PROXY STATEMENT

GENERAL INFORMATION

We are furnishing this proxy statement and the accompanying proxy card to our stockholders in connection with the solicitation of proxies on behalf of the Board of Directors of SunGard for use in voting at our 2004 Annual Meeting of Stockholders to be held at the Four Seasons Hotel, One Logan Square, Philadelphia, Pennsylvania 19103, on Friday, May 14, 2004, at 9:00 a.m., or at any adjournment or postponement of the meeting. These proxy materials are first being mailed to our stockholders on or about April 1, 2004.

WHO IS ENTITLED TO VOTE?

Stockholders as of the close of business on March 15, 2004, the record date for this solicitation, are entitled to receive notice of and to vote at the 2004 Annual Meeting. On the record date, approximately 289,240,300 shares of our common stock, held by approximately 7,900 stockholders of record, were outstanding and entitled to vote. You may vote all shares you owned as of the record date. You are entitled to one vote per share.

WHAT ARE YOU VOTING ON?

We are asking you to elect nominees to serve on our Board of Directors and to ratify the appointment of our independent auditors for 2004. The Board of Directors is not aware of any other matters to be presented for action at the meeting.

HOW DOES THE BOARD OF DIRECTORS RECOMMEND YOU VOTE ON THE PROPOSALS?

The Board of Directors recommends a vote **FOR** the election of each of the nominees for director and **FOR** the ratification of the appointment of PricewaterhouseCoopers LLP as our independent auditors for 2004.

WHAT DOES IT MEAN IF YOU GET MORE THAN ONE PROXY CARD?

If you have shares of our common stock that are registered differently and are in more than one account, you will receive more than one proxy card. Please follow the directions for voting on each of the proxy cards you receive to ensure that all of your shares are voted.

HOW DO YOU VOTE WITHOUT ATTENDING THE ANNUAL MEETING?

If you hold shares in your name as the stockholder of record, then you received this proxy statement and a proxy card from us. If you hold shares in street name through a broker, bank or other nominee, then you received this proxy statement from the nominee, along with the nominee's form of proxy card which includes voting instructions. In either case, you may vote your shares by Internet, telephone or

mail without attending the Annual Meeting. To vote by Internet or telephone 24 hours a day, seven days a week, follow the instructions on the proxy card. To vote by mail, mark, sign and date the proxy card and return it in the postage-paid envelope provided.

If you hold shares in a savings plan, or if you hold shares of a company SunGard acquired which you have not yet exchanged for SunGard shares, you may vote those shares only by mail.

Internet and telephone voting provide the same authority to vote your shares as if you returned your proxy card by mail. In addition, Internet and telephone voting will reduce our proxy-related postage expenses.

HOW DO YOU VOTE IN PERSON AT THE ANNUAL MEETING?

If you hold shares in your name as the stockholder of record, you may vote those shares in person at the meeting by giving us a signed proxy card or ballot before voting is closed. If you want to do that, please bring proof of identification with you. Even if you plan to attend the meeting, we recommend that you vote your shares in advance as described above, so your vote will be counted even if you later decide not to attend.

If you hold shares in street name through a broker, bank or other nominee, you may vote those shares in person at the meeting only if you obtain and bring with you a signed proxy from the necessary nominees giving you the right to vote the shares. To do this, you should contact your nominee.

CAN YOU CHANGE YOUR VOTE?

After you vote your shares, whether by Internet, telephone or mail, you may change your vote at any time before voting is closed at the Annual Meeting. If you hold shares in your name as the stockholder of record, you should write to our Corporate Secretary at our principal offices, 680 East Swedesford Road, Wayne, Pennsylvania 19087, stating that you want to revoke your proxy and that you need another proxy card. If you hold your shares in street name through a broker, bank or other nominee, you should contact the nominee and ask for a new proxy card. Alternatively, you may vote again by Internet or telephone. If you attend the Annual Meeting, you may vote by ballot as described above, which will cancel your previous vote. Your last vote before voting is closed at the Annual Meeting is the vote that will be counted.

WHAT IS A QUORUM?

A quorum of the holders of the outstanding shares of our common stock must be present for the Annual Meeting to be held. A quorum is present if the holders of a majority of the outstanding shares of our common stock entitled to vote are present at the meeting, either in person or represented by proxy. Withheld votes, abstentions and broker non-votes are counted as present for the purpose of determining whether a quorum is present.

WHAT IS THE VOTING REQUIREMENT FOR EACH PROPOSAL?

The director nominees will be elected by a plurality of the votes cast at the Annual Meeting. Approval of proposal two requires the affirmative vote of a majority of the shares present and entitled to vote.

HOW ARE VOTES COUNTED?

For the election of directors, you may vote FOR all of the nominees or you may WITHHOLD your vote for one or more of the nominees. Withheld votes will not count as votes cast for the nominee, but will count for the purpose of determining whether a quorum is present. As a result, if you withhold your vote, it has no effect on the vote on proposal one.

For proposal two, you may vote FOR, AGAINST or ABSTAIN. Abstentions will not count as votes cast on proposal two, but will count for the purpose of determining whether a quorum is present. As a result, if you ABSTAIN, it has the same effect as if you vote AGAINST proposal two.

If you sign your proxy card without indicating your vote, your shares will be voted in accordance with the recommendations of the Board.

A broker non-vote generally occurs when a broker, bank or other nominee holding shares on your behalf does not vote on a proposal because the nominee has not received your voting instructions and lacks discretionary power to vote the shares. Generally, nominees have the discretion to vote for directors and the ratification of the appointment of independent auditors, unless you instruct otherwise. Broker non-votes will not count as votes cast on a proposal, but will count for the purpose of determining whether a quorum is present. As a result, broker non-votes will not affect the outcome of proposal one and will have the same effect as a vote against proposal two.

WHO WILL BEAR THE COST OF THIS SOLICITATION?

We will pay the cost of this solicitation, which will be made primarily by mail. Proxies also may be solicited in person, or by telephone, facsimile or similar means, by our directors, officers or employees without additional compensation. In addition, D. F. King & Co., Inc. will provide solicitation services to us for a fee of approximately \$5,500 plus out-of-pocket expenses. We will, on request, reimburse stockholders who are brokers, banks or other nominees for their reasonable expenses in sending proxy materials and annual reports to the beneficial owners of the shares they hold of record.

PROPOSAL ONE

ELECTION OF DIRECTORS

Ten directors are to be elected at the 2004 Annual Meeting to serve for one-year terms until the 2005 Annual Meeting and until their respective successors are elected and qualified. All of the nominees currently are members of our Board of Directors. The Board of Directors knows of no reason why any nominee would be unable to serve as a director. Each nominee has consented to being named in this proxy statement and to serve if elected. If any nominee should for any reason become unable to serve, then all valid proxies will be voted for the election of a substitute nominee designated by the Board of Directors, or the Board may reduce the number of directors to eliminate the vacancy.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Board of Directors has the following five standing committees: Audit Committee, Compensation Committee, Data Center Oversight Committee, Executive Committee and Nominating and Corporate Governance Committee. During 2003, the Board of Directors held 12 meetings, the Audit Committee held 15 meetings, the Compensation Committee held five meetings, the Data Center Oversight Committee held four meetings, the Executive Committee held no meetings and the Nominating and Corporate Governance Committee held four meetings. During 2003, each director attended 75% or more of the total number of meetings of the Board of Directors and Committees on which he or she served. Meeting attendance averaged 95% among all directors.

We do not maintain a policy requiring directors to attend the annual stockholders meeting. Generally, all directors attend our annual meetings of stockholders, and all but one of our directors were in attendance at the 2003 annual meeting of stockholders.

The Board has adopted a charter for each of its Committees and corporate governance guidelines that address the make-up and functioning of the Board. The Board has also adopted a business conduct and compliance program that applies to all of our employees, officers and directors. These materials can all be found on our website at www.sungard.com/investors.

Board Independence. Since our initial public offering in 1986, the majority of our directors have been independent. The Board has adopted as categorical standards the new independence requirements of the New York Stock Exchange listing standards to assist it in making determinations of independence. Under these standards, a director qualifies as independent only if the Board affirmatively determines that the director has no material relationship with us (either directly or as a partner, stockholder or officer of an organization that has a relationship with us). The Board has determined, broadly considering all relevant facts and circumstances, that each of the current directors standing for re-election is independent within the meaning of the applicable listing standards of the New York Stock Exchange, except for Mr. Mann, chairman of the board, and Mr. Conde, our president and chief executive officer.

Therefore, the members of each of the Committees, other than Mr. Mann and Mr. Conde as members of the Executive Committee, are independent within the meaning of the applicable listing standards of the New York Stock Exchange. The Board has also determined that the Audit Committee members satisfy the additional independence criteria required by rules of the Securities and Exchange Commission.

Audit Committee. The Audit Committee assists the Board of Directors in overseeing (1) the audit and integrity of our financial statements, (2) the performance of our independent auditors, (3) the adequacy and effectiveness of our accounting, auditing and financial reporting processes, including the performance of our internal audit function, and (4) our compliance with legal and regulatory requirements, including the performance of our compliance function. The duties of the Audit Committee include the selection and appointment of our independent auditors, including evaluation of their qualifications, performance and independence, and oversight of our Business Conduct and Compliance Program. The Board of Directors has determined that all members of the Audit Committee are independent and financially literate within the meaning of the applicable listing standards of the New York Stock Exchange. The Board has determined that Ms. Haugen qualifies as an audit committee financial expert within the meaning of regulations adopted by the Securities and Exchange Commission and has accounting or related financial management expertise as required under the listing standards of the New York Stock Exchange. The Board of Directors has adopted a written charter for the Audit Committee, which is reviewed annually by the Audit Committee. The current Audit Committee Charter (which was last amended on March 26, 2004) is attached as an appendix to this proxy statement.

Compensation Committee. The Compensation Committee assists the Board of Directors in establishing the compensation policies for cash and equity compensation of our executive officers, and in administering our stock option, purchase and award plans. The duties of the Compensation Committee include evaluating and determining the compensation of the chief executive officer and the chairman of the board, and reviewing and approving the compensation of the other executive officers. The Board has determined that all members of the Compensation Committee are independent within the meaning of the applicable listing standards of the New York Stock Exchange.

Data Center Oversight Committee. The Data Center Oversight Committee assists the Board of Directors in overseeing the audit and integrity of our data centers and other IT infrastructure, including information systems security policies. This includes reviewing and overseeing periodic audits of our data centers by regulatory authorities. The Board has determined that all members of the Data Center Oversight Committee are independent within the meaning of the applicable listing standards of the New York Stock Exchange.

Executive Committee. The Executive Committee assists the Board of Directors in exercising the powers of the Board during the intervals between Board meetings, except those powers that are prohibited by law from being delegated or are otherwise reserved by the Board. Excluding the chairman and the chief executive officer, the Board has determined that the other two members of the Executive Committee are independent within the meaning of the applicable listing standards of the New York Stock Exchange.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee assists the Board of Directors in identifying and evaluating potential candidates for director, making recommendations to the Board of Directors for director nominees, determining the compensation of non-employee directors, developing corporate governance principles and overseeing corporate governance matters. The Board has determined that all the members of the Nominating and Corporate Governance Committee are independent within the meaning of the applicable listing standards of the New York Stock Exchange.

The Nominating and Corporate Governance Committee will consider director nominee recommendations received from our stockholders, directors and executive officers. In addition, the Nominating and Corporate Governance Committee may engage third party search firms to help identify and facilitate the screening and interview process for director nominees.

Stockholder recommendations for nominees for director must be in writing and addressed to the Chair of the Nominating and Corporate Governance Committee, c/o Corporate Secretary, SunGard Data Systems Inc., 680 East Swedesford Road, Wayne, Pennsylvania 19087 and must be received no later than December 5, 2004. Stockholder recommendations must include the candidate's biographical data and a signed statement from the recommended individual indicating that he or she consents to being considered as a candidate. All properly submitted stockholder recommendations will be considered by the Committee for the next annual meeting.

In evaluating any director candidate, including candidates recommended by stockholders, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board and considers a number of qualifications, including: a candidate's independence, knowledge, judgment, character, leadership skills, education, experience and financial literacy; a candidate's experience as a board member or senior officer of a public company; whether a candidate's skills are complementary to the existing Board members' skills; and the Board's needs for industry, operational, management, financial, technological or other expertise. The Nominating and Corporate Governance Committee and both our chairman and chief executive officer, and any other directors who wish to, interview candidates who meet the criteria, and the Committee selects nominees that best suit the Board's needs.

EXECUTIVE SESSIONS

Our independent directors meet at regularly scheduled executive sessions without management. Mr. Eisenstat has been designated as the presiding independent director and chairs the executive sessions.

COMMUNICATIONS WITH THE BOARD

Stockholders may communicate with the Board by sending their communications to SunGard Data Systems Inc. Board of Directors, c/o Corporate Secretary, SunGard Data Systems Inc., 680 East Swedesford Road, Wayne, Pennsylvania 19087. All stockholder communications received by our

Corporate Secretary will be delivered to the presiding independent director or to the independent directors as a group.

DIRECTOR COMPENSATION

Directors who are our executives do not receive additional compensation for serving on the Board of Directors or Committees.

Each independent director automatically receives an initial five-year restricted stock award when first elected to the Board, and automatically receives additional awards upon reelection as an outside director every fifth year thereafter. Each five-year award is for a number of shares equal to the result of dividing \$500,000 by the closing price of our common stock on the date of grant. The shares awarded are subject to transfer restrictions until they vest, at the rate of 20% per year, on the dates of our next five Annual Meetings after the date of grant. If an outside director dies or is permanently disabled, or if a change in control of the company occurs, then all remaining unvested shares immediately vest. If an outside director's directorship terminates for any other reason, then all remaining unvested shares are forfeited. If Mr. Goldstein is reelected at the 2004 Annual Meeting, he will receive an additional restricted stock award. Based upon the closing price of our common stock on March 15, 2004, which was \$26.52, Mr. Goldstein's new restricted stock award would be for 18,854 shares vesting ratably over five years.

In addition, each independent director (except as noted below) receives (1) an annual fee of \$15,000, (2) meeting fees of \$2,000 for each quarterly Board meeting, \$1,000 for each other Board meeting and \$1,000 for each Committee meeting attended, and (3) reimbursement of applicable travel and other expenses. In addition, the chair of the Audit Committee receives additional annual fees of \$5,000, and the chairs of the Compensation, Data Center Oversight, and Nominating and Corporate Governance Committees each receives additional annual fees of \$2,000. No additional compensation is paid for service on subcommittees. Directors may elect to receive shares of our common stock in lieu of cash compensation.

In acknowledgement of the additional time now being spent by directors on certain Committees, the Board approved increased annual fees for the chairs of the Audit and Compensation Committees and increased meeting fees for the members of the Audit Committee, beginning in May 2004. Specifically, the chairs of the Audit and Compensation Committees will receive annual fees of \$15,000 and \$5,000, respectively (rather than the previous amounts of \$5,000 and \$2,000), and the members of the Audit Committee will receive \$2,000 for each Audit Committee meeting attended (rather than the previous amount of \$1,000).

Until Mr. Goldstein's current restricted stock award fully vests in May 2004, he has been receiving the following cash compensation under our previous director compensation plan: (1) an annual fee of \$6,000, (2) meeting fees of \$2,000 for each quarterly Board meeting, \$500 for each other Board meeting and \$1,000 for each Committee meeting attended, and (3) reimbursement of applicable travel and other expenses.

We have entered into indemnification agreements, in the form approved by the stockholders, with our directors and officers.

AGREEMENT WITH THE CHAIRMAN OF THE BOARD

Mr. Conde was elected chief executive officer in August 2002, succeeding Mr. Mann, who continues to serve as chairman of the board of directors. At that time, we entered into an agreement with Mr. Mann regarding Mr. Mann's continuing role with us, which was amended in February 2004. The major terms of the agreement are: (1) subject to the Board satisfying its fiduciary duties and other applicable legal standards, Mr. Mann will be nominated for reelection as a director and will be elected as chairman of the board through December 31, 2004, (2) after that date, Mr. Mann's election as chairman of the board will be at the sole discretion of the Board, (3) we will use our best efforts to retain Mr. Mann as an employee through May 31, 2011 to provide advice and services in the areas of acquisitions, long-term strategy, executive development and other subjects within his knowledge and experience, (4) Mr. Mann will continue to participate in our executive compensation program until December 31, 2004 at levels determined by the Compensation Committee, (5) for so long as Mr. Mann continues to serve as chairman of the board after December 31, 2004, he will receive an annual salary of \$500,000, and (6) after Mr. Mann is no longer serving as chairman of the board, his compensation will be as determined by the Compensation Committee.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee has reviewed and discussed our audited consolidated financial statements for the year ended December 31, 2003 with management and with representatives of PricewaterhouseCoopers LLP, our independent auditors.

Management has the primary responsibility for the financial statements and our accounting, auditing and financial reporting processes. The Audit Committee is not providing any expert or special assurance as to our financial statements. PricewaterhouseCoopers is responsible for expressing an opinion on the conformity of our financial statements with generally accepted accounting principles in the United States. The Audit Committee is not providing any professional certification as to PricewaterhouseCoopers' work product.

The Audit Committee has discussed with representatives of PricewaterhouseCoopers the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). The Audit Committee has received and reviewed the written disclosures and letter from PricewaterhouseCoopers required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and has discussed the independence of PricewaterhouseCoopers with representatives of the firm.

Based on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that our audited consolidated financial statements for the year ended December 31, 2003 be included in our Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission.

EXECUTIVE COMPENSATION

REPORT OF THE COMPENSATION COMMITTEE

Our compensation policies for executive officers, as determined by the Compensation Committee, are to (1) provide competitive compensation packages to retain and attract superior executive talent, (2) link a significant portion of compensation to financial results to reward successful performance, and (3) provide long-term equity compensation to further align the interests of executive officers with those of stockholders and further reward successful performance. The principal components of our executive officer compensation program are base salary, annual cash incentive plans and long-term equity incentive awards.

Cash Compensation. The primary factor we use to set base salaries and annual cash incentives for our executive officers is an analysis of competitive executive compensation based upon general business compensation surveys as well as more specific compensation surveys of companies of comparable business, size and complexity to SunGard. An independent compensation consultant, whose services are available to the Compensation Committee, assists us with this analysis of competitive compensation. Although many of the companies covered by this analysis are included in the Nasdaq Computer and Data Processing Index (see PERFORMANCE GRAPH), we do not separately analyze the Index companies because compensation data for the Index companies as a group is not readily available to us.

Our policy is to pay executive officers at or somewhat above competitive compensation averages for comparable positions. Compensation levels for individual executive officers, however, may be more or less than competitive averages, depending upon a subjective assessment of individual factors such as the executive's position, experience, skills, achievements, tenure with SunGard and historical compensation levels. Generally, previously granted stock options and other equity awards are not considered in setting cash compensation levels. During the past two years, as part of the cost controls we implemented during the recent economic slowdown, we have kept salary increases very low, resulting in base salaries for most executive officers being somewhat below the competitive averages for comparable positions.

The performance goals for executive officers' 2003 annual cash incentive plans were set at the beginning of the year and took into account our overall financial goals for 2003. For all executive officers, the incentive payments depended upon either the rate of increase in our earnings per share over the previous year, or the budgeted operating income of the businesses that report to the officer. For two executive officers, there were additional incentive payments based upon performance goals specific to their functions.

On average, total cash compensation at targeted goals for executive officers increased by 15% in 2003, and incentive payments at targeted goals constituted 56% of total cash compensation. The primary reason for the increase in total cash compensation was the growth of the Company, resulting in its inclusion in a higher revenue bracket in the compensation surveys. Based upon actual 2003 results, all executive officers except one met or exceeded their minimum targeted goals.

Equity Compensation. We provide equity compensation to our executive officers principally through a long-term incentive award program, under which eligible executives receive a performance accelerated stock option (PASO) each year. PASOs are long-term options under which vesting of shares is subject both to the attainment of financial performance goals and continued long-term employment. Accordingly, the PASO program operates both as a performance-based equity compensation program and as an executive retention program.

Each PASO has a term of ten years, and none of the shares vest until nine and one-half years after the date of grant unless the annual financial performance goals are met. If the annual financial performance goals are partly or fully achieved, then some or all of the PASO shares vest three years after grant if the recipient is still employed by us. For PASOs granted before 2004, if the financial performance goals are exceeded, then the recipient earns additional cash compensation that is paid when the shares vest.

The number of PASO shares granted to each recipient is determined on the basis of an analysis of competitive equity compensation programs, similar to the analysis described above with respect to cash compensation, and is subject to subjective adjustments based upon individual factors. The financial performance goals for each PASO are based upon the year-over-year growth, during the performance period covered by the PASO, in either our earnings per share or in the operating income of the businesses managed by the recipient, with the growth targets for all PASOs, taken together, being consistent with our overall growth objectives. All executive officers participate in our PASO program, excluding Mr. Mann and, beginning in 2001, Mr. Conde. In addition, business unit presidents and other key executives participate in the PASO program.

The Compensation Committee has the authority to approve all grants of stock options and other equity awards and administers our PASO program by approving, among other things, who will participate and the number of option shares that will be subject to each PASO. Outside the scope of the PASO program, ordinary stock options (which usually vest ratably over four years) or other equity compensation also may be awarded from time to time, at the discretion of the Compensation Committee, to executive officers and other key employees when they are hired, are promoted or join us via acquisition, or under other circumstances approved by the Compensation Committee in accordance with our equity incentive plans.

In evaluating the share levels for our PASO program, ordinary options and other equity awards, the Compensation Committee takes into account our total overhang, which equals (a) the number of shares of common stock subject to outstanding stock options and awards plus the number of shares of common stock available for future stock options and awards, divided by (b) the number of total outstanding shares of common stock plus the number of shares of common stock described in clause (a), expressed as a percentage. As of December 31, 2003, our total overhang was 14.7%, of which 12% was represented by shares under outstanding stock options and 2.7% was represented by shares available for future stock options.

Chief Executive Officer's Compensation. Mr. Conde's annual base salary for 2003 was \$825,000, up \$125,000 or 18% over the 2002 transition base salary paid to Mr. Conde after he was elected CEO in August 2002. Mr. Conde's 2003 base salary was brought more in line with competitive compensation levels for CEO positions of comparable companies, based upon the survey methodology described above. Mr. Conde's 2003 cash incentive depended solely upon the rate of increase in our earnings per share. If our 2003 earnings per share had increased by 9.6% (to \$1.26), then Mr. Conde's 2003 incentive payment would have been \$699,000, yielding total cash compensation at approximately the 60th percentile of competitive compensation levels based upon our analysis. If our 2003 earnings per share had increased by 13% (to \$1.31), then Mr. Conde's 2003 incentive payment would have been \$1,263,452, yielding total cash compensation at approximately the 85th percentile of competitive compensation levels based upon our analysis. Our actual 2003 diluted earnings per share (before merger costs and related items) grew 10% (to \$1.27), yielding an incentive payment to Mr. Conde of \$811,928.

After considering an analysis of competitive equity compensation for the chief executive officer position, as well as Mr. Conde's performance at and tenure with SunGard, the Compensation Committee, in February 2003, approved the grant to Mr. Conde of stock options to purchase 350,000 shares of our common stock, at an exercise price equal to the market value on the date of grant, vesting ratably over four years.

Deductibility of Certain Compensation. Section 162(m) of the Internal Revenue Code denies a deduction for certain compensation exceeding \$1,000,000 paid to the chief executive officer and the other highest paid executive officers named in the Summary Compensation Table excluding (among other things) certain performance-based compensation. The Compensation Committee has attempted to structure performance-based awards to executive officers under equity plans in a manner that satisfies Section 162(m). The Compensation Committee also intends to consider whether it is in our best interest to structure cash incentive payments to be deductible under Section 162(m). Notwithstanding our efforts in this area, no assurance can be given that compensation intended to satisfy the requirements for deductibility under Section 162(m) does in fact do so.

(1) Consists of amounts reimbursed in connection with the payment of taxes. The cost of perquisites is not disclosed for any executive officer named in the table because the disclosure threshold (the lower of \$50,000 or 10% of salary plus bonus) was not reached.

(2) Of the 2003 options reflected in the table, 488,875 shares are PASOs and 425,000 shares are ordinary non-PASO stock options that vest ratably over four years (see REPORT OF THE COMPENSATION COMMITTEE and OPTION GRANT TABLE). Of the 2002 options reflected in the table,

Edgar Filing: SUNGARD DATA SYSTEMS INC - Form DEF 14A

390,125 shares are PASOs and 700,000 shares are ordinary non-PASO stock options that vest ratably over four years. Of the 2001 options reflected in the table, 497,400 shares are PASOs and 700,000 shares are ordinary non-PASO stock options that vest ratably over four or five years. Upon termination of employment, only vested stock option shares may be exercised. With respect to ordinary options, upon a change in control of SunGard, all unvested stock options vest six months later or upon an earlier involuntary termination of employment without cause. With respect to PASOs, upon a change in control of SunGard during the financial performance period, a prorated percentage of the unvested PASOs vest six months later or upon an earlier involuntary termination of employment without cause. Upon a change in control after the end of the financial performance period, any shares that were already subject to accelerated vesting would vest no

later than six months after the change in control or upon an earlier involuntary termination of employment without cause. Otherwise, there is no acceleration of vesting of PASO shares.

- (3) The 2003, 2002 and 2001 payouts are cash payments made under PASOs granted in 2001, 2000 and 1999, respectively, and were earned as the result of exceeding performance goals for the three-year performance periods of 2001 through 2003, 2000 through 2002 and 1999 through 2001, respectively.
- (4) Consists of contributions made by us to a defined contribution retirement plan.

OPTION GRANT TABLE

The following table contains, for each of our executive officers named in the Summary Compensation Table, (1) the number of shares of our common stock underlying options granted during 2003, (2) the percentage that those options represent of total options granted to employees during 2003, (3) the exercise price per share, which equals the market value on the date of grant, (4) the expiration date, and (5) the potential realizable value, assuming 5% and 10% annual rates of appreciation (compounded annually) in the market value of our common stock throughout the option term.

- (1) The actual value, if any, which an option holder may realize will depend upon the amount by which the actual market value on the date of exercise exceeds the exercise price and also on the option holder's continued employment through the vesting period. The actual value to be realized by the option holder may be more or less than the potential realizable values stated in this table.

- (2) The option grants listed in the table for 85,625 shares for each of Messrs. Gross, Guldemann, Ruane and Tarbox and the option grant listed in the table for 146,375 shares for Mr. Muratore are PASOs (see REPORT OF THE COMPENSATION COMMITTEE). These PASOs will not vest until August 26, 2012, except that vesting may accelerate in part or in full on December 31, 2005 to the extent that stated financial performance goals are satisfied for the one-year performance period of 2003. All other options are ordinary non-PASO options that are exercisable and vest over four years in equal annual increments beginning one year after the date of grant.

EQUITY COMPENSATION PLAN INFORMATION

The following table contains certain information as of December 31, 2003 with respect to compensation plans under which our common stock is authorized for issuance.

- (1) We have assumed options issued by several companies that we acquired. Of these assumed options, an aggregate of 666,612 shares at a weighted-average exercise price of \$7.44 per share were outstanding as of December 31, 2003. These options are not included in the table.
- (2) Includes 9,159,227 shares available for issuance under our Equity Incentive Plans, 38,202 shares available for issuance under our Restricted Stock Award Plan for Outside Directors and 5,050,190 shares available for issuance under our 2000 Employee Stock Purchase Plan. The number of shares available for issuance under our 1998 Equity Incentive Plan increases each January 1 by the number of option shares exercised during the previous year under all of our equity plans, with a maximum annual increase of 2% of our outstanding shares as of the end of the previous year. Under this provision, 3,593,577 shares became available for issuance under the 1998 Equity Incentive Plan on January 1, 2004. These additional shares are not included in the table.
- (3) Reflects shares available under our plan that permits outside directors to elect to receive shares of our common stock in lieu of cash compensation. Unless an outside director elects in writing to receive shares in lieu of cash compensation, all fees are paid in cash. If an outside director elects to receive shares in lieu of cash compensation, then the shares are issued on a quarterly basis based upon the closing price of our common stock on the date of each quarterly board meeting.

CERTAIN TRANSACTIONS WITH MANAGEMENT

Mr. Mann, chairman of the board of directors owns Hawk Flight, Inc. and Steamboat Rentals, Inc., which operate charter aircraft businesses. The services of these companies are used for business travel by our executives, including Mr. Mann at arms-length terms approved by the disinterested members of the Board of Directors. During 2003, we paid approximately \$130,000 to these companies in total for business travel by our executives. See also AGREEMENT WITH THE CHAIRMAN OF THE BOARD under PROPOSAL ONE.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Messrs. Brooks, Eisenstat and Goldstein have served on the Compensation Committee since 1994, and Mr. Duques has served on the Compensation Committee since 2002. No person who served as a member of our Compensation Committee during 2003 was a current or former officer or employee of ours. During 2003, we had no compensation committee interlocks meaning that it was not the case that an executive officer of ours served as a director or member of the compensation committee of another entity and an executive officer of the other entity served as a director or member of our Compensation Committee.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors and officers, and anyone who owns more than ten percent of our common stock, to file reports about their beneficial ownership of our common stock and other equity securities. Based solely upon a review of the copies of these reports furnished by our directors, officers and greater than ten percent stockholders during and for 2003, and based upon their written representations that they were not required to file any other reports for 2003, we believe that our directors, officers and greater than ten percent stockholders timely filed all reports required to be filed under Section 16(a) for 2003, except as follows. As a result of an oversight by the company, Mr. Bentley inadvertently failed to timely file one report relating to the grant of his 2003 restricted stock award, in which case the report was filed within two weeks after grant.

PROPOSAL TWO

RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee of the Board of Directors has appointed PricewaterhouseCoopers LLP as our independent auditors for 2003 and has further directed that management submit the appointment of independent auditors for ratification by the stockholders at the 2004 Annual Meeting. Stockholder ratification of the appointment of PricewaterhouseCoopers as our independent auditors is not required by applicable law, or by our bylaws or other governing documents. However, the Audit Committee of the Board is submitting the appointment of PricewaterhouseCoopers to the stockholders as a matter of good corporate governance practice.

A representative of PricewaterhouseCoopers is expected to be present at the 2004 Annual Meeting, to have the opportunity to make a statement if he or she desires to do so, and to be available to respond to appropriate questions.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the 2004 Annual Meeting will be required to ratify the appointment of PricewaterhouseCoopers. If our stockholders do not ratify the appointment, the Audit Committee will reconsider whether or not to retain the firm.

AUDIT COMMITTEE PRE-APPROVAL OF AUDIT AND PERMISSIBLE NON-AUDIT SERVICES OF INDEPENDENT AUDITORS

The Audit Committee pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. The Audit Committee has adopted policies and procedures for the pre-approval of services provided by the independent auditors. The policies and procedures provide that management and the independent auditors jointly submit to the Audit Committee a schedule of audit and non-audit services for approval as part of the annual plan for each year. In addition, the policies and procedures provide that the Audit Committee may also pre-approve particular services not in the annual plan on a case-by-case basis. For each proposed service, management must provide a detailed description of the service and the projected fees and costs (or a range of such fees and costs) for the service. The policies and procedures require management and the independent auditors to provide quarterly updates to the Audit Committee regarding services rendered to date and services yet to be performed.

The Audit Committee may delegate pre-approval authority for audit and non-audit services to one or more of its members, who can pre-approve services up to a maximum fee of \$50,000. Any service pre-approved by a delegatee must be reported to the Audit Committee at the next scheduled quarterly meeting. The Audit Committee has delegated such authority to Ms. Haugen, its chair, and, if Ms. Haugen is unavailable, to Mr. Ruddock.

STOCKHOLDER PROPOSALS

If you intend to present a proposal at our 2005 Annual Meeting, you must submit it to us by December 5, 2004 to receive consideration for inclusion in our 2005 proxy materials. If you intend to present a proposal at our 2005 Annual Meeting that is not to be included in our 2005 proxy materials, you should send the proposal to us in writing by February 18, 2005. If we do not receive the proposal by that date, then our management will have discretionary authority to vote all shares for which we have proxies in opposition to the proposal. If you intend to submit director nominations for our 2005 Annual Meeting, you must do this by the close of business on the thirtieth day before the date of the meeting. Late nominations cannot be considered. Also, you should review our bylaws, which contain additional requirements with respect to director nominations by stockholders.

OTHER MATTERS

OTHER BUSINESS AT 2004 ANNUAL MEETING

We currently know of no other business that will be presented for consideration at the 2004 Annual Meeting. Nevertheless, the enclosed proxy confers discretionary authority to vote with respect to matters described in Rule 14a-4(c) under the Securities Exchange Act of 1934, as amended, including matters that the Board of Directors does not know, a reasonable time before proxy solicitation, are to be presented at the meeting. If any of these matters are presented at the meeting, then the proxy agents named in the enclosed proxy card will vote in accordance with their judgment.

DELIVERY OF THIS PROXY STATEMENT

The Securities and Exchange Commission has adopted rules that permit companies and intermediaries (such as brokers) to satisfy delivery requirements for proxy statements and annual reports with respect to two or more stockholders sharing the same address by delivering a single proxy statement and annual report addressed to those stockholders. This process, known as householding, potentially means extra convenience for stockholders and cost savings for companies. This year, a number of brokers with customers who are our stockholders will be householding our proxy materials unless contrary instructions have been received from the customers. We will promptly deliver, upon oral or written request, a separate copy of the proxy statement and annual report to any stockholder sharing an address to which only one copy was mailed. Requests for additional copies should be directed to Investor Relations at SunGard Data Systems Inc., 680 East Swedesford Road, Wayne, PA 19087, or by telephone at 484-582-5500.

Once a stockholder has received notice from his or her broker that the broker will be householding communications to the stockholder's address, householding will continue until the stockholder is notified otherwise or until the stockholder revokes his or her consent. If, at any time, a stockholder no longer wishes to participate in householding and would prefer to receive separate copies of the proxy statement and annual report, the stockholder should so notify his or her broker. Any stockholder who currently receives multiple copies of the proxy statement and annual report at his or her address and would like to request householding of communications should contact his or her broker or, if shares are registered in the stockholder's name, our Investor Relations at the address or telephone number provided above.

EACH PERSON SOLICITED BY THIS PROXY STATEMENT MAY OBTAIN, WITHOUT CHARGE, A COPY OF SUNGARD'S ANNUAL REPORT ON FORM 10-K FOR 2003, AS FILED WITH THE SECURITIES AND EXCHANGE COMMISSION, BY SENDING A WRITTEN REQUEST TO SUNGARD DATA SYSTEMS INC., 680 EAST SWEDESFORD ROAD, WAYNE, PA 19087, ATTENTION: INVESTOR RELATIONS.

PORTIONS CONSIDERED NOT FILED

You should be aware that under Securities and Exchange Commission rules, the COMPENSATION COMMITTEE REPORT, AUDIT COMMITTEE REPORT AND PERFORMANCE GRAPH are not considered filed with the Securities and Exchange Commission and are not incorporated by reference in any past or future filing by SunGard under the Securities Exchange Act of 1934, as amended, or the Securities Act of 1933, as amended.

By Order of the Board of Directors,

Leslie S. Brush

Vice President-Legal and Assistant General Counsel,

APPENDIX

Charter of the Audit Committee of the Board of Directors

I. PURPOSE

The purpose of the Committee is to assist the Board of Directors in overseeing the audit and integrity of the Company's financial statements; the qualifications, independence and performance of the Company's independent auditor; the adequacy and effectiveness of the Company's accounting, auditing and financial reporting processes (including the performance of its internal audit function); and the Company's compliance with legal and regulatory requirements.

The Committee shall also prepare an audit committee report as required by the Securities and Exchange Commission (SEC) to be included in the Company's annual proxy statement.

Although the Committee has the authority and responsibilities set forth in this charter, the primary role of the Committee is oversight. It is not the duty of the Committee to conduct audits, to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles and applicable laws, rules and regulations, or to otherwise assure the Company's compliance with applicable laws, rules and regulations. These are the respective responsibilities of management and the independent auditor.

II. AUTHORITY

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention. The Committee may request any officer or employee of the Company or the Company's independent auditor to attend a meeting of the Committee or to meet with any members of, or advisors to, the Committee.

The Committee shall have the sole authority to retain and terminate independent legal, accounting and other advisors as it determines necessary to carry out its duties.

The Committee may form and delegate authority to subcommittees consisting of one or more members to (a) grant pre-approvals of auditing services and non-audit services to be provided to the Company by the independent auditor or (b) to perform other duties (subject to Board approval) as appropriate.

III. MEMBERSHIP REQUIREMENTS

Edgar Filing: SUNGARD DATA SYSTEMS INC - Form DEF 14A

The Committee shall be comprised of three or more members of the Board, as determined by the Board. Each member shall be independent and financially literate, as such qualifications are interpreted by the Board consistent with the requirements of the New York Stock Exchange. To the extent practicable, at least one member of the Committee shall be an audit committee financial expert, as such qualification is interpreted by the Board consistent with the disclosure requirements of the Securities and Exchange Commission. No Committee member shall simultaneously serve on the audit committees of more than two other public companies without the approval of the majority of the Board of Directors.

IV. STRUCTURE AND PROCESSES

1. Appointment and Removal of Members and Chairperson. Committee members shall be appointed by the Board at its annual organizational meeting, upon recommendation of the Nominating and Corporate Governance Committee; members shall serve until their successors are duly appointed and qualified or until a member's earlier resignation or removal. The Board may remove members of the Committee upon recommendation of the Nominating and Corporate Governance Committee. The Committee's chairperson shall be designated by the full Board or, if it does not do so, the Committee members shall elect a chairperson by vote of a majority of the persons then serving as members of the Committee.

2. Meetings. The Committee may hold regular meetings on such days and at such times as it shall determine. Other meetings of the Committee shall be held at the request of the Chairperson of the Committee or any two other Committee members. The Committee shall meet at least four times annually. Minutes of the meetings of the Committee shall be regularly kept by the Secretary or a person appointed by the Committee to do so.

The Committee shall meet periodically in separate sessions with management, the internal financial auditors and the independent auditor to discuss any matters that the Committee (or any of these groups or persons) believes should be discussed privately.

3. Rules and Guidelines. The Committee may adopt rules and guidelines for its meetings and other activities.

(k) Review and discuss with the Chief Executive Officer and the Chief Financial Officer any matters required to be disclosed by such officers pursuant to Rule 13a-14 of the Securities Exchange Act of 1934 regarding any significant deficiencies in the design or operation of the Company's internal control over financial reporting which could adversely affect the Company's ability to record, process, summarize and report financial data.
