**QUESTIONS AND ANSWERS ABOUT
2006 ANNUAL MEETING OF
ANSWERS CORPORATION (THE “COMPANY”)**

Q: When and where will the annual meeting be held?

A: The annual meeting will be held at The New Yorker Hotel, 481 Eighth Avenue, New York, New York 10001, beginning at 12:30 p.m., EDT, on June 21, 2006.

Q: Who is making this proxy solicitation?

A: This proxy statement is furnished to holders of the Company’s common stock as of the close of business on May 1, 2006, the record date for the annual meeting (the “Record Date”), as part of the solicitation of proxies by the Company’s board of directors for use at the annual meeting and any adjournments or postponements of the annual meeting.

Q: What am I being asked to vote on at the annual meeting?

A: At the annual meeting, you will be asked to consider and vote on:

- a proposal to elect two Class II directors to hold office for a three-year term or until their respective successors are elected and qualified; and
- a proposal to approve an amendment to the Company’s 2005 Incentive Compensation Plan to increase the number of shares available for grant under such plan from 850,000 shares to 1,100,000 shares.

At present, we know of no other matters to be presented for stockholder action at the annual meeting.

Q: How does the Company’s board of directors recommend that I vote?

A: Our board of directors recommends that you vote your shares “**FOR**” the election of each of the two nominees named herein to the board of directors of Answers and “**FOR**” approval of the amendment to the Company’s 2005 Incentive Compensation Plan.

Q: What vote is required to approve each proposal?

A: In the election of directors, the two persons receiving the highest number of “**FOR**” votes will be elected. The proposal regarding the approval of the amendment of the Company’s 2005 Incentive Compensation Plan requires the affirmative “**FOR**” vote of a majority of those shares of the Company’s common stock present in person or represented by properly executed proxies and entitled to vote at the annual meeting.

Q: What is the quorum requirement with respect to the annual meeting?

A: The presence, in person or by properly executed proxy, of the holders of a majority of the shares of the Company’s common stock entitled to vote at the annual meeting will constitute a quorum.

Q: Under what circumstances will the annual meeting be adjourned?

A: Although it is not expected, the annual meeting may be adjourned in the absence of a quorum for the purpose of obtaining a quorum. Any adjournment may be made without notice, other than by an announcement made at the annual meeting, by the affirmative vote of a majority of the shares of the Company's common stock present in person or by properly executed proxy at the annual meeting.

Q: What shares can be voted at the annual meeting?

A: All shares of the Company's common stock that you own as of the Record Date may be voted by you. You may cast one vote per share of the Company's common stock that you held on the Record Date. These shares include shares that are: (1) held directly in your name as the stockholder of record and (2) held for you as the beneficial owner through a stockbroker, bank or other nominee.

Q: What is the difference between a holder of record and a beneficial owner of the Company's common stock?

A: Most of our stockholders hold their shares through a stockbroker, bank or other nominee, rather than directly in their own name. As summarized below, there are some distinctions between shares held as a holder of record and those beneficially owned.

Holders of Record

If your shares of the Company's common stock are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, you are considered, with respect to those shares, the holder of record, and these proxy materials are being sent directly to you by the Company. As the holder of record, you have the right to grant your voting proxy directly to the Company or to vote in person at the annual meeting. We have enclosed a proxy card with this proxy statement for you to use.

Beneficial Owners

If your shares of the Company's common stock are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in "street name", and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the holder of record. As the beneficial owner, you have the right to direct your broker or nominee how to vote and are also invited to attend the annual meeting. However, since you are not the holder of record, you may not vote these shares in person at the annual meeting. Your broker or nominee has enclosed a voting instruction card with this proxy statement for you to use in directing the broker or nominee how to vote your shares. You may also vote by telephone as described below under "How can I vote my shares without attending the annual meeting?" If you are a beneficial owner and do not provide the holder of record with voting instructions, your shares may constitute broker non-votes, as described in the section titled "The 2006 Annual Meeting of Stockholders—Voting of Proxies; Abstentions; and Broker Non-Votes."

Q: How can I vote my shares in person at the annual meeting?

A: Shares of the Company's common stock held directly in your name as the holder of record may be voted in person at the annual meeting. If you choose to do so, please bring the enclosed proxy card or proof of identification. Even if you plan to attend the annual meeting, we recommend that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the annual meeting. Shares held in street name may be voted in person by you only if you obtain a signed proxy from the record holder giving you the right to vote the shares.

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the holder of record or beneficially in street name, you may direct your vote without attending the annual meeting by telephone or by completing and mailing your proxy card or voting instruction card in the enclosed postage pre-paid envelope. You may also be able to direct your vote via the Internet. Please refer to the enclosed materials for details.

Back to Table of Contents

Q: Can I change my vote after I have voted by proxy?

A: Yes. You can change your vote at any time before your proxy is voted at the annual meeting by revoking your proxy.

If you are a holder of record of the Company's common stock, you may revoke your proxy by:

- attending the annual meeting and voting your shares in person at the annual meeting. Your attendance at the annual meeting alone will not revoke your proxy -- you must also vote at the annual meeting;
- filing an instrument in writing with the Secretary of the Company stating that you would like to revoke your proxy; or
- filing another duly executed proxy bearing a later date with the Secretary of the Company so that it arrives prior to the annual meeting.

You should send your revocation or new proxy card to the Company's Secretary at Answers Corporation, 237 West 35th Street, Suite 1101, New York, NY 10001.

If you are a beneficial owner of the Company's common stock and you instructed a broker or other nominee to vote your shares, you must follow your broker's directions for changing those instructions.

Q: What does it mean if I receive more than one proxy card or voting instruction card?

A: It means your shares are registered differently or are in more than one account. Please provide voting instructions for each proxy and voting instruction card you receive.

Q: Where can I find the voting results of the annual meeting?

A: We will announce preliminary voting results at the annual meeting and publish final results in our Quarterly Report on Form 10-QSB for the fiscal quarter ended June 30, 2006.

THE 2006 ANNUAL MEETING OF STOCKHOLDERS

General

We are furnishing this proxy statement to our stockholders in connection with the solicitation of proxies by the Company's board of directors for use at the 2006 annual meeting of stockholders to be held on June 21, 2006, and at any adjournment, postponement or continuation thereof. This proxy statement is first being furnished to stockholders of the Company on or about May 8, 2006.

Date, Time and Place

The annual meeting of stockholders will be held on June 21, 2006, at 12:30 p.m., EDT, at The New Yorker Hotel, 481 Eighth Avenue, New York, New York 10001.

Matters to be Considered at the Annual Meeting

At the annual meeting, you will be asked to consider and vote on:

- a proposal to elect two Class II directors to hold office for a three-year term or until their respective successors are elected and qualified; and
- a proposal to approve an amendment to the Company's 2005 Incentive Compensation Plan to increase the number of shares available for grant under such plan from 850,000 shares to 1,100,000 shares.

At present, we know of no other matters to be presented for stockholder action at the annual meeting.

Record Date

We have fixed the close of business on May 1, 2006 as the Record Date for determination of stockholders entitled to notice of and to attend and vote at the annual meeting.

Vote Required

As of the close of business on the Record Date, there were 7,728,174 shares of the Company's common stock outstanding and entitled to vote at the annual meeting. A quorum of stockholders is necessary to hold a valid meeting. The presence, in person or by properly executed proxy, of the holders of a majority of the shares of the Company's common stock entitled to vote at the annual meeting will constitute a quorum. If a quorum is not present at the annual meeting, we expect that the meeting will be adjourned or postponed to solicit additional proxies. Votes for and against, abstentions and "broker non-votes" will each count as being present to establish a quorum. A "broker non-vote" occurs when a broker holding shares in street name has not received voting instructions from the customer on certain "non-routine" matters, such as approval of the amendment to the Company's 2005 Incentive Compensation Plan, and therefore is barred by the rules of the applicable securities exchange from exercising discretionary authority to vote those securities on such proposal.

In the election of directors, the two persons receiving the highest number of votes cast "**FOR**" will be elected. The approval of the amendment to the Company's 2005 Incentive Compensation Plan requires the affirmative "**FOR**" vote of holders of shares representing a majority of the shares of the Company's common stock represented in person or by properly executed proxy and entitled to vote at the annual meeting.

The annual meeting shall be presided over by the Chairman of the Board and the Company's Secretary shall act as secretary of the annual meeting. Inspectors of election appointed for the annual meeting will tabulate the votes cast by proxy or in person at the meeting. The inspectors of election will determine whether or not a quorum is present.

Back to Table of Contents

Voting of Proxies; Abstentions; and Broker Non-Votes

In the election of directors, you may vote “**FOR**” each of the nominees or your vote may be “**WITHHELD**” with respect to one or both of the nominees. You may vote “**FOR**,” “**AGAINST**” or “**ABSTAIN**” for the other proposal. All shares of the Company’s common stock represented by properly executed proxies received before or at the annual meeting will, unless the proxies are revoked, be voted in accordance with the instructions indicated on those proxies. If no instructions are indicated on a properly executed proxy card, the shares will be voted “**FOR**” the election of management’s two nominees for membership on the Company’s board of directors and “**FOR**” approval of an amendment to the Company’s 2005 Incentive Compensation Plan to increase the number of shares available for grant under such plan from 850,000 shares to 1,100,000 shares. You are urged to mark the box on the card to indicate how to vote your shares.

If your shares are held in an account at a brokerage firm or bank, that brokerage firm or bank will not be permitted to vote your shares with respect to certain “non-routine” proposals, such as approval of the amendment to the Company’s 2005 Incentive Compensation Plan, unless you provide instructions as to how to vote your shares. If an executed proxy card is returned by a broker or bank holding shares which indicates that the broker or bank has not received voting instructions and does not have discretionary authority to vote on a certain proposal to be presented at the annual meeting, the shares will be considered present at the annual meeting for purposes of determining the presence of a quorum, but will not be considered entitled to vote on such proposal. Brokers may, however, vote their clients’ shares on routine matters, such as the election of directors. Please note that if your shares are held of record by a broker, bank or nominee and you wish to vote at the meeting, you will not be permitted to vote in person unless you first obtain a proxy issued in your name from the record holder.

A properly executed proxy marked “**ABSTAIN**”, although counted for purposes of determining whether there is a quorum and for purposes of determining the aggregate voting power and number of shares represented and entitled to vote at the annual meeting, will not be voted.

Revocability of Proxies

The grant of a proxy on the enclosed proxy card does not preclude a holder of record of the Company’s common stock from voting in person at the annual meeting. If you are a holder of record of the Company’s common stock, you may revoke a proxy at any time prior to your proxy being voted at the annual meeting by:

- attending the annual meeting and voting your shares in person at the annual meeting. Your attendance at the annual meeting alone will not revoke your proxy -- you must also vote at the annual meeting;
- filing an instrument in writing with the Secretary of the Company at Answers Corporation, 237 West 35th Street, Suite 1001, New York, New York 10001, stating that you would like to revoke your proxy; or
- filing another duly executed proxy bearing a later date with the Secretary of the Company at Answers Corporation, 237 West 35th Street, Suite 1001, New York, New York 10001, stating that you would like to revoke your proxy, so that it arrives prior to the annual meeting.

If you revoke your proxy in writing you must indicate the certificate number and the number of shares to which such revocation relates and the aggregate number of shares represented by such certificate(s). The written notification revoking your proxy or a later-dated signed proxy card changing your vote must arrive before the annual meeting takes place in order to be acknowledged and reflected in the vote.

Edgar Filing: Answers CORP - Form DEF 14A

If you are a beneficial owner of the Company's common stock and you instructed a broker or other nominee to vote your shares, you must follow your broker's directions for changing those instructions.

-5-

Back to Table of Contents

If an adjournment occurs, it will have no effect on the ability of stockholders as of the Record Date to exercise their voting rights or to revoke any previously delivered proxies. The Company does not expect to adjourn the annual meeting for a period of time long enough to require the setting of a new record date for such meeting.

Adjournments

Although it is not expected, the annual meeting may be adjourned in the absence of a quorum for the purpose of obtaining a quorum. Any adjournment may be made without notice, other than by an announcement made at the annual meeting. Any adjournment or postponement of the annual meeting for the purpose of soliciting additional proxies will allow the Company's stockholders who have already sent in their proxies to revoke them at any time prior to their use.

Voting By Telephone or Via the Internet

If you hold your shares directly registered in your name with American Stock Transfer & Trust Company, you may vote by telephone or via the Internet. To vote by telephone, call 1-800-PROXIES and follow the automated instructions. Instructions for voting via the Internet are set forth on the enclosed proxy card if you hold your shares directly registered in your name with American Stock Transfer & Trust Company. Many banks and brokerage firms have a process for their beneficial owners to provide instructions over the telephone or via the Internet. Your voting form from your broker or bank will contain instructions for voting.

Votes submitted by telephone or via the Internet must be received by 11:59 p.m., Eastern Daylight Time, on June 20, 2006. Submitting your proxy by telephone or via the Internet will not affect your right to vote in person should you decide to attend the annual meeting.

Solicitation of Proxies and Expenses of Solicitation

The Company generally will bear the cost of the solicitation of proxies in the enclosed form from our stockholders. In addition to solicitation by mail, our directors, officers and employees may solicit proxies from stockholders by telephone, telegram, letter, facsimile or in person. Following the original mailing of the proxies and other soliciting materials, we will request that brokerage houses and other custodians, nominees and fiduciaries forward copies of the proxy and other soliciting materials to the beneficial owners of stock held of record by such persons and request authority for the exercise of proxies. In those cases, we will reimburse such company's custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses in connection with doing so.

[Back to Table of Contents](#)**PROPOSAL NO. 1****ELECTION OF DIRECTORS**

The Company's Amended and Restated Certificate of Incorporation provides that the Company's board of directors shall consist of not less than five and not more than nine directors. The Company's board of directors is currently composed of seven directors and is divided into three classes serving staggered terms: Class I, whose term will expire at the 2008 annual meeting of stockholders, Class II, whose term expires at the upcoming annual meeting of stockholders to be held on June 21, 2006 and Class III, whose term will expire at the annual meeting of stockholders to be held in 2007. At each annual meeting of stockholders, the successors to directors whose term will then expire will be elected to serve from the time of election and qualification until the third annual meeting following their election. The terms of two of the present directors expire this year and each of them has been nominated for reelection. The two nominees identified in the table below are nominated to be elected at the 2006 annual meeting for the term expiring at the 2009 annual meeting of the stockholders.

If a proxy is properly executed but does not contain voting instructions, it will be voted "**FOR**" the election of each of the nominees named below as a director of the Company. Proxies cannot be voted for a greater number of persons than two. Management has no reason to believe that any of the nominees named below will not be a candidate or will be unable to serve as a director. However, in the event that any of the nominees should become unable or unwilling to serve as a director, the proxies may be voted for such substitute nominees as the Company's board of directors may designate.

PROPOSAL 2

THE PROPOSED AMENDMENT TO THE COMPANY'S

2005 INCENTIVE COMPENSATION PLAN

Background

At the Company's previous annual meeting of stockholders held on July 12, 2005, Company stockholders approved the adoption of the Answers Corporation 2005 Incentive Compensation Plan, which we refer to as the 2005 Plan. The terms of the 2005 Plan provide for grants of stock options, stock appreciation rights or SARs, restricted stock, deferred stock, other stock-related awards and performance awards that may be settled in cash, stock or other property.

The main purpose of the 2005 Plan is to provide a means for the Company and its subsidiaries, which we refer to as Related Entities, to attract key personnel to provide services to the Company and the Related Entities, as well as, to provide a means whereby those key persons can acquire and maintain stock ownership, thereby strengthening their commitment to the welfare of the Company and promoting the mutuality of interests between participants and the Company's stockholders. A further purpose of the 2005 Plan is to provide participants with additional incentive and reward opportunities designed to enhance the profitable growth of the Company and its Related Entities, and provide participants with annual and long term performance incentives to expend their maximum efforts in the creation of stockholder value. The persons eligible to receive awards under the 2005 Plan are the officers, directors, employees, consultants and other persons who provide services to the Company and the Related Entities.

The total number of shares of the Company's common stock reserved and available for delivery under the 2005 Plan is currently 850,000. The effective date of the 2005 Plan was July 18, 2005. As of May 1, 2006, 462,300 stock options have been granted under the 2005 Plan.

Proposal

Stockholders are hereby requested to approve an amendment to the 2005 Plan to add an additional 250,000 shares to the number of shares of Common Stock issuable under the 2005 Plan.

The purpose of the amendment is to ensure that the Company will have a sufficient reserve of common stock available under the 2005 Plan to provide eligible employees and potential future hires of the Company and Related Entities with the opportunity to purchase shares of Common Stock. The Board of Directors believes that the number of shares currently available for issuance under the 2005 Plan is insufficient to continue providing our employees and future hires with the opportunity to acquire a proprietary interest in the Company and thereby attract, motivate, and retain the best available talent suitable for our success.

Vote Required and Recommendation of the Company's Board of Directors

The affirmative vote of holders of shares representing a majority of the shares of the Company's common stock represented in person or by properly executed proxy and entitled to vote at the annual meeting is required to approve the amendment to the 2005 Plan. Because such amendment is considered a non-routine proposal under applicable NASDAQ Stock Market rules, a brokerage firm or bank will not be permitted to vote your shares with respect to this proposal unless you provide instructions as to how to vote your shares. If an executed proxy card is returned by a broker or bank holding shares which indicates that the broker or bank has not received voting instructions regarding this proposal, your shares will be considered present at the annual meeting for purposes of determining the presence of a quorum, but will not be considered entitled to vote on this proposal. Abstentions will be counted as present for

purposes of determining if a quorum is present, but will have the effect of votes against this proposal.

The Company's board of directors unanimously recommends a vote "FOR" Proposal No. 2.

At the time Mr. Rosenschein's employment agreement was amended and restated, 241,964 options were granted to Mr. Rosenschein under the 2003 Stock Option Plan. In the event of a change in control, we will accelerate the vesting of 50% of any options granted to Mr. Rosenschein that have not vested as of the effective date of the change of control. If, within twelve (12) months after such change in control, Mr. Rosenschein is terminated without cause, any unvested options that were granted to Mr. Rosenschein will vest immediately upon the effective date of the termination. Mr. Rosenschein has agreed to refrain from competing with us for a period of two (2) years following the termination of his employment.

In the event of a change in control, we will accelerate the vesting of 50% of any options granted to Mr. Steinberg that have not vested as of the effective date of the change of control. If, within twelve (12) months after such change in control, Mr. Steinberg is terminated without cause, Mr. Steinberg is entitled to four (4) months written notice and any unvested options that were granted to Mr. Steinberg will vest immediately upon the effective date of the termination. effective date of Mr. Cutler's termination and pay to Mr. Cutler a lump-sum cash payment equal to between six (6) and twelve (12) months of his base salary, depending upon his length of service at the time of such termination. In May 2005, we entered into an agreement with Shopping.com, Inc. (“Shopping.com”) pursuant to which we obtain e-commerce information from the Shopping.com database in order to make such information available to Answers.com end-users. In a unanimous written consent of the disinterested members of our board of directors dated May 2, 2005, approving this agreement, the board acknowledged that Mr. Michael Eisenberg, at the time a director of Answers Corporation, also serves on the board of directors of Shopping.com, and as such was deemed to be an interested director with respect to the subject matter of the Shopping.com agreement. Mr. Eisenberg had no pecuniary interest in the Shopping.com agreement, and did not take part in approving said transaction.

Any future transactions with officers, directors or 5% stockholders will be on terms no less favorable to us than could be obtained from independent parties. Any affiliated transactions must be approved by a majority of our independent and disinterested directors who have access to our counsel or independent legal counsel at our expense.

Section 16(a) Beneficial Ownership Reporting Compliance

Based solely on information furnished to us and contained in reports filed with the SEC, as well as any written representations that no other reports were required, the Company believes that during 2005, all Securities and Exchange Commission filings of its directors and executive officers complied with the requirements of Section 16 of the Securities Exchange Act.

**REPORT OF THE COMPENSATION COMMITTEE
ON EXECUTIVE COMPENSATION**

Compensation Philosophy

Answers Corporation strives to apply a uniform philosophy regarding compensation for all of its employees, including the members of its senior management. This philosophy is based upon the premise that the achievements of the Company result from the combined and coordinated efforts of all employees working toward common goals and objectives in a competitive, evolving market place.

-22-

Back to Table of Contents

The goals of the Company's compensation program are to align remuneration with business objectives and performance, and to enable the Company to retain and competitively reward executive officers who contribute to the long-term success of Answers. The Company attempts to pay its executive officers competitively in order that it will be able to retain the most capable people in the industry. In making executive compensation decisions, the Compensation Committee considered achievement of certain criteria, some of which relate to the Company's performance and others of which relate to the performance of the individual employee. Awards to executive officers are based on achievement of company and individual performance criteria.

The Compensation Committee will evaluate the Company's compensation policies on an ongoing basis to determine whether they enable the Company to attract, retain and motivate key personnel. To meet these objectives, the Compensation Committee may from time to time increase salaries, award additional stock options or provide other short and long-term incentive compensation to executive officers.

Forms of Compensation

We provide our executive officers with a compensation package consisting of base salary and participation in benefit plans generally available to other employees. In setting total compensation, the Compensation Committee considers individual and company performance, as well as market information regarding compensation paid by other companies in our industry.

Base Salary. Salaries for our executive officers are initially set based on negotiation with individual executive officers at the time of recruitment and with reference to salaries for comparable positions in the industry for individuals of similar education and background to the executive officers being recruited. We also consider the individual's experience, reputation in his or her industry and expected contributions to the Company.

Bonuses. A component of each officer's potential annual compensation may take the form of a performance-based bonus. Bonus payments to officers other than the Chief Executive Officer are determined by the Compensation Committee, in consultation with the Chief Executive Officer, based on the Company's financial performance and the achievement of the officer's individual performance objectives. The Chief Executive Officer's bonus is determined by the Compensation Committee, without participation by the Chief Executive Officer, based on the same factors.

Long-Term Incentives. Longer-term incentives are provided through stock options, which reward executives and other employees through the growth in value of our stock. The Compensation Committee believes that employee equity ownership provides a major incentive for employees to build stockholder value and serves to align the interests of employees with those of the Company's stockholders. Grants of stock options to executive officers are based upon each officer's relative position, responsibilities and contributions to Answers, with primary weight given to the executive officers' relative rank and responsibilities. Initial stock option grants designed to recruit an executive officer to join Answers may be based on negotiations with the officer and with reference to historical option grants to existing officers. Stock options are generally granted at an exercise price equal to the market price of our common stock on the date of grant and will provide value to the executive officers only when the price of our common stock increases over the exercise price.

Employment and Severance Agreements. The Company has entered into employment agreements with its executive officers and certain key employees. Except for Robert S. Rosenschein, our Chief Executive Officer, our employment agreements with our officers and key employees are terminable by either party upon 30-90 days notice. The employment agreements of Messrs. Rosenschein and Cutler provide for a severance payment in the event the Company terminates their employment without cause, and in the case of Mr. Cutler's, should Mr. Cutler leave with 'good reason' as defined in his employment agreement.

Compliance with Internal Revenue Code Section 162(m). Section 162(m) of the Internal Revenue Code of 1986, as amended, restricts deductibility of executive compensation paid to our Chief Executive Officer and each of the four other most highly compensated executive officers holding office at the end of any year to the extent such compensation exceeds \$1,000,000 for any of such officers in any year and does not qualify for an exception under Section 162(m) or related regulations. The Compensation Committee's policy is to qualify its executive compensation for deductibility under applicable tax laws to the extent practicable. Income related to stock options granted under the Company's 1999 Stock Option Plan, the 2000 Stock Plan, the 2003 Stock Plan, the 2004 Stock Plan and the 2005 Incentive Compensation Plan generally qualify for an exemption from these restrictions imposed by Section 162(m). In the future, the Compensation Committee will continue to evaluate the advisability of qualifying its executive compensation for full deductibility.
