Item 1.01 Entry into a Material Definitive Agreement

- (i) Pursuant to the registrant's Omnibus Stock and Incentive Plans, which have been approved by shareholders, the registrant has established a Strategic Excellence Program under which grants of stock options, phantom restricted stock units, and cash units are typically granted each year to executive officers and other key management employees as part of the registrant's long-term incentive compensation program.

Stock options are typically granted each year to executive officers and other key management employees based on the registrant's analysis of grant sizes made at other large publicly owned companies. Grants are issued with an exercise price equal to the fair market value of the stock at the time of grant. The option term is 10 years and options vest in 3 installments, with the first installment representing 1/3 of the number of shares granted vesting on the first anniversary date of the option grant, 1/3 of the shares granted vesting on the second anniversary date of the option grant, and 1/3 of the shares granted vesting on the third anniversary date of the option grant. A copy of the Stock Option award grant document is filed as an Exhibit to this Form 8-K.

The phantom restricted stock units and cash unit grants are based on annual performance goals with respect to EVA, innovation, and customer loyalty that are established by the Human Resources Committee of the Board of Directors at the beginning of each annual performance period. Final awards are determined by the Human Resources Committee after the completion of the performance period and an evaluation by the Human Resources Committee of the Company's performance against these annual goals. The award payments, if any, are paid as follows: 50% of the final award payment to be paid on the second anniversary of the grant date and 50% of the final award payment to be paid on the third anniversary of the grant date. A copy of the Strategic Excellence Program award grant document is filed as an Exhibit to this Form 8-K.
