Item 1.01. Entry into a Material Definitive Agreement.

On January 21, 2014, the Registrant entered into a Securities Purchase Agreement (the “Agreement”) with certain purchasers (the “Purchasers”), relating to the offering and sale (the “Offering”) of units (“Units”) at the aggregate purchase price of \$5.25 (“Purchase Price”) per Unit. The price per Unit was equal to a four percent (4%) discount to the 20-day VWAP of the Registrant’s stock price on Friday, January 17, 2014. The exercise price of the Warrant was equal to the closing price of the Registrant’s stock on Friday, January 17, 2014. Each Unit consisted of one share of the Company’s common stock, par value \$0.001 per share (the “Common Stock”) and Sixty-Five Hundredths (65/100) of a warrant to purchase one share of Common Stock (“Warrant”), issuable upon exercise of the Warrant at the exercise price of \$6.05 per share (the “Warrant Shares”, collectively with the Units, Common Stock and Warrant, the “Securities”). The Warrants are exercisable immediately and expire five years after issuance.

On January 24, 2014, the Company and the Purchasers consummated the purchase and sale of the Securities (the “Closing”) of 3,815,285 shares of Common Stock and 2,479,935 Warrants, and the Company raised gross proceeds of \$20,030,246.25 before estimated expenses of the Offering of approximately \$1,200,000, which includes placement agent fees but does not include attorneys’ fees and other expenses. The Company intends to use the proceeds for general business purposes and expects that it will be able to accelerate the development of its drug candidate pipeline with this additional funding.

The Agreement contains representations and warranties and covenants for each party, which must be true and have been performed at Closing. Additionally, the Company has agreed to indemnify and hold harmless the Purchasers and their related parties against certain liabilities in connection with the issuance and sale of the Securities under the Agreement.

The Offering is made pursuant to the Company’s shelf registration statement on Form S-3 (File No. 333-184626), which was declared effective by the Securities and Exchange Commission on December 21, 2012 and Form S-3MEF (File No. 333-193439). The Company, pursuant to Rule 424(b) under the Securities Act of 1933, has filed with the Securities and Exchange Commission a prospectus supplement relating to the Offering.

In connection with the Offering, pursuant to a Placement Agency Agreement dated January 20, 2014 among Midtown Partners & Co., LLC and Chardan Capital Markets, LLC (collectively, the “Placement Agents”), the Company paid the Placement Agents an aggregate cash fee representing 6% of the gross Purchase Price paid by the Purchasers and warrants to purchase an aggregate of 2% of the number of shares of Common Stock sold in the Offering (the “Compensation Warrants”) representing two percent of the Shares and substantially similar to the Warrants, at an exercise price equal to \$6.05 per share. The Compensation Warrants will otherwise comply with FINRA Rule 5110(g)(1) in that for a period of six months after the issuance date of the Compensation Warrants, neither the Compensation Warrants nor any warrant shares issued upon exercise of the compensation warrants shall be sold, transferred, assigned, pledged, or hypothecated, or be the subject of any hedging, short sale, derivative, put, or call transaction that would result in the effective economic disposition of the securities by any person for a period of 180

days immediately following the Closing.

The foregoing is only a summary of the material terms of the Agreement and the Placement Agency Agreement. The foregoing description of the Agreement is qualified in its entirety by reference to the Agreement, which is filed as Exhibit 10.1 to this Current Report on Form 8-K, which is incorporated herein by reference. The foregoing description of the Warrant is qualified in its entirety by reference to the Warrant, which is filed as Exhibit 10.2 to this Current Report on Form 8-K, which is incorporated herein by reference. The foregoing description of the Placement Agency Agreement is qualified in its entirety by reference to the Placement Agency Agreement which is filed as Exhibit 1.1 to this Current Report on Form 8-K, which is incorporated herein by reference.

This Current Report on Form 8-K contains forward-looking statements that involve risk and uncertainties. The risks and uncertainties involved include the substantial dilution to current stockholders as a result of the purchase price discount offered to the Purchasers, and the market overhang of shares available for sale that may develop as a result of the subsequent sale by the Purchasers of the shares of Common Stock underlying the Warrants and other shares it may acquire under the Agreement, as well as other risks detailed from time to time in the Company's periodic filings with the Securities and Exchange Commission.
