INTRODUCTORY NOTE

We are filing this Form 10-QSB/A in order to add a new footnote to the financial statements as required by paragraph 37 of Accounting Principles Board Opinion No. 20. This Form 10-QSB/A does not necessarily reflect events occurring after the filing of Amendment No. 2 to Form 10-QSB for the quarter ended June 30, 2002.

ii

ITEM 1. FINANCIAL INFORMATION

The notes to our financial statements are hereby amended to include the following additional note.

NOTE 4 - RESTATEMENT

We restated our statement of operations, statement of cash flows, and statement of stockholders' equity (deficit) for the three and six month periods ended June 30, 2002 to eliminate the recognition of certain interest expense for the beneficial conversion feature of \$150,000 aggregate principal amount of convertible promissory notes issued in the first quarter of 2002 and which were converted into shares of our common stock in the second quarter of 2002

We restated our statement of operations, statement of cash flows, and statement of stockholders' equity (deficit) for the three and six month periods ended June 30, 2002 to properly disclose the beneficial conversion feature resulting from the issuance of \$20,000 and \$225,000 aggregate principal amount of convertible promissory notes in the three and six month periods ended June 30, 2002,

Edgar Filing: MILITARY RESALE GROUP INC - Form 10QSB/A

respectively. When convertible debt is issued with a beneficial conversion feature, a portion of the proceeds should be allocated to the intrinsic value of the conversion feature, and the resulting discount should be amortized as additional interest expense. The discounts should be amortized from the date the security issued to the date it first becomes convertible. The intrinsic value of the conversion feature for the three and six month periods ended June 30, 2002 was \$20,000 and \$225,000, respectively, and have been allocated to additional paid in capital. The expense associated with this beneficial conversion feature is disclosed on the statement of cash flows as an adjustment in the reconciliation of net loss and cash used in operations as well as the statement of operations as interest expense.

We restated our statement of operations, statement of cash flows, and statement of stockholders' equity (deficit) for the three and six month periods ended June 30, 2002 to properly disclose the issuance of shares of our common stock in the three months ended June 30, 2002 to certain consultants of the Company, including Edward T. Whelan, our Chief Executive Officer.

As a result of these restatements, net loss decreased by \$119,935 for the three month period ended June 30, 2002 and increased by \$85,065 for the six month period ended June 30, 2002. Net loss per common share decreased by \$0.01 for the three month period ended June 30, 2002 and was unchanged for six month period ended June 30, 2002.
