PART I

ITEM 1. DESCRIPTION OF BUSINESS

General

The Company was incorporated in the State of Nevada on June 7, 1996.

The Company was formerly in the printed circuit board manufacture business but has not had any business operations since March 25, 2003.

On February 7, 2006, the Company purchased a Hong Kong corporation called RC Capital Limited ("RC Capital") for \$1.00 as a wholly-owned subsidiary. RC Capital was a dormant company with no assets and liabilities and was formerly known as Richley (China) Limited. There is no written agreement for the purchase of RC Capital. RC Capital is currently the Company's wholly owned operating subsidiary.

On October 21, 2005, the Company entered into a Business Restructuring Agreement (the "Agreement") with Team Allied Profits Limited, a British Virgin Islands corporation (the "Consultant"). The Consultant was engaged by the Company to provide business restructuring services in order to solicit suitable businesses in Hong Kong or China with net asset values not less than \$4,000,000 for acquisitions by the Company in order to restructure its business operations.

On April 9, 2006, the Company entered into a Sale and Purchase Agreement (the "Sale and Purchase Agreement") with RC Capital, Dalian Fengming International Recreation Town Co., Ltd. ("Dalian Fengming") and Ms. Hoi-ho Kiu, CEO of the Company, which sets forth the terms and conditions of the acquisition of Dalian Fengming International Recreation Town Phase II ("Recreation Town") in exchange for 28,000,000 shares of common stock in the Company. The transaction is contemplated to be closed on or before July 31, 2006.

Recreation Town is a piece of undeveloped land of 1,000,000 square meters located in a peninsula in Dalian, China. Recreation Town was part of a large

Edgar Filing: SCORE ONE INC - Form 10KSB

resort project originally planned to be developed by Dalian Fengming in 1992 which was never started due to lack of financing for development. According to Dalian Fengming, the current market value of Recreation Town is approximately RMB 600 million (approximately \$75,000,000).

There were never any operations conducted with Recreation Town. The Company plans to commence the development of Recreation Town in the near future. Accordingly, it is actively seeking equity and/or debt financing in an amount up to \$25,000,000, in order to finance the anticipated development costs.

Pursuant to the Sale and Purchase Agreement, the Registrant shall issue 18,000,000 shares and 10,000,000 shares of common stock to Ms. Hoi-ho Kiu and Dalian Fengming, respectively. The total fair market value of such shares is considered to be \$75,000,000.

As of the date of this Report, the Consultant is performing due diligence reviews on several real estate projects in China which may be suitable acquisition candidates for the Company.

The Company is also actively seeking acquisition opportunities to acquire profitable businesses or operations which may include plant and significant equipment. As such, it is expected by the management that the Company may need to raise additional funds in addition to the \$25,000,000 as referred above in the next twelve months for such acquisition purposes. Management does not expect that the Company will incur significant research and development costs.

Competition

The Company believes that RC Capital is one of the few companies in Hong Kong and Southern China to offer the following services to clients in Hong Kong and China:

1. introduction of United States listing professional parties including legal firms and accounting firms; and
2. financial reporting consultancy services for United States listings.

The principal competitors of RC Capital are Yorkshire Capital and Orient Financial Services Limited, both of which provide similar services to Hong Kong and China customers.

Any services that RC Capital markets will have to compete for market acceptance and market share. An important factor in this competition may be prompt response to assist clients in compliance of financial reporting requirements. Accordingly, the relative devotedness with which RC Capital's management team will be important competitive factors.

Regulation

RC Capital's services are not subject to regulations in Hong Kong and China.

Employees

As of March 31, 2006, RC Capital did not have any employees. In the future, none of RC Capital's employees will be represented by labor unions.

RC Capital's primary hiring sources for its future employees include referrals, print and Internet advertising and direct recruiting. All of RC Capital's professional employees will be highly skilled and highly educated and subject to rigorous recruiting standards. RC Capital will attract talent from numerous

Edgar Filing: SCORE ONE INC - Form 10KSB

sources, including higher learning institutions, colleges and industry. Competition for these employees is intense. If RC Capital fails to attract highly experienced and qualified employees, it could have a material adverse effect on RC Capital's business, prospects, financial condition and results of operations.

ITEM 2. DESCRIPTION OF PROPERTY

Currently, the Company is actively seeking to lease a business office in Hong Kong. In the meantime, the Company has established a virtual office in a business centre at Suites 2203-06, Level 22, Office Tower, Langham Place, 8 Argyle Street, Mongkok, Kowloon, Hong Kong at a monthly charge of \$26.

Edgar Filing: SCORE ONE INC - Form 10KSB

None. The Company has been without an accounting firm since January 10, 2003, when its prior audit firm, Clancy and Co., P.L.L.C, resigned. The former principal accountant's report on the financial statements for each of the last two fiscal years during the accountant's engagement did not contain an adverse opinion or a disclaimer of opinion and was not modified as to uncertainty, audit scope or accounting principles. There were no disagreements with the former principal accountant on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure.

On March 6, 2006, the Company engaged Jeffrey Tsang & Co., CPA, Hong Kong, as its audit firm subject to ratification by the Company's shareholders at its next annual shareholders meeting. The new audit firm has not been consulted on the application of accounting principles of any specific completed or contemplated transaction of the Company nor have they been consulted on any type of audit opinion that might be rendered on the Company's financial statements and either written or oral advice was provided that was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - ORGANIZATION AND OPERATIONS

The Company was incorporated in the State of Nevada on June 7, 1996.

The Company was formerly in the printed circuit board manufacture business. As of March 25, 2003, the Board of Directors determined to dispose of Advanced Technology International Holdings Limited ("Advanced Technology") by transferring to I.World Limited, the 82% shareholder of the Company, all of Advanced Technology securities held by the Company in exchange for all of the securities of the Company held by I.World Limited (for cancellation). The exchange transaction closed as of March 25, 2003.

The Company has not had any business operations since March 25, 2003 up to end of early 2006.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

A summary of the Company's significant accounting policies applied in the preparation of the accompanying financial statements follows.

FAIR VALUE OF FINANCIAL INSTRUMENTS

The Company has determined that the book value of the Company's investment held for disposal at December 31, 2002 approximates fair value.

USE OF ESTIMATES

In preparing the Company's financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could materially differ from those estimates.

Edgar Filing: SCORE ONE INC - Form 10KSB

BASIC AND DILUTED EARNINGS (LOSS) PER SHARE

In accordance with SFAS No. 128, "Earnings per Share," the basic earnings (loss) per common share is computed by dividing net earnings available to common stockholders by the weighted average number of common shares outstanding. Diluted earnings (loss) per common share is computed similarly to basic earnings (loss) per common share, except that the denominator is increased to include the number of additional common shares that would have been outstanding if the potential common shares had been issued and if the additional common shares were dilutive. As of December 31, 2002, the Company did not have any dilutive common stock equivalents save for the Series A Convertible Preferred Stock issued and outstanding.

RECENT ACCOUNTING PRONOUNCEMENTS

Management believes that the adoption of any new relevant accounting pronouncements will not have a material effect on the Company's results of operations or its financial position.

NOTE 3 - INVESTMENT HELD FOR DISPOSAL

The Company was formerly in the printed circuit board manufacture business. As of March 25, 2003, the Board of Directors determined to dispose of Advanced Technology, a wholly-owned subsidiary, by transferring to I.World Limited, the 82% shareholder of the Company, all of Advanced Technology securities held by the Company in exchange for all of the securities of the Company held by I.World Limited (for cancellation). The exchange transaction closed as of March 25, 2003. Accordingly, for the year ended December 31, 2002, the income recorded from Advanced Technology was treated as income from discontinued operations and the results of operations of Advanced Technology was not consolidated. In addition, the investment in this subsidiary was reclassified as investment held for disposal in the Company's balance sheet as of December 31, 2002 based on its latest available net asset value.

NOTE 4 - SUBSEQUENT EVENTS

On October 21, 2005, the Company entered into a Business Restructuring Agreement (the "Agreement") with Team Allied Profits Limited, a British Virgin Islands corporation (the "Consultant"). The Consultant was engaged by the Company to provide business restructuring services in order to solicit suitable businesses in Hong Kong or China with net asset values not less than \$4,000,000 for acquisitions by the Company in order to restructure its business operations. In this connection, 30,000,000 shares of the Company's common stock were issued to the Consultant on April 7, 2006.

On February 7, 2006, the Company purchased a Hong Kong corporation called RC Capital Limited ("RC Capital") for \$1.00 as a wholly-owned subsidiary. RC Capital was a dormant company with no assets and liabilities and was formerly known as Richley (China) Limited. There is no written agreement for the purchase of RC Capital. RC Capital is currently the Company's wholly owned operating subsidiary.

On April 9, 2006, the Company entered into a Sale and Purchase Agreement (the "Sale and Purchase Agreement") with RC Capital, Dalian Fengming International Recreation Town Co., Ltd. ("Dalian Fengming") and Ms. Hoi-ho Kiu, CEO of the Company, which sets forth the terms and conditions of the acquisition of Dalian Fengming International Recreation Town Phase II ("Recreation Town") in exchange

Edgar Filing: SCORE ONE INC - Form 10KSB

for 28,000,000 shares of common stock in the Company. The transaction is contemplated to be closed on or before July 31, 2006.

Recreation Town is a piece of undeveloped land of 1,000,000 square meters located in a peninsula in Dalian, China. Recreation Town was part of a large resort project originally planned to be developed by Dalian Fengming in 1992 which was never started due to lack of financing for development. According to Dalian Fengming, the current market value of Recreation Town is approximately RMB 600 million (approximately \$75,000,000).

There were never any operations conducted with Recreation Town. The Company plans to commence the development of Recreation Town in the near future. Accordingly, it is actively seeking equity and/or debt financing in an amount up to \$25,000,000, in order to finance the anticipated development costs.

Pursuant to the Agreement, the Company shall issue 18,000,000 shares and 10,000,000 shares of common stock to Ms. Hoi-ho Kiu and Dalian Fengming, respectively. The total fair market value of such shares is considered to be \$75,000,000.
