Item 1.01 Entry into a Material Definitive Agreement.

On October 26, 2017, The First Bancshares, Inc. (the “Company”) entered into an underwriting agreement (the “Underwriting Agreement”) with Keefe, Bruyette & Woods, Inc., as representative for the several underwriters contained therein (collectively, the “Underwriters”), to issue and sell 1,750,000 shares of the Company’s common stock, \$1.00 par value per share (“Common Stock”), in an underwritten public offering (the “Offering”) at a public offering price of \$29.00 per share. As part of the Offering, the Company granted the Underwriters a 30-day option to purchase up to an additional 262,500 shares of Common Stock at the public offering price less the underwriting discount (the “Option”). The Underwriters elected to exercise the Option in full on October 27, 2017. The Offering of an aggregate of 2,012,500 shares was completed on October 31, 2017, pursuant to the terms of the Underwriting Agreement. The underwriting discounts and commissions were \$1.45 per share sold in the Offering. The net proceeds of the Offering, after underwriting discounts and estimated expenses, and including the Underwriter’s exercise of the Option, were approximately \$55.2 million.

The Underwriting Agreement contains customary representations, warranties and agreements of the Company and its wholly-owned subsidiary The First, A National Banking Association, customary conditions to closing, obligations of the parties and termination provisions. The foregoing description is qualified in its entirety by reference to the Underwriting Agreement, a copy of which is attached hereto as Exhibit 1.1 and incorporated herein by reference.

Pursuant to the Underwriting Agreement, directors and certain executive officers of the Company entered into agreements in substantially the form included as an exhibit to the Underwriting Agreement providing for a 90-day “lock-up” period with respect to sales of specified securities, subject to certain exceptions.

Alston & Bird LLP, counsel to the Company, has issued an opinion to the Company with respect to the validity of the Common Stock to be issued and sold in the offering, a copy of which is filed as Exhibit 5.1 to this Current Report on Form 8-K.

The offer and sale of shares of Common Stock sold in the Offering were registered under the Securities Act of 1933, as amended, pursuant to an effective shelf registration statement on Form S-3 (Registration No. 333-220491) filed September 15, 2017, and declared effective on September 25, 2017. The offer and sale of the shares of Common Stock in the Offering are described in the Company’s prospectus constituting a part of the Registration Statement, as supplemented by a final prospectus supplement dated October 26, 2017.
