**Item 1.01 Entry into a Material Definitive Agreement.**

On March 31, 2016, Bacterin International, Inc. (“Bacterin International”), a wholly owned subsidiary of Xtant Medical Holdings, Inc. (the “Company”), entered into an amendment (the “Amendment”) with ROS Acquisition Offshore LP and Orbimed Royalty Opportunities II, LP to its existing Amended and Restated Credit Agreement, which is referred to herein as the “Facility.”

The Amendment modifies the Facility by extending the time frame during which Bacterin International may elect to allow interest to accrue on its loan in lieu of making interest payments, from December 31, 2015 to March 31, 2016. The Amendment also lowers the minimum liquidity requirements of Bacterin International and the Company, by allowing Bacterin International and the Company to maintain liquidity amounts of \$500,000 or more prior to June 30, 2016. At all times after June 30, 2016 and until January 1, 2017, Bacterin International and the Company are required to maintain liquidity amounts of \$2,500,000 or greater.

The foregoing description of the Amendment does not purport to be complete and is qualified in its entirety by reference to the Amendment, which is attached hereto as Exhibit 10.1, and is incorporated by reference herein.
