B.O.S. BETTER ON-LINE SOLUTIONS LTD. ANNOUNCES FINANCIAL RESULTS OF OPERATIONS FOR THE SECOND QUARTER OF 2003

TERADYON, ISRAEL - August 21, 2003 - B.O.S. Better On-line Solutions Ltd. (the "Company" or "BOS") (NASDAQ: BOSC, TASE:BOS) announced today its financial results for the quarter ended June 30, 2003.

Revenues for the second quarter of 2003 were \$1.49 million, higher by 5% than the first quarter of 2003 and lower than the second quarter of 2002 by 44%.

Net loss for the second quarter of 2003 from continuing segments was \$969,000 (or \$0.25 per share), compared to a net profit of \$272,000 (or \$0.09 per share) for the second quarter of 2002.

Total cash and investments were \$6.76 million as of June 30, 2003.

The Company reported a \$267,000 in restructuring costs, derived from closing non profitable sales offices as per its cost reduction plan.

As of January 1, 2003 the Company has been preparing consolidated financial statements in accordance with United States Generally Accepted Accounting Principles ("U.S. GAAP").

Gross profit margin for the second quarter of 2003 was 69%, compared to 68% for the first quarter of 2003 and 75% for the second quarter of 2002. The software vs. hardware sales breakdown within the Company's Legacy products line was distributed differently this year, with more of the sales being generated from the lower-profit margin hardware products than in previous years. As a result, there was a decrease in the gross margin percentage, compared to 2002.

Operating expenses for the second quarter of 2003, excluding restructuring

costs, totaled \$1.79 million, compared to \$1.90 million during the first quarter of 2003. Additionally, the Company recognized \$267,000 in closure costs derived from closing non profitable sales offices around the world according to its cost reduction plan, so that total operating expenses for the second quarter of 2003 totaled \$2.06 million.

Net loss from continuing operations for the second quarter of 2003 totaled \$969,000, compared to net loss of \$949,000 for the first quarter of 2003.

ISRAEL (IZZY) GAL, B.O.S.' CEO STATED:

"During the second quarter the Company continued to reduce costs by closing non-profitable operations, adjusting salaries, and reducing the total number of employees.

In order to compensate for the slower-than-expected ramp-up of sales for the new product line, the Company has adjusted its expenses and intends to reach profitability towards the end of the current year.

Based on market acceptance to date, BOS' management is optimistic about the future of the BOSaNOVA Claro product line. We know that we have an excellent concept, manifested in a proven product, with a reasonable probability for business success".

SECOND QUARTER 2003 - DISCONTINUING SEGMENT

During the fourth quarter of 2002, based on the poor economic climate and upon its severe financial situation, the Company initiated a plan to cease the operations of its wholly owned U.S. subsidiary, Pacific Information Systems, Inc. ("Pacinfo") and is trying to reach an arrangement with Pacinfo's creditors. As a result, the financial statements of the Company disclose the financial information related to the Pacinfo in accordance with accounting standards for "discontinued operations".

The net income from the discontinuing segment for the second quarter of 2003 was \$165,000 (or \$0.04 per share) compared to net income of \$1.51 million in the first quarter of 2003 (or \$0.48 per share), and a net loss of \$316,000 for the second quarter of 2002 (or \$0.1 per share).

Net loss from continuing and discontinuing operations for the second quarter of 2003 was \$804,000 (or \$0.21 per share) compared to net income of \$558,000 in the first quarter of 2003 (or \$0.16 per share) and a net loss of 44,000 (or \$0.01 per share) for the second quarter of 2002.
