## Edgar Filing: CAMTEK LTD - Form 6-K

### Camtek Receives Multiple Falcon Order from Toshiba,

#### Systems to be delivered in the second quarter of 2006

MIGDAL HA EMEK, Israel, June 15, 2006- Camtek Ltd. (Nasdaq: CAMT, TASE: CAMT)

Today announced that Toshiba Corporation has ordered multiple Falcon 830 bumped-wafer metrology systems. The systems will be used in Toshiba's manufacturing plant in Oita, Japan, for in-line inspection of 300 mm wafers through measurements of bumps.

Avishai Shklar, general manager of Camtek Japan, said, "We are proud to have been selected by a world leader as Toshiba, following a short, but intensive evaluation. We are committed to supporting Toshiba, as well as our other customers in Japan, in their current and future inspection needs."

#### ABOUT CAMTEK LTD.

With headquarters in Migdal Ha Emeq Israel, Camtek Ltd., designs, develops, manufactures, and markets automatic optical inspection systems and related products. Camtek's automatic inspection systems are used to enhance both production processes and yield for manufacturers in the printed circuit board industry, the high density interconnect substrate industry and the semiconductor manufacturing and packaging industry. This press release is available at [www.camtek.co.il](http://www.camtek.co.il).

This press release may contain projections or other forward-looking statements regarding future events or the future performance of the Company. These statements are only predictions and may change as time passes. We do not assume any obligation to update that information. Actual events or results may differ materially from those projected, including as a result of changing industry and market trends, reduced demand for our products, the timely development of our new products and their adoption by the market, increased competition in the industry, price reductions as well as due to risks identified in the documents filed by the Company with the SEC.
