Enclosure: Copa Airlines temporarily cancels all flights to Venezuela.

On April 5, 2018, the government of Venezuela announced that it was temporarily suspending economic, financial and commercial relations with Panama, including certain companies and Panamanian citizens, for a period of 90 days. This announcement includes the operations of Copa Airlines in Venezuela. Copa Airlines has cancelled all of its flights between Panama and Venezuela for the next 90 days, effective immediately. For the year ended December 31, 2017, revenue from Copa Airlines' flights to Venezuela, including connecting traffic, represented about 5% of consolidated revenues and direct flights between Panama and Venezuela, excluding connections, represented about 2% of total available seat miles (ASMs). While it is too early to predict the ultimate impact of these restrictions, Copa Holdings does not expect any such cancellations to have other effects on Copa Holdings' consolidated operations.
