PURPOSES OF THE ANNUAL MEETING

At the 2002 Annual Meeting, the holders of record of our common shares of beneficial interest, par value \$0.01 per share, on March 15, 2002 will vote upon the following matters:

The board of trustees recommends that you vote "FOR" each of Proposal One, Proposal Two and Proposal Three.

RECORD DATE AND VOTING

Record Date and Shareholders List

The board of trustees has established the close of business on March 15, 2002 as the record date. Only our shareholders of record at the close of business on the record date will be entitled to receive notice of, and to vote at, the annual meeting and any adjournments or postponements thereof. At the close of business on the record date, we had 37,811,019 common shares outstanding.

The Proxy

We are making the solicitation of proxies primarily by mail and Internet. We will bear the cost of preparing and mailing this proxy statement and the accompanying material, and the cost of any supplementary solicitations, which may be made by mail, telephone, telegraph, facsimile, electronically or personally by our officers and employees. We do not expect that specially engaged employees or paid solicitors will make the solicitation. Although we might use such employees or solicitors if we deem them necessary, we have not made arrangements or contracts with any such employees or solicitors as of the

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

date of this proxy statement.

The board of trustees has selected Gregory S. Imhoff and J. Kevan Dilbeck as proxies, and they are named as such on the proxy card. The proxy will be voted as specified by the shareholder in the spaces provided on the proxy card, or if no specification is made, it will be voted in favor of the proposals. A shareholder giving a proxy has the power to revoke it either by delivering written notice of such revocation to our corporate secretary before the annual meeting or by attending the annual meeting and voting in person. Beneficial owners of our common shares held in the name of a broker or other intermediary may vote and revoke a previous vote only through, and in accordance with, procedures established by the record holder(s) or their agent(s).

In voting by proxy in regard to Proposal One, shareholders may vote in favor of all of the nominees, withhold their votes as to all of the nominees, or withhold their votes as to any specified nominee. Shareholders may not abstain with respect to the election of trustees. With regard to Proposals Two and Three, shareholders may vote in favor of the proposals, vote against the proposals, or abstain from voting with respect to the proposals.

How You Can Vote

You may attend the annual meeting and vote your shares in person. You also may choose to submit your proxies by any of the following methods:

Authorizing a Proxy by Mail. If you choose to vote by mail, simply complete the enclosed proxy card, date and sign it, and return it in the postage-paid envelope provided

Authorizing a Proxy by Telephone. You may authorize a proxy to vote your shares by telephone by calling the toll-free telephone number provided on the proxy card. Telephone proxy authorization is available 24 hours a day, and the procedures are designed to authenticate votes cast by using a Control Number located on the proxy card. The procedures allow you to appoint a proxy to vote your shares and to confirm that your instructions have been properly recorded. If you authorize a proxy to vote by telephone, you should not return your proxy card.

Authorizing a Proxy by Internet. You may also authorize a proxy to vote through the Internet by signing on to the web site identified on the proxy card and following the procedures described in the web site. Internet proxy authorization is available 24 hours a day, and the procedures are designed to authenticate proxies authorized by using a Control Number located on the proxy card. The procedures allow you to appoint a proxy to vote your shares and to confirm that your instructions have been properly recorded. If you authorize a proxy to vote through the Internet, you should not return your proxy card.

Quorum, Required Vote and Voting Rights

Quorum. Unless a quorum is present at the annual meeting, no action may be taken at the meeting except the adjournment thereof until a later time. The presence, in person or by proxy, of shareholders holding a majority of the outstanding common shares on the record date, March 15, 2002, will constitute a quorum for

the transaction of business at the annual meeting. Shares that are represented at the annual meeting but abstain from voting on any or all matters and shares that are "broker non-votes" (shares held by brokers or nominees as to which they have no discretionary power to vote on a particular matter and have

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

received no instructions from the beneficial owners thereof or persons entitled to vote thereon) will be counted as shares present and entitled to vote in determining whether a quorum is present at the annual meeting. The election inspectors appointed for the annual meeting will determine the number of common shares present at the meeting, determine the validity of proxies and ballots, determine whether or not a quorum is present, and count all votes and ballots.

Required Vote. With respect to Proposal One, if a quorum is present, a vote of a plurality of all the votes cast by shareholders on the matter, in person or by proxy, will elect each nominee for trustee. Votes marked "For" Proposal One will be counted in favor of all nominees, except to the extent the proxy withholds authority to vote for, a specified nominee. Votes "withheld" from a trustee-nominee also have no effect on the vote since a plurality of the shares cast at the annual meeting is required for the election of each trustee. Shareholders may not abstain from voting with respect to the election of trustees. "Broker non-votes" relate to shares held by brokers or nominees as to which they have no discretionary power to vote on a particular matter and have received no instructions from the beneficial owners thereof or person entitled to vote thereon. Because the election of trustees is a routine matter for which specific instructions from beneficial owners will not be required, no "broker non-votes" will arise in the context of Proposal One.

Approval of Proposal Two requires the majority of all the votes cast on the matter at the annual meeting by shareholders at which a quorum is present in person or by proxy. Abstentions from voting on Proposal Two will not be counted as votes cast and therefore will have no effect on the outcome of the proposal. Broker non-votes will not be treated as a vote cast with respect to Proposal Two and therefore will have no effect on the outcome of the proposal.

Approval of Proposal Three requires the majority of all the votes cast on the matter at the annual meeting by shareholders at which a quorum is present in person or by proxy. Abstentions from voting on Proposal Three will not be counted as votes cast and thus, will have no effect on the results of the vote with respect to such proposal.

Voting Rights. With respect to each proposal, each shareholder will be entitled to one vote per common share held by the shareholders as of the record date.

3

PROPOSAL ONE ELECTION OF TRUSTEES

Nominees for Election to the Board of Trustees

Our declaration of trust divides the board of trustees into three classes as nearly equal in number as possible, with each class serving a term of three years. If a quorum is present, a vote of a plurality of all the shares cast by shareholders, in person or by proxy, will elect each nominee for trustee. The board of trustees has set the number of trustees constituting the current board of trustees at seven, three of whom will be elected at the annual meeting.

We have no Nominating Committee of our board of trustees, with the entire board of trustees acting in such a capacity. The board of trustees has nominated three of the present Class III trustees, Michael V. Prentiss, Thomas J. Hynes, Jr. and Barry J.C. Parker, to serve as Class III trustees until our annual meeting in 2005 and until the respective successor of each is duly elected and qualified. The remaining members of the board of trustees will continue as members thereof until their respective terms expire, as indicated below, or until their respective successors are duly elected and qualified.

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

If any nominee becomes unavailable or unwilling to serve us as a trustee for any reason, the persons named as proxies in the proxy card are expected to consult with our management in voting the shares represented by them. The board of trustees has no reason to doubt the availability of the nominees, and each has indicated his willingness to serve us as a trustee if reelected by the shareholders at the annual meeting.

Terms of Office

Our board of trustees elects our officers annually at a meeting held after each annual meeting of shareholders, or as soon thereafter as necessary and convenient in order to fill vacancies or newly created offices. Each officer holds office until his successor is duly elected and qualified or until death, resignation or removal, if earlier. The board of trustees may remove any officer or agent elected or appointed by the board of trustees whenever in its judgment our best interests will be served thereby, but such removal shall be without prejudice to the contractual rights, if any, of the person so removed.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires executive officers, trustees and persons who beneficially own more than 10% of our common shares to file initial reports of ownership and reports of changes in ownership with the SEC. Officers, trustees and greater than 10% beneficial owners are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file.

Based solely on a review of the copies furnished to us and representations from our executive officers and trustees, we believe that all Section 16(a) filing requirements for the year ended December 31, 2001 applicable to our executive officers, trustees and greater than 10% beneficial owners were satisfied. Based on written representations from the executive officers and trustees, we believe that no Forms 5 for trustees, officers and greater than 10% beneficial owners were required to be filed with the SEC for the period ended December 31, 2001.

EXECUTIVE COMPENSATION

Compensation Committee Interlocks and Insider Participation

During 2001, the Compensation Committee of our board of trustees consisted

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

of Messrs. Hynes, Riggs and Wilson, all of whom are independent trustees. We did not have a policy during 2001 prohibiting our executive officers from participating in deliberations of our board of trustees regarding executive compensation. Consequently, Messrs. Prentiss and August, who also serve us as trustees, were present during, and participated in, the deliberations of the board of trustees regarding executive compensation during 2001. However, Messrs. Prentiss and August did not vote with respect to such actions by the board of trustees and the Compensation Committee.

The following table sets forth the annual and long-term compensation with respect to our Chief Executive Officer and our four most highly compensated executive officers other than the Chief Executive Officer for services rendered during 2001, 2000 and 1999.

During 2001 we granted options to our executive officers pursuant our 1996 Share Incentive Plan. No SARs were granted during 2001. For additional information on and certain terms of options, see "--1996 Share Incentive Plan."

 (1) Represents the percentage of options granted to all employees during 2001. Options to purchase a total of 241,000 common shares were granted during 2001.

(2) In accordance with the rules of the SEC, the amounts shown on this table represent hypothetical gains that could be achieved for the respective options if exercised at the end of the option term. These gains are based on the assumed rates of stock appreciation of 5% and 10% compounded annually from the date the respective options were granted to their expiration date and do not reflect our estimates or projections of future prices of our common shares. The gains shown are net of the option exercise price, but do not include deductions for taxes or other expenses associated with the exercise. Actual gains, if any, on stock option exercises will depend on the future performance of our common shares, the option holder's continued employment through the option period, and the date on which the options are exercised.

Option Exercises in Last Fiscal Year

The following table sets forth certain information regarding the exercise of stock options during the last completed year and the fiscal year-end value of unexercised options held by the named executive officers as of December 31, 2001. For additional information on and certain terms of options, see "--1996 Share Incentive Plan." The below-named executive officers exercised options to purchase 668,606 common shares during 2001.

Savings Plan

Along with our operating partnership Prentiss Properties Acquisition Partners, L.P., and designated subsidiaries, including Prentiss Properties Limited, Inc., we have adopted, the Employee Savings Plan & Trust of our predecessor company, which originally adopted the Employee Savings Plan & Trust in 1987. Prior service with the predecessor company is credited in full as service with us or Prentiss Properties Acquisition Partners, L.P. and designated subsidiaries for all purposes under the Employee Savings Plan & Trust, including eligibility and vesting.

The Employee Savings Plan & Trust is a defined contribution plan that is qualified under Section 401(k) of the Internal Revenue Code of 1986. Contributions made by employees or by us to the plan, and income earned on these contributions, are not taxable to employees until withdrawn from the plan. Our employees may enroll in the Employee Savings Plan & Trust on March 1, June 1, September 1, and December 1 after completing one year of employment with us and attaining age 21. Plan participants are immediately vested in their pre-tax contributions, matching and our discretionary contributions, and earnings thereon.

The Employee Savings Plan & Trust permits each plan participant to elect to defer up to 15% of base compensation, subject to the annual statutory limitation (\$10,500 for 2001, \$10,500 for 2000, \$10,000 for 1999 and 1998 and \$9,500 for 1997 and 1996) prescribed by Section 402(g) of the Internal Revenue Code, on a pre-tax basis. Along with Prentiss Properties Acquisition Partners, L.P., and designated subsidiaries, we will make matching contributions for our respective plan participants equal to 25% of amounts deferred up to 6% of the participant's compensation.

For the years 2000 and 2001, we made an additional matching contribution in a total amount of \$600,000 for both years combined to the Employee Savings Plan & Trust. This matching contribution will be in addition to the match participating employees currently receive. The first portion of the additional match was \$300,000 and was available to all employees who made contributions to their account during the calendar year 2000 and were employees as of December 31, 2000. The second additional match was \$300,000 and was available to all employees who made contributions to their accounts during 2001 and were employees as of December 31, 2001. The second match was made in January 2002.

Share Purchase Plan

Under our Share Purchase Plan, and with respect only to year 2001, our employees were able to purchase our common shares directly from us at a 25% discount to the then-current market value at the date of purchase for the first \$10,000 of an individual employee's payroll deduction. Employees may make subsequent purchases, including purchases in all subsequent years, of our common shares at a 15% discount. An employee's purchases, on an annual basis, under the Share Purchase Plan will be limited to the lesser of 20% of the employee's base salary or \$25,000. The maximum number of our common shares that may be purchased under the Share Purchase Plan is 500,000. Employees who participate in the plan will recognize income, and we will be allowed a business expense deduction, equal to the discount at the time of a purchase. As of March 15, 2002, a total of 216,920 of our common shares have been issued under the Share Purchase Plan with approximately 200 individuals participating in 2001.

Key Employee Share Option Plan

We have adopted a Key Employee Share Option Plan. Pursuant to the Key Employee Share Option Plan, our officers and other selected employees who earn

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

bonuses have the option of deferring the payment of such bonuses. Participants may use such deferred compensation to purchase various mutual funds. In addition, if we so provide, participants may purchase our common shares at a 15% discount to the then-current market value at the date of the purchase, which is the same discount available to all employees under the Share Purchase Plan, or other investments offered through the Key Employee Share Option Plan. For 2001 bonuses payable in March 2002, we have suspended the 15% discount. If a participant elects to purchase our common shares with the deferred bonus compensation, we will purchase our common shares on the open market and place them in a trust for the benefit of such participant. Such trust may deliver common shares held for the benefit of a participant beginning six months from the date they were placed in the trust. The purpose of the Key Employee Share Option Plan is to provide a vehicle for the payment of compensation otherwise payable

13

to the participants, in a form that will provide incentives and rewards for meritorious performance and encourage the participants' continuance as employees. The Compensation Committee administers the Key Employee Share Option Plan.

1996 Share Incentive Plan

Prior to our initial public offering, the board of trustees adopted, and our then sole shareholder approved, the 1996 Share Incentive Plan for the purpose of attracting and retaining executive officers, trustees and employees. The Compensation Committee of the board of trustees administers the 1996 Share Incentive Plan. The Compensation Committee may not delegate its authority with respect to grants and awards to individuals subject to Section 16 of the Exchange Act.

Our officers and employees generally will be eligible to participate in the 1996 Share Incentive Plan. The Compensation Committee selects the individuals who will participate in the 1996 Share Incentive Plan. The Compensation Committee may not grant to a participant in the 1996 Share Incentive Plan, in any calendar year, options to purchase more than 390,000 of our common shares or SARs that cover more than 390,000 common shares. Options granted with tandem SARs shall be treated as a single award for purposes of applying the limitation in the preceding sentence. No participant in the 1996 Share Incentive Plan may be issued, in any calendar year, more than 50,000 common shares pursuant to an award of Restricted Shares (defined below) or Performance Shares (defined below).

The 1996 Share Incentive Plan currently authorizes the issuance of up to 5,000,000 common shares. The 1996 Share Incentive Plan provides for the grant of (i) share options not intended to qualify as incentive share options under Section 422 of the Internal Revenue Code, (ii) Performance Shares, (iii) SARs, issued alone or in tandem with options, (iv) Restricted Shares, which are contingent upon the attainment of performance goals or subject to vesting requirements or other restrictions and (v) incentive awards. The Compensation Committee prescribes the conditions that must occur for Restricted Shares to vest or for Performance Shares to vest and incentive awards to be earned.

Our incentive compensation awards are designed to reward and motivate key employees for achieving financial and operational objectives and increasing long term value of our common shares. We pay incentive compensation annually through a combination of stock option and restricted stock awards based upon the achievement of target objectives for certain performance measures for the most recently completed fiscal year. The Compensation Committee uses equal weightings of total shareholder return and our performance relative to our peer

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

group of REITs as our primary performance measures for determining incentive compensation awards. To a lesser degree, growth in funds from operations per share, and for certain participants, the performance of the employee's department or division will influence such determinations. Incentive compensation amounts actually paid are determined based on whether the "threshold," "target" or "maximum" pre-determined levels for each performance measure are met. If target performance is achieved, each participant's total compensation will be between the median and 75th percentile of the market competitive incentive remuneration practices found among our peer group of REITs. Should we exceed our target performance levels, the total compensation to each participant should approximate the 75th percentile of such competitive practices, while if less than target performance is achieved, the total compensation will be substantially below the median of such competitive practices. Annual incentives will not be awarded if the "threshold" levels of performance are not realized.

We believe that our incentive award program further aligns the interests of our executives with those of our shareholders since share-related compensation is directly tied to shareholder value. Stock options and restricted shares awarded under this aspect of the 1996 Share Incentive Plan vest 33.3% per annum beginning one year following the anniversary of the award grant.

In connection with the grant of options under the 1996 Share Incentive Plan, the Compensation Committee will determine the option exercise period and any vesting requirements. An option may be exercised for any number of whole shares less than the full number for which the option could be exercised. A plan participant will have no rights as a shareholder with respect to our common shares subject to his or her option until the option is exercised. To the extent an option has not become exercisable at the time of a plan participant's termination of employment, the plan participant will forfeit the option unless the

14

Compensation Committee exercises its discretion to accelerate vesting for the plan participant. If a plan participant is terminated due to dishonesty or similar reasons, all unexercised options, whether vested or unvested, will be forfeited. Any common shares subject to options which are forfeited (or expire without exercise) pursuant to the vesting requirement or other terms established at the time of grant will again be available for grant under the 1996 Share Incentive Plan. The exercise price of options granted under the 1996 Share Incentive Plan may not be less than the fair market value of our common shares on the date of grant. Payment of the exercise price of an option granted under the 1996 Share Incentive Plan may be made in cash, cash equivalents acceptable to the Compensation Committee or, if permitted by the option agreement, by exchanging common shares having a fair market value equal to the option exercise price.

As of March 15, 2002 all trustees on our board of trustees and approximately 570 of our employees were eligible to receive options under the 1996 Share Incentive Plan. As of March 15, 2002, we had granted 4,212,312 options under the 1996 Share Incentive Plan, 1,995,761 of which had been exercised, 516,746 of which had been forfeited and 1,699,805 of which remained outstanding as of such date. A total of 817,634 common shares remain available for grant as of March 15, 2002. To see a table setting forth information regarding grants of options to our executive officers during the 2001 fiscal year, see "--Option Grants in Last Fiscal Year." We did not grant SARs under the 1996 Share Incentive Plan in 2001.

We may not grant options, SARs, Restricted Shares, incentive award or

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

performance shares under the 1996 Share Incentive Plan after December 31, 2006. The board of trustees may amend or terminate the 1996 Share Incentive Plan at any time, but an amendment will not become effective without shareholder approval if the amendment materially (i) increases the number of shares that may be issued under the 1996 Share Incentive Plan (other than adjustments provided in the 1996 Share Incentive Plan); (ii) changes the eligibility requirements; or (iii) increases the benefits that may be provided under the 1996 Share Incentive Plan. No amendment will affect a participant's outstanding award without the participant's consent.

Trustees' Share Incentive Plan

Pursuant to our Trustees' Share Incentive Plan, we may grant nonqualified options to purchase our common shares to our independent trustees. Pursuant to the Trustees' Share Incentive Plan, each independent trustee receives quarterly grants of our common shares having a fair market value of approximately \$6,250 on the date of issuance. Each independent trustee automatically receives an option for 10,000 common shares on the date of the first board of trustees meeting following the annual meeting of shareholders at which the independent trustee is first elected to the board of trustees. However, an independent trustee who is first elected or appointed to the board of trustees other than at an annual meeting of shareholders will receive an option for 10,000 of our common shares on the date of such election or appointment. Independent trustees are granted options to purchase 7,500 common shares annually on July 1.

The exercise price of options granted under the Trustees' Share Incentive Plan is the fair market value of our common shares on the date of grant. Options granted under the Trustees' Share Incentive Plan upon election or appointment of an independent trustee become exercisable for 2,500 shares on each of the first through fourth anniversaries of the date of grant, provided that the trustee is a member of the board of trustees on such anniversary date. Annual options granted to an independent trustee are fully vested and exercisable when granted. The maximum number of our common shares that we may issue under the Trustees' Share Incentive Plan is 200,000.

As of March 15, 2002, five of our trustees were eligible to receive options under the Trustees' Share Incentive Plan. As of March 15, 2002, 175,000 options had been granted under the Trustees' Share Incentive Plan, none of which had been exercised, none of which had been forfeited and all of which remained outstanding as of such date. A total of 25,000 of our common shares remain available for grant as of March 15, 2002. To see a table setting forth information regarding grants of options to our executive officers during the 2001 fiscal year, see "Executive Compensation -- Option Grants in Last Fiscal Year." We did not grant SARs under the Trustees' Share Incentive Plan in 2001.

The board of trustees has approved, and is submitting to the shareholders for their approval, the amended and restated Trustees' Share Incentive Plan which increases by 300,000 shares the aggregate number of our common shares that may be issued under the current Trustees' Share Incentive Plan, extends the duration of

15

the current Trustees' Share Incentive Plan by 10 years, and gives us broader authority in terms of the types, amounts and dates of share grants that we may authorize than we are given under the current Trustees' Share Incentive Plan. See "Proposal 2--Amendment of the Trustees' Share Incentive Plan."

Effective January 1, 2002, the board of trustees approved, subject to shareholder approval of the amended and restated Trustees' Share Incentive Plan, an award of up to 10,000 shares to each independent trustee, to increase

Edgar Filing: PRETISS PROPERTIES TRUST/MD - Form DEF 14A

each independent trustees' compensation and to reward each trustee for five years of service on our board of trustees. Each award will vest subject to our performance as discussed below at the end of fiscal 2006. The exact amount of each award will depend on the total return to our shareholders over the five year award period, with the full 10,000 shares being awarded to each trustee if the total return to our shareholders over the five-year period has been greater than 14%. No shares will be awarded if the total return to our shareholders over the five-year period is less than 8%.

Trustee Compensation

Currently, each of our trustees who is also one of our executive officers or employees receives no compensation as such for service as members of either the board of trustees or committees thereof. Independent trustees receive a fee of \$1,250 plus expenses for attendance in person at each meeting of the board of trustees, \$500 for each telephonic meeting of the board of trustees and \$750 for each committee meeting attended. We pay the fee for attending committee meetings only when a committee meeting is not held on the same day as a meeting of the board of trustees. Each member of the Audit Committee receives \$3,000 annually. Independent trustees are also eligible to receive our common shares and options to purchase our common shares pursuant to the Trustees' Share Incentive Plan as discussed above. See "--Trustees' Share Incentive Plan."

Employment Agreements

We entered into employment agreements with Messrs. Prentiss and August on October 22, 1996. Mr. Prentiss' agreement was amended and restated effective February 14, 2001 and has an initial employment term of five years. Mr. Prentiss' agreement is renewable upon mutual agreement of both parties. Mr. August's agreement was amended and restated effective May 10, 2000 and has an initial employment term of three years. Mr. August's agreement will automatically be renewed for successive one-year periods unless otherwise terminated pursuant to the agreement. Messrs. Prentiss' and August's agreements provide for 2001 base annual compensation of \$350,000 for Mr. Prentiss and \$330,000 for Mr. August. Incentive compensation for Messrs. Prentiss and August is to be determined by the Compensation Committee. Mr. Prentiss' employment agreement provides for an annual \$50,000 increase in base salary. Mr. Prentiss waived his 2002 salary increase as part of our plan to reduce overhead and other expenses. Mr. August's agreement provides that the Compensation Committee may approve increases in his base salary. Each of the employment agreements provides for certain severance payments in the event of a change in control of Prentiss Properties Trust, disability or termination by us without cause or by the employee with cause. We employ no other individuals pursuant to an employment agreement.

The terms of Messrs. Prentiss' and August's employment agreements require that Messrs. Prentiss and August devote substantially all of their business time to our affairs. These agreements also, subject to certain exceptions, prohibit them from engaging, directly or indirectly, during the term of their employment plus the period beginning on the date of the termination of employment with us and ending on the second anniversary of such date, in any activity anywhere in the U.S. in which we compete.

We granted the options and restricted stock pursuant to our 1996 Share Incentive Plan and such grants are listed in the long-term compensation columns of the Summary Compensation Table.

Messrs. Prentiss, August, Krueger and Wiberg exercised options during 2001. See "Executive Compensation--Option Exercises in Last Fiscal Year." The Compensation Committee may also award shares of Restricted Shares, performance shares or SARs to our executive officers pursuant to the 1996 Share Incentive Plan. All such awards have been reflected herein.

Chairman of the Board and CEO Compensation

In determining the appropriate compensation for our Chairman of the Board and Chief Executive Officer, the Compensation Committee uses as its guide our performance, competitive practices, and the Compensation Committee's policy, as discussed above, of determining compensation with reference to the compensation paid to similarly situated executives of comparable companies. The Compensation Committee considers appropriate adjustments in the compensation of our Chairman of the Board and Chief Executive Officer concurrently with similar adjustments it makes for our other executive officers.

We adjusted Messrs. Prentiss' and August's compensation to \$350,000 and \$330,000, respectively, in 2001 for 2001. In addition, Messrs. Prentiss and August received a bonus in March 2002 for the 2001 year of \$256,515 and \$241,857, respectively. As of March 15, 2002, the Board agreed that the executive officers should receive no raises for 2002.

We adjusted Messrs. Prentiss' and August's compensation to \$317,000 and \$310,000, respectively, in 2000 for 2000. In addition, Messrs. Prentiss and August received a bonus in March 2001 for the 2000 year of \$418,400 and \$410,861, respectively.

We adjusted Messrs. Prentiss' and August's compensation to \$302,500 and

Edgar Filing: PRETISS PROPERTIES TRUST/MD - Form DEF 14A

\$269,500, respectively, in 1999 for 1999. In addition, Messrs. Prentiss and August received a bonus in March 2000 for the 1999 year of \$363,000 and \$269,500, respectively. We paid bonuses in 1999 for 1998 to Mr. Prentiss in the amount of \$299,063 and to Mr. August in the amount of \$221,113 and in 1998 for 1997 to Mr. Prentiss in the amount of \$235,913 and to Mr. August in the amount of \$209,700. In determining these amounts, the Compensation Committee reviewed cash compensation levels for executive officers of other publicly traded REITs with approximately comparable levels of capitalization to ours and for various

other REITs as reported by the National Association of Real Estate Investment Trust's annual Study of Executive Compensation, prepared by FPL Associates, an independent executive compensation consulting firm based in Chicago, Illinois.

Committee.

PERFORMANCE GRAPH

The following performance graph compares the change in the cumulative total shareholder return on our common shares for the period October 22, 1996, which was the first day our common shares traded on the New York Stock Exchange, through December 31, 2001, with the changes in the S&P 500 Index, the SNL Securities Office/Industrial REIT Index and the National Association of Real Estate Investment Trusts Equity Index (the "NAREIT Equity Index") for the same period. The performance graph assumes a base share price of \$100 for our common shares on October 22, 1996 and each index for comparative purposes. Total return equals appreciation in share price plus dividends paid, and assumes that all dividends are reinvested. The performance graph is not necessarily indicative of future investment performance. Information in the performance graph was compiled by SNL Securities L.C.

In addition, the computation of the number of common shares beneficially owned by a person assumes that all units of beneficial interest in our operating partnership held by the person are redeemed for common shares. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Sharing of Offices and Employees

We share executive offices and certain employees with one of our affiliates, Prentiss Properties Limited, Inc. We each bear our share of costs including allocable portions of rent, salaries, office expenses, employee benefits and various fixtures and equipment. To the extent that services are provided between the companies, we allocate such estimated costs to the related party. The total estimated costs allocated between the Prentiss Properties Trust and Prentiss Properties Limited, Inc. from January 1, 2001 throughout December 31, 2001 totaled \$4,000,000.

Officer Loan Program

In June 1999, we granted loans to certain of our employees. Each unsecured loan has a term of five years, accrues interest at 7% per annum and is with recourse as to each borrower. Borrowers will make payments to us quarterly at a rate equal to the original principal amount of the loans multiplied by the percentage obtained by dividing the amount of the quarterly dividend per common share that we declare by the closing price of one of our common shares on the date(s) amounts were advanced.

The loans contain loan forgiveness provisions with the purpose of securing the continued and future employment services of the borrowers. One-third of the unpaid principal amount of each loan will be forgiven on the third, fourth and fifth anniversaries of the loan grant, provided that there has been no default by the borrower, including termination of the borrower's employment.

Unsecured Moving Incentive Loans

We loaned \$74,375 to Christopher M. Hipps on June 1, 1999. We loaned \$74,583 to Daniel K. Cushing on January 1, 2002. Each of the loans were entered into to assist Messrs. Hipps and Cushing with moving expenses incurred when they re-located. The loans contain loan forgiveness provisions with the purpose of securing the continued and future employment services of the borrowers. One-fifth of the unpaid principal amount of each loan will be forgiven on the first, second, third, fourth and fifth anniversaries of the loan grant, provided that there has been no default by the borrower, including termination of the borrower's employment.

Home Loan

On June 28, 1999, we loaned Christopher M. Hipps \$500,000 at 0% interest to purchase a home in California. We entered into the loan to help induce Mr. Hipps to accept the position of Managing Director of our West Region and to compensate Mr. Hipps for the high cost of living in California. The loan is non-recourse, is secured by the home Mr. Hipps purchased in California and is due on the earlier of (1) the termination of Mr. Hipps' employment with us, (2) the sale of Mr. Hipps' California residence and (3) June 28, 2009.

Current Loan Balances

The highest aggregate amount of all loans described above since January 1, 2001 was \$4,121,052. The amount of indebtedness of our executive officers as of

Formation of Taxable REIT Subsidiary

Tax legislation prohibits us from owning more than 10% of the voting common stock of an issuer or more than 10% of the value of an issuer, except for our interests in our operating partnership, our non-corporate subsidiaries, taxable REIT subsidiaries, or any qualified REIT subsidiary. To comply with this legislation, in March 2001, our operating partnership, through the following related transactions, formed Prentiss Properties Resources, Inc. to act as a taxable REIT subsidiary under the Real Estate Investment Trust Modernization Act which allows a corporation, other than a REIT, in which a REIT directly or indirectly owns stock, to perform services for tenants without disqualifying the rents received:

- o Our operating partnership contributed to Prentiss Properties Resources, among other things, (1) \$1 million, (2) all of the outstanding non-voting common stock of our third-party service provider, Prentiss Properties Limited, Inc., (3) two promissory notes with a combined original principal amount of \$34.7 million issued by Prentiss Properties Limited to our operating partnership and (4) real property located in Dallas, Texas and in return Prentiss Properties Resources issued to our operating partnership 958.5 shares of its non-voting common stock and a promissory note in the amount of \$5 million.
- o Ampulla, LLC, which is wholly-owned by Michael V. Prentiss, contributed all of its voting common stock of Prentiss Properties Limited to Prentiss Properties Resources in return for 21.5 shares of non-voting common stock of Prentiss Properties Resources.
- o Our operating partnership purchased Ampulla's 21.5 shares of the non-voting common stock of Prentiss Properties Resources for approximately \$72,000.

After giving effect to the above series of transactions, our operating partnership became the owner of all of the outstanding non-voting common stock of Prentiss Properties Resources and Ampulla became the owner of all of the outstanding voting common stock of Prentiss Properties Resources, and Prentiss Properties Limited became a wholly-owned subsidiary of Prentiss Properties Resources.

PROPOSAL TWO

Edgar Filing: PRETISS PROPERTIES TRUST/MD - Form DEF 14A

AMENDMENT OF THE TRUSTEES' SHARE INCENTIVE PLAN

Proposed Amendment

On January 1, 2002 the board of trustees voted to amend and restate our Trustees' Share Incentive Plan and is recommending that the shareholders approve and adopt the amended and restated Trustees' Share Incentive Plan. The amended and restated Trustees' Share Incentive Plan increases the aggregate number of our common shares that may be issued under the Trustees' Share Incentive Plan by 300,000 shares. In addition, the amended and restated Trustee's Share Incentive Plan extends the duration of the original Trustee's Share Incentive Plan by 10 years and gives us broader authority in terms of the types, amounts and dates of share grants that we may authorize than we are given under the current Trustees' Share Incentive Plan. The full text of the amended and restated Trustees' Share Incentive Plan is attached to this proxy statement as Annex A.

Recommendation

The Board believes that increasing the aggregate number of our common shares that may be issued under the Trustees' Share Incentive Plan, extending the duration of the Trustees' Share Incentive Plan and giving us broader authority in terms of the types, amounts and dates of share grants that we may authorize than we are given under the current Trustees' Share Incentive Plan is necessary to recruit and retain trustees now and in the future and to promote a greater identity of interest between trustees and shareholders by enabling such persons to participate in our future success. THE BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE FOR ADOPTION OF THE AMENDED AND RESTATED TRUSTEES' SHARE INCENTIVE PLAN.

Comparison of the Current Trustees Share Incentive Plan and the Amended and Restated Trustees' Share Incentive Plan

The amended and restated Trustees' Share Incentive Plan, if approved by the shareholders, will give our board of trustees broad authority to issue shares, options, or restricted shares to our independent trustees. The following is a comparison of the material terms of our current Trustees' Share Incentive Plan and the proposed amended and restated Trustees' Share Incentive Plan.

Shares Available for Issuance

As of March 15, 2002, five of our trustees were eligible to receive options under the current Trustees' Share Incentive Plan. As of March 15, 2002, 175,000 options had been granted under the current Trustees' Share Incentive Plan, none of which had been exercised, none of which had been forfeited and all of which remained outstanding as of such date. A total of 25,000 of our common shares remain available for grant as of March 15, 2002. To see a table setting forth information regarding grants of options to our executive officers during the 2001 fiscal year, see "Executive Compensation -- Option Grants in Last Fiscal Year." We did not grant SARs under the Trustees' Share Incentive Plan in 2001. The maximum number of our common shares that we may issue under the current Trustees' Share Incentive Plan is 200,000. A total of 300,000 shares, plus any remaining available for issuance under the current Trustees' Share Incentive Plan will be available for issuance under the amended and restated plan if it is approved by our shareholders.

Share Grants

Pursuant to the current Trustees' Share Incentive Plan, each independent trustee receives quarterly grants of our common shares having a fair market value of approximately \$6,250 on the date of issuance. If the amended and

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

restated Trustees' Share Incentive Plan is approved by our shareholders we will be able to issue common shares to our independent trustees in amounts and at dates within our discretion, subject to the terms of the amended and restated plan.

24

Option Grants

Under the current Trustees' Share Incentive Plan, each independent trustee automatically receives an option for 10,000 common shares on the date of the first board of trustees meeting following the annual meeting of shareholders at which the independent trustee is first elected to the board of trustees. However, an independent trustee who is first elected or appointed to the board of trustees other than at an annual meeting of shareholders will receive an option for 10,000 of our common shares on the date of such election or appointment. Options granted under the current Trustees' Share Incentive Plan upon election or appointment of an independent trustee become exercisable for 2,500 shares on each of the first through fourth anniversaries of the date of grant, provided that the trustee is a member of the board of trustees on such anniversary date. Also, under the current Trustees' Share Incentive Plan, independent trustees are granted options to purchase 7,500 common shares annually on July 1.

If the amended and restated Trustees' Share Incentive Plan is approved by our shareholders, we will no longer be required to issue options in the amounts and at the dates specified above. Rather, we will have the authority to issue options under the amended plan in amounts, on dates and upon terms within our sole discretion subject to the terms of the amended plan. Under the amended and restated plan, options will be exercisable in accordance with the option agreements by and between us and our independent trustees.

The exercise price of options granted under both the current Trustees' Share Incentive Plan and the proposed amended and restated Trustees' Share Incentive Plan is the fair market value of our common shares on the date of grant. Annual options granted to an independent trustee under the current Trustees' Share Incentive Plan are fully vested and exercisable when granted.

Other Share Grants

The current Trustees' Share Incentive Plan only contemplates the issuance under the plan of options and shares. Under the amended and restated Trustees' Share Incentive Plan, we may issue restricted shares and any other types of share grants in our sole discretion subject to the terms of the amended and restated plan.

Tax Consequences

The grant of a non-qualified option under the current Trustees' Share Incentive Plan or under the amended and restated Trustees' Share Incentive Plan will not result in taxable income to the participant. Except as described below, the participant will realize ordinary income at the time of exercise in an amount equal to the excess of the fair market value of the shares acquired over the exercise price for those shares, and we will be entitled to a corresponding deduction. Gains or losses realized by the participant upon disposition of such shares will be treated as capital gains and losses, with the basis in such shares equal to the fair market value of the shares at the time of exercise.

The exercise of non-qualified options through the delivery of previously acquired stock will generally be treated as a non-taxable, like-kind exchange

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

as to the number of shares surrendered and the identical number of shares received under the option. That number of shares will take the same basis and, for capital gains purposes, the same holding period as the shares that are given up. The value of the shares received upon such an exchange that are in excess of the number given up will be includible as ordinary income to the participant at the time of the exercise. The excess shares will have a new holding period for capital gain purposes and a basis equal to the value of such shares determined at the time of exercise.

If the Committee or Board establishes share deferral procedures, and the participant chooses to defer receipt of the shares upon exercise, the participant will not recognize ordinary income upon exercise but will recognize ordinary income at the end of the deferral period in the amount of the full value of the shares with respect to which the deferral has ended. At such time we will generally be entitled to a corresponding deduction.

An award of shares under the current Trustees' Share Incentive Plan or under the amended and restated Trustees' Share Incentive Plan will result in taxable ordinary income at the time of the award in the amount of the fair market value of the shares awarded. We will be entitled to a deduction in the amount of such ordinary income.

25

Unless the participant makes an election under section 83(b) of the Internal Revenue Code, the lapse of restrictions with respect to an award of restricted shares under the amended and restated Trustees' Share Incentive Plan will result in taxable ordinary income to the participant at the time of the lapse in the amount of the fair market value of the shares with respect to which the restrictions have lapsed. We will be entitled to a deduction in the amount of such ordinary income. If the participant makes the section 83(b) election, he or she will realize ordinary income at the time of the grant of the award in the amount of the full value of the restricted stock and we will be entitled to a corresponding deduction

THE BOARD OF TRUSTEES UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL TWO. PROXIES SOLICITED BY THE BOARD OF TRUSTEES WILL BE SO VOTED UNLESS OTHERWISE SPECIFIED.

26

SHAREHOLDER PROPOSALS FOR 2003 ANNUAL MEETING

The board of trustees will provide for the presentation of proposals by shareholders at the 2003 annual meeting of shareholders, provided that such proposals are submitted by eligible shareholders who have complied with the relevant regulations of the SEC regarding shareholder proposals, and our bylaws, a copy of which is available upon written request from our corporate secretary. Shareholder proposals intended to be submitted for presentation at our 2003 annual meeting of shareholders must be in writing and must be received by us at our executive offices on or before November 29, 2002, for inclusion in our proxy statement and the form of proxy relating to the 2003 annual meeting.

REPORT OF THE AUDIT COMMITTEE

The board of trustees has established an Audit Committee which currently consists of three independent trustees, Messrs. Steinhart, Riggs and Parker. The board of trustees has adopted a written charter for the Audit Committee. The Audit Committee makes recommendations concerning the engagement of independent public accountants, reviews with the independent public accountants the plans and results of the audit engagement, approves professional services provided by the independent public accountants, reviews the independence of the independent public accountants, considers the range of audit and non-audit fees and reviews the adequacy of our internal accounting controls. The Audit Committee held three meetings during 2001. In performing its

26

duties, the Audit Committee meets with the independent accountants without the presence of any of the other members of the board of trustees and meets with the full board of trustees without the presence of PricewaterhouseCoopers LLP, to help ensure the independence of PricewaterhouseCoopers LLP.

Our management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. Our independent public accountants are responsible for expressing an opinion on the conformity of our audited financial statements with accounting principles generally accepted in the United States.

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

PricewaterhouseCoopers LLP has served as our and our subsidiaries' independent auditor for the year ended December 31, 2001 and will, pending ratification by our shareholders at the annual meeting, continue to so serve for the year ending December 31, 2002 until and unless changed by action of the board of trustees. A representative of PricewaterhouseCoopers LLP is expected to be present at the annual meeting, will have the opportunity to make a statement if he desires to do so, and is expected to be available to respond to appropriate questions.

In connection with the fiscal year 2001 financial statements, the Audit Committee (1) reviewed and discussed the audited financial statements with management; (2) discussed with the auditors the matters required by Statement on Auditing Standards No. 61; (3) received and discussed with the auditors the matters required by Independence Standards Board Statement No. 1; (4) discussed the auditor's independence with the auditors; and (5) considered whether the provision of services by the auditors for matters other than the annual audit and quarterly reviews is compatible with maintaining the auditor's independence. Based on these reviews and discussions, the Audit Committee has recommended to the board of trustees, and the board of trustees has resolved that our audited financial statements be included in the Securities and Exchange Commission Annual Report on Form 10-K for the fiscal year ended December 31, 2001. The Audit Committee believes that the provision of services by PricewaterhouseCoopers LLP to us is compatible with maintaining the principal accountant's independence.

Audit Fees. The total fees for professional services rendered in connection with the audit of our annual financial statements included in our annual report on Form 10-K and the review of the financial statements included in our quarterly reports on Form 10-Q totaled \$191,175 for fiscal year 2001.

Financial Information Systems Design and Implementation Fees. PricewaterhouseCoopers LLP did not render any services related to financial information systems design and implementation for the fiscal year 2001.

All Other Fees. Aggregate fees billed for all other services rendered by PricewaterhouseCoopers LLP for fiscal year 2001 totaled \$166,903. Fees included in "Other Fees" are the following: \$22,000 for our 1999 Tax Review, \$36,389 for our 2000 Tax Review, \$87,706 for separate audits of several of our properties and other SEC filings, \$8,150 for audit of our Employee Savings Plan & Trust, \$842 for a

German Tax Representation Fee pursuant to registration of our shares in Germany, \$154 for a compensation survey, \$2,111 for a 2000 tax return review, \$7,000 for an audit of Security Capital Group, Inc. related documents, and \$2,550 for miscellaneous work.

This Report has been furnished by the members of the Audit Committee.

SHARES SUBJECT TO PLAN; ADJUSTMENTS

2.01 Shares Subject to Plan. The total number of Shares that may be issued pursuant to Awards granted hereunder shall not exceed in the aggregate the sum of 300,000 Shares plus the number of Shares which, as of the Effective Date, remain available for issuance under the Prior Plan. If any Award, under this Plan or the Prior Plan, is forfeited, or if it terminates, expires, or lapses without being exercised, any Shares subject to such Award shall again be available for issuance in connection with Awards under the Plan. Shares issued pursuant to the terms of any Award granted hereunder may be authorized or unissued Shares or Shares held in the Company's treasury.

2.02 The provisions of this Plan and/or the provisions of the Prior Plan, and the terms of any outstanding Awards (granted under the Plan or the Prior Plan), may be revised as the Administrator may determine to be equitably required in the event that (a) the Company (i) effects one or more Share dividends, Share split-ups, subdivisions or consolidations of Shares or other changes in capitalization or (ii) engages in a transaction described in Section 424 of the Code or (b) there occurs any other event which, in the judgment of the Administrator, necessitates such action. Any determination made under this Article II by the Administrator shall be final and conclusive.

2.03 The issuance by the Company of shares of any class, or securities convertible into shares of any class, for cash or property, or for labor or services, either upon direct sale or upon the exercise of rights or warrants to subscribe therefor, or upon conversion of shares or obligations of the Company convertible into such shares or other securities, shall not affect, and no adjustment by reason thereof shall be made with respect to, the number of Shares that will be issued under the Plan.

ARTICLE III

ADMINISTRATION

The Plan shall be administered by the Administrator. The Administrator shall have authority to grant Awards upon such terms (not inconsistent with the provisions of the Plan) as the Administrator may consider appropriate. In addition, the Administrator shall have complete authority to construe and interpret all provisions of the Plan and Awards granted hereunder; to adopt, amend, and rescind rules and regulations pertaining to the administration of the Plan, including, but not limited to, correcting any defect or supplying any omission, or reconciling any inconsistency in the Plan or in any Agreement, in the manner and to the extent it shall deem necessary or advisable so that the Plan complies with applicable law, and otherwise to make the Plan fully effective; exercise its discretion with respect to the powers and rights granted to it as set forth in the Plan; except to the extent prohibited by applicable law or the applicable rules of a stock exchange, allocate all or any part of its responsibilities and powers to any one or more of its members and delegate all or any part of its responsibilities and powers to any person or

persons selected by it, which allocation or

A-2

delegation may be revoked by the Committee at any time; and generally, to exercise such powers and to perform such acts as are deemed necessary or advisable to promote the best interests of the Company with respect to the Plan. The express grant in the Plan of any specific power to the Administrator shall not be construed as limiting any power or authority of the Administrator. Any decision made, or action taken, by the Administrator in connection with the administration of the Plan shall be final and conclusive. No member of the Administrator shall be liable for any act done in good faith with respect to the Plan. All expenses of administering the Plan shall be borne by the Company.

ARTICLE IV

OPTIONS

4.01 Grant of Options. In its sole discretion, the Administrator may grant Options to Eligible Directors pursuant to any policy established by the Administrator or upon the occurrence of any event (for example, but not by way of limitation, election of a new director; annual meeting; specific dates chosen by the Administrator, etc.). Options shall be evidenced by an agreement between the Company and the Participant. Subject to the terms of this Plan, each agreement shall contain such restrictions, terms and conditions as the Administrator may, in its discretion, determine.

4.02 Option Price and Payment. The price per Share for Shares purchased on the exercise of an Option shall be the Fair Market Value on the Award Date. Payment of the Option price shall be made in cash, cash equivalent acceptable to the Administrator; attestation of ownership, or delivery, of Shares held by the Participant for at least six (6) months prior to exercise (or such longer or shorter period as may be required to avoid a charge to earnings for financial accounting purposes); or a combination thereof. If Shares are attested to or surrendered in payment of the Option price, the Shares surrendered must have an aggregate Fair Market Value (determined as of the day preceding the exercise date) that, together with any cash or cash equivalent paid, is not less than the Option price for the number of Shares for which the Option is being exercised.

4.03 Exercise. To the extent that an Option has become exercisable in accordance with its terms, as applicable, it may be exercised whether or not the Participant is a member of the Board on the date or dates of exercise, as long as the Option has not expired, been cancelled or forfeited. An Option may be exercised with respect to any number of whole Shares less than the full number for which the Option could be exercised. A partial exercise of an Option shall not affect the right to exercise the Option from time to time in accordance with this Plan with respect to the remaining Shares subject to the Option. All Options shall be evidenced by agreements that shall be subject to the applicable provisions of this Plan and to such other provisions as the Administrator may adopt that are consistent with the provisions of the Plan.

4.04 Maximum Option Period. The period during which an Option may be exercised shall be ten years from the Award Date. In the event of the Participant's death, the Option may be exercised by the Participant's estate or by such person or persons who succeed to the Participant's rights by will or the laws of descent and distribution following the Participant's death until the expiration of the Option period, in the case of an Option that provides for its cancellation prior to the end of the Option period, until the date of such cancellation. The Participant's estate or such person or persons may exercise the Option with respect to all or part of the number of Shares for which the

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

Participant could have exercised the Option on the date of his or her death.

4.05 Nontransferability. An Option granted under this Plan shall be nontransferable except by will or by the laws of descent and distribution. During the lifetime of the Participant to whom an Option is granted, the Option may be exercised only by the Participant or his or her guardian or legal representative. No right or interest of a Participant in any Option shall be liable for, or subject to, any lien, obligation, or liability of such Participant.

4.06 Shareholder Rights. No Participant shall have any rights as a shareholder with respect to Shares subject to his or her Option until the date of exercise of such Option.

4.07 Deferral of Receipt of Shares. The Administrator may from time to time establish procedures pursuant to which a Participant may elect to defer, until a time or times later than the exercise of an Option, receipt of all or a portion of the Shares subject to such Option and/or to receive cash at such later time or

A-3

times in lieu of such deferred Shares, all on such terms and conditions as the Administrator shall determine. If any such deferrals are permitted, then notwithstanding Section 4.06 above, a Participant who elects such deferral shall not have any rights as a shareholder with respect to such deferred Shares unless and until Shares are actually delivered to the Participant with respect thereto, except to the extent otherwise determined by the Administrator.

ARTICLE V

SHARE AWARDS

5.01 Grants. In its sole discretion, the Administrator may grant Awards of Shares to Eligible Directors pursuant to any policy established by the Administrator or upon the occurrence of any event (for example, but not by way of limitation, election of a new director; annual meeting; specific dates chosen by the Administrator, etc.).

5.02 Vesting. All Shares issued to a Participant under this Article V shall be immediately and fully vested when granted.

5.03 Transferability. All Shares issued to a Participant under this Article V shall be immediately transferable, subject only to restrictions imposed by federal and state securities and other laws.

5.04 Shareholder Rights. A Participant shall have all rights as a shareholder with respect to Shares awarded pursuant to this Article V.

ARTICLE VI

RESTRICTED STOCK

6.01 Grant. In its sole discretion, the Administrator may grant Awards of Restricted Stock to Eligible Directors pursuant to any policy established by the Administrator or upon the occurrence of any event (for example, but not by way of limitation, election of a new director; annual meeting; specific dates chosen by the Administrator, etc.). Awards of Restricted Stock shall be evidenced by an agreement between the Company and the Participant. Subject to the terms of this Plan, each agreement shall contain such restrictions, terms and conditions as the Administrator may, in its discretion, determine and

Edgar Filing: PRETISS PROPERTIES TRUST/MD - Form DEF 14A

(without limiting the generality of the foregoing) such agreements may require that an appropriate legend be placed on Share certificates. Awards of Restricted Stock shall be subject to the terms and provisions set forth below in this Article VI.

6.02 Rights of Participant. Shares of Restricted Stock granted pursuant to an Award hereunder shall be issued in the name of the Participant as soon as reasonably practicable after the Award is granted provided that the Participant has executed an agreement evidencing the Award, the appropriate blank stock powers and, in the discretion of the Administrator, an escrow agreement and any other documents which the Administrator may require as a condition to the issuance of such Shares. If a Participant shall fail to execute the agreement evidencing a Restricted Stock Award, the appropriate blank stock powers and, in the discretion of the Administrator, an escrow agreement and any other documents which the Administrator may require within the time period prescribed by the Administrator at the time the Award is granted, the Award shall be null and void. At the discretion of the Administrator, Shares issued in connection with a Restricted Stock Award shall be deposited together with the stock powers with an escrow agent (which may be the Company) designated by the Administrator. Unless the Administrator determines otherwise and as set forth in the agreement, upon delivery of the Shares to the escrow agent, the Participant shall have all of the rights of a shareholder with respect to such Shares, including the right to vote the Shares and to receive all dividends or other distributions paid or made with respect to the Shares.

6.03 Non-transferability. Until all restrictions upon the Shares of Restricted Stock awarded to a Participant shall have lapsed in the manner set forth in Section 6.04, such Shares shall not be sold, transferred or otherwise disposed of and shall not be pledged or otherwise hypothecated, nor shall they be delivered to the Participant.

A-4

6.04 Lapse of Restrictions.

- (a) Generally. Restrictions upon Shares of Restricted Stock awarded hereunder shall lapse at such time or times and on such terms and conditions as the Administrator may determine. The agreement evidencing the Award shall set forth any such restrictions.
- (b) Modification or Substitution. Subject to the terms of the Plan, the Administrator may modify outstanding Awards of Restricted Stock or accept the surrender of outstanding Shares of Restricted Stock (to the extent the restrictions on such Shares have not yet lapsed) and grant new Awards in substitution for them. Notwithstanding the foregoing, no modification of an Award shall adversely alter or impair any rights or obligations under the agreement without the Participant's consent.
- (c) Treatment of Dividends. At the time an Award of Shares of Restricted Stock is granted, the Administrator may, in its discretion, determine that the payment to the Participant of dividends, or a specified portion thereof, declared or paid on such Shares by the Company shall be (i) deferred until the lapsing of the restrictions imposed upon such Shares, and (ii) held by the Company for the account of the Participant until such time. In the event that dividends are to be deferred, the Administrator shall determine whether such dividends are to be reinvested in Shares (which shall be held as additional Shares of Restricted Stock) or held in cash. If deferred dividends are to be held in cash, there may be credited at the end of each year (or portion thereof) interest on the amount of the account at the beginning of the year at a rate per annum as the Administrator, in its

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

discretion, may determine. Payment of deferred dividends in respect of Shares of Restricted Stock (whether held in cash or as additional Shares of Restricted Stock), together with interest accrued thereon, if any, shall be made upon the lapsing of restrictions imposed on the Shares in respect of which the deferred dividends were paid, and any dividends deferred (together with any interest accrued thereon) in respect of any Shares of Restricted Stock shall be forfeited upon the forfeiture of such Shares.

- (d) Delivery of Shares. Upon the lapse of the restrictions on Shares of Restricted Stock, the Administrator shall cause a stock certificate to be delivered to the Participant with respect to such Shares, free of all restrictions hereunder.

ARTICLE VII

OTHER SHARE-BASED AWARDS

Subject to such terms and conditions as the Committee may determine, other Awards based on the value of Shares may be granted either alone or in addition to other Awards granted under the Plan. Any Awards under this Article VII and any Shares covered by any such Award may be forfeited to the extent so provided in the Award agreement, as determined by the Committee. Payment of Awards made under this Article VII which are based on the value of Shares may be made in Shares or in cash or in a combination thereof (based upon the Fair Market Value of the Shares on the date of payment), all as determined by the Committee in its sole discretion.

ARTICLE VIII

COMPLIANCE WITH LAW AND APPROVAL OF REGULATORY BODIES

No Shares shall be issued and no certificates for Shares shall be delivered under the Plan except in compliance with all applicable federal and state laws and regulations (including, without limitation, the requirement to withhold taxes or other amounts), any listing agreement to which the Company is a party, and the rules of all domestic stock exchanges on which the Company's Shares may be listed. The Company shall have the right to rely on an opinion of its counsel as to such compliance. Any certificate issued to evidence Shares issued under the Plan may bear such legends and statements as the Administrator may deem advisable to assure compliance with federal and state laws and regulations. No Shares shall be issued and no certificate for Shares shall be delivered under the Plan until the Company has obtained such consent or approval as the Administrator may deem advisable from regulatory bodies having jurisdiction over such matters. Upon approval by the Administrator, any withholding requirements arising upon the issuance of Shares under the

A-5

Plan may be satisfied by the surrender or withholding, at their then current Fair Market Value, of Shares otherwise issuable.

ARTICLE IX

GENERAL PROVISIONS

9.01 Unfunded Plan. The Plan, insofar as it provides for Awards, shall be unfunded, and the Company shall not be required to segregate any assets that may at any time be represented by Awards under the Plan. Any liability of the Company to any person with respect to any Award to be made under the Plan shall be based solely upon any contractual obligations that may be created pursuant

Edgar Filing: PRENTISS PROPERTIES TRUST/MD - Form DEF 14A

to the Plan. No such obligation of the Company shall be deemed to be secured by any pledge of, or other encumbrance on, any property of the Company.

9.02 Rules of Construction. Headings are given to the articles and sections of the Plan solely as a convenience to facilitate reference. The reference to any statute, regulation, or other provision of law shall be construed to refer to any amendment to or successor of such provision of law.

9.03 Notice. Unless specifically required by the terms of this Plan, notice to the Company's shareholders, the Participants, or any other person or entity of an action by the Board, the Committee, or the Administrator with respect to the Plan is not required before or after such action occurs.

ARTICLE X

AMENDMENT

The Board may amend from time to time or terminate the Plan at any time; provided, however, that no amendment shall become effective without shareholder approval, in accordance with applicable law, regulation: (a) to the extent necessary under any applicable law, regulation or exchange requirement, or (b) if the amendment materially (i) increases the aggregate number of Shares that may be issued under this Plan (other than an adjustment authorized under Article II); (ii) changes the class of individuals eligible to become Participants; or (iii) increases the benefits that may be provided under the Plan. In addition; no such amendment or termination shall impair or adversely alter any Awards theretofore granted under the Plan, except with the consent of the Participant, nor shall any amendment or termination deprive any Participant of any Shares which he or she may have acquired through or as a result of the Plan. Awards may be modified by the Administrator provided that no modification of outstanding Award shall adversely alter or impair any rights or obligations under the Award without the consent of the Participant.

ARTICLE XI

DURATION OF PLAN

No Awards may be granted under the Plan after the day prior to the tenth anniversary of the Effective Date. An Award granted pursuant to the Plan shall remain in effect in accordance with its terms notwithstanding the expiration of the Plan.

ARTICLE XII

EFFECTIVE DATE OF PLAN

Shares may be issued under the Plan, provided that the Plan has been approved by a majority of the votes cast by the Company's shareholders, voting either in person or by proxy, at a duly held shareholders' meeting at which a quorum representing a majority of all outstanding Shares is present, either in person or by proxy.
