The Company was unable to file its Annual Report on Form 10-K for the fiscal year ended December 31, 2012 on a timely basis as a result of the fact that the Company required additional time to work internally with its staff and externally with its outside auditors to prepare and finalize the document. The Company has conducted major transactions during the last fiscal year, such as

the establishment of joint venture with an independent party, owning 30% equity interest of the new joint venture (i) company, ATMD (Hong Kong) Limited ("ATMD") and integrating over 65% of its business to ATMD. This number is expected to increase to 90% when the transition is completed; and

(ii) the acquisition of 80% equity interest in USmart Electronic Products Limited ("USmart") and 100% equity interest in eVision Telecom Limited ("eVision").

The Company has experienced a significant drop in net income due to the following reasons:

- decrease in sales volume and gross profit as the Company's major business is being transferred to ATMD; increase in selling, general and administrative expenses due to establishment of ATMD and acquisition of USmart and eVision; and
 - revenues generated from the newly established joint venture and newly acquired companies are expected to be included in the Company's financial statements going forward.
