To Be Held June 5, 2003

SOLICITATION AND REVOCATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Global Power Equipment Group Inc., a Delaware corporation (the Company), of proxies to be voted at the Annual Meeting of Stockholders of the Company to be held on June 5, 2003, or at any adjournment thereof (the Annual Meeting), for the purposes set forth in the accompanying Notice of Annual Meeting. This Proxy Statement and accompanying proxy are first being forwarded to stockholders on or about April 25, 2003.

If the accompanying proxy is properly executed and returned, the shares represented by the proxy will be voted at the Annual Meeting. Stockholders whose shares are registered in their own names may instruct the proxies how to vote via the Internet or by telephone in lieu of executing and returning the accompanying proxy, and the shares represented by the proxy will be voted at the Annual Meeting. Specific instructions to be followed by any registered stockholder interested in voting via the Internet or telephone are set forth on the accompanying proxy card. If a stockholder indicates in his or her proxy a choice with respect to any matter to be acted upon, that stockholder s shares will be voted in accordance with such choice. If no choice is indicated on a proxy, the stockholder s shares will be voted FOR (a) the election of all of the nominees for directors listed below and (b) the ratification of the appointment of the independent auditor. A stockholder giving a proxy may revoke it by giving written notice of revocation to the Secretary of the Company at any time before it is voted, by executing another valid proxy bearing a later date and delivering such proxy to the Secretary of the Company prior to or at the Annual Meeting, by voting again by Internet or telephone, or by attending the Annual Meeting and voting in person.

The expenses of this proxy solicitation, including the cost of preparing and mailing this Proxy Statement and accompanying proxy will be borne by the Company. STOCKHOLDERS ENTITLED TO VOTE

Stockholders of record at the close of business on April 17, 2003 (the Record Date), will be entitled to vote at the Annual Meeting. As of the Record Date, there were issued and outstanding 43,976,679 shares of Common Stock, par value \$.01 per share (the Common Stock), of the Company. The holders of Common Stock are entitled to one vote per share. There is no cumulative voting with respect to the election of

directors. The presence in person or by proxy of the holders of a majority of the shares issued and outstanding at the Annual Meeting and entitled to vote will constitute a quorum for the transaction of business. Votes withheld from nominees for directors, abstentions and broker non-votes will be counted for purposes of determining whether a quorum has been reached. Votes will be tabulated by an inspector of election appointed by the Board of Directors of the Company. With regard to the election of directors, votes may be cast in favor of or withheld from each

nominee; votes that are withheld will have no effect on the vote. Abstentions, which may be specified on all proposals except the election of directors, will have the effect of a negative vote. Under applicable Delaware law, a broker non-vote will not be considered present for the purpose of calculating the vote on any matter.

PROPOSAL ONE

ELECTION OF DIRECTORS

The Board of Directors is divided into three approximately equal classes. The terms of the three classes are staggered so that only one class is elected at the annual meeting of stockholders each year for a three-year term. The term of the Class II directors, consisting of Ira Kleinman and Bengt Sohlén will expire at the Annual Meeting, and the accompanying proxy solicits your vote for two Class II directors. The terms of the Class III directors and the Class I directors will expire at the annual meeting of stockholders to be held in 2004 and 2005, respectively.

The Board of Directors has nominated Ira Kleinman and Bengt Sohlén for re-election as directors, each to hold office until the annual meeting of stockholders in 2006 and until his successor is duly elected and qualified, or until the earlier of his death, resignation or retirement. The persons named as proxies in the accompanying proxy, who have been designated by the Board of Directors, intend to vote, unless otherwise instructed in such proxy, for the election of Messrs. Kleinman and Sohlén. Should any of the nominees become unable for any reason to stand for election as a director of the Company, it is intended that the persons named in such proxy will vote for the election of such other person as the Board of Directors may recommend. The Company knows of no reason why any of the nominees will be unavailable or unable to serve.

The affirmative vote of the holders of a plurality of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting is required for the election of directors. Accordingly, the two nominees for election as directors at the Annual Meeting who receive the greatest number of votes cast for election by the holders of Common Stock shall be duly elected directors upon completion of the vote tabulation at the Annual Meeting. Meetings and Committees of the Board of Directors

During fiscal 2002, the Board of Directors held eight meetings. All of the directors attended at least 75% of the meetings of the Board of Directors and the Board committees on which they served. In addition, the Board of Directors took action three times during fiscal 2002 by unanimous written consent. The Board of Directors has three standing committees: the Executive Committee, the Audit Committee and the Compensation Committee.

The Executive Committee is composed of Messrs. Edwards, Eisenstein and Kleinman. The Executive Committee is generally authorized to act for the Board of Directors, except as such authority is limited by the Board of Directors or by applicable Delaware laws. The Executive Committee did not meet in fiscal 2002, but it took action one time during fiscal 2002 by unanimous written consent.

The Audit Committee is composed of Messrs. Hotard, Doherty, and Sohlén. Each of these individuals qualifies as an independent director under the current listing standards of the New York Stock Exchange. The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities. The Audit Committee reviews (a) the Company s financial reporting process, (b) the Company s systems of internal controls, and (c) the Company s process for monitoring compliance with its written policies and with laws and regulations. In addition, the Audit Committee annually considers the qualifications of the independent auditor of the Company

and the independence of the auditor and makes recommendations to the Board of Directors on the engagement of the independent auditor. The Audit Committee also reviews (a) any transactions between the Company and its officers, directors and principal stockholders, (b) the plans for and results of audits of the Company, and (c) the results of any internal audits, compliance with any of the Company s written policies and procedures and the adequacy of the Company s system of internal accounting controls. The Audit Committee met seven times during fiscal 2002. All of the members of the Audit Committee were present at each meeting.

The Compensation Committee is composed of Messrs. Doherty and Ryan. The Compensation Committee reviews the compensation of officers of the Company and makes recommendations to the Board of Directors regarding such compensation and reviews the Company s executive compensation policies and practices. The Compensation Committee also administers generally the Company s 2000 Stock Option Plan and 2001 Stock Option Plan. The Compensation Committee met four times during fiscal 2002. In addition, the Compensation Committee took action one time during fiscal 2002 by unanimous written consent. All of the members of the Compensation Committee were present at each meeting.

The Company does not have a standing nominating committee. The Company s amended and restated By-laws provide that nominations of candidates for election as directors of the Company may be made at a meeting of stockholders by or at the direction of the Board of Directors or by any stockholder entitled to vote at such meeting who complies with the advance notice procedures set forth therein. These procedures generally require any stockholder who intends to make a nomination for director at the meeting to deliver notice of such nomination to the Secretary of the Company not less than 90 nor more than 120 days prior to the first anniversary of the preceding year s annual meeting. The notice must contain all information about the proposed nominee as would be required to be included in a proxy statement soliciting proxies for the election of such nominee, including such nominee s written consent to serve as a director if so elected. If the Chairman of the meeting determines that a person is not nominated in accordance with the nomination procedure, such nomination will be disregarded.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee assists the Board of Directors in fulfilling its oversight responsibilities with respect to, among other matters, the financial reporting process and systems of internal controls. The Audit Committee operates pursuant to a written charter that was adopted by the Board of Directors.

The Audit Committee acts only in an oversight capacity and it is not responsible for either the preparation of the Company s financial statements or the auditing of the financial statements. Management of the Company is responsible for preparing the Company s financial statements, and the independent auditors are responsible for auditing the financial statements. Members of the Audit Committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. The Audit Committee s role does not provide any special assurances with regard to the Company s financial statements, nor does it involve a professional evaluation of the quality of the audits performed by the independent auditors.

In the performance of its oversight function, the Audit Committee reviewed and discussed with management and the independent auditors the Company's audited financial statements as of and for the fiscal year ended December 28, 2002. The Audit Committee discussed with the independent auditors, who are responsible for expressing an opinion on the conformity of the Company's audited financial statements with generally accepted accounting principles, the matters required to be discussed by Statement on Auditing Standards No. 61,

Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

In addition, the Audit Committee reviewed the written disclosures and the letter from the independent auditors required by Independence Standard No. 1, *Independence Discussions with Audit Committees*, as amended, by the Independence Standards Board, and discussed with the auditors their independence. The Audit Committee also considered whether the independent auditors provision of non-audit services to the Company is compatible with the auditors independence.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the financial statements referred to above be included in the Company s Annual Report on Form 10-K for the year ended December 28, 2002, for filing with the Securities and Exchange Commission.

The Audit Committee considered whether the provisions of the services by PricewaterhouseCoopers LLP described above under All Other Fees is compatible with maintaining the independence of PricewaterhouseCoopers LLP.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITOR

PricewaterhouseCoopers LLP has been selected as the Company s independent auditor for fiscal 2003. Upon the recommendation of the Audit Committee, the Board of Directors engaged PricewaterhouseCoopers LLP to serve as the Company s independent auditor for the 2002 fiscal year on April 8, 2002, following the solicitation of proposals from independent auditing firms. Prior to the selection of PricewaterhouseCoopers LLP, Arthur Andersen LLP served as the Company s independent auditor.

Arthur Andersen LLP s reports on the Company s consolidated financial statements for each of the fiscal years ended December 29, 2001 and December 30, 2000, did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the fiscal years ended December 29, 2001 and December 30, 2000, and through April 8, 2002, (i) there were no disagreements with Arthur Andersen LLP on any matter of accounting principle or practice, financial statement disclosure, or auditing scope or procedure which, if not resolved to Arthur Andersen LLP s satisfaction, would have caused them to make reference to the subject matter in connection with their report on the Company s consolidated financial statements for such years and (ii) there were no reportable events as described in Item 304(a)(1)(v) of Regulation S-K.

During the fiscal years ended December 29, 2001 and December 30, 2000, and through April 8, 2002, the Company did not consult PricewaterhouseCoopers LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company s consolidated financial statements, or any matters or reportable events described in Item 304(a)(2)(i) and (ii) of Regulation S-K.

A proposal will be presented at the Annual Meeting asking the stockholders to ratify the appointment of PricewaterhouseCoopers LLP as the Company s independent auditor. If the stockholders do not ratify the appointment of PricewaterhouseCoopers LLP, the Audit Committee will reconsider the appointment.

The affirmative vote of the holders of a majority of the shares present in person or by proxy at the Annual Meeting and entitled to vote is required for the adoption of this proposal. The Board of Directors recommends a vote FOR the ratification of PricewaterhouseCoopers LLP as independent auditor for fiscal year 2003.

The Company expects that a representative of PricewaterhouseCoopers LLP will be present at the Annual Meeting. The representative will be given the opportunity to make a statement if he or she desires to do so and will be available to respond to appropriate questions.

Employment Agreements and Change in Control Arrangements

The Company has entered into employment agreements with each of its named executive officers. The employment agreements provide for annual base salaries of not less than \$429,690 for Mr. Edwards, \$250,600 for Mr. Obermiller, \$210,000 for Mr. Schockemoehl, \$170,000 for Mr. Hackner and \$330,000 for Mr. McSweeney. The employment agreement with Mr. Edwards is for a three-year term expiring on April 30, 2005, and the employment agreements with each of Messrs. Obermiller, Schockemoehl and Hackner are for two-year terms expiring April 30, 2004, subject, in each case, to automatic renewal for additional one-year periods annually thereafter unless the Company provides sixty days prior written notice otherwise. Pursuant to their respective employment agreements, each of Messrs. Edwards, Obermiller, Schockemoehl and Hackner:

is entitled to participate in the Company s employee benefit programs;

is entitled to participate in the Company s Management Incentive Compensation Plans or, in the event a Management Incentive Compensation Plan is not in effect for any bonus year, to receive substantially the same bonus opportunities as were in place for the prior fiscal year;

in the event employment is terminated by the Company without Cause (as defined in the respective employment agreement) or by the executive officer for Good Reason (as defined in the respective employment agreement to include, among other things, removal from such executive s specified position as an officer of the Company or a reduction in such executive s annual base salary without, in each case, such executive s consent), is entitled to receive his base salary for a twelve-month period or, if more than twelve months remain in the Initial Employment Term (as defined in each employment agreement) on the date of termination, through the expiration of the Initial Employment Term, and, if termination is three months after commencement of a new bonus year, a portion of any bonus earned for the year in which termination occurred determined on a pro rata basis based on the number of days of such year employed; and

has agreed not to compete with the businesses of the Company for a twelve-month period following termination.

Mr. McSweeney s employment agreement is for a three-year period expiring on October 31, 2003. In the event Mr. McSweeney s employment is terminated by the Company without Cause (as defined in the employment agreement) or by him for Good Reason (as defined in the employment agreement to include, among other things, his removal as President of Consolidated Fabricators, Inc. or a reduction in his annual base salary without, in each case, his consent), he is entitled to receive a lump sum payment equal to the amount of base salary payable through the expiration date of the employment agreement and to certain benefits through the term of the employment agreement. Pursuant to the employment agreement, Mr. McSweeney has agreed not to compete with the businesses of the Company for a twelve-month period following termination.

The Company s 2001 Stock Option Plan provides that all outstanding options awarded under such plan, regardless of any vesting requirements or restrictions, become fully exercisable and free of all restrictions in the event of a change in control of the Company, as defined in such plan. In such event participants may be entitled to receive, at the discretion of the Compensation Committee, either (i) the consideration received by the holders of the Company s Common Stock in such transaction, upon exercise of an option, or (ii) cash payments equal to the value of the per share consideration to be received in such transaction or the fair market value per share of the Company s Common Stock, less the exercise price of an option, multiplied by the number of shares of Common Stock subject to such option.

Report on Executive Compensation

The Compensation Committee administers the Company s executive compensation program. The role of the Compensation Committee is to review and make recommendations to the Board of Directors regarding all forms of compensation provided to the Company s executive officers. In addition, the Compensation Committee administers the Company s 2000 and 2001 Stock Option Plans. The Compensation Committee is comprised of two outside, non-employee directors. All decisions of the Committee relating to the compensation of the executive officers of the Company are reviewed by the full Board of Directors.

Overall Executive Compensation Program. The goals of the Company s executive compensation program are to align compensation with the Company s business objectives and performance and enable the Company to attract, retain and motivate qualified executive officers that contribute to the long-term success of the Company. The key components of the Company s executive compensation program are:

base salary;

annual incentive bonus awards; and

equity participation in the form of stock options.

Executive officers are also entitled to customary benefits generally available to all of the Company s employees, including group medical, dental and life insurance and participation in the Company s 401(k) plan.

Section 162(m) of the Internal Revenue Code of 1986, as amended, provides that no publicly-held company shall be permitted to deduct from its income taxes compensation exceeding \$1 million paid to its chief executive officer or any of its four other highest paid executive officers unless (a) the compensation is payable solely on account of the attainment of performance goals, (b) the performance goals are determined by a compensation committee of two or more outside directors, (c) the material terms under which the compensation is paid are disclosed to and approved by the stockholders, and (d) the compensation committee certifies that the performance goals were met. Neither the Committee nor the Company expects this Section to have an impact, or result in the loss of a material deduction, with respect to compensation paid to such executive officers, including stock options granted to such executive officers.

Base Salary. The Company has entered into employment agreements with each of the Company s named executive officers, which agreements provide for an annual base salary that may be increased at the discretion of the Board of Directors. The Compensation Committee is responsible for reviewing the salary and other terms of new employment agreements entered into with the Company s executive officers, as well as reviewing existing employment agreements for recommendations of any adjustments to the base salaries under the terms of such agreements. The Committee further reviews and recommends the base salaries for the Company s other officers and key employees. When reviewing base salaries, including adjustments to base salaries under existing employment agreements, the Compensation Committee considers the individual s performance, the past performance of the Company and the individual s contribution to that performance, the individual s level of responsibility and competitive pay practices. The Committee believes that there is necessarily some subjectivity in recommending base salaries for the Company s executive officers. Although the Committee does not utilize any specific objective performance criteria in recommending base salaries, it does use a variety of methods therewith, including without limitation, studying the related salary information by geographical region where the Company does business and information from outside consultants covering new employment and recruiting activities of similarly situated companies.

Management Incentive Compensation Plan. To provide annual incentive bonus awards, the Company maintains a Management Incentive Compensation Plan. The Board of Directors currently adopts a new Management Incentive Compensation Plan prior to the beginning of each new fiscal year. The purpose of the Management Incentive Compensation Plan is to enhance stockholder value by providing eligible employees of the Company, including executive officers, with an added incentive to achieve specific annual Company targets. The Management Incentive Compensation Plan also assists the Company in attracting, retaining and motivating qualified personnel to allow the Company to remain competitive with its industry peers. The targets are intended to be aligned with the Company s mission so that bonus payments are made only if stockholder interests are advanced. These targets are established prior to the beginning of each fiscal year. For fiscal year 2002, the Company had in place the 2002 Management Incentive Compensation Plan (the 2002 Incentive Plan). Under the 2002 Incentive Plan, the Company s executive officers, other than John McSweeney, and other employees selected by the Board of Directors were eligible for cash bonuses based upon a comparison of actual performance results of the Company or a specified subsidiary to the annual targets. Each executive officer of the Company participating in the 2002 Incentive Plan was eligible to earn a cash bonus expressed as a percentage of such officer s base salary. The incentive bonus opportunities varied by each executive officer s level of responsibility. There was no mandatory minimum incentive award payable. The maximum percentage of base salary payable as an incentive bonus was (i) up to 150% for the Company s President and Chief Executive Officer, (ii) up to 110% for the Company s senior vice presidents, (iii) up to 90% for the Company s vice presidents and (iv) up to 60% for other executive participants. For fiscal year 2002, the Company and each of its operating subsidiaries achieved their respective annual targets by varying amounts so that all of the 2002 Incentive Plan participants were eligible to receive a percentage of their salary as bonus awards based upon their predetermined formula provided under the 2002 Incentive Plan. Bonuses are payable in the first quarter of the following calendar

Stock Options. Equity compensation in the form of stock options is a key component of the Company s executive compensation program. Stock options are granted to executive officers primarily based on a subjective evaluation of the officer s actual or expected contribution to the Company s long-term performance and the consideration of other factors, such as the size of prior grants and relative job scope, as well as a review of publicly available data on senior management compensation at other companies. Stock options are granted by the Company to aid in the retention of executive officers and to align their interests with those of the Company s stockholders. Stock options are granted at exercise prices that equal the fair market value of the Company s stock on the date of the grant. Accordingly, stock options have value for an executive only if the price of the Company s stock increases above the fair market value on the date of grant and the executive remains in the Company s employ throughout the vesting period required for the stock option to be exercisable. In addition, stock options directly link a portion of the executive s compensation to the interests of the Company s stockholders by providing an incentive to maximize stockholder value.

CEO Compensation. During fiscal year 2002, Mr. Edwards served as President and Chief Executive Officer of the Company. Under the terms of his employment agreement entered into in August 2000, Mr. Edwards annual base salary was established at \$275,000, but was subject to increase at the discretion of the Board of Directors. Mr. Edwards base salary was initially increased to \$429,690 for fiscal 2002 from \$343,800 for fiscal 2001, which adjustment was determined in the manner described above. Mr. Edwards entered into a new employment agreement with the Company in May 2002 that established his annual base salary at \$429,690, which salary was subsequently adjusted in September 2002 as a result of the elimination of certain benefits. As a result, Mr. Edwards base salary for fiscal 2002 was \$434,911. Under the terms of the 2002 Incentive Plan, Mr. Edwards maximum bonus attainable was set at 150% of his base salary. Based on the Company s performance for fiscal year 2002, Mr. Edwards received a cash bonus (paid in fiscal year 2003) equal to approximately 122% of his base salary. Mr. Edwards was awarded stock option grants for a total of 100,000 shares of the Company s common stock in fiscal year 2002. The number of stock options granted to

Mr. Edwards was determined in the same manner as option grants for the Company s other executive officers as described above.

Performance Graph

The following graph compares the percentage change in the cumulative total stockholder return on the Company s Common Stock with the cumulative total return on the Standard & Poor s SmallCap 600 Index and the Russell 2000 Index from the date of the Company s initial public offering, May 17, 2001, through December 28, 2002. Because the Company is the only publicly-traded firm engaged principally in the design, engineering and fabrication of equipment for gas turbine power plants, there is no similar industry peer group with which to compare the Company. The Company has selected for comparison purposes the Standard & Poor s SmallCap 600 Index and the Russell 2000 Index, which are separate indices of companies with comparable market capitalizations. The comparison assumes \$100 was invested at the beginning of the period in the Company s Common Stock (at its initial public offering price) and in each of the foregoing indices and assumes reinvestment of dividends.

CERTAIN TRANSACTIONS

The Company entered into a management agreement with Harvest Partners, Inc. in August 2000 in connection with the Company s recapitalization, which agreement was subsequently amended in connection with the Company s initial public offering in 2001. Pursuant to the amended management agreement, Harvest Partners, Inc. is entitled to receive an annual management fee of \$1.25 million, payable semi-annually in advance commencing August 1, 2001, for financial advisory and strategic planning services to be provided to the Company. In fiscal 2002, the Company paid Harvest Partners, Inc. aggregate fees and reimbursements of \$1,325,589 million for financial advisory and strategic planning services to the Company and its affiliates. Stephen Eisenstein and Ira Kleinman, each a director of the Company, are each a general partner of Harvest Partners, Inc. and a member of Harvest Associates III, L.L.C., the beneficial owner of approximately 29.6% of the Company s outstanding shares of Common Stock.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company s directors and executive officers, and persons who own more than 10 percent of the Common Stock, to report their initial ownership of the Common Stock and any subsequent changes in that ownership to the SEC and the New York Stock Exchange, and to furnish the Company with a copy of each such report. SEC regulations impose specific due dates for such reports, and the Company is required to disclose in this Proxy Statement any failure to file by these dates during and with respect to fiscal 2002.

To the Company s knowledge, based solely on review of the copies of such reports furnished to the Company and written representations that no other reports were required, during and with respect to fiscal 2002, its officers, directors and more than 10 percent stockholders complied with all applicable Section 16(a) filing requirements, except that (i) the report for the acquisition of 2,500 shares of Common Stock by Jerry E. Ryan was inadvertently filed late and, (ii) as a result of the changes in the fall of 2002 relating to the required time for filings with respect to option grants (which now require filings to be within two business days), the report for the one-time grant of options in December 2002 was inadvertently filed late on behalf of each of Larry Edwards, Bengt Sohlén, Ed Hotard, Adrian W. Doherty Jr., Jerry E. Ryan, John McSweeney, Gary Obermiller, Gene Schockemoehl, Michael Hackner, James P. Wilson and John M. Matheson.

STOCKHOLDER PROPOSALS

In accordance with the Company s amended and restated By-laws, any stockholder who intends to present a proposal at the Company s 2004 Annual Meeting of Stockholders and has not sought inclusion of the proposal in the Company s proxy materials must provide written notice of such proposal to the Secretary of the Company not less than 90 nor more than 120 days prior to the first anniversary date of this year s Annual Meeting of Stockholders.

OTHER MATTERS

The Board of Directors knows of no matters other than those described in this Proxy Statement which will be brought before the Annual Meeting for a vote of the stockholders. If, however, any other matter requiring a vote of stockholders arises, the persons named in the accompanying proxy will vote thereon in accordance with their best judgment. The enclosed proxy confers discretionary authority to take action with respect to any additional matters that may come before the meeting.
