In voting by proxy with regard to the election of directors, you may vote in favor of all nominees, withhold your votes as to all nominees or withhold your votes as to specific nominees. You should specify your choices on the proxy card. If no specific instructions are given with regard to the matters to be voted upon, the shares represented by a signed proxy card will be voted "for" the proposals listed on the proxy card. Our Board of Directors believes that the purpose of corporate governance is to ensure that shareholder value is maximized in a manner consistent with legal requirements and the highest standards of integrity. Colony Bankcorp, through its Board of Directors and management, has long sought to meet the highest standards of corporate governance. Long-Term Equity Stock Award

In 2004, the Board of Directors adopted and the shareholders approved the Colony Bankcorp, Inc. 2004 Restricted Stock Grant Plan. The plan enables our Board of Directors, or a committee thereof, to grant up to 143,500 shares of Colony Bankcorp, Inc. common stock to key officers and employees of Colony Bankcorp, Inc. and our subsidiary. The purpose of this plan is to attract, retain and develop strong management as the Company continues to expand, and to induce key individuals who render services that contribute materially to our success to remain with us for the long-term. Shares granted vest over a three year period. During the three year vesting period and under conditions set forth in Colony Bankcorp Inc.'s 2004 Restricted Stock Grant Plan, the shares are subject to forfeiture. In the event of a change in control of the Company, as defined in the Plan, all unvested stock grants immediately become fully vested.

The Restricted Stock Grant Plan assists the Company to:
·enhance the link between the creation of stockholder value and long-term executive incentive compensation;
·provide an opportunity for increased equity ownership by executives; and
·maintain competitive levels of total compensation.

The Compensation Committee (the "Committee") recommended for the Board of Director's approval that no stock grant awards be awarded for fiscal year 2014. The primary focus of the Committee is to retain key individuals and to increase equity ownership by executives with the stock grant awards. The compensation committee is motivated to keep our executive compensation packages competitive with peer companies. The compensation committee reviews, at least annually, the peer company disclosures regarding executive compensation in order to ensure that our overall compensation package compares favorably. One of the areas monitored is stock option plans or in our case a stock grant award plan. The CEO works daily with executive officers and top level officers and offers his input each year as to recommendations for stock awards based on the executive officers and top level officers' production and performance to the overall company strategy. The recommendation is for named executives other than himself and the CFO. Stock awards for the CEO and CFO are determined and set by the compensation committee, while awards for the other named executive officers and top level officers are considered upon the recommendation of the CEO. The CEO makes no recommendations in regard to his compensation. It was deemed prudent by the compensation committee to not grant any 2014 stock grant awards.

Colony Bankcorp, Inc. 401(k) Plan

The Company has adopted a 401(k) Plan which provides for the Board of Directors to make a discretionary contribution to the 401(k) Plan out of profits in an amount not to exceed 10 percent of the total annual eligible compensation of the employees eligible to participate in the plan. Employees are eligible for a Company contribution after completion of one year of service. The contribution by the Company is allocated among the participants based on participant's total eligible compensation. The employee's interest vests over a period of six years.

The Committee recommended for the Board of Director's approval that the level of funding for fiscal year 2014 be set at 3.00 percent of eligible compensation. The Committee based their recommendation to set the level at 3.00 percent based on the increase in net income available for shareholders increasing to $4.8 million in 2014 compared to $3.1 million in 2013. The Company did not make a contribution for fiscal year 2013.

Each of the named executive officers for fiscal year ended December 31, 2014 received the following 401(K) contribution:

Shareholder Communication with the Board of Directors

The Board has determined this policy and process to be satisfactory in allowing security holders to communicate directly with the Board of Directors.

Proposal No. 2 – Non-Binding Advisory Vote On Executive Compensation

Section 14A(a)(1) of the Securities Exchange Act of 1934 requires the Company to permit a non-binding advisory vote (at least once every three years) on the compensation of its Named Executive Officers, as described and presented in the "Executive Compensation" section of this 2014 Proxy Statement, and the accompanying tables and narrative disclosure.

This proposal, commonly known as a "say-on-pay" proposal, gives the Company's shareholders the opportunity to endorse or not endorse our executive compensation program and policies through the following resolution:

"Resolved, that the compensation of the Company's named executive officers, as disclosed pursuant to Item 402 of Regulation S-K located in the 'Executive Compensation' section of the 2014 Proxy Statement, and the accompanying executive compensation tables and narrative discussions is hereby APPROVED."

Because your vote is advisory, it will not be binding upon the Board of Directors. However, the Compensation Committee will take into account the outcome of the vote when considering future executive compensation.

The Board of Directors unanimously recommends a vote "FOR" this proposal.

Proposal No. 3 – Approval of Amendment To The Company's Bylaws

On February 17, 2015, the Board of Directors unanimously voted to approve the following amendment to the Company's bylaws:

Article II 2.2 Annual Meetings

The current bylaws call for the annual meeting to be held on the fourth Tuesday in April. This amendment change will allow The Company to be consistent with current Company policy that allows for timely submission of proxy materials to shareholders.

You are being asked to vote for or against the proposed amendment, or you may withhold your vote.

The Board of Directors unanimously recommends a vote "FOR" this proposal.
