PROXY STATEMENT

ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON

JANUARY 23, 2015

INTRODUCTION

Proxy Solicitation and General Information

This Proxy Statement and the enclosed form of proxy card (the “Proxy Card”) are being furnished to the holders of common stock, par value \$0.001 per share, of NanoViricides, Inc., a Nevada corporation (which is sometimes referred to in this Proxy Statement as “NanoViricides, Inc.,” “NanoViricides,” the “Company,” “we,” “us” or “our”), in connection with solicitation of proxies by our Board of Directors for use at the Annual Meeting of Stockholders to be held on January 23, 2015, at 10:00 a.m., Eastern Daylight Time, at Hampton Inn, 26 Mill River Street, Stamford, Connecticut 06902, and at any adjournments or postponements thereof (the “Annual Meeting”).

At the Annual Meeting, stockholders will be asked to consider and take appropriate action with respect to the following:

1. The re-election of Stanley Glick as a Class III director for a two-year term expiring at the 2016 annual meeting of stockholders and until his successor is duly elected and qualified or until his earlier resignation or removal (Proposal 1);

2. The approval of an amendment to our Articles of Incorporation to increase the number of authorized shares from 85,714,286 authorized shares of common stock, par value \$0.001 per share to 150,000,000 shares and 5,714,286 shares of preferred stock, par value \$0.001 per share, to 10,000,000 shares (Proposal 2);

3. To ratify the appointment of Eisner Amper LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2015 (Proposal 3); and

4. To transact such other business as may properly come before the Annual Meeting, including to consider any procedural matters incident to the conduct of the Annual Meeting, such as the postponement of the Annual Meeting in order to solicit additional proxies to vote in favor of the matters presented at the Annual Meeting.

The Board of Directors has fixed the close of business on November 28, 2014, as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. Each such stockholder will be entitled to one vote for each share of common stock held on all matters to come before the Annual Meeting and may vote in person or by proxy authorized in writing.

Proxies and Voting

Stockholders are requested to complete, sign, date and promptly return the enclosed Proxy Card in the enclosed envelope. Proxy Cards which are not revoked will be voted at the Annual Meeting in accordance with instructions contained therein. If a Proxy Card is signed and returned without instructions, the shares will be voted **FOR** the ratification of the appointment of Eisner Amper LLP as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2015 (Proposal 3). The election of the nominee for director named in this Proxy Statement (Proposal 1) and the amendment to the Company's Articles of Incorporation to increase the Company's authorized common stock (Proposal 2) require the affirmative vote of a majority of the Company's outstanding common stock present at the Annual Meeting, broker non-votes and abstentions will not count as affirmative votes.

Voting

Most beneficial owners whose stock is held in street name do not receive the Proxy Card. Instead, they receive voting instruction forms or proxy ballots from their bank, broker or other agent. Beneficial owners should follow the instructions on the voter instruction form or proxy ballot they receive from their bank, broker or other agent.

Our Board of Directors has selected Anil Diwan and Eugene Seymour, and each of them, to serve as "Proxyholders" for the Annual Meeting. Proxy Cards which are not revoked will be voted at the Meeting in accordance with instructions contained therein.

Revocation of Proxy

A stockholder who so desires may revoke its previously submitted Proxy Card at any time before it is voted at the Meeting by: (i) delivering written notice to us at NanoViricides, Inc., 135 Wood Street, Suite 205, West Haven, Connecticut 06516, c/o Secretary; (ii) duly executing and delivering a Proxy Card bearing a later date; or (iii) casting a ballot at the Annual Meeting. Attendance at the Annual Meeting will not in and of itself constitute a revocation of a proxy.

Voting on Other Matters

The Board of Directors knows of no other matters that are to be brought before the Annual Meeting other than as set forth in the Notice of Meeting. If any other matters properly come before the Annual Meeting, the persons named in the enclosed Proxy Card or their substitutes will vote in accordance with their best judgment on such matters.

Record Date; Shares Outstanding and Entitled to Vote

Only stockholders as of the close of business on November 28, 2014 (the "Record Date") are entitled to notice of and to vote at the Annual Meeting. As of November 28, 2014, there were 58,321,521 shares of our common stock outstanding and entitled to vote, with each share entitled to one vote. See "Beneficial Ownership of Company Common Stock By Directors, Officers and Principal Stockholders" for information regarding the beneficial ownership of our common stock by our directors, executive officers and stockholders known to us to beneficially own 5% or more of our common stock.

Quorum; Required Votes

The presence at the Meeting, in person or by duly authorized proxy, of the holders of a majority of the outstanding shares of common stock entitled to vote constitutes a quorum for this Meeting.

Abstentions and "broker non-votes" are counted as present for purposes of determining whether a quorum exists. A "broker non-vote" occurs when a nominee such as a bank, broker or other agent holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received voting instructions from the beneficial owner.

Nominees may have such discretion to vote absent instructions with respect to certain "routine" matters, such as Proposal 3, the ratification of independent auditors, but not with respect to matters that are considered "non-routine," such as the election of a director. Accordingly, without voting instructions from you, your broker will not be able to vote your shares on Proposals 1 and 2.

Each share of NanoViricides common stock entitles the holder to one vote on each matter presented for stockholder action. The affirmative vote of a majority of the votes cast in person or represented by proxy at the Meeting is necessary for the election of the nominee of Class III named in this Proxy Statement (Proposal 1) and the amendment to the Company's Articles of Incorporation to increase the Company's authorized common stock (Proposal 2). The affirmative vote of a majority of the shares of common stock present in person or represented by proxy at the Meeting is necessary for the ratification of the appointment of Eisner Amper LLP as the Company's independent registered public accounting firm for the year ending June 30, 2015 (Proposal 3).

An inspector of elections appointed by NanoViricides will tabulate votes at the Meeting.

Proxy Solicitation; Expenses

NanoViricides will bear the costs of the solicitation of proxies for the Meeting. Our directors, officers and employees may solicit proxies from stockholders by mail, telephone, telegram, e-mail, personal interview or otherwise. Such directors, officers and employees will not receive additional compensation but may be reimbursed for out-of-pocket expenses in connection with such solicitation. Brokers, nominees, fiduciaries and other custodians have been requested to forward soliciting material to the beneficial owners of our common stock held of record by them and such parties will be reimbursed for their reasonable expenses.

Voting Confidentiality

Proxy Cards, ballots and voting tabulations are handled on a confidential basis to protect your voting privacy. This information will not be disclosed to unrelated third parties except as required by law.

Appraisal Rights

Stockholders will have no rights of appraisal under the Nevada Revised Statutes in connection with the proposals to be considered at the Meeting.

IT IS DESIRABLE THAT AS LARGE A PROPORTION AS POSSIBLE OF THE STOCKHOLDERS' INTERESTS BE REPRESENTED AT THE MEETING. THEREFORE, EVEN IF YOU INTEND TO BE PRESENT AT THE MEETING, PLEASE SIGN AND RETURN THE ENCLOSED PROXY CARD TO

ENSURE THAT YOUR STOCK WILL BE REPRESENTED. IF YOU ARE PRESENT AT THE MEETING AND DESIRE TO DO SO, YOU MAY WITHDRAW YOUR PROXY CARD AND VOTE IN PERSON BY GIVING WRITTEN NOTICE TO THE SECRETARY OF THE COMPANY. YOUR PRESENCE AT THE MEETING WILL NOT AUTOMATICALLY REVOKE YOUR PROXY CARD. PLEASE RETURN YOUR EXECUTED PROXY CARD PROMPTLY.

**QUESTIONS AND ANSWERS REGARDING THIS SOLICITATION
AND VOTING AT THE MEETING**

Why am I receiving this proxy statement?

You are receiving this proxy statement from us because you were a stockholder of record at the close of business on the record date of November 28, 2014. As a stockholder of record, you are invited to attend our annual meeting of stockholders (“Annual Meeting”) and are entitled to vote on the items of business described in this proxy statement. This proxy statement contains important information about the Annual Meeting and the items of business to be transacted at the Annual Meeting. You are strongly encouraged to read this proxy statement, which includes information that you may find useful in determining how to vote.

Who is entitled to attend and vote at the meeting?

Only holders of record of shares of our common stock at the close of business on November 28, 2014 (the record date) are entitled to notice of, to attend, and to vote at the Annual Meeting and any adjournments or postponements of the Annual Meeting.

How many shares are outstanding?

On the record date, 58,321,521 shares of our common stock were issued and outstanding and held by approximately 185 holders of record, which does not include stockholders holding our stock in “street name.” Each share of common stock outstanding on the record date is entitled to one vote.

How many shares must be present or represented to conduct business at the meeting (that is, what constitutes a quorum)?

The presence at the Annual Meeting, in person or represented by proxy, of the holders of at least a majority of the shares of our common stock, issued and outstanding on the record date and entitled to vote at the Annual Meeting, will constitute a quorum for the transaction of business. If, however, a quorum is not present, in person or represented by proxy, then either the chairman of the Annual Meeting or the stockholders entitled to vote at the Annual Meeting may adjourn the Annual Meeting until a later time.

What items of business will be voted on at the meeting?

The items of business to be voted on at the Annual Meeting are as follows:

To elect the nominee Class III Director named in the accompanying Proxy Statement to serve on the Board of Directors for a two-year term expiring at the 2016 annual meeting of stockholders and until his successor is duly elected and qualified or until their earlier resignation or removal (Proposal 1);

The amendment to the Company’s Articles of Incorporation to increase the number of shares of the Company’s authorized common stock and preferred stock (Proposal 2);

To ratify the appointment of Eisner Amper LLP as the Company’s independent registered public accounting firm for the fiscal year ending June 30, 2015 (Proposal 3); and

To transact such other business as may properly come before the Annual Meeting, including to consider any procedural matters incident to the conduct of the Annual Meeting, such as the postponement of the Annual Meeting in order to solicit additional proxies to vote in favor of the matters presented at the Annual Meeting.

***What happens if
additional matters are
presented at the meeting?***

The only items of business that our Board of Directors intends to present at the Annual Meeting are set forth in this proxy statement. As of the date of this proxy statement, no stockholder has advised us of the intent to present any other matter, and we are not aware of any other matters to be presented at the Annual Meeting. If any other matter or matters are properly brought before the Annual Meeting, the person(s) named as your proxyholder(s) will have the discretion to vote your shares on the matters in accordance with their best judgment and as they deem advisable.

How does the Board of Directors recommend that I vote?

Our Board of Directors recommends that you vote your shares “**FOR**” the election of the director nominee, “**FOR**” the amendment to the Company’s Articles of Incorporation, and “**FOR**” the ratification of the appointment of Eisner Amper LLP

What shares can I vote at the meeting?

You may vote all of the shares you owned as of November 28, 2014, the record date, including shares held directly in your name as the *stockholder of record* and all shares held for you as the *beneficial owner* through a broker, trustee or other nominee such as a bank. Some of our stockholders hold their shares through a broker or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Stockholders of Record. If your shares are registered directly in your name with our transfer agent, Corporate Stock Transfer, Inc., you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by us. As the stockholder of record, you have the right to vote in person at the Annual Meeting or direct the proxyholder how to vote your shares on your behalf at the Annual Meeting by fully completing, signing and dating the enclosed proxy card and returning it to us in the enclosed postage-paid return envelope.

Beneficial Owner. If your shares are held in a brokerage account or by a trustee or another nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you together with a voting instruction card by your broker, trustee or other nominee. As the beneficial owner, you have the right to direct your broker, trustee or nominee to vote your shares as you instruct in the voting instruction card. The broker, trustee or other nominee may either vote in person at the Annual Meeting or grant a proxy and direct the proxyholder to vote your shares at the Annual Meeting as you instruct in the voting instruction card. You may also vote in person at the Annual Meeting, but only after you obtain a “legal proxy” from the broker, trustee or nominee that holds your shares, giving you the right to vote your shares at the Annual Meeting. Your broker, trustee or nominee has enclosed or provided a voting instruction card for you to use in directing the broker, trustee or nominee how to vote your shares.

How can I vote my shares without attending the Annual Meeting?

As discussed previously, whether you hold shares directly as the stockholder of record or as a beneficial owner, you may direct how your shares are voted without attending the Annual Meeting by completing and returning the enclosed proxy card or voting instruction card. If you provide specific instructions with regard to items of business to be voted on at the Annual Meeting, your shares will be voted as you instruct on those items. Proxies properly signed, dated and submitted to us that do not contain voting instructions and are not revoked prior to the Annual Meeting will be voted “**FOR**” the ratification of the appointment of Eisner Amper LLP.

How can I vote my shares in person at the meeting?

Shares held in your name as the stockholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person only if you obtain a legal proxy from the broker, trustee or nominee that holds your shares giving you the right to vote the shares at the Annual Meeting. You should be prepared to present the Admission Ticket attached to the proxy card and photo identification for admittance. Please also note that if you are not a stockholder of record but hold shares through a broker, trustee or nominee, you will need to provide proof of beneficial ownership as of the record date, such as your most recent brokerage account statement, a copy of the voting instruction card provided by your broker, trustee or nominee, or other similar evidence of ownership. The Annual Meeting will begin promptly at 10:00 a.m. (local time). Reception and check-in will begin at 9:00 a.m. Even if you plan to attend the Annual Meeting, we recommend that you also complete, sign and date the enclosed proxy card or voting instruction card and return it promptly in the accompanying postage-paid return envelope in order to ensure that your vote will be counted if you later decide not to, or are unable to, attend the Annual Meeting.

Can I change my vote or revoke my proxy?

You may change your vote or revoke your proxy at any time prior to the vote at the Annual Meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date, which automatically revokes the earlier proxy, by providing a written notice of revocation to our Corporate Secretary prior to your shares being voted, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

You may change your vote or revoke your proxy at any time prior to the vote at the Annual Meeting. If you are the stockholder of record, you may change your vote by granting a new proxy bearing a later date, which automatically revokes the earlier proxy, by providing a written notice of revocation to our Corporate Secretary prior to your shares being voted, or by attending the Annual Meeting and voting in person. Attendance at the Annual Meeting will not cause your previously granted proxy to be revoked unless you specifically so request.

If you are a beneficial owner, you may change your vote by submitting a new voting instruction card to your broker, trustee or nominee, or, if you have obtained a legal proxy from your broker, trustee or nominee giving you the right to vote your shares, by attending the Annual Meeting and voting in person.

Is my vote confidential

Proxy cards, voting instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed, except as required by law to Corporate Stock Transfer, Inc., our transfer agent, to allow for the tabulation of votes and certification of the vote, and to facilitate a successful proxy solicitation.

How are votes counted and what vote is required to approve each item

Each outstanding share of our common stock entitles the holder to one vote per share on each matter considered at the Annual Meeting. Stockholders are not entitled to cumulate their votes in the election of directors or with respect to any matter submitted to a vote of the stockholders.

Proposal No. 1

The election of directors requires a plurality of the votes cast for the election of directors and, accordingly, so long as a quorum is present, if the director nominee receive a majority of affirmative

“FOR” votes at the Annual Meeting, he will be elected to serve as director. You may vote either **“FOR”** or **“WITHHOLD”** your vote for the director nominee. A properly executed proxy marked **“WITHHOLD”** with respect to the election of a director will not be voted with respect to the director indicated, although it will be counted for purposes of determining whether there is a quorum.

Proposal No. 2 The amendment of our Articles of Incorporation requires a majority of the votes cast for the amendment and, accordingly, so long as a quorum is present, if the Amendment receives a majority of affirmative “**FOR**” votes at the Annual Meeting, the Articles of Incorporation will be amended to effectuate the Authorized Increase. You may vote either “**FOR**” or “**AGAINST**” the Authorized Increase, or you may abstain. A properly executed proxy marked “**ABSTAIN**” with respect to the Authorized Increase will not be voted with respect to such amendment, although it will be counted for purposes of determining both whether there is a quorum and the total number of votes cast with respect to the proposal and will thus have the same effect as a vote “**AGAINST**” the proposal. If the stockholders fail to ratify the amendment the Authorized Increase will not take effect.

Proposal No. 3 Stockholder ratification of the appointment of Eisner Amper LLP as our independent registered public accounting firm for the fiscal year ending June 30, 2015, is not required by law or by our governing instruments. However, our Board of Directors is submitting the selection of Eisner Amper LLP to our stockholders for ratification as a matter of good corporate governance and practice. The ratification of the appointment of Eisner Amper LLP requires the affirmative vote of a majority of the votes cast. You may vote either “**FOR**” or “**AGAINST**” ratification of the appointment, or you may abstain. A properly executed proxy marked “**ABSTAIN**” with respect to the ratification of the appointment will not be voted with respect to such ratification, although it will be counted for purposes of determining both whether there is a quorum and the total number of votes cast with respect to the proposal and will thus have the same effect as a vote “**AGAINST**” the proposal. If the stockholders fail to ratify the appointment, our Board of Directors will reconsider whether or not to retain that firm.

What is a “broker non-vote”? Under the rules that govern brokers and banks who have record ownership of our shares of common stock that are held in street name for their clients such as you, who are the beneficial owners of the shares, brokers and banks have the discretion to vote such shares on routine matters. For non-routine matters, brokers and banks do not have such discretion, resulting in a broker non-vote.

How are “broker non-votes” counted? Broker non-votes will be counted as present for the purpose of determining the presence or absence of a quorum for the transaction of business, but they will *not* be counted in tabulating the voting result for any particular proposal

How are abstentions counted? If you return a proxy card that indicates an abstention from voting on one or more proposals, the shares represented by your proxy will be counted as present for the purpose of determining both the presence of a quorum and the total number of votes cast with respect to a proposal (other than the election of directors), but they will not be counted in tabulating the voting results for any particular proposal. As a result, an abstention will have the same effect as a vote against a proposal (other than the election of directors).

What happens if the meeting is adjourned? If our Annual Meeting is adjourned to another time and place, no additional notice will be given of the adjourned meeting if the time and place of the adjourned meeting is announced at the Annual Meeting, unless the adjournment is for more than 30 days, in which case a notice of the adjourned meeting will be given to each stockholder of record entitled to vote at the adjourned meeting. At the adjourned meeting, we may transact any items of business that might have been transacted at the Annual Meeting.

What should I do in the event that I receive more than one set of proxy materials? You may receive more than one set of these proxy solicitation materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards. For example, if you hold your shares in more than one brokerage account, you may receive a separate voting instruction card for each brokerage account in which you hold shares. In addition, if you are a stockholder of record and your shares are registered in more than one name, you may receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive to ensure that all your shares are voted.

Who is soliciting my vote and who will bear the costs of this solicitation?

The enclosed proxy is being solicited on behalf of our Board of Directors. We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this proxy statement. In addition to solicitation by mail, our directors, officers and employees may also solicit proxies in person, by telephone, by electronic mail or by other means of communication. We will not pay any additional compensation to our directors, officers or other employees for soliciting proxies. Copies of the proxy materials will be furnished to brokerage firms, banks, trustees, custodians and other nominees holding beneficially owned shares of our common stock, who will forward the proxy materials to the beneficial owners. We may, at our discretion, reimburse brokerage firms, banks, trustees, custodians and other agents for the costs of forwarding the proxy materials. Our costs for forwarding proxy materials will not be significant.

Where can I find the voting results of the meeting?

We intend to announce preliminary voting results at the meeting, and publish the final voting results in a Current Report on Form 8-K that we expect to file within four business days after the meeting.

PROPOSAL 1

ELECTION OF DIRECTOR

Our Amended and Restated Bylaws provide that our Board of Directors will consist of not less than two nor more than seven members, with such number to be fixed by the Board of Directors and there are currently five members of our Board of Directors. The directors are divided into three classes. Each director serves for a term of two years. At each annual meeting, the term of one or more classes of directors expires. The class of directors with a term expiring at this annual meeting consists of one director. At the Annual Meeting, one Class III director will be elected to serve for a term of two years expiring at the 2016 annual meeting of stockholders and until his successor is duly elected and qualified or until his earlier resignation or removal.

Except as otherwise specified or in the case of broker non-votes, each Proxy Card received will be voted for the election of the nominee for directors named below for a two-year term expiring at the 2016 annual meeting of stockholders and until his successor is duly elected and qualified or until his earlier resignation or removal. The nominee named below have been nominated by the Board of Directors and has consented to be named a nominee in this Proxy Statement and to serve as a director, if elected. Should the nominee become unable or unwilling to accept a nomination for election, the person named in the enclosed Proxy Card will vote for the election of a nominee designated by the Board of Directors or will vote for such lesser number of directors as may be prescribed by the Board of Directors in accordance with our Amended and Restated By-laws.

When considering whether director and nominee have the experience, qualifications, attributes and skills, taken as a whole, to enable the Board of Directors to satisfy its oversight responsibilities effectively in light of the Company's business and structure, the Board of Directors focused primarily on the information discussed in each of the nominee's individual biographies set forth below, which contains information regarding the person's service as a director, business experience, and director positions held currently or at any time during the last five years.

Director Nominee Biographical Information

The age and principal occupation for the past five years of the person nominated as director is set forth below:

Stanley Glick, CPA, age 77, was appointed as an independent Director and as chair of the Audit Committee of the Company on June 22, 2012. Mr. Glick has over forty years of experience in his long career of providing auditing, accounting, tax, and management advisory services, to clients in various industries. Mr. Glick has been a member of several Boards of Directors for not-for-profit organizations in the Westport, Connecticut area. In particular, he has served as a Director and member of Audit Committee of "A Better Chance" of Westport, Connecticut, from 2000 to 2005. From 1977 until present, Mr. Glick has managed an independent practice as a Certified Public Accountant in Connecticut and New York States. Prior to forming his own CPA firm, Mr. Glick was employed by local and regional CPA firms where he performed and supervised audits and financial reporting. Mr. Glick is a member of the American Institute of Certified Public Accountants, The Connecticut Society of Certified Public Accountants, and the New York State Society of Certified Public Accountants. He holds a Bachelor of Business Administration degree in Accounting from Baruch College of Business (now Baruch College of the City University of New York). Mr. Glick is married and lives in Trumbull, Connecticut. We concluded that Mr. Glick's broad business, accounting and auditing experience meets the criteria of an independent director and an "audit committee Financial Expert. The Company has expanded and enhanced its Board of Directors by the appointment of Stanley Glick CPA, as an independent director. The Company understands that as an SEC-filing company trading on the over-the-counter bulletin-board, the Company is currently not required to appoint independent board members, and is not required to appoint an independent board member financial expert to chair its Audit Committee. However, the Company believes that an independent board member with expertise in financial reporting and management advisory services, chairing the audit committee, would provide additional assurances to the financial community and other users of the Company's financial statements. Mr. Glick's appointment as an independent director and audit committee chairman, significantly improves the Company's financial oversight and management.

The affirmative vote of a plurality of the votes cast in person or by proxy at the Meeting is necessary for the election as director of the nominee named in this Proxy Statement (assuming a quorum of a majority of the outstanding shares of common stock is present).

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE ABOVE-NAMED DIRECTOR NOMINEE.

We concluded Dr. Boniuk's experience plus business acumen render him qualified to serve as a member of its Board of Directors.

At the 2014 Annual Meeting, we will ask our stockholders to approve the amendment to our Articles of Incorporation to increase the number of authorized shares of Common Stock. Accordingly, approximately 5,018,514 shares of the total number of common stock currently authorized remain available for issuance or may be reserved for issuance.

Form of the Amendment

The proposed amendment (the "Amendment") would amend and restate Article Four of our Articles of Incorporation to read in its entirety as follows:

The authority of the Board of

Directors with respect to each series, is hereby expressly vested in it and shall include, without limiting the generality of the foregoing, determination of the following:

(i) the designation of such class or series, which may be by distinguishing number, letter or title;

(ii) the number of shares of the series, which number the Board of Directors may thereafter (except where otherwise provided in the Preferred Stock Designation) increase or decrease (but not below the number of shares thereof then outstanding);

(ix) restrictions on the issuance of shares of the same class or series or of any other class or series;

(x) whether the holders of the shares of such class or series shall be entitled to vote, as a class, series or otherwise, any and all matters of the corporation to which holders of Capital Stock are entitled to vote;

(xi) the restrictions and conditions, if any, upon the issuance or reissuance of any Additional Preferred Stock ranking or a party with or prior to such shares as to dividends or upon distribution; and

(xii) any other preferences, limitations or relative rights of shares of such class or series consistent with this Article III, the N.R.S. and applicable law.

(c) Common Stock. The Common Stock shall be subject to the express terms of the Preferred Stock and any series thereof. Each share of Common Stock shall be equal to each other share of Common Stock. Except as may be provided in these Amended and Restated Articles of Incorporation or in a Preferred Stock Designation, the holders of shares of Common Stock shall be entitled to one vote for each such share upon all questions presented to the stockholders.

Background and Reasons for the Share Increase

Our Articles of Incorporation currently authorize the issuance of up to 85,714,286 shares of Common Stock and 5,714,286 shares of Preferred Stock. As of the close of business on November 28, 2014, there were 58,326,521 shares of Common Stock issued and outstanding and 22,374,251 shares reserved for issuance pursuant to outstanding convertible debentures, warrants, options and shares of Series A Convertible Preferred Stock, leaving a balance of 5,018,514 shares of Common Stock available for issuance. In addition, 3,387,795 shares of Preferred Stock are issued and outstanding leaving a balance of 2,326,491 shares that are authorized but unissued. There are currently no shares of Preferred Stock reserved for issuance.

If the Share Increase is approved by shareholders, upon its effectiveness we will have a total of 150,000,000 authorized shares of common stock, with 58,321,521 shares of Common Stock issued and outstanding (as of the Record Date), and 22,374,251 shares reserved for issuance, leaving a balance of 69,304,228 shares of Common Stock authorized and unissued and not reserved for any specific purpose. Additionally, upon effectiveness of the Share Increase, we will have a total of 3,387,795 shares of Preferred Stock issued and outstanding as of the Record Date, leaving a balance of 6,612,205 shares of Preferred Stock authorized and unissued and not reserved for any specific purpose. The Board of Directors recommends that shareholders approve the Share Increase Amendment. Adoption of the amendment requires that the number of votes cast in favor of the amendment exceed the number of votes cast against it at the Annual Meeting.

Purpose of the Amendment

The Board of Directors believes it is in the best interest of the Company to increase the number of authorized shares of our common stock in order to give the Company greater flexibility in considering and planning for future general corporate needs, including, but not limited to, stock dividends, grants under equity compensation plans, stock splits, financings, potential strategic transactions, as well as other
