Item 2.01. Completion of Acquisition or Disposition of Assets

On May 20, 2013, VTC, L.L.C. (the “Purchaser”), a wholly owned subsidiary of TSS, Inc. (formerly Fortress International Group, Inc.) (the “Company”), entered into an Asset Purchase Agreement (the “Purchase Agreement”) pursuant to which the Purchaser agreed to acquire certain assets, and assume certain specified liabilities, from arvato digital services LLC (the “Seller”) related to Seller’s data center integration business (the “Data Center Business”) operated at its Round Rock, Texas facility. The purchase price paid by the Purchaser under the Purchase Agreement was \$1,469,243, which included a negative purchase price adjustment of \$5,757 to reflect the value of the purchased inventory and certain vendor prepaid amounts. A payment of \$725,000 was paid in cash at closing, \$375,000 was set aside in an escrow account for the purposes of satisfying any indemnification claims under the Purchase Agreement, and the balance of the purchase price of \$369,243 was paid on July 1, 2013.

The purchased assets include all inventory, furniture, fixtures, equipment, identified customer contracts, intellectual property (including certain proprietary software) and other assets used in the Data Center Business. The Company also offered employment to certain employees of the Data Center business and assumed the Seller’s lease at the Round Rock, Texas facility for the remaining term.

The Purchaser and the Seller also entered into a Transition Services Agreement and a Software License Agreement whereby the Purchaser will license purchased proprietary software back to the Seller on a non-exclusive, perpetual, royalty-free basis, with certain territorial limitations.

A copy of the Purchase Agreement is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The foregoing summary does not purport to be complete and is qualified in its entirety by reference to the attached Purchase Agreement.
