Forward-Looking Statements

Any statements that are not historical fact (including, but not limited to statements that contain words such as “may,” “will,” “believes,” “plans,” “intends,” “anticipates,” “expects,” “estimates”) should also be considered to be forward-looking statements. Additional factors that could cause actual results to differ materially from the results anticipated in these forward-looking statements are contained in BioTime’s periodic reports filed with the SEC under the heading “Risk Factors” and other filings that BioTime may make with the Securities and Exchange Commission. Undue reliance should not be placed on these forward-looking statements which speak only as of the date they are made, and the facts and assumptions underlying these statements may change. Except as required by law, BioTime disclaims any intent or obligation to update these forward-looking statements.

Section 1 - Registrant’s Business and Operations

Item 1.01 - Entry into a Material Definitive Agreement.

On March 7, 2013, we entered into an amendment of our \$5 million Stock and Warrant Purchase Agreement with Romulus Films, Ltd., that was signed on January 4, 2013. Through the amendment, BioTime and Romulus have agreed to accelerate the closing date for the \$3 million second tranche of the \$5 million financing. The first \$2 million tranche under the agreement was funded in January. The second tranche was originally set to close concurrently with the consummation of the acquisition of certain stem cell assets from Geron Corporation by BioTime’s subsidiary BioTime Acquisition Corporation (“BAC”) pursuant to an Asset Contribution Agreement among BioTime, BAC, and Geron Corporation. Under the amendment, the remaining \$3 million investment in BioTime will be funded on April 10, 2013.

Upon closing of the second tranche, we will issue to Romulus 810,000 common shares, and warrants to purchase an additional 389,998 common shares at an exercise price of \$5.00 per share. The warrants will expire on January 13, 2016.
