate on the merits of the proposed action, as would occur if it were raised at a stockholders' meeting. Moreover, action by written consent can be seen as inherently coercive in that consent solicitations may not give stockholders the benefit of the notice and disclosure requirements applicable to proxy solicitations. Furthermore, in the context of a hostile acquisition coupled with a written consent solicitation to remove the board, the uncertain timetable created by the fact that the removal is effective upon the delivery of the requisite number of consents could cause potentially interested third parties to be reluctant to enter into negotiations, given the risk that the board they are negotiating with could be removed at any time. Adoption of this Proposal 4 would not eliminate a stockholder's ability to vote on a proposed action; it would just require the action to be taken at stockholders' meeting where such action could be properly noticed, and where there would be adequate time to review and discuss the proposed action.

Although Proposal 4 to eliminate stockholder action by written consent is not intended an anti-takeover purposes, coupled with other provisions, Proposal 4 could have an anti-takeover effect. Such other provisions include Proposal 3 which is a proposal to allow the number of directors to be set by the board of directors, and that the Company may issue "blank check" preferred stock with the rights, preferences and privileges as determined by the board of directors in their sole discretion. These provisions, collectively, could, under certain circumstances, discourage or make more difficult efforts to obtain control of the Company. The board of directors is not aware of any attempt, or contemplated attempt, to acquire control of the Company. This proposal is not being presented with the intent that it be used to prevent or discourage any acquisition attempt.

Vote Required and Board of Directors' Recommendation

The affirmative vote of the holders of a majority of the votes which could be cast by the holders of all shares of common stock outstanding and entitled to vote on Proposal 4 is required to approve this Proposal 4. Our board of directors has unanimously recommends that the stockholders to vote "FOR" this Proposal 4.

PROPOSAL 5

APPROVAL OF AMENDMENT TO OUR BYLAWS TO PROVIDE
FOR A FORUM FOR ADJUDICATION OF DISPUTES

The board of directors is proposing, for approval by the stockholders an amendment to Article IX, Section 4 of our Current Bylaws to provide for the Delaware courts forum for the adjudication of disputes.

Proposal

If Proposal 5 is approved by our stockholders, our Current Bylaws would be amended by adding a new Article IX, Section 4 attached hereto as Annex A, which would provide that, unless the Company consented in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall be the sole and exclusive forum for (i) any derivative action or proceeding brought on behalf of the Company, (ii) any action asserting a claim of breach of a fiduciary duty owed by any director, officer, employee or agent of the Company to the Company or the Company's stockholders, (iii) any action asserting a claim arising pursuant to any provision of the DGCL or (iv) any action asserting a claim governed by the internal affairs doctrine under Delaware law, in each case subject to the Court of Chancery having personal jurisdiction over the indispensable parties named as defendants therein.

Reasons for the Proposal

The amendment is intended to assist the Company in avoiding multiple lawsuits in multiple jurisdictions regarding the same matter. The ability to require such claims to be brought in a single forum will help to assure consistent consideration of the issues, the application of a relatively known body of case law and level of expertise, and should promote efficiency and costs-savings in the resolution of such claims. The board of directors believes that the Delaware courts are best suited to address disputes involving such matters given that the Company is incorporated in Delaware and that the Delaware courts have a reputation for expertise in corporate law matters. The board of directors also believes that the Delaware courts have more experience and expertise in dealing with complex corporate issues than many other jurisdictions. For these reasons, the board of directors believes that providing for Delaware as the exclusive forum for the types of disputes listed above is in the best interests of the Company and its stockholders. At the same time, the board of directors believes that the Company should retain the ability to consent to an alternative forum on a case-by-case basis where the Company determines that its interest and those of its stockholders are best served by permitting such a dispute to proceed in a forum other than Delaware Chancery Court. It cannot be assured that all state courts will determine such a provision to be enforceable or will be willing to force the transfer of such proceedings to the Delaware courts.

We are aware that certain proxy advisors, and even some institutional investors, take the view that they will not support an exclusive forum clause such as our proposed amendment, unless the Company can show it already has suffered material harm as a result of multiple stockholder suits filed in different jurisdictions regarding the same matter. The board of directors believes this position fails to adequately take into account the prevalence of such litigation generally and the recent increase in stockholder litigation over proxy statement disclosures that threaten to delay or prevent a stockholder meeting at significant cost to the Company. These cases have typically been filed in a state, or in multiple states by multiple lawyers, including the Company's domicile, thus requiring a court, or courts, less familiar with the laws of the domicile to interpret and apply those laws, and to do so under a very tight timeframe. While the Company has not yet suffered such harm, we wish to act to prevent it.

Vote Required and Board of Directors' Recommendation

The affirmative vote of the holders of a majority of the votes which could be cast by the holders of all shares of common stock outstanding and entitled to vote on Proposal 5 is required to approve this Proposal 5. Our board of directors has unanimously recommends that the stockholders to vote "FOR" this Proposal 5.

Potential Amendments to the Company's Bylaws.

To the extent that Proposals 2, 3, 4, and 5 are approved by the stockholders, the Amended and Restated Bylaws will become effective promptly after the meeting. Proposals 2, 3, 4, and 5 are not inter-dependent, and if any of Proposals 2, 3, 4, and 5 are not approved by the stockholders, the changes intended to implement any Proposal not approved will not be incorporated in the Amended and Restated Bylaws.

PROPOSAL 6

APPROVAL TO AMEND AND RESTATE THE 2006 EQUITY INCENTIVE PLAN

Reasons for the Proposal

The Board of Directors believes that stock based awards have been very effective and have proven to be an important component of the Company's overall compensation and incentive strategy for eligible persons, including directors, officers, employees or consultants to the company. The Company believes that the equity incentive program is important in order to maintain the eligible person's the directors' motivation and compensate them for meeting the Company's short-term and long-term strategic goals. In addition, in light of the completion of the recent merger with TotipotentRX, the Compensation Committee believes the compensation plan should provide it with the appropriate level of flexibility to retain and hire qualified personnel for the Company's operations and to more closely align the eligible person's interest with stockholder's interests.

Background of the Proposal

You are being asked to approve the adoption of the proposed Amended and Restated 2006 Equity Incentive Plan ("Amended and Restated Plan") which is an improvement from the current 2006 Equity Incentive Plan in the following aspects.

Allowing the Compensation Committee to issue the number of awards to any one person during a given year. In general, currently, the number of awards that may be issued to one person is 125,000. The Compensation Committee believes that deletion of this restriction will provide it with the appropriate level of flexibility to retain and hire qualified personnel for the Company's operations and to more closely align the eligible person's compensation with stockholder interests.

Allowing the Compensation Committee the discretion to set forth vesting requirements, if any, in connection with the issuance of awards, including options, restricted stock and unrestricted stock awards. In addition, the amendments will allow the Compensation Committee to waive any existing vesting requirements in their discretion. Current requirements set forth a minimum vesting period of one year for performance based and three years for non-performance based options and one year for performance based and three years for non-performance based awards and restricted stock awards. In addition, current requirements allow discretionary waiving of vesting provisions for restricted stock awards only in the case of death, disability, change of control or lay-off. The Compensation Committee believes this change provides it with the appropriate level of flexibility to retain and hire qualified personnel for the Company's operations and to more closely align eligible person's compensation with stockholder interests.

Allow the Compensation Committee to designate the number, if any, and issue unrestricted stock as determined in their discretion. Currently, the 2006 Equity Incentive Plan sets forth the maximum number of shares issuable as unrestricted stock awards to 10% of the total number of shares authorize by the Plan in any given year. The Compensation Committee believes this change provides it with the appropriate level of flexibility to retain and hire qualified personnel for the Company's operations and to more closely align the eligible person's compensation with stockholder interests.

A copy of the Amended and Restated Plan is attached as Appendix B.

Vote Required and Board of Directors' Recommendation

The affirmative vote of the holders of a majority of the votes which could be cast by the holders of all shares of common stock outstanding and entitled to vote on Proposal 6 is required to approve this Proposal 6. Our board of

directors has unanimously recommends that the stockholders to vote “FOR” this Proposal 6.

PROPOSAL 7

ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the “Dodd-Frank Act”), our stockholders are entitled to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the SEC’s rules.

Please read the “Compensation of Named Executive Officers” section of this proxy statement for additional details about our executive compensation program.

We are asking our stockholders to indicate their support for our named executive officer compensation as described in this proxy statement. This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement.

We believe that our compensation policies and procedures are aligned with the long-term interests of our stockholders. The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or the Board. The Board and Compensation Committee value the opinions of our stockholders, we will consider our stockholders’ concerns, and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

Vote Required and Board of Directors’ Recommendation

The affirmative vote of the holders of a majority of the votes which could be cast by the holders of all shares of common stock outstanding and entitled to vote on Proposal 7 is required to approve this Proposal 7. The board of directors recommends that the stockholders vote “FOR” the approval, on a nonbinding advisory basis, the compensation of our named executive officers.

Table of Contents

PROPOSAL 8

ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE
ON EXECUTIVE COMPENSATION

The Dodd-Frank Act and Section 14A of the Exchange Act, as amended, also enable our stockholders to indicate their preference regarding how frequently we should solicit a non-binding advisory vote on the compensation of our named executive officers as disclosed in our proxy statements. Accordingly, we are asking stockholders to indicate whether they would prefer an advisory vote every year, every two years or every three years. Alternatively, stockholders may abstain from casting a vote. For the reasons described below, our Board recommends that the stockholders select a frequency of every two years.

After consideration, our Board has determined that holding an advisory vote on executive compensation every two years is the most appropriate policy for us at this time, and recommends that stockholders vote for future advisory votes on executive compensation to occur every two years. The Board considered that an advisory vote every two years on executive compensation will allow our stockholders to provide us with their direct input on our compensation philosophy, policies and practices as disclosed in the proxy statement on a frequent basis without a substantial annual burden on the company. However, stockholders should note that because the advisory vote on executive compensation occurs well into the compensation year, and because the different elements of our executive compensation program are designed to operate as part of an integrated program, it may not be appropriate or feasible to modify our executive compensation program in consideration of any one year's advisory vote on executive compensation by the time of the following year's annual meeting of stockholders.

However, notwithstanding the Board's recommendations of an advisor, vote every two years, the Board is asking stockholders to indicate their preferred voting frequency by voting for every year, every two years or every three years.

While the Board believes that its recommendation is appropriate at this time, the stockholders are not voting to approve or disapprove that recommendation, but are instead asked to indicate their preferences, on an advisory basis, as to whether the non-binding advisory vote on the approval of our executive officer compensation practices should be held every year, every two years or every three years. The option among those choices that receives the highest number of votes from the holders of shares present in person or represented by proxy and entitled to vote at the annual meeting will be deemed to be the frequency preferred by the stockholders.

The Board and the Compensation Committee value the opinions of our stockholders in this matter, and, to the extent there is any significant vote in favor of one frequency over the other options, the Board will consider the stockholders' concerns and evaluate any appropriate next steps. However, because this vote is advisory and, therefore, not binding on us or the Board, the Board may decide that it is in the best interests of our stockholders that we hold an advisory vote on executive compensation more or less frequently than the option preferred by our stockholders. The vote will not be construed to create or imply any change or addition to our fiduciary duties or those of the Board.

Vote Required and Board of Directors' Recommendation

The affirmative vote of the holders of a majority of the votes which could be cast by the holders of all shares of common stock outstanding and entitled to vote on Proposal 8 is required to approve this Proposal 8. The board of directors recommends that the stockholders vote "FOR" "every two years" as the frequency with which stockholders are provided an advisory vote on executive compensation.

PROPOSAL 9

RATIFICATION OF ERNST & YOUNG LLP

The Audit Committee of the Board of Directors has appointed Ernst & Young LLP (EY) as the Company's independent registered public accounting firm for our fiscal year ending June 30, 2013. EY also served as the Company's independent registered public accounting firm for our 2012 fiscal year. The Board of Directors concurs with the appointment and is submitting the appointment of EY as our independent registered public accounting firm for stockholder ratification at the annual meeting.

A representative of EY is expected to be present at the annual meeting. The EY representative will have an opportunity to make a statement if he or she wishes to do so and will be available to respond to appropriate questions from stockholders.

Our Bylaws do not require that the stockholders ratify the appointment of EY as our independent registered public accounting firm. We are seeking ratification because we believe it is a good corporate governance practice. If the stockholders do not ratify the appointment, the Audit Committee will reconsider whether to retain EY, but may retain EY in any event. Even if the appointment is ratified, the Audit Committee, in its discretion, may change the appointment at any time during the year if it determines that a change would be in the best interests of the Company and its stockholders.

Vote Required and Board of Directors' Recommendation

The affirmative vote of the holders of a majority of the votes which could be cast by the holders of all shares of common stock outstanding and entitled to vote on Proposal 9 is required to approve this Proposal 9. The board of directors recommends that the stockholders vote "FOR" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the current year.

If notice is given by electronic transmission, such notice shall be deemed given at the time specified in Section 232 of the General Corporation Law of the State of Delaware.

SECTION 5 - MANNER OF GIVING NOTICE; AFFIDAVIT OF NOTICE

Notice of any shareholders' meeting shall be given in writing and either delivered personally or by first-class mail by, telegraph, facsimile or other form of written communication, charges prepaid, sent to each shareholder at the address of that shareholder appearing on the books of the Corporation or given by the shareholder to the Corporation for the purpose of notice. If no such address appears on the Corporation's books or has been so given, notice shall be deemed to have been given if sent to that shareholder by first-class mail, by telegraph, facsimile or other written communication to the principal office of the Corporation, or if published at least once in a newspaper of general circulation in the county where that office is located. Notice shall be deemed to have been given at the time when delivered personally, deposited in the mail, delivered to a common carrier for transmission to the recipient, or actually transmitted by facsimile or other electronic means to the recipient by the person giving the notice, or sent by other means of written communication.

Whenever notice is required to be given to any shareholder to whom (i) notice of two consecutive annual meetings, and all notice of meetings to such person between such two consecutive annual meetings, or (ii) all, and at least two, payments (if sent by First Class Mail) of dividends or interest on securities during a twelve-month period, have been mailed addressed to such person at his address as shown on the records of the Corporation and have been returned undeliverable, the giving of such notice to such person shall not be required. Any action or meeting which shall be taken or held without notice to such person shall have the same force and effect as if such notice had been duly given. If any person shall deliver to the Corporation a written notice setting forth his then current address, the requirement that notice be given to such person shall be reinstated.

Table of Contents

An affidavit of the mailing or other means of giving any notice of any shareholders' meeting may be executed by the Secretary, Assistant Secretary, or any transfer agent of the Corporation giving the notice, and filed and maintained in the minute book of the Corporation.

SECTION 6 - ADJOURNED MEETINGS AND NOTICE THEREOF

Any shareholders' meeting, annual or special, whether or not a quorum is present, may be adjourned from time to time by the vote of the majority of the shares, the holders of which are either present in person or represented by proxy thereat, but in the absence of a quorum, no other business may be transacted at such meeting, except in the case of the withdrawal of a shareholder from a quorum as provided in Section 9 of this Article II.

When any shareholders' meeting, either annual or special, is adjourned to a different date, time or place, notice need not be given of the new date, time or place if the new date, time or place is announced at the meeting before adjournment. The board of directors may fix a new record date for the adjourned meeting. If the meeting is adjourned for more than thirty (30) days, or if after the adjournment a new record date is fixed for the adjourned meeting, notice of the adjourned meeting shall be given to each shareholder of record entitled to vote at the adjourned meeting in accordance with the provisions of Sections 4 and 5 of this Article II. At any adjourned meetings, the Corporation may transact any business that might have been transacted at the regular meeting.

SECTION 7 - VOTING AT MEETINGS OF SHAREHOLDERS

The shareholders entitled to vote at any meeting of the shareholders shall be determined in accordance with the provisions of Section 8 of this Article II.

Each shareholder shall, at each meeting of the shareholders, be entitled to vote in person or by proxy each share or fractional share of the stock of the Corporation having voting rights on the matter in question and which shall have been held by him and registered in his name on the books of the Corporation on the date fixed pursuant to Section 8 of these bylaws as the record date for the determination of shareholders entitled to notice of and to vote at such meeting, or if no such record date shall have been so fixed, then on the dates set forth in Section 8.

Shares of its own stock belonging to the Corporation or to another corporation, if a majority of the shares entitled to vote in the election of directors in such other corporation is held, directly or indirectly, by the Corporation, shall neither be entitled to vote, nor be counted for quorum purposes. Persons holding stock of the Corporation in a fiduciary capacity shall be entitled to vote such stock. Persons whose stock is pledged shall be entitled to vote, unless in the transfer by the pledgor on the books of the Corporation he shall have expressly empowered the pledgee to vote thereon, in which case only the pledgee, or his proxy, may represent such stock and vote thereon. Stock having voting power standing of record in the names of two (2) or more persons, whether fiduciaries, members of a partnership, joint tenants in common, tenants by entirety or otherwise, or with respect to which two (2) or more persons have the same fiduciary relationship, shall be voted in accordance with the provisions of the General Corporation Law of the State of Delaware.

Table of Contents

Any such voting rights may be exercised by the shareholder entitled thereto in person or by his proxy appointed by an instrument in writing, subscribed by such shareholder or by his attorney thereunto authorized and delivered to the Secretary of the meeting; provided, however, that no proxy shall be voted or acted upon after three (3) years from its date, unless said proxy shall provide for a longer period. The attendance at any meeting of a shareholder who may theretofore have given a proxy shall not have the effect of revoking the same, unless he shall in writing so notify the Secretary of the meeting prior to the voting of the proxy. At any meeting of the shareholders all matters, except as otherwise provided in the Certificate of Incorporation, in these bylaws or by law, shall be decided by the vote of a majority in voting interest of the shareholders present in person or by proxy and voting thereat and thereon, a quorum being present.

The vote at any meeting of the shareholders on any question need not be by written ballot, unless so directed by the Chairman of the meeting; provided, however, that any election of directors at any meeting must be conducted by written ballot. On a vote by ballot each ballot shall be signed by the shareholder voting, or by his proxy, if there be such proxy, and it shall state the number of shares voted.

SECTION 8 - RECORD DATE FOR SHAREHOLDER NOTICE

For purposes of determining the shareholders entitled to notice of any meeting or to vote, the board of directors may fix, in advance, a record date, which shall not be more than sixty (60) days or less than ten (10) days before the date of any such meeting, and in this event only shareholders of record at the close of business on the date so fixed are entitled to notice and to vote, notwithstanding any transfer of any shares on the books of the Corporation after the record date, except as otherwise provided in the Delaware General Corporation Law. If the board of directors does not so fix a record date, the record date for determining shareholders entitled to notice of or to vote at a meeting of shareholders shall be at the close of business on the business day next preceding the day on which notice is given or, if notice is waived, at the close of business on the business day next preceding the day on which the meeting is held.

For purposes of determining a record date with respect to a dividend, distribution, allotment of any rights or to determine the shareholders entitled to exercise any right with respect to any change, conversion or exchange of stock, or for any other lawful action, the board of directors may fix a record date subsequent to the date upon which the resolution fixing the date is adopted, and which date is not more than sixty (60) days prior to the action for which a record date is being established. In the event no record date is fixed, the record date for determining shareholders for any such purpose is deemed to be the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held. A determination of shareholders of record entitled to notice of, or to vote at, a meeting of shareholders shall apply to any adjournment of the meeting.

SECTION 9 - QUORUM

A majority of the shares entitled to vote, represented in person or by proxy, shall constitute a quorum of the shareholders for the transaction of business at any meeting of the shareholders or any adjournment thereof.

Table of Contents

The shareholders present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough shareholders to leave less than a quorum, if any action taken (other than adjournment) is approved by at least a majority of the shares required to constitute a quorum and by any greater number of shares otherwise required to take such action by applicable law or in the certificate of incorporation. In the absence of a quorum, any meeting of shareholders may be adjourned from time to time by vote of a majority of the shares represented in person or by proxy, or, in the absence therefrom, any officer entitled to preside at, or to act as Secretary of, such meeting, but no business may be transacted, except as hereinabove provided.

SECTION 10 - WAIVER OF NOTICE

Whenever notice is required to be given under any provision of the Delaware General Corporation Law or the Certificate of Incorporation or bylaws, a written waiver, signed by the person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to notice.

Attendance by a person at a meeting shall constitute a waiver of notice of that meeting, except when the person objects to the Secretary, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened, and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters required by law to be included in the notice of the meeting, but not so included, if that objection is expressly made at the meeting.

SECTION 11 — NO SHAREHOLDER ACTION BY WRITTEN CONSENT WITHOUT MEETING

~~Any~~No action required to be taken at any annual or special meeting of stockholders of the Corporation, ~~or any action which may be taken at any annual or special meeting of such stockholders, may be taken without a meeting, without prior notice and without a vote, if a consent in writing, setting forth the action so taken, shall be signed by the holders of outstanding stock having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted. If the action taken without a meeting is approved by less than unanimous written consent, prompt notice of such action shall be given to those stockholders who have not consented in writing.~~ may be taken by written consent without a meeting.

~~If the Corporation has equity securities listed on the American Stock Exchange, in accordance with the procedures contained in the American Stock Exchange policies and rules, any corporate action to be taken by written consent shall not be effective until, and the stockholders of the Corporation shall be able to give or revoke written consents for, at least twenty (20) days from the date of the commencement of a solicitation (as such term is defined in Rule 14a-1(1) promulgated under the Securities Exchange Act of 1934, as amended) of consents, other than corporate action by written consent taken pursuant to solicitations of not more than ten (10) persons. For purposes of this Section of this Article II, a consent solicitation shall be deemed to have commenced when a proxy statement or information statement containing the information required by law is first furnished to the Corporation's stockholders.~~

Table of Contents

~~Consents to corporate action shall be valid for a maximum of sixty (60) days after the date of the earliest dated consent delivered to the Corporation in the manner provided in Section 228(e) of the Delaware General Corporation Law. Consents may be revoked by written notice (i) to the Corporation, (ii) to the stockholder or stockholders soliciting consents or soliciting revocations in opposition to action by consent proposed by the Corporation (the "Soliciting Stockholders"), or (iii) to a proxy solicitor or other agent designated by the Corporation or the Soliciting Stockholders.~~

~~Notwithstanding the foregoing, if independent counsel to the Corporation delivers to the Corporation a written opinion stating, or a court of competent jurisdiction determines, that this Section of this Article II, or any portion thereof, is illegal with respect to any corporate action to be taken by written consent for which a consent has theretofore been delivered to the Corporation, in the manner provided in Section 228(e) of the Delaware General Corporation Law, whether prior or subsequent to the date of the adoption of this Section of this Article II, then this Section of this Article II, or such portion thereof, as the case may be, shall after the date of such delivery of such opinion or such determination be null and void and of no effect with respect to any other corporate action to be taken by written consent.~~

SECTION 12 - PROXIES

A shareholder may execute a writing authorizing another person or persons to act for him as proxy. Execution may be accompanied by the shareholder or his authorized officer, director, employee or agent signing such writing or causing his signature to be affixed to such writing by any reasonable means, including, but not limited to, by facsimile signature. A shareholder may authorize another person or persons to act for him as proxy by transmitting or authorizing the transmission of a telegram, cablegram, or other means of electronic transmission to the person who will be the holder of the proxy or to a proxy solicitation firm, proxy support service organization or like agent duly authorized by the person who will be the holder of the proxy to receive such transmission, provided that any such telegram, cablegram or other means of electronic transmission must either set forth or be submitted with information from which it can be determined that the telegram, cablegram or other electronic transmission was authorized by the shareholder. If it is determined that such telegram, cablegram or other electronic transmission is valid, the inspectors, or, if there are no inspectors, such other persons making that determination shall specify the information upon which they relied.

Any copy, facsimile telecommunication or other reliable reproduction of the writing or transmission created pursuant to this section may be substituted or used in lieu of the original writing or transmission for any and all purposes for which the original writing or transmission could be used, provided that such copy, facsimile telecommunication or other reproduction shall be a complete reproduction of the entire original writing or transmission.

A validly executed proxy that does not state that it is irrevocable shall continue in full force and effect, unless (i) revoked by the person executing it by a writing delivered to the Corporation prior to the meeting stating that the proxy is revoked, or if in attendance at the meeting, by a writing delivered to the Secretary of the meeting prior to the voting of the proxy, or by a subsequent proxy executed by the same person and delivered to the Corporation prior to the meeting or to the Secretary of the meeting prior to the voting of the proxy, or (ii) written notice of the death or incapacity of the maker of that proxy is received by the Corporation before the vote pursuant to that proxy is counted; provided, however, that no proxy shall be valid after the expiration of three (3) years from the date of the proxy, unless otherwise provided in the proxy. A duly executed proxy shall be irrevocable if it states that it is irrevocable and if, and only as levy as, it is coupled with an interest sufficient in law to support an irrevocable power.

To be timely, a shareholder's notice shall be delivered to or mailed and received at the principal office of the Corporation not less than sixty (60) days, nor more than ninety (90) days prior to the meeting; provided, however, that in the event that less than seventy (70) days' notice or prior public disclosure of the date of the meeting is given or made to shareholders, notice by the shareholder to be timely must be so received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the meeting was mailed or such public disclosure was made. A majority of the authorized number of directors shall be necessary to constitute a quorum for the transaction of business, except to adjourn as hereinabove provided. Appendix B

AMENDED AND RESTATED
CESCA THERAPEUTICS INC
2006 EQUITY INCENTIVE PLAN

1. PURPOSE. The purpose of this Plan is to provide incentives to attract, retain and motivate Eligible Persons whose present and potential contributions are important to the success of the Company by offering them an opportunity to participate in the Company's future performance through awards of Incentive and Nonqualified Stock Options ("Options"), Stock ("Restricted Stock" or "Unrestricted Stock") and Stock Appreciation Rights ("SARs"). This Plan is not intended to replace any current plan of, or awards issued by, the Company, nor will it limit the ability of the Company to create additional or new plans, or to issue additional or new awards. Capitalized terms not defined in the text are defined in Section 29.

2. ADOPTION AND STOCKHOLDER APPROVAL. This Plan will be approved by the Stockholders of the Company, consistent with applicable laws, after the date this Plan is approved by the Board. No Award will be granted after termination of this Plan but all Awards granted prior to termination will remain in effect in accordance with their terms. The effective date of this Plan will be the date of approval by the Board subject to approval of the Stockholders within twelve (12) months of such adoption (the "Effective Date"). So long as the Company is subject to Section 16(b) of the Exchange Act, the Company will comply with the requirements of Rule 16b-3 (or its successor), as amended.

3. TERM OF PLAN. Unless earlier terminated as provided herein, this Plan will terminate ten (10) years from the date this Plan is adopted by the Board.

4. SHARES SUBJECT TO THIS PLAN.

4.1. Number of Shares Available. Subject to Section 4.2, the total number of Shares

reserved and available for Awards or which may be used to provide a basis of measurement for or to determine the value of an Award shall be equal to six percent (6%) of the outstanding shares of Company common stock as measured at the end of each fiscal year, of which the number of shares reserved and available for Incentive Stock Options will be Two Million (2,000,000) (the "Maximum Number"). Not more than the 2,000,000 shares of Stock will be granted in the form of Incentive Stock Options.

Shares issued under the Plan will be drawn from authorized and unissued shares or shares now held or subsequently acquired by the Company.

Outstanding shares of the Company shall, for the purposes of such calculation, include the number of shares of Stock into which other securities or instruments issued by the Company are currently convertible (e.g., convertible preferred stock, convertible debentures, or warrants for common stock), but not outstanding Options to acquire Stock.

4.1.1. Future Awards. Subject to Section 4.2 and to the fullest extent permissible under Rule 16b-3 under the Exchange Act and Section 422 of the Code and any other applicable laws, rules and regulations, (i) if an Award is canceled, terminates, expires, is forfeited or lapses for any reason without having been exercised or settled, any shares of Stock subject to the Award will be added back into the Maximum Number and will again be available for the grant of an Award under the Plan and (ii) and the number of shares of Stock withheld to satisfy a Participant's minimum tax withholding obligations will be added back into the Maximum Number and will be available for the grant of an Award under the Plan. Also, only the net numbers of Shares that are issued pursuant to the exercise of an Award will be counted against the Maximum Number.

B-1

Table of Contents

However, in the event that prior to the Award's cancellation, termination, expiration, forfeiture or lapse, the holder of the Award at any time received one or more elements of "beneficial ownership" pursuant to such Award (as defined by the SEC, pursuant to any rule or interpretations promulgated under Section 16 of the Exchange Act), the Shares subject to such Award will not again be made available for regrant under the Plan.

4.1.2. Acquired Company Awards. Notwithstanding anything in the Plan to the contrary, the Plan Administrator may grant Awards under the Plan in substitution for awards issued under other plans, or assume under the Plan awards issued under other plans, if the other plans are or were plans of other acquired entities ("Acquired Entities") (or the parent of an Acquired Entity) and the new Award is substituted, or the old award is assumed, by reason of a merger, consolidation, acquisition of property or stock, reorganization or liquidation (the "Acquisition Transaction"). In the event that a written agreement pursuant to which the Acquisition Transaction is completed is approved by the Board and said agreement sets forth the terms and conditions of the substitution for or assumption of outstanding awards of the Acquired Entity, said terms and conditions will be deemed to be the action of the Plan Administrator without any further action by the Plan Administrator, except as may be required for compliance with Rule 16b-3 under the Exchange Act, and the persons holding such awards will be deemed to be Participants.

4.1.3. Reserve of Shares. At all times, the Company will reserve and keep available a sufficient number of Shares as will be required to satisfy the requirements of all outstanding Awards granted under this Plan. The Shares to be issued hereunder upon exercise of an Award may be either authorized but unissued; supplied to the Plan through acquisitions of Shares on the open market; Shares purchased under the Plan and forfeited back to the Plan; Shares surrendered in payment of the exercise price of an option; or Shares withheld for payment of applicable employment taxes and/or withholding obligations resulting from the exercise of an Option. The following rules will apply for purposes of the determination of the number of Shares available for grant under the Plan:

i. Grants. The grant of an Award will reduce the Shares available for grant under the Plan by the number of Shares subject to such Award.

ii. Outstanding. While an Award is outstanding, it will be counted against the authorized pool of Shares regardless of its vested status.

4.2. Adjustments. Should any change be made to the Stock of the Company by reason of any stock split (including reverse stock split), stock dividend, recapitalization, combination of shares, exchange of shares or other change affecting the outstanding Common Stock as a class without the Company's receipt of consideration, the Administrator will make the appropriate adjustments to (i) the maximum number and/or class of securities issuable under the Plan; and (ii) the number and/or class of securities and the exercise price per Share in effect under each outstanding Award in order to prevent the dilution or enlargement of benefits thereunder; provided however, that the number of Shares subject to any Award will always be a whole number and the Administrator will make such adjustments as are necessary to insure Awards of whole Shares.

~~4.3. Limitations on Awards. Notwithstanding any provision in the Plan to the contrary (but subject to adjustment as provided in Section 4.2), the Maximum Number of Shares of Stock with respect to one or more Options and/or SARs that may be granted during any one fiscal year under the Plan to any one Participant will be 500,000, except that the Company may make an additional one-time grant of such Award to a newly hired individual for up to 200,000 shares for a maximum annual grant of 700,000 (all of which may be granted as Incentive Stock Options). Determinations under the preceding sentence will be made in a manner that is consistent with Section 162(m) of the Code and regulations promulgated thereunder. The provisions of this Section will not apply in any circumstance with respect to which the Administrator determines that compliance with Section 162(m) of the Code is not necessary.~~

4.3. _____ [Intentionally left blank]

4.4. No Repricing. Absent stockholder approval, neither the Administrator nor the Board will have any authority, with or without the consent of the affected holders of Awards, to "reprice" an Award in the event of a decline in the price of Shares after the date of their initial grant either by reducing the exercise price from the original exercise price or through cancellation of outstanding Awards in connection with regranting of Awards at a lower price to the same individual. This paragraph may not be amended, altered or repealed by the Administrator or the Board without approval of the stockholders of the Company.

4.5. No Reloading. No Option or SAR will provide for the automatic grant of replacement or reload Options or SARs upon the Participant exercising the Option or SAR and paying the Exercise Price by tendering Shares of Stock, net exercise or otherwise. This paragraph may not be amended, altered or repealed by the Administrator or the Board without approval of the stockholders of the Company.

5. ADMINISTRATION OF THIS PLAN.

5.1. Authority. Authority to control and manage the operation and administration of this Plan will be vested in a committee consisting of two (2) or more independent members of the Board (the "Committee"). It is intended that the directors appointed to serve on the Committee will be "non-employee directors" (within the meaning of Rule 16b-3 promulgated under the Exchange Act) and "outside directors" (within the meaning of Section 162(m) of the Code) to the extent that Rule 16b-3 and, if necessary for relief from the limitation under Section 162(m) of the Code and such relief sought by the Company, Section 162(m) of the Code, respectively, are applicable. However, the mere fact that a Committee member will fail to qualify under either of the foregoing requirements will not invalidate any Award made by the Committee which Award is otherwise validly made under the Plan. Members of the Committee may be appointed from time to time by, and will serve at the pleasure of, the Board. As used herein, the term "Administrator" means the Committee.

5.2. Interpretation. Subject to the express provisions of this Plan, the Administrator will have the exclusive power, authority and discretion to:

- (1) construe and interpret this Plan and any agreements defining the rights and obligations of the Company and Participants under this Plan;
- (2) select Participants;
- (3) determine the terms and conditions of any Award granted under the Plan, including, but not limited to, the Exercise Price, grant price or purchase price, any restrictions or limitations on the Award, any schedule for lapse of forfeiture restrictions or restrictions on the exercisability of the Award, and acceleration or waivers thereof, based in each case on such considerations as the Administrator in its sole discretion determines that is not inconsistent with any rule or regulation under any tax or securities laws or includes an alternative right that does not disqualify an Incentive Stock Option under applicable regulations. Determinations made by the Administrator under this Plan need not be uniform but may be made on a Participant-by-Participant basis;

B-3

Table of Contents

- (4) determine the number of Shares or other consideration subject to Awards;
- (5) determine whether Awards will be subject to a condition, or grant a right, that is not inconsistent with any rule or regulation under any tax or securities laws or includes an alternative right that does not disqualify an incentive stock option under applicable regulations;
- (6) prescribe the form of each Award Agreement, which need not be identical for each Participant;
- (7) further define the terms used in this Plan;
- (8) correct any defect or supply any omission or reconcile any inconsistency in this Plan or in any Award Agreement;
- (9) provide for rights of refusal and/or repurchase rights;
- (10) amend outstanding Award Agreements to provide for, among other things, any change or modification which the Administrator could have provided for upon the grant of an Award or in furtherance of the powers provided for herein that does not disqualify an Incentive Stock Option under applicable regulations unless the Participant so consents;
- (11) prescribe, amend and rescind rules and regulations relating to the administration of this Plan; and
- (12) make all other determinations necessary or advisable for the administration of this Plan.

5.3. Decisions Binding. Any decision or action of the Administrator in connection with this Plan or Awards granted or shares of Stock purchased under this Plan will be final and binding. The Administrator will not be liable for any decision, action or omission respecting this Plan, or any Awards granted or shares of Stock sold under this Plan.

5.4. Limitation on Liability. To the extent permitted by applicable law in effect from time to time, no member of the Committee will be liable for any action or omission of any other member of the Committee nor for any act or omission on the member's own part, excepting only the member's own willful misconduct, gross negligence, or bad faith and without reasonable belief that it was in the best interests of the Company, arising out of or related to this Plan. The Company will pay expenses incurred by, and satisfy a judgment or fine rendered or levied against, a present or former member of the Committee in any action against such person (whether or not the Company is joined as a party defendant) to impose liability or a penalty on such person for an act alleged to have been committed by such person while a member of the Committee arising with respect to this Plan or administration thereof or out of membership on the Committee or by the Company, or all or any combination of the preceding, provided, the Committee member was acting in good faith, within what such Committee member reasonably believed to have been within the scope of his or her employment or authority and for a purpose which he or she reasonably believed to be in the best interests of the Company or its stockholders. Payments authorized hereunder include amounts paid and expenses incurred in settling any such action or threatened action. The provisions of this section will apply to the estate, executor, administrator, heirs, legatees or devisees of a Committee member, and the term "person" as used on this section will include the estate, executor, administrator, heirs, legatees, or devisees of such person.

Each Option granted under this Plan will be evidenced by an Award Agreement, which will expressly identify the Option as an Incentive Stock Option or a Non-Qualified Stock Option. The Shares underlying a grant of an Option may be in the form of Restricted Stock or Unrestricted Stock.

Further, subject to the express provisions of this Plan, the Administrator will specify the grant date (the "Grant Date"), the number of Shares covered by the Option, the Exercise Price and the terms and conditions for exercise of the Options. As soon as practicable after the Grant Date, the Company will provide the Participant with a written Award Agreement in the form approved by the Administrator.

The Administrator may, in its absolute discretion, grant Options under this Plan at any time and from time to time before the expiration of this Plan.

6.2. General Terms and Conditions. Except as otherwise provided herein, the Options will be subject to the following terms and conditions and such other terms and conditions not inconsistent with this Plan as the Administrator may impose:

6.2.1. Exercise of Option. The Administrator may determine in its discretion whether any Option will be subject to vesting and the terms and conditions of any such vesting. The Award Agreement will contain ~~any such vesting schedule. A minimum vesting period of one year will be required for performance based awards and three years for non-performance based awards.~~ a vesting schedule, if any.

6.2.2. Option Term. 6.2.3. Exercise Price. The Exercise Price of any Option will be determined by the Administrator when the Option is granted and may not be less than one hundred percent (100%) of the Fair Market Value of the Shares on the Grant Date, and the Exercise Price of any Incentive Stock Option granted to a Ten Percent Stockholder will not be less than one hundred ten percent (110%) of the Fair Market Value of the Shares on the Grant Date. The Administrator is authorized to issue Options, whether Incentive Stock Options or Non-Qualified Stock Options, at an option price in excess of the Fair Market Value on the Grant Date.

6.2.4. Method of Exercise. Options may be exercised only by delivery to the Company of a stock option exercise agreement (the "Exercise Agreement") in a form approved by the Administrator (which need not be the same for each Participant), stating the number of Shares being purchased, the restrictions imposed on the Shares purchased under such Exercise Agreement, if any, and such representations and agreements regarding the Participant's investment intent and access to information and other matters, if any, as may be required or desirable by the Company to comply with applicable securities laws, together with payment in full of the Exercise Price for the number of Shares being purchased.

The terms applicable to the assigned portion will be the same as those in effect for the Option immediately prior to such assignment and will be set forth in such documents issued to the assignee as the Administrator may deem appropriate. A request to assign an Option may be made only by delivery to the Company of a written stock option assignment request in a form approved by the Administrator, stating the number of Options and Shares underlying Options requested for assignment, that no consideration is being paid for the assignment, identifying the proposed transferee, and containing such other representations and agreements regarding the Participant's investment intent and access to information and other matters, if any, as may be required or desirable by the Company to comply with applicable securities laws.

Notwithstanding the foregoing, to the extent Option Awards are made to Directors under this plan, such three (3) month limitation shall not apply unless otherwise provided in the form of Option Agreement, as directed by the Administrator.

(b) Continuation of Services as Consultant/Advisor. If a Participant Terminates employment but continues as a consultant, advisor or in a similar capacity to the Company Participant need not exercise the Option within three (3) months of Termination but will be entitled to exercise within three (3) months of Termination of services to the Company (one (1) year in the event of permanent and total Disability or death) or such lesser period specified in the Award Agreement (but in no event after the earlier of (i) the expiration date of the Option as set forth in the Award Agreement, and (ii) ten (10) years from the Grant Date).

ii. Retirement. If a Participant ceases to be an employee of the Company (including as an officer of the Company) as a result of Retirement, Participant need not exercise the Option within three (3) months of Termination of employment but will be entitled to exercise the Option within the maximum term of the Option to the extent the Option was otherwise exercisable at the date of Retirement. However, if a Participant does not exercise within three (3) months of Termination of employment, the Option will not qualify as an Incentive Stock Option if it otherwise so qualified. The term "Retirement" as used herein means such Termination of employment as will entitle the Participant to early or normal retirement benefits under any then existing pension or salary continuation plans of the Company excluding 401(k) participants (except as otherwise covered under other pension or salary continuation plans).

iii. Permanent Disability and Death. If a Participant becomes permanently and totally Disabled while employed by the Company (including as an officer of the Company), or dies while employed by the Company (including as an Officer of the Company) or three (3) months thereafter, vested Options then held may be exercised by the Participant, the Participant's personal representative, or by the person to whom the Option is transferred by will or the laws of descent and distribution, in whole or in part, at any time within one (1) year after the Termination of employment because of the Disability or death or any lesser period specified in the Award Agreement (but in no event after the earlier of (i) the expiration date of the Option as set forth in the Award Agreement, and (ii) ten (10) years from the Grant Date.

6.3. Limitations on Grant of Incentive Stock Options.

6.3.1. Threshold. The aggregate Fair Market Value (determined as of the Grant Date) of the Shares for which Incentive Stock Options may first become exercisable by any Participant during any calendar year under this Plan, together with that of Shares subject to Incentive Stock Options first exercisable by such Participant under any other plan of the Company or any Subsidiary, will not exceed \$100,000. For purposes of this Section, all Options in excess of the \$100,000 threshold will be treated as Non-Qualified Stock Options notwithstanding the designation as Incentive Stock Options. For this purpose, Options will be taken into account in the order in which they were granted, and the Fair Market Value of the Shares will be determined as of the date the Option with respect to such Shares is granted.

6.3.2. Compliance with Section 422 of the Code. There will be imposed in the Award Agreement relating to Incentive Stock Options such terms and conditions as are required in order that the Option be an "incentive stock option" as that term is defined in Section 422 of the Code.

6.3.3. Requirement of Employment. No Incentive Stock Option may be granted to any person who is not an Employee of the Company or a Subsidiary of the Company.

7. RESTRICTED STOCK AWARDS.

7.1. Grant of Restricted Stock Awards. Subject to the terms and provisions of this Plan, the Administrator is authorized to make awards of Restricted Stock to any Eligible Person in such amounts and subject to such terms and conditions as may be selected by the Administrator (a "Restricted Stock Award"). All Restricted Stock Awards will be evidenced by an Award Agreement.

7.2. Issue Date and Vesting Date. At the time of the grant of shares of Restricted Stock, the Administrator will establish an Issue Date or Issue Dates and a Vesting Date or Vesting Dates with respect to such Shares. The Administrator may divide such shares of Restricted Stock into classes and assign a different Issue Date and/or Vesting Date for each class. If the Participant is employed by the Company on an Issue Date (which may be the date of grant), the specified number of shares of Restricted Stock will be issued in accordance with the provisions of Section 7.6. Provided that all conditions to the vesting of a share of Restricted Stock imposed hereto are satisfied, such share will vest and the restrictions will cease to apply to such share.

7.3. Conditions to Vesting. Restricted Stock will be subject to such restrictions on or conditions to vesting as the Administrator may impose (including, without limitation, as a condition to the vesting of any class or classes of shares of Restricted Stock, that the Participant or the Company achieves such performance goals as the Administrator may specify as provided for in this Plan, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock). These restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, time-based, or upon the satisfaction of performance goals as provided for in this Plan, as the Administrator determines at the time of the grant of the Award or thereafter. ~~A minimum vesting period of one year will be required for performance based awards and three years for non-performance based awards. For all restricted stock awards, minimum vesting increments will be one year and all time based restricted stock will not vest more favorably than 1/3, 1/3, 1/3 over the three year period. Vesting provisions established at time of grant will be waived on discretionary basis only in the case of death, disability, change in control, or layoff of an employee.~~

7.4. Voting and Dividends. Unless the Administrator in its sole and absolute discretion otherwise provides in an Award Agreement, holders of Restricted Stock will have the right to vote such Restricted Stock and the right to receive any dividends declared or paid with respect to such Restricted Stock. The Administrator may require that any dividends paid on shares of Restricted Stock will be held in escrow until all restrictions on such shares have lapsed and/or the Administrator may provide that any dividends paid on Restricted Stock must be reinvested in shares of

Stock, which may or may not be subject to the same vesting conditions and restrictions applicable to such Restricted Stock. All distributions, if any, received by a Participant with respect to Restricted Stock as a result of any stock split, stock dividend, combination of shares, or other similar transaction will be subject to the restrictions applicable to the original Award.

7.5. Forfeiture. Except as otherwise determined by the Administrator at the time of the grant of the Award or thereafter, upon failure to affirmatively accept the grant of a Restricted Stock Award by execution of a Restricted Stock Award Agreement, termination of employment during the applicable restriction period, failure to satisfy the restriction period or failure to satisfy a performance goal during the applicable restriction period, Restricted Stock that is at that time subject to restrictions will immediately be forfeited and returned to the Company; provided, however, that the Administrator may provide in any Award Agreement that restrictions or forfeiture conditions relating to Restricted Stock will be waived in whole or in part in the event of terminations resulting from specified causes, and the Administrator may in other cases waive in whole or in part restrictions or forfeiture conditions relating to Restricted Stock. The Company also will have the right to require the return of all dividends paid on such shares, whether by termination of any escrow arrangement under which such dividends are held or otherwise.

7.6. Certificates for Restricted Stock. Restricted Stock granted under the Plan may be evidenced in such manner as the Administrator will determine. The Administrator may provide in an Award Agreement that either (i) the Secretary of the Company will hold such certificates for the Participant's benefit pursuant to the provisions of this Plan until such time as the Restricted Stock is forfeited to the Company or the restrictions lapse) or (ii) such certificates will be delivered to the Participant, provided, however, that such certificates will bear a legend or legends that comply with the applicable securities laws and regulations and make appropriate reference to the restrictions imposed under this Plan and the Award Agreement.

7.7. Restrictions on Transfer Prior to Vesting. Unless otherwise provided, prior to the vesting of Restricted Stock, Restricted Stock Awards, granted under this Plan, and any rights and interests therein, including the Restricted Stock itself, will not be transferable or assignable by the Participant, and may not be made subject to execution, attachment or similar process, otherwise than by will or by the laws of descent and distribution or as consistent with the Award Agreement provisions relating thereto. Unless otherwise provided in this Plan, during the lifetime of the Participant, a Restricted Stock Award and any rights and interests therein, will be exercisable only by the Participant, and any election with respect thereto may be made only by the Participant. Any attempt to transfer a Restricted Stock Award or any rights and interests therein including the Restricted Stock itself, will be void and unless the Administrator determines in its sole and absolute discretion that the attempt was inadvertent or unintentional, such Award, including the Restricted Stock itself and any rights and interests therein, will be forfeited by the Participant.

7.8. Consequences of Vesting. Upon the vesting of a share of Restricted Stock pursuant to the terms of the Plan and the applicable Award Agreement, the restrictions as provided by the Administrator will cease to apply to such share. Reasonably promptly after a share of Restricted Stock vests, the Company will cause to be delivered to the Participant to whom such shares were granted, a certificate evidencing such share, free of the legend referenced with respect to such restriction. Notwithstanding the foregoing, such share still may be subject to restrictions on transfer as a result of applicable securities laws or otherwise pursuant to this Plan.

8. UNRESTRICTED STOCK AWARDS. The Administrator may, in its sole discretion, award Unrestricted Stock to any Participant as a Stock Bonus or otherwise pursuant to which such Participant may receive shares of Stock free of restrictions or limitations that would otherwise be applied under Section 7 of this Plan. ~~The maximum number of shares issuable as unrestricted stock awards under the plan will be limited to a maximum of 10% of the total number of shares authorized by the plan in any given year~~

9. STOCK APPRECIATION RIGHTS.

9.1. Awards of SARs. A SAR is an award to receive a number of Shares (which may consist of Restricted Stock), or cash, or Shares and cash, as determined by the Administrator in accordance with this Plan. A SAR will be awarded pursuant to an Award Agreement that will be in such form (which need not be the same for each Participant) as the Administrator will from time to time approve, and will comply with and be subject to the terms and conditions of this Plan. A SAR may vary from Participant to Participant and between groups of Participants, and may be based upon performance objectives as provided for in this Plan.

9.2. Exercise Price. The exercise price per share of an SAR will be determined by the Administrator at the time of grant, but will in no event be less than the Fair Market Value of a share of Company Stock on the date of grant.

9.3. Term. The term of a SAR will be set forth in the Award Agreement as determined by the Administrator.

9.4. Exercise. A Participant desiring to exercise a SAR will give written notice of such exercise to the Company no less than one nor more than ten business days in advance of the effective date of the proposed exercise. Such notice will specify the number of S with respect to which the SAR is being exercised, and the proposed effective date of the proposed exercise, which notice will state the proportion of Shares and cash that the Participant desires to receive pursuant to the SAR exercised, subject to the discretion of the Administrator, and will be signed by the Participant.. Upon receipt of the notice from the Participant, subject to the Administrator's election to pay cash as provided below, the Company will deliver to the person entitled thereto (i) a certificate or certificates for Shares and/or (ii) a cash payment, in accordance with Section 9.5. The later of the date the Company receives written notice of such exercise or the proposed effective date set forth in the written notice hereunder is referred to in this Section as the "exercise date."

9.5. Number of Shares or Amount of Cash. Subject to the discretion of the Administrator to substitute cash for Shares, or some portion of the Shares for cash, the amount of Shares that may be issued pursuant to the exercise of a SAR will be determined by dividing: (i) the total number of Shares as to which the SAR is exercised, multiplied by the amount by which the Fair Market Value of the Shares on the exercise date exceeds the Fair Market Value of a Share on the date of grant of the SAR, by (ii) the Fair Market Value of a Share on the exercise date; provided, however, that fractional Shares will not be issued and in lieu thereof, a cash adjustment will be paid. In lieu of issuing Shares upon the exercise of a SAR, the Administrator in its sole discretion may elect to pay the cash equivalent of the Fair Market Value of the Shares on the exercise date for any or all of the Shares that would otherwise be issuable upon exercise of the SAR.

9.6. Effect of Exercise. A partial exercise of an SAR will not affect the right to exercise the remaining SAR from time to time in accordance with this Plan and the applicable Award Agreement with respect to the remaining shares subject to the SAR.

9.7. Forfeiture. Except as otherwise determined by the Administrator at the time of the grant of the Award or thereafter, upon failure to affirmatively accept the grant of a SAR by execution of an Award Agreement, or an event of forfeiture pursuant to the Award Agreement including failure to satisfy any restriction period or a performance objective, any SAR that has not vested prior to the date of termination will automatically expire, and all of the rights, title and interest of the Participant thereunder will be forfeited in their entirety; provided, however that the Administrator may provide in any Award Agreement that restrictions or forfeiture conditions relating to the SAR will be waived in whole or in part in the event of termination resulting from specified causes, and the Administrator may in other cases waive in whole or in part restrictions or forfeiture conditions relating to the SAR..

9.8. Effect of Termination of Employment. Notwithstanding the foregoing, the provisions set forth in Section 6.2.7 with respect to the exercise of Options following termination of employment will apply as well to such exercise of SARs.

9.9. Transferability. During the lifetime of a Participant each SAR granted to a Participant will be exercisable only by the Participant and no SAR will be assignable or transferable otherwise than by will or by the laws of descent and distribution. In no event may a SAR be transferred for consideration. Notwithstanding the foregoing, to the extent permissible, SARs may be transferred to a Participant's former spouse pursuant to a property settlement made part of an agreement or court order incident to the divorce.

10. PAYMENT FOR SHARE PURCHASES.

10.1. Payment. Payment for Shares purchased pursuant to this Plan may be made in cash (by check) or, where expressly approved for the Participant at the sole discretion of the Administrator and where permitted by law as follows:

10.1.1. Cancellation of Indebtedness. By cancellation of indebtedness of the Company to the Participant.

10.1.2. Surrender of Shares. By surrender of shares of Stock of the Company that have been owned by the Participant for more than six (6) months or lesser period if the surrender of Shares is otherwise exempt from Section 16 of the Exchange Act and, if such shares were purchased from the Company by use of a promissory note, such note has been fully paid with respect to such shares.

10.1.3. Deemed Net-Stock Exercise. By forfeiture of Shares equal to the value of the exercise price pursuant to a "deemed net-stock exercise" by requiring the Participant to accept that number of Shares determined in accordance with the following formula, rounded down to the nearest whole integer:

where:

a = net Shares to be issued to Participant

b = number of Awards being exercised

c = Fair Market Value of a Share

d = Exercise price of the Awards

10.1.4. Broker-Assisted. By delivering a properly executed exercise notice to the Company together with a copy of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale or loan proceeds necessary to pay the exercise price and the amount of any required tax or other withholding obligations.

10.1.5 Combination of Methods. By any combination of the foregoing methods of payment or any other consideration or method of payment as will be permitted by applicable corporate law.

11. WITHHOLDING TAXES.

11.1. Withholding Generally. Whenever Shares are to be issued in satisfaction of Awards granted under this Plan or Shares are forfeited pursuant to a “deemed net-stock exercise,” the Company may require the Participant to remit to the Company an amount sufficient to satisfy federal, state and local taxes and FICA withholding requirements prior to the delivery of any certificate or certificates for such Shares. When, under applicable tax laws, a Participant incurs tax liability in connection with the exercise or vesting of any Award, the Company will have the right to require such Participant or such other person to pay by cash, or check payable to the Company, the amount of any such withholding with respect to such transactions. Any such payment must be made promptly when the amount of such obligation becomes determinable.

11.2. Stock for Withholding. To the extent permissible under applicable tax, securities and other laws, the Administrator may, in its sole discretion and upon such terms and conditions as it may deem appropriate, permit a Participant to satisfy his or her obligation to pay any such withholding tax, in whole or in part, with Stock up to an amount not greater than the Company’s minimum statutory withholding rate for federal and state tax purposes, including payroll taxes. The Administrator may exercise its discretion, by (i) directing the Company to apply shares of Stock to which the Participant is entitled as a result of the exercise of an Award, or (ii) delivering to the Company Shares of Stock owned by the Participant for more than six (6) months, unless the delivery of the Shares is otherwise exempt from Section 16 of the Exchange Act. A Participant who has made an election pursuant to this Section 11.2 may satisfy his or her withholding obligation only with shares of Stock that are not subject to any repurchase, forfeiture, unfulfilled vesting or other similar requirements. The shares of Stock so applied or delivered for the withholding obligation will be valued at their Fair Market Value as of the date of measurement of the amount of income subject to withholding.

12. PROVISIONS APPLICABLE TO AWARDS.

12.1. Acceleration. The Administrator may, in its absolute discretion, without amendment to the Plan, (i) accelerate the date on which any Award granted under the Plan becomes exercisable, (ii) waive or amend the operation of Plan provisions respecting exercise after termination of service or otherwise adjust any of the terms of such Award and (iii) accelerate the Vesting Date, or waive any condition imposed hereunder, with respect to any share of Restricted Stock or otherwise adjust any of the terms applicable to such share.

12.2. Compliance with Section 162(m) of the Code. Notwithstanding any provision of this Plan to the contrary, if the Administrator determines that compliance with Section 162(m) of the Code is required or desired, all Awards granted under this Plan to Named Executive Officers will comply with the requirements of Section 162(m) of the Code. In addition, in the event that changes are made to Section 162(m) of the Code to permit greater flexibility with respect to any Award or Awards under this Plan, the Administrator may make any adjustments it deems appropriate.

B-12

12.3. Performance Goals. In order to preserve the deductibility of an Award under Section 162(m) of the Code, the Administrator may determine that any Award granted pursuant to this Plan to a Participant that is or is expected to become a Covered Employee will be determined solely on the basis of (a) the achievement by the Company or Subsidiary of a specified target return, or target growth in return, on equity or assets, (b) the Company's stock price, (c) the Company's total shareholder return (stock price appreciation plus reinvested dividends) relative to a defined comparison group or target over a specific performance period, (d) the achievement by the Company or a Parent or Subsidiary, or a business unit of any such entity, of a specified target, or target growth in, net income, earnings per share, earnings before income and taxes, and earnings before income, taxes, depreciation and amortization, or (e) any combination of the goals set forth in (a) through (d) above, and will be subject to any additional limitations set forth in Section 162(m) of the Code (including any amendment to Section 162(m) of the Code) or any regulations or rulings issued thereunder that are requirements for qualification as qualified performance-based compensation as described in Section 162(m)(4)(C) of the Code, and the Plan will be deemed amended to the extent deemed necessary by the Administrator to conform to such requirements. If an Award is made on such basis, the Administrator will establish goals prior to the beginning of the period for which such performance goal relates (or such later date as may be permitted under Section 162(m) of the Code or the regulations thereunder but not later than 90 days after commencement of the period of services to which the performance goal relates), and the Administrator has the right for any reason to reduce (but not increase) the Award, notwithstanding the achievement of a specified goal. Any payment of an Award granted with performance goals will be conditioned on the written certification of the Administrator in each case that the performance goals and any other material conditions were satisfied.

In addition, to the extent that Section 409A is applicable, (i) performance-based compensation will also be contingent on the satisfaction of preestablished organizational or individual performance criteria relating to a performance period of at least twelve (12) consecutive months in which the Eligible Participant performs services and (ii) performance goals will be established not later than 90 days after the beginning of any performance period to which the performance goal relates, provided that the outcome is substantially uncertain at the time the criteria are established.

12.4. Compliance with Section 409A of the Code. Notwithstanding any provision of this Plan to the contrary, if any provision of this Plan or an Award Agreement contravenes any regulations or Treasury guidance promulgated under Section 409A of the Code or could cause an Award to be subject to the interest and penalties under Section 409A of the Code, such provision of this Plan or any Award Agreement will be modified to maintain, to the maximum extent practicable, the original intent of the applicable provision without violating the provisions of Section 409A of the Code. In addition, in the event that changes are made to Section 409A of the Code to permit greater flexibility with respect to any Award under this Plan, the Administrator may make any adjustments it deems appropriate.

12.5. Section 280G of the Code. Notwithstanding any other provision of this Plan to the contrary, unless expressly provided otherwise in the Award Agreement, if the right to receive or benefit from an Award under this Plan, either alone or together with payments that a Participant has a right to receive from the Company, would constitute a "parachute payment" (as defined in Section 280G of the Code), all such payments will be reduced to the largest amount that will result in no portion being subject to the excise tax imposed by Section 4999 of the Code.

12.6. Cancellation of Awards. In the event a Participant's Continuous Services has been terminated for "Cause", he or she will immediately forfeit all rights to any and all Awards outstanding. The determination by the Board that termination was for Cause will be final and conclusive. In making its determination, the Board will give the Participant an opportunity to appear and be heard at a hearing before the full Board and present evidence on the Participant's behalf. Should any provision to this Section be held to be invalid or illegal, such illegality will not invalidate the whole of this Section, but rather this Plan will be construed as if it did not contain the illegal part or narrowed to permit its enforcement, and the rights and obligations of the parties will be construed and enforced accordingly.

Table of Contents

13. PRIVILEGES OF STOCK OWNERSHIP. No Participant will have any of the rights of a stockholder with respect to any Shares until the Shares are issued to the Participant. After Shares are issued to the Participant, the Participant will be a stockholder and have all the rights of a stockholder with respect to such Shares, including the right to vote and receive all dividends or other distributions made or paid with respect to such Shares; provided, that if such Shares are Restricted Stock, then any new, additional or different securities the Participant may become entitled to receive with respect to such Shares by virtue of a stock dividend, stock split or any other change in the corporate or capital structure of the Company will be subject to the same restrictions as the Restricted Stock. The Company will issue (or cause to be issued) such stock certificate promptly upon exercise of the Award. No adjustment will be made for a dividend or other right for which the record date is prior to the date the stock certificate is issued.

14. RESTRICTION ON SHARES. At the discretion of the Administrator, the Company may reserve to itself and/or its assignee(s) in the Award Agreement that the Participant not dispose of the Shares for a specified period of time, or that the Shares are subject to a right of first refusal or a right to repurchase at the Shares Fair Market Value at the time of sale. The terms and conditions of any such rights or other restrictions will be set forth in the Award Agreement evidencing the Award.

15. CERTIFICATES. All certificates for Shares or other securities delivered under this Plan will be subject to such stock transfer orders, legends and other restrictions as the Administrator may deem necessary or advisable, including restrictions under any applicable federal, state or foreign securities law, or any rules, regulations and other requirements of the SEC or any stock exchange or automated quotation system upon which the Shares may be listed or quoted.

16. ESCROW, PLEDGE OF SHARES. To enforce any restrictions on a Participant's Shares, the Administrator may require the Participant to deposit all certificates representing Shares, together with stock powers or other instruments of transfer approved by the Administrator, appropriately endorsed in blank, with the Company or an agent designated by the Company to hold in escrow until such restrictions have lapsed or terminated, and the Administrator may cause a legend or legends referencing such restrictions to be placed on the certificates. In connection with any pledge of the Shares, the Participant will be required to execute and deliver a written pledge agreement in such form, as the Administrator will from time to time approve.

17. SECURITIES LAW AND OTHER REGULATORY COMPLIANCE.

17.1. Compliance With Applicable Laws. An Award will not be effective unless such Award is in compliance with all applicable federal and state securities laws, rules and regulations of any governmental body, and the requirements of any stock exchange or automated quotation system upon which the Shares may then be listed or quoted, as they are in effect on the Grant Date and also on the date of exercise or other issuance. Notwithstanding any other provision in this Plan, the Company will have no obligation to issue or deliver certificates for Shares under this Plan prior to (i) obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and/or (ii) completion of any registration or other qualification of such Shares under any state or federal laws or rulings of any governmental body that the Company determines to be necessary or advisable. The Company will be under no obligation to register the Shares with the SEC or to effect compliance with the registration, qualification or listing requirements of any state securities laws, stock exchange or automated quotation system, and the Company will have no liability for any inability or failure to do so. Upon exercising all or any portion of an Award, a Participant may be required to furnish representations or undertakings deemed appropriate by the Company to enable the offer and sale of the Shares or subsequent transfers of any interest in such Shares to comply with applicable securities laws. Evidences of ownership of Shares acquired pursuant to an Award will bear any legend required by, or useful for purposes of compliance with, applicable securities laws, this Plan or the Award Agreement.

17.2. Rule 16b-3 Exemption. During any time when the Company has a class of equity security registered under Section 12 of the Exchange Act, it is the intent of the Company that Awards pursuant to the Plan and the exercise of Awards granted hereunder will qualify for the exemption provided by Rule 16b-3 under the Exchange Act. To the extent that any provision of the Plan or action by the Board or the Administrator does not comply with the requirements of Rule 16b-3, it will be deemed inoperative to the extent permitted by law and deemed advisable by the Board or the Administrator, and will not affect the validity of the Plan. In the event that Rule 16b-3 is revised or replaced, the Board or the Administrator may exercise its discretion to modify this Plan in any respect necessary to satisfy the requirements of, or to take advantage of any features of, the revised exemption or its replacement.

18. NO OBLIGATION TO EMPLOY. Nothing in this Plan or any Award granted under this Plan will confer or be deemed to confer on any Participant any right to continue in the employ of, or to continue any other relationship with, the Company or to limit in any way the right of the Company to terminate such Participant's employment or other relationship at any time, with or without cause.

19. ADJUSTMENT FOR CHANGES IN CAPITALIZATION. The existence of outstanding Awards will not affect the Company's right to effect adjustments, recapitalizations, reorganizations or other changes in its or any other corporation's capital structure or business, any merger or consolidation, any issuance of bonds, debentures, preferred or prior preference stock ahead of or affecting the Stock, the dissolution or liquidation of the Company's or any other corporation's assets or business or any other corporate act whether similar to the events described above or otherwise.

20. DISSOLUTION, LIQUIDATION, MERGER.

20.1. Company Not the Survivor. In the event of a dissolution or liquidation of the Company, a merger, consolidation, combination or reorganization in which the Company is not the surviving corporation, or a sale of substantially all of the assets of the Company (as determined in the sole discretion of the Board), the Administrator, in its absolute discretion, may cancel each outstanding Award upon payment in cash or stock, or combination thereof, as determined by the Board, to the Participant of the amount by which any cash and the fair market value of any other property which the Participant would have received as consideration for the Shares covered by the Award if the Award had been exercised before such liquidation, dissolution, merger, consolidation, combination, reorganization or sale exceeds the Exercise Price of the Award or negotiate to have such option assumed by the surviving corporation. In addition to the foregoing, in the event of a dissolution or liquidation of the Company, or a merger, consolidation, combination, or reorganization in which the Company is not the surviving corporation, or a sale or transfer of all or substantially all of the Company's assets, the Administrator, in its absolute discretion, may accelerate the time within which each outstanding Award may be exercised, provided however, that the Change of Control in Section 21 will control with respect to acceleration in vesting in the event of a merger, consolidation, combination or reorganization that results in a change of control as so defined.

Table of Contents

20.2. Company is the Survivor. In the event of a merger, consolidation, combination or reorganization in which the Company is the surviving corporation, the Board will determine the appropriate adjustment of the number and kind of securities with respect to which outstanding Awards may be exercised, and the exercise price at which outstanding Awards may be exercised. The Board will determine, in its sole and absolute discretion, when the Company will be deemed to survive for purposes of this Plan.

21. CHANGE OF CONTROL. The Administrator will have the authority, in its absolute discretion exercisable either in advance of any actual or anticipated “change of control” in the Company, to fully vest all outstanding Awards. A “change of control” will mean an event involving one transaction or a related series of transactions, in which (i) the Company issues securities equal to 50% or more of the Company’s issued and outstanding voting securities, determined as a single class, to any individual, firm, partnership, limited liability company, or other entity, including a “group” within the meaning of Exchange Act Rule 13d-3, (ii) the Company issues voting securities equal to 50% or more of the issued and outstanding voting stock of the Company in connection with a merger, consolidation other business combination, (iii) the Company is acquired in a merger, consolidation, combination or reorganization in which the Company is not the surviving company, or (iv) all or substantially all of the Company’s assets are sold or transferred.

22. DEFERRAL OF AWARDS. The Administrator may permit or require the deferral of payment or settlement of any Stock Award subject to such rules and procedures as it may establish. Payment or settlement of Options or SARs may not be deferred unless such deferral would not cause the provisions of Section 409A of the Code to be violated.

23. NOTIFICATION OF ELECTION UNDER SECTION 83(b) OF THE CODE. If any Participant will, in connection with the acquisition of shares of Company Stock under the Plan, make the election permitted under Section 83(b) of the Code (i.e., an election to include in gross income in the year of transfer the amounts specified in Section 83(b)), such Participant will notify the Company of such election within ten days of filing notice of the election with the Internal Revenue Service, in addition to any filing and notification required pursuant to regulations issued under the authority of Code Section 83(b).

24. TERMINATION; AMENDMENT. The Board may amend, suspend or terminate this Plan at any time and for any reason; provided, however, that shareholder approval will be required for the following types of amendments to this Plan: (i) any increase in Maximum Number of Common Stock issuable under the Plan except for a proportional increase in the Maximum Number as a result of stock split or stock dividend or (ii) a change in the class of Employees entitled to be granted Incentive Stock Options. Further, the Board may, in its discretion, determine that any amendment should be effective only if approved by the Stockholders even if such approval is not expressly required by this Plan or by law. No Awards will be made after the termination of the Plan. At any time and from time to time, the Administrator may amend or modify any outstanding Award or Award Agreement without approval of the Participant; provided, however, that no amendment or modification of any Award will adversely affect any outstanding Award without the written consent of the Participant; provided further, however, that the original term of any Award may not be extended unless it would not cause the provisions of Section 409A to be violated. No termination, amendment, or modification of the Plan will adversely affect any Award previously granted under the Plan, without the written consent of the Participant. Notwithstanding any provision herein to the contrary, the Administrator will have broad authority to amend this Plan or any outstanding Award under this Plan without approval of the Participant to the extent necessary or desirable (i) to comply with, or take into account changes in, applicable tax laws, securities laws, accounting rules and other applicable laws, rules and regulations, or (ii) to ensure that an Award is not subject to interest and penalties under Section 409A of the Code or the excise tax imposed by Section 4999 of the Code.

25. TRANSFERS UPON DEATH; NONASSIGNABILITY. Upon the death of a Participant outstanding Awards granted to such Participant including Options, Stock and SARs may be transferred and exercised only by the executor or administrator of the Participant's estate or by a person who will have acquired the right to such exercise by will or by the laws of descent and distribution in accordance with and as provided for in this Plan.
