PROXY STATEMENT
FOR THE 2017 ANNUAL MEETING OF STOCKHOLDERS

To Be Held on May 5, 2017

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why did I receive a notice regarding the availability of proxy materials on the internet?

Pursuant to rules adopted by the Securities and Exchange Commission, or the SEC, we have elected to provide access to our proxy materials online. Accordingly, we have sent you a Notice of Internet Availability of Proxy Materials, or the Notice, because our Board of Directors is soliciting your proxy to vote at the 2017 Annual Meeting of Stockholders, including at any adjournments or postponements of the meeting. Internet distribution of our proxy materials is designed to expedite receipt by stockholders, lower the cost of the Annual Meeting and conserve natural resources. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy are in the Notice. The annual report is not part of our proxy soliciting materials. We expect to mail the Notice on or about March 24, 2017 to all stockholders of record entitled to vote at the Annual Meeting.

How do I attend the Annual Meeting?

The meeting will be held on Friday, May 5, 2017 at 10:00 a.m. local time at the headquarters offices of the Company at 3025 Carrington Mill Blvd., Suite 500, Morrisville, North Carolina 27560. Information on how to vote in person at the Annual Meeting is discussed below.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on March 9, 2017 are entitled to vote at the Annual Meeting or any adjournments thereof. On this record date, there were 26,249,282 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on March 9, 2017 your shares were registered directly in your name with our transfer agent, Computershare, Inc., then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to fill out and return the proxy card or vote by proxy over the telephone or online as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 9, 2017 your shares were held not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in "street name" and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You may also attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are two matters scheduled for a vote:

• Proposal 1-Election of two directors; and

• Proposal 2-Ratification of the selection by the Audit Committee of the Board of Directors of Ernst & Young LLP as independent auditors for our fiscal year ending December 31, 2017, or fiscal 2017.

Table of Contents

What if another matter is properly brought before the Annual Meeting?

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the Annual Meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

You may either vote “For” both of the nominees to the Board of Directors or you may “Withhold” your vote for any nominee you specify. For the other matter to be voted on, you may vote “For” or “Against” or abstain from voting.

The procedures for voting are:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy in one of three ways: online, by telephone or using a proxy card that you may request. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the Annual Meeting and vote in person even if you have already voted by proxy.

To vote online, go to www.proxyvote.com. You will be asked to provide the Company number and control number from the Notice. Your vote must be received by 11:59 p.m. Eastern Time on May 4, 2017 to be counted.

To vote over the telephone, dial toll-free 1-800-690-6903. You will be asked to provide the Company number and control number from the Notice. Your vote must be received by 11:59 p.m. Eastern Time on May 4, 2017 to be counted.

To vote by mail if you requested printed proxy materials, you can vote by promptly completing and returning your signed proxy card in the envelope provided. You should mail your signed proxy card sufficiently in advance for it to be received by May 4, 2017.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a notice containing voting instructions from that organization rather than from us. Please follow the voting instructions in the notice to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with the proxy materials, or contact your broker or bank to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you owned as of March 9, 2017.

What happens if I do not vote?

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record and do not vote online, by telephone, by completing a proxy card or in person at the Annual Meeting, your shares will not be voted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner and do not instruct your broker, bank or other agent how to vote your shares, the question of whether your broker or nominee will still be able to vote your shares depends on whether the New York Stock Exchange, or the NYSE, deems the particular proposal to be a “routine” matter. Brokers and nominees can use their discretion to vote “uninstructed” shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. Under the rules and interpretations of the NYSE, “non-routine” matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested), and certain corporate governance proposals, even if supported by management.

Accordingly, your broker or nominee may not vote your shares on Proposal 1 (Election of directors) without your instructions, but may vote your shares on Proposal 2 (Ratification of independent auditors).

Table of Contents

What if I return a proxy card or otherwise vote but do not make specific choices?

If you return a signed and dated proxy card or otherwise vote without marking voting selections, your shares will be voted, as applicable, “For” the election of the two nominees for director and “For” the ratification of Ernst & Young LLP as independent auditors for fiscal 2017. If any other matter is properly presented at the meeting, your proxy holder (one of the individuals named on your proxy card) will vote your shares using the individual’s best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We will also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the Notices to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date.
- You may grant a subsequent proxy by telephone or online.
- You may send a timely written notice that you are revoking your proxy to our Corporate Secretary at 3025 Carrington Mill Blvd., Suite 500, Morrisville, North Carolina 27560.
- You may attend the Annual Meeting and vote in person. Simply attending the Annual Meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker or bank as a nominee or agent, follow the instructions provided by your broker or bank.

When are stockholder proposals and director nominations due for next year’s Annual Meeting?

To be considered for inclusion in next year’s proxy materials, your proposal must be submitted in writing by Friday, November 24, 2017 to our Corporate Secretary at 3025 Carrington Mill Blvd., Suite 500, Morrisville, North Carolina 27560. If you wish to nominate an individual for election at, or bring business other than through a stockholder proposal before, the 2018 Annual Meeting, you must deliver your notice to our Corporate Secretary at the address above between January 5, 2018 and February 4, 2018. Your notice to the Corporate Secretary must set forth information specified in our bylaws, including your name and address and the class and number of shares of our stock that you beneficially own.

If you propose to bring business before an annual meeting other than a director nomination, your notice must also include, as to each matter proposed, the following: 1) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting that business at the annual meeting and 2) any material interest you have in that business. If you propose to nominate an individual for election as a director, your notice must also include, as to each person you propose to nominate for election as a director, the following: 1) the name, age, business address and residence address of the person, 2) the principal occupation or employment of the person, 3) the class and number of shares of our stock that are owned of record and beneficially owned by the person, 4) the date or dates on which the shares were acquired and the investment intent of the acquisition and 5) any other information concerning the person as would be required to be disclosed in a proxy statement soliciting proxies for the election of that person as a director in an election contest (even if an election contest is not involved), or that is otherwise required to be disclosed pursuant to Section 14 of the Securities Exchange Act of 1934, as amended, or the Exchange Act, and the rules and regulations promulgated under the Exchange Act, including the person’s written consent to being named as a nominee

Table of Contents

and to serving as a director if elected. We may require any proposed nominee to furnish other information as we may reasonably require to determine the eligibility of the proposed nominee to serve as an independent director or that could be material to a reasonable stockholder's understanding of the independence, or lack of independence, of the proposed nominee.

For more information, and for more detailed requirements, please refer to our Amended and Restated Bylaws, filed as Exhibit 3.2 to our Current Report on Form 8-K, filed with the SEC on May 29, 2013.

How are votes counted?

Votes will be counted by the inspector of elections appointed for the Annual Meeting, who will separately count, for the proposal to elect directors, votes "For" and "Withhold" and broker non-votes, and with respect to the ratification of independent auditors, votes "For," "Against" and abstentions. For Proposal 1, broker non-votes have no effect and will not be counted toward the vote total for any director nominee. For Proposal 2, abstentions will be counted and will have the same effect as "Against" votes.

What are "broker non-votes"?

As discussed above, when a beneficial owner of shares held in "street name" does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed by the NYSE to be "non-routine," the broker or nominee cannot vote the shares. These unvoted shares are counted as "broker non-votes."

How many votes are needed to approve each proposal?

For the election of directors, the two nominees receiving the most "For" votes from the holders of shares present in person or represented by proxy and entitled to vote on the election of directors will be elected. Only votes "For" or "Withheld" will affect the outcome. Broker non-votes will have no effect.

To be approved, Proposal 2, ratification of the selection of Ernst & Young, LLP as our independent auditors for fiscal 2017, must receive "For" votes from the holders of a majority of shares present in person or by proxy and entitled to vote. If you "Abstain" from voting, it will have the same effect as an "Against" vote.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum is present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the Annual Meeting in person or represented by proxy. On the record date, there were 26,249,282 shares outstanding and entitled to vote. Thus, the holders of 13,124,642 shares must be present in person or represented by proxy at the Annual Meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, either the chairman of the Annual Meeting or the holders of a majority of shares present at the Annual Meeting in person or represented by proxy may adjourn the meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

PROPOSAL 1

ELECTION OF DIRECTORS

Our Board of Directors is divided into three classes and currently has seven members. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified.

Mr. Wingo was previously elected by our stockholders and is in the class of directors whose term of office expires in 2017. Ms. Cowell was appointed as a director by the Board in February 2016 and is in the class of directors whose term of office expires in 2017. Each has been nominated for election at the Annual Meeting for the class of directors whose term of office expires in 2020. If elected at the Annual Meeting, each of these nominees would serve until the 2020 Annual Meeting and until the director's successor has been duly elected and qualified, or, if sooner, until the director's death, resignation or removal. It is our policy to invite and encourage directors and nominees for director to attend all annual meetings of stockholders and each of our directors then in office attended our 2016 Annual Meeting.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. The two nominees receiving the highest number of affirmative votes will be elected. You cannot vote for more than two nominees. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the two nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead be voted for the election of a substitute nominee that we will propose. Each person nominated for election has agreed to serve if elected. We have no reason to believe that any nominee will be unable to serve.

The Nominating and Corporate Governance Committee seeks to assemble a board that, as a whole, possesses the appropriate balance of professional and industry knowledge, financial expertise and high-level management experience necessary to oversee and direct our business. To that end, the Committee has identified and evaluated nominees in the broader context of the Board's overall composition, with the goal of recruiting members who complement and strengthen the skills of other members and who also exhibit integrity, collegiality, sound business judgment and other qualities that the Committee views as critical to effective functioning of the Board. The brief biographies below include information, as of the date of this proxy statement, regarding the specific and particular experience, qualifications, attributes or skills of each director or nominee that led the Committee to believe that the nominee should continue to serve on the Board. However, each of the members of the Committee may have a variety of reasons why a particular person would be an appropriate nominee for the Board, and these views may differ from the views of other members.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

INDEPENDENCE OF THE BOARD OF DIRECTORS

As required under NYSE listing standards, a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the company's board of directors. Our Board consults with our counsel to ensure that the Board's determinations are consistent with relevant securities and other laws and regulations regarding the definition of "independent," including those set forth in pertinent listing standards of the NYSE, as in effect from time to time. Consistent with these considerations, after review of all relevant identified transactions or relationships between each director, or any of the director's family members, and the Company, our senior management and our independent auditors, the Board has affirmatively determined that the following five directors are independent directors within the meaning of the applicable listing standards: Ms. Cowell and Messrs. Buckley, Cowan, Huffman and Williams. In making this determination, the Board found that none of these directors had a material or other disqualifying relationship with us. Messrs. Wingo and Spitz are not independent directors by virtue of their service as our executive officers.

BOARD LEADERSHIP STRUCTURE

The Board is currently chaired by our executive chairman, Mr. Wingo, and we have had a lead independent director since January 2015, with Mr. Buckley serving as our lead independent director since July 2016. As specified in the Corporate Governance Guidelines adopted by the Board, the responsibilities of the lead independent director include:

- With the chair, establishing the agenda for regular Board meetings and serving as chair of Board meetings in the absence of the chair;
- Establishing the agenda for meetings of the independent directors;
- Coordinating with the committee chairs regarding meeting agendas and informational requirements;
- Presiding over meetings of the independent directors;
- Presiding over any portions of meetings of the Board at which the evaluation or compensation of the chief executive officer is presented or discussed;
- Presiding over any portions of meetings of the Board at which the performance of the Board is presented or discussed; and
- Coordinating the activities of the other independent directors and performing such other duties as may be established or delegated by the chair.

The Board appointed Mr. Buckley as the lead independent director to help reinforce the independence of the Board as a whole. The position of lead independent director has been structured to serve as an effective balance to an executive

chairman of the Board. In addition to the specific responsibilities of the lead independent director described above, it is the responsibility of the lead independent director to coordinate between the Board and management with regard to the determination and implementation of responses to any problematic risk management issues. As a result, we believe that the lead independent director can help ensure the effective independent functioning of the Board in its oversight responsibilities. In addition, we believe that the lead independent director is better positioned to build a consensus among directors and to serve as a conduit between the other independent directors and the chairman of the Board, for example, by facilitating the inclusion on meeting agendas of matters of concern to the independent directors. In light of the executive chairman's extensive history with and knowledge of our company, and because the Board's lead independent director is empowered to play a significant role in the Board's leadership and reinforce the independence of the

Board, we believe that it is advantageous for us to have both an executive chairman and lead independent director to lead the Board.

ROLE OF THE BOARD IN RISK OVERSIGHT

One of the Board's key functions is informed oversight of our risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for our company. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our Nominating and Corporate Governance Committee monitors the effectiveness of our Corporate Governance Guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. It is the responsibility of the committee chairs to report findings regarding material risk exposures to the Board as quickly as possible. The Board has delegated to the chairman the responsibility of coordinating between the Board and management with regard to the determination and implementation of responses to any problematic risk management issues.

MEETINGS OF THE BOARD OF DIRECTORS

The Board of Directors met eight times during the last fiscal year. Each Board member attended 75% or more of the aggregate number of meetings of the Board and of the committees on which the Board member served that were held during the period of the director's service.

As required under applicable NYSE listing standards, in the year ended December 31, 2016, or fiscal 2016, our independent directors met four times in regularly scheduled executive sessions at which only independent directors were present. Patrick J. Kerins, who served on our board and as our lead independent director until July 2016, presided over the executive sessions through June 2016 and Mr. Buckley presided over the executive sessions that occurred after he was appointed as our lead independent director in July 2016.

Below is a description of each committee of the Board. Each of the committees has authority to engage legal counsel or other experts or consultants as it deems appropriate to carry out its responsibilities. The Board has determined that each member of each committee meets the applicable NYSE rules and regulations regarding “independence” and that each member is free of any relationship that would impair the member’s individual exercise of independent judgment with regard to our company.

Audit Committee

The Audit Committee of the Board of Directors was established by the Board in accordance with Section 3(a)(58)(A) of the Exchange Act to oversee our corporate accounting and financial reporting processes and audits of our financial statements. During fiscal 2016, the Audit Committee met five times and consisted of three directors. Mr. Williams served as chairman of the Audit Committee throughout fiscal 2016, with Messrs. Hower and Kerins serving as members until their resignations from the Board and committees in July 2016, and with Mr. Buckley and Ms. Cowell serving as members beginning in July 2016. The Board reviews the NYSE listing standards definition of independence for audit committee members on an annual basis and has determined that each satisfies the independence requirements under NYSE listing standards and Rule 10A-3(b)(1) of the Exchange Act.

Mr. Williams is the chairman of the Audit Committee and the Board has determined that Mr. Williams is an “audit committee financial expert” as defined by SEC rules and regulations. The Board made a qualitative assessment of Mr. Williams’ level of knowledge and experience based on a number of factors, including his formal education and experience as a chief financial officer for a public reporting company.

The principal duties and responsibilities of the Audit Committee include:

appointing and retaining an independent registered public accounting firm to serve as independent auditor to audit our consolidated financial statements, overseeing the independent auditor’s work and determining the independent auditor’s compensation;

approving in advance all audit services and non-audit services to be provided to us by the independent auditor;

establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls, auditing or compliance matters, as well as for the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters;

reviewing and discussing with management and the independent auditor the results of the annual audit and the independent auditor’s review of our quarterly consolidated financial statements, including a review of our disclosures under “Management’s Discussion and Analysis of Financial Condition and Results of Operations”; and

conferring with management and the independent auditor about the scope, adequacy and effectiveness of our internal accounting controls, the objectivity of our financial reporting and our accounting policies and practices.

A copy of the charter of the Audit Committee is available to stockholders on our website at www.channeladvisor.com.
Report of the Audit Committee of the Board of Directors*

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2016 with management of the Company. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standard No. 16, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board, or the PCAOB. The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountants’ communications with the Audit Committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm’s independence. Based on the foregoing, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2016.

Compensation Committee

The Compensation Committee currently is composed of three directors, Messrs. Buckley, Cowan and Huffman. Mr. Kerins served as chair of the Compensation Committee until his resignation as a director in July 2016, at which time Mr. Buckley became the chair of the Compensation Committee after having served as a member of the Committee. Mr. Huffman joined the Committee as a member in July 2016 and Mr. Cowan joined the Committee as a member in August 2016. Each member of our Compensation Committee is independent (as independence is currently defined in the NYSE listing standards for compensation committee members) and is a non-employee member of our Board (as defined in Rule 16b-3 under the Exchange Act). The Compensation Committee met five times during the fiscal year. The Board has adopted a written Compensation Committee charter that is available to stockholders on our website at www.channeladvisor.com.

The principal duties and responsibilities of our Compensation Committee include:

establishing and approving, and making recommendations to the Board regarding, performance goals and objectives relevant to the compensation of our chief executive officer, evaluating the performance of our chief executive officer in light of those goals and objectives and setting, or recommending to the full board of directors for approval, the chief executive officer’s compensation, including incentive-based and equity-based compensation, based on that evaluation;

setting the compensation of our other executive officers, based in part on recommendations of the chief executive officer;

- exercising administrative authority under our stock plans and employee benefit plans;

establishing policies and making recommendations to our Board regarding director compensation;

reviewing and discussing with management the compensation discussion and analysis that we may be required from time to time to include in our SEC filings; and

preparing a compensation committee report on executive compensation as may be required from time to time to be included in our annual proxy statements or annual reports on Form 10-K filed with the SEC.

Compensation Committee Processes and Procedures

Typically, the Compensation Committee meets at least once annually and with greater frequency if necessary. The agenda for each meeting is usually developed by the chair of the Compensation Committee, in consultation with the chief executive officer. The Compensation Committee meets in executive session from time to time as necessary. Members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The chief executive officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding the chief executive officer's compensation or individual performance objectives. The charter of the Compensation Committee grants the Compensation Committee full access to all of our books, records, facilities and personnel, as well as authority to obtain, at our expense, advice and assistance from internal and external legal, accounting or other advisors and consultants and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. In particular, the Compensation Committee has the sole authority to retain compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant’s reasonable fees and other retention terms. Under the charter, the Compensation Committee may select, or receive advice from, a compensation consultant, legal counsel or other adviser to the Compensation Committee, other than in-house legal counsel and certain other types of advisers, only after taking into consideration six factors, prescribed by the SEC and NYSE, that bear upon the adviser’s independence; however, there is no requirement that any adviser be independent.

In 2016, after taking into consideration the six factors prescribed by the SEC and NYSE, our Compensation Committee retained Compensia, Inc., a national compensation consulting firm, to provide executive compensation advisory services. The Compensation Committee has assessed Compensia's independence and determined that Compensia had no conflicts of interest in connection with its provisions of services to the Committee. Specifically, the Compensation Committee engaged Compensia

Table of Contents

to suggest a peer company group composed of public companies with revenues, market capitalization and employee populations comparable to us and conduct an executive compensation assessment analyzing the current cash and equity compensation of our executive team against compensation for similarly situated executives at our peer group companies. Our management did not have the ability to direct Compensia's work.

Historically, the Compensation Committee has made most of the significant adjustments to annual compensation and determined bonus and equity awards at one or more meetings held during the first quarter of the year. The Compensation Committee also considers matters related to individual compensation, such as compensation for new executive hires, as well as high-level strategic issues, such as the efficacy of the Company's compensation strategy, potential modifications to that strategy and new trends, plans or approaches to compensation, at various meetings throughout the year. For executives other than the chief executive officer, the Compensation Committee solicits and considers evaluations and recommendations submitted to the Committee by the chief executive officer. The performance evaluation of the chief executive officer is conducted by the Compensation Committee, which determines any adjustments to compensation as well as awards to be granted. For all executives and directors as part of its deliberations, the Compensation Committee may review and consider, as appropriate, materials such as financial reports and projections, operational data, tax and accounting information, tally sheets that set forth the total compensation that may become payable to executives in various hypothetical scenarios, executive and director stock ownership information, Company stock performance data, analyses of historical executive compensation levels and current Company-wide compensation levels and recommendations of the Compensation Committee's compensation consultant, including analyses of executive and director compensation paid at other companies considered to be comparable to us, as identified by Compensia.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee currently is composed of two directors, Ms. Cowell and Mr. Williams. Mr. Hower served as chair of the Nominating and Corporate Governance Committee until his resignation as a director in July 2016, at which time Mr. Williams became the chair of the Committee after having served as a member of the Committee. Ms. Cowell joined the Committee as a member in July 2016. Each member of the Nominating and Corporate Governance Committee is independent (as independence is currently defined in the NYSE listing standards for directors). The Nominating and Corporate Governance Committee met three times during fiscal 2016. The Board has adopted a written Nominating and Corporate Governance Committee charter that is available to stockholders on our website at www.channeladvisor.com.

The Nominating and Corporate Governance Committee's responsibilities include:

- assessing the need for new directors and identifying individuals qualified to become directors;
- recommending to the Board the persons to be nominated for election as directors and to each of the Board's committees;
- assessing individual director performance, participation and qualifications;
- developing and recommending to the Board corporate governance principles;
- monitoring the effectiveness of the Board and the quality of the relationship between management and the Board; and
- overseeing an annual evaluation of the Board's performance.

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to our affairs, demonstrated excellence in his or her field, having the ability to exercise sound business judgment, diversity and having the commitment to rigorously represent the long-term interests of our stockholders. The Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director nominees are reviewed in the context of the current composition of the Board, our operating requirements and the long-term interests of stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers age, skills and other factors as it deems appropriate given the current needs of the Board and the Company, to maintain a balance of

knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair

Table of Contents

the directors' independence. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for NYSE purposes, which determination is based upon applicable NYSE listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. In 2016, the Nominating and Corporate Governance Committee engaged Heidrick & Struggles, a professional search firm that provides director search services, to assist in the identification and evaluation of potential candidates. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to the Nominating and Corporate Governance Committee at the following address: Corporate Secretary, ChannelAdvisor Corporation, 3025 Carrington Mill Blvd., Suite 500, Morrisville, North Carolina 27560, at least 90 days, but not more than 120 days, prior to the anniversary date of the mailing of our proxy statement for the preceding year's annual meeting of stockholders. Submissions must include the information required by our Bylaws, including the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a representation that the nominating stockholder is a beneficial or record holder of our stock and has been a holder for at least one year. Any submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

STOCKHOLDER COMMUNICATIONS WITH THE BOARD OF DIRECTORS

The Board has adopted a formal process by which stockholders may communicate with the Board or any of its directors. Stockholders who wish to communicate with the Board may do so by sending written communications addressed to the Board or the director in care of ChannelAdvisor Corporation, 3025 Carrington Mill Blvd., Suite 500, Morrisville, North Carolina 27560, Attn: Corporate Secretary. Each communication must set forth the name and address of the stockholder on whose behalf the communication is sent and the number and class of shares of our stock that are owned beneficially by the stockholder as of the date of the communication.

These communications will be reviewed by our Corporate Secretary, who will determine whether they should be presented to the Board. The purpose of this screening is to allow the Board to avoid having to consider communications that contain advertisements or solicitations or are unduly hostile, threatening or similarly inappropriate. All communications directed to the Audit Committee in accordance with our Open Door Policy for Reporting Complaints Regarding Accounting and Auditing Matters that relate to questionable accounting or auditing matters involving the Company will be promptly and directly forwarded to the Audit Committee.

Any interested person may communicate directly with the non-management directors. Persons interested in communicating directly with the non-management directors regarding their concerns or issues may do so by addressing correspondence to a particular director, or to the non-management directors generally, in care of ChannelAdvisor Corporation, 3025 Carrington Mill Blvd., Suite 500, Morrisville, North Carolina 27560. If no particular director is named, letters will be forwarded, depending upon the subject matter, to the chair of the Audit, Compensation, or Nominating and Corporate Governance Committee.

CODE OF ETHICS

We have adopted a Code of Business Conduct and Ethics, or the Code of Conduct, applicable to all of our employees, executive officers and directors. The Code of Conduct is available on our website at www.channeladvisor.com. The Nominating and Corporate Governance Committee of our Board is responsible for overseeing the Code of Conduct

and must approve any waivers of the Code of Conduct for executive officers and directors. If we make any substantive amendments to the Code of Conduct or grant any waiver from a provision of the Code of Conduct to any executive officer or director, we will promptly disclose the amendment or waiver on our website.

CORPORATE GOVERNANCE GUIDELINES

In 2013, the Board documented our governance practices by adopting Corporate Governance Guidelines to assure that the Board will have the necessary authority and practices in place to review and evaluate our business operations as needed and to make decisions that are independent of our management. The guidelines are also intended to align the interests of directors and management with those of our stockholders. The Corporate Governance Guidelines set forth the practices the Board intends to follow with respect to board composition and selection, board meetings and involvement of senior management, chief executive officer performance evaluation and succession planning, and board committees and compensation. The Corporate Governance Guidelines were adopted by the Board to, among other things, reflect changes to the NYSE listing standards and SEC rules adopted to implement provisions of the Sarbanes-Oxley Act of 2002. The Corporate Governance Guidelines, as well as the charters for each committee of the Board, may be viewed at www.channeladvisor.com.

Table of Contents**PROPOSAL 2****RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS**

The Audit Committee of the Board has selected Ernst & Young LLP as our independent auditors for fiscal 2017 and has further directed that management submit the selection of independent auditors for ratification by the stockholders at the Annual Meeting. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our Bylaws nor other governing documents or law require stockholder ratification of the selection of Ernst & Young LLP as our independent auditors. However, the Audit Committee is submitting the selection of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and our stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of Ernst & Young LLP. Abstentions will be counted toward the tabulation of votes on proposals presented to the stockholders and will have the same effect as negative votes.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who own more than ten percent of a registered class of our equity securities, to file with the SEC initial reports of ownership and reports of changes in ownership of our common stock and other equity securities. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished us and written representations that no other reports were required, during fiscal 2016 all Section 16(a) filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with.

EXECUTIVE COMPENSATION

We became a public company in May 2013, and we are currently an emerging growth company. As an emerging growth company, we are subject to the scaled reporting rules applicable to emerging growth companies. The following section describes, under the scaled reporting rules applicable to emerging growth companies, the compensation we paid to our chief executive officer, our executive chairman and two of our other executive officers as of December 31, 2016, who we refer to as our “named executive officers” for 2016.

Summary of 2016 Compensation Program and Policies

Our CEO’s 2016 total compensation was approximately 60% lower than his 2015 total compensation, with his 2016 equity awards being reduced by more than 70% of the value of his special 2015 equity awards, as such values are reported in our Summary Compensation Table. Our CEO’s 2015 special equity award was a long-term promotion incentive that we believe was necessary and appropriate as a result of his taking on the role of chief executive officer. As our executive chairman, co-founder of our company and former CEO, we compensate Mr. Wingo differently than our other named executive officers. Mr. Wingo is paid a cash salary for his strategic leadership services as an executive officer (roughly 1/3 the value of the salary we pay to our CEO) and is not otherwise compensated for his services as an executive officer. Mr. Wingo is compensated for his service on our Board of Directors with equity awards in the same manner as our other members of the Board of Directors, excluding our CEO.

A substantial portion of our named executive officers’ pay is structured to be dependent on our performance, in the form of performance-based bonuses and/or equity incentive awards.

• We pay annual performance bonuses only if we achieve pre-set objective performance goals.

Our equity incentive awards are delivered in the form of stock options and restricted stock unit awards that vest over the long-term (a four-year period) and whose value is directly dependent on our stock price performance and our executives remaining employed with us.

We impose share ownership and stock holding requirements on our executive officers in order to ensure they maintain a meaningful ownership stake in our company and further align their interests with those of our stockholders. All of our executive officers are in compliance with our current ownership and holding requirements.

• We prohibit all forms of hedging and pledging.

• We maintain reasonable severance and change in control protections and do not provide for 280G tax gross ups.

Amounts listed in columns (e) (for restricted stock units) and (f) (for options) represent the aggregate grant date fair value of equity awards granted during the years shown as measured pursuant to ASC Topic 718 as stock-based compensation in our consolidated financial statements. Unlike the calculations contained in our financial (1) statements, this calculation does not give effect to any estimate of forfeitures related to service-based vesting but assumes that the executive will perform the requisite service for the award to vest in full. The assumptions we used in valuing equity awards are described in Note 8 to our audited consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2016.

Amounts shown in this column represent the amounts earned and payable under our cash bonus plan for the indicated year. The cash bonus plan approved by the Compensation Committee for 2015 and 2016 provided for payment of awards based on two corporate metrics, Total Revenue and Adjusted EBITDA, which accounted for 75% and 25% of each award, respectively. Adjusted EBITDA excluded depreciation, amortization, income tax, interest and stock-based compensation expenses. For 2016, our total revenue exceeded the minimum level of (2) performance pre-established by the Compensation Committee and our adjusted EBITDA exceeded the maximum level of performance pre-established by the Compensation Committee, accordingly each of Mr. Spitz, Mr. Cook and Ms. Allen earned an amount equal to 89% of each officer's target bonus. For 2015, as our total revenue and adjusted EBITDA exceeded the maximum levels of performance pre-established by the Compensation Committee, each of Mr. Spitz, Mr. Cook and Ms. Allen earned an amount equal to 150% of each officer's target bonus. Mr. Cook's award for 2015 was prorated for the length of time he was an executive officer during the year.

For Messrs. Spitz and Cook, the reported amount consists of company contributions to the officer's 401(k) plan. For (3) Ms. Allen, the reported amount represents a bonus paid in recognition of her service as interim vice president of human resources during 2016.

Mr. Wingo served as our chief executive officer until May 2015. Upon his resignation, Mr. Spitz was appointed as chief executive officer and Mr. Wingo was appointed to the position of executive chairman of our Board of (4) Directors. Messrs. Wingo and Spitz are also a member of our Board of Directors. Mr. Spitz does not receive any additional compensation in his capacity as a director. Mr. Wingo was awarded the restricted stock awards reported in the table for 2015 and 2016 in his capacity as executive chairman. The awards were made on the same terms as grants to non-employee directors under our director compensation policy. See "Director Compensation" below.

(5) Mr. Cook became an executive officer as of August 31, 2015.
