NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR or the transition report or portion thereof, could not be filed within the prescribed time period.

Katy Industries, Inc. (the "Company") is filing this Notification of Late Filing on Form 12b-25 to obtain a 15-day extension, from March 31, 2005 to April 15, 2005, for filing its Annual Report on Form 10-K for the fiscal year ended December 31, 2004 ("Form 10-K").

In anticipation of not achieving certain 2005 financial covenants to its current credit agreement with Bank of America Business Capital, the Company obtained an amendment to this agreement. Subsequent to the amendment's effective date, the Company determined that it would likely not meet its amended financial covenants. The Company is in discussions with its lenders to obtain a further amendment to its credit agreement which is expected to allow for the Company to achieve future compliance based on its current forecast of future operating results. The Company may also pursue additional sources of capital, if necessary. The Company anticipates that it will be able to complete the audit of its financial statements and file its Form 10-K once it obtains a further amendment from its lenders. The Company currently expects to file its Form 10-K by April 15, 2005.

The Company anticipates that based on this recent information, and without completion of the necessary amendment, its independent registered public accounting firm may have to provide a report on the Company's financial statements for the fiscal year ended December 31, 2004 that includes an explanatory paragraph expressing significant doubt about the Company's ability to continue as a going concern.

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company anticipates that the consolidated statements of operations included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2004 will report an increase in the operating loss from continuing operations for the fiscal year ended December 31, 2004 from the operating loss from continuing operations reported for the fiscal year ended December 31, 2003.
