Item 4. Description of Securities

The Common Stock of the Company is registered under Section 12 of the Exchange Act.

This Registration Statement covers, among other things, the Deferred Compensation Obligations to be offered to eligible employees of the Company and affiliated companies. The following is a summary of the Plan as it relates to the Deferred Compensation Obligations. The Deferred Compensation Obligations consist of general unsecured obligations of the Company to:

- A. pay deferred compensation from time to time in the future in accordance with the terms of the Plan from the general assets of the Company; and
- B. deliver from time to time in the future shares of its Common Stock issuable to eligible employees of the Company and affiliated companies pursuant to equity compensation awards, including but not limited to performance shares, nonqualified stock options, incentive stock options, restricted stock and stock appreciation rights, granted under one of the CSX Stock Incentive Plans, the delivery of which shares of Common Stock has been deferred at the election of the employee pursuant to the terms of the Plan.

For a more detailed description of the Plan we refer you to a copy of the Plan, which is attached hereto as Exhibit 4.1 and is incorporated herein by reference.

The amount of compensation deferred by each member (Member) in the Plan is determined in accordance with the Plan based upon elections by each Member. Obligations in an amount equal to each Member's deferral account under the Plan (consisting of deferred salary and bonus amounts, Company Common Stock issuable pursuant to equity compensation awards granted under one of the CSX Stock Incentive Plans, including but not limited to performance shares, nonqualified stock options, incentive stock options, restricted stock and stock appreciation rights, and gains or losses associated therewith) will be payable in accordance with the Member's deferral election and the terms of the Plan in a lump-sum distribution or in installments. Hardship distributions are also permitted. The Company may also make contributions to a Member's Account in accordance with the Plan.

To the extent the administrator of the Plan has designated more than one investment fund, Members may choose their investment fund. The investment funds may be changed or others added as determined by the Plan administrator. However, any compensation payable in Company Common Stock issued pursuant to an equity compensation grant under a CSX Stock Incentive Plan, and gains or losses associated therewith, deferred under the Plan will be credited to the Member's Executive Stock Account and may not be reallocated to any of the other investment funds. Amounts held in the Executive Stock Account will be paid to the Members in the form of Company Common Stock. Amounts deferred under the Plan that do not represent deferred compensation payable in Company Common Stock are payable in cash.

Edgar Filing: CSX CORP - Form S-8

The administrator of the Plan may, in its sole discretion, amend the Plan on 30 days prior notice to the Members, except that no such amendment shall, without the prior written consent of the Members, adversely affect any such Member's interest in the Plan. In addition, the administrator may, in its sole discretion, terminate the Plan at any time. The Deferred Compensation Obligations are not convertible into any other security of the Company except

that amounts deferred under the Plan into an Executive Stock Account will be distributed in shares of Company Common Stock. The right of any Member to receive future cash payments or delivery of shares of Common Stock under the provisions of the Plan shall be a contractual obligation of the Company, but shall be subject to the claims of the creditors of the Company in the event of the Company's insolvency or bankruptcy.

Item 5. Interests of Named Experts and Counsel

None.

Item 6. Indemnification of Directors and Officers

Article 10 of the Virginia Stock Corporation Act allows, in general, for indemnification, in certain circumstances, by a corporation of any person threatened with or made a party to any action, suit or proceeding by reason of the fact that he or she is, or was, a director, officer, employee or agent of such corporation. Indemnification is also authorized with respect to a criminal action or proceeding where the person had no reasonable cause to believe that his or her conduct was unlawful. Article 9 of the Virginia Stock Corporation Act provides limitations on damages payable by officers and directors, except in cases of willful misconduct or knowing violation of criminal law or any federal or state securities law.

Article VII of the Company's Amended and Restated Articles of Incorporation provides for mandatory indemnification of any director or officer of the Company who is, was or is threatened to be made a party to any proceeding (including any proceeding by or on behalf of the Company) by reason of the fact that he or she is or was a director or officer of the Company against all liabilities and reasonable expenses incurred in the proceeding, except such liabilities and expenses as are incurred because of such director's or officer's willful misconduct or knowing violation of the criminal law.

The Company's Amended and Restated Articles of Incorporation also provide that in every instance permitted under Virginia corporate law in effect from time to time, the liability of a director or officer of the Company to the Company or its shareholders arising out of a single transaction, occurrence or course of conduct shall be limited to one dollar.

The Company maintains standard policies of officers' and directors' liability insurance.

Item 7. Exemption from Registration Claimed

Item 9. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933.
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement.
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

Provided, however, that subparagraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those subparagraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the

offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
