Item 1.01 Entry into a Material Definitive Agreement.

On March 31, 2009, Deer Consumer Products, Inc. ("Deer" or the "Company") completed a closing of a private placement offering (the "Offering") of Units (as defined below) pursuant to which Deer sold an aggregate of 932,500 Units at an offering price of \$.80 per Unit for aggregate gross proceeds of \$746,000. Each "Unit" consists of one share of Deer's common stock, par value \$.001 per share (the "Common Stock"), and a three year warrant to purchase 15% of one share of Common Stock at an exercise price of \$1.50 per share (the "Warrants"). The Units sold represent an aggregate of 932,500 million shares of Common Stock and Warrants to purchase 139,875 shares of Common Stock to the purchasers of the Units in the Offering (the "Purchasers") and Warrants to purchase 93,251 shares of Common Stock to the placement agents. The closing of the first tranche of the private placement was originally announced in accordance with Rule 135c of the Securities Act of 1933, as amended (the "Securities Act"), in the Company's Current Report on Form 8-K dated February 6, 2009.

Warrants

The Warrants are immediately exercisable, expire on the third anniversary of their issuance and entitle the Purchasers, in the aggregate, to purchase up to 139,875 shares of Common Stock at an initial exercise price of \$1.50 per share.

Registration Rights Agreement

The Registration Rights Agreement requires that the Company file a registration statement ("Registration Statement") covering shares of Common Stock issued to the Purchasers and the shares issuable upon exercise of the Warrants (the "Registrable Securities"). The Company is required to file the Registration Statement with the Securities and Exchange Commission ("SEC") within 60 days of the closing of the Offering.

The Registration Statement must be declared effective by the SEC within 180 days of the final closing of the Offering. Subject to certain grace periods, the Registration Statement must remain effective and available for use until the Purchasers can sell all of the securities covered by the Registration Statement without restriction pursuant to Rule 144. If Deer fails to meet the filing or effectiveness requirements of the Registration Statement, it is required to pay liquidated damages of 1% of the aggregate purchase price paid by such Purchaser for any Registrable Securities then held by such Purchaser on the date of such failure and on each anniversary of the date of such failure until such failure

is cured. The Registration Rights Agreement provides for customary indemnification for the Company and the Purchasers.

The forms of Warrant and Registration Rights Agreement are attached as Exhibits 10.1 and 10.2, respectively, to this Current Report on Form 8-K. The above descriptions are not complete and are qualified in their entirety by reference to the complete text of those documents, which are incorporated herein by reference. However, those documents and agreements, including, without limitation, the representations and warranties contained in those documents, are not intended as documents for investors and the public to obtain factual information about the current state of affairs of the parties to those documents and agreements. Rather, investors and the public should look to other disclosures contained in the Company's reports under the Securities Exchange Act of 1934, as amended ("Exchange Act").

In addition, Deer compensated two placement agents that assisted in the sale of Units in the Offering by (i) paying them cash equal to 9% of the gross proceeds from the sales of Units placed and (ii) issuing them Warrants to purchase that number of shares of Common Stock equal to 10% of the Units placed as follows:
